Dear Sir/Madam,

The residents of Sugarloaf Crescent are members of the ABR and fully support their endeavors in seeking a traffic and mobility plan for Bray together with a better policing plan for Bray.

The traffic in Bray is horrendous and will worsen due to increased population in our town and surrounding areas. Something must be done to alleviate the current congestion on our local roads as a matter of urgency.

We also support the ABR's endeavors to seek improved policing services for our town of Bray. Again there is increased population and less police to service our ever growing town. This simply does not make sense and must be addressed. There are no visible police on the streets, traffic has developed its own rules and it needs to be brought back into line for the safety and well being of the people of Bray.

One final thing our residents in Sugarloaf Crescent care very much about is the very large old oak tree in Temple Sports field. It adds aesthetically to our area and residents are keen that it is retained.

Your faithfully,

Patricia O'Leary
Hon Secretary
Sugarloaf Crescent Residents Assoc
