1 Notice of motion in the name of Cllr. V. Blake, seconded by Cllr. (2nd September 2022)

'We the Members of Wicklow County Council are asking the Minister of Education and Transport to revisit the school transport scheme immediately.

This system is not fit for purpose leading to children being left on side of the road. Leaving working parent families to reduce work hours or in some cases leave work to deliver children to and from school, bearing in mind these parents were more than willing to pay as they have done for many years'.
