Aughrim Library, Main Street, Aughrim Co. Wicklow

Part 8 Planning Application for Aughrim Library, Main Street, Aughrim, Co. Wicklow

A Chairde,

We enclose herewith all documents for a Part 8 Procedure planning application, for the new public library in Aughrim, Co. Wicklow. In accordance with the public notices the proposed works are described as;

Construction of a new Public Library and community garden, comprising part single storey, part two storey building with reception area, loan desk, IT space, bookstore and reading areas, children's library, sensory room, public access meeting room and study spaces and changing places wheelchair accessible WC. Site works will include selective demolition of the non-original parts of the front boundary wall to Main Street, conservation-based repairs to the existing masonry pedestrian access gate to the rear of the site on Mill Lane, provision of vehicular / bicycle parking, connection to all public services, surface water treatment in accordance with SUDS and the creation of a biodiverse sensory garden with native Irish flora, all on a site on Main Street, Aughrim, Co. Wicklow.

Supporting Documents

We now enclose the following documents in support of the Part 8 Procedure:

- Cover Letter, herewith.
- Public Notice
- Architectural Design Statement outlining the proposed works
- Schedule of Maps, Plans & Drawings
- Existing & Proposed Site Layout Plans, Sections & Contiguous Elevations
- Public Services Maps obtained from Uisce Éireann

We trust the foregoing is in order and please do not hesitate to contact the undersigned with any queries which may arise.

Yours faithfully,

Ben Mullen MRIAI
Architect Accredited in Conservation at Grade 3
Director
