Submission	1. Level 2: Wicklow Town -Rathnew

Write your observations here:

We are very happy to support the provisions being made for sports facilities . We have seen a significant increase in the population of Wicklow over the last 40 years but sports facilities have not kept pace . Kids on waiting lists not being able to participate in their chosen sport is not good . The proposed variations can rectify this which can transform the sports facilities available to our growing community. We support the Wicklow 2040 vision for urban planning
