Community Development (incl. sports facilities & schools, etc.)

Submission

Please designate sufficient land in the town to accommodate a pool, 400 meter track and associated facilities. This would be a facility that would be available to all the community- school, clubs, community games etc. My family is based in Ballymore but use Blessington and its facilities very regularly.

There is a gaping hole when it comes to sport facilities in Ireland generally and there is a great opportunity to get ahead of the development that is undoubtedly coming from the Dublin and Naas directions. Thanks in advance.
