Please select which town you want to comment on:

Kilcoole

Observation relevant to the settlement:

With all the development small and big I'm a bit concerned about green belt around kilcoole and the wet lands. Also Would be great if lose dog were not allowed at the beach next to the wetlands, and moved up to greystones. Or given a dog park.

Last point a square is need for the town, to bring the community together. Could be also good to develop both ways into and out of the town.
