It will also be necessary to remove the Nursery women as it is extremely undesirable to have them in the Nursery whilst a lot of men are working there, daily for weeks, they could be placed in another of the long rooms referred to. Some slight repairs will be required & a temporary wooden Water closet erected for their use.

The committee appointed to examine into the Preliminary Report of Mr. Ramsay upon the proposed supply of Water for the Village of Clonegall, submitted the following observations:—

"That the cistern or Tank be constructed at the point marked Z instead of at B & that it be covered with concrete roof supported by iron girders instead of brick arch as suggested.

"That a 1½ inch metal pipe be used from fountain opposite Mr. Dunn's to fountain at Watchouse, and from junction with main opposite School to Parish Priest's house.

The Board approved of the alterations suggested by the Committee; and it was moved by Mr. Kennedy, seconded by Mr. Symes & resolved—

"That a Water supply be provided for the Village of Clonegall and that Mr. Ramsay be directed to prepare the necessary Plans and Specifications.

The Guardians Engineer certified that Thos. Walsh had erected the Pump at Hacketstown & stated it was an excellent job, when they decided to pay him the amount of his Contract, namely £4-10-0.

## LABOURERS (IRELAND) ACTS,

46 & 47 Vic., cap. 60; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority under the above-mentioned Acts, at a Meeting held on Friday the 17th day of March 189 3.

PRESENT: In the Chair— Travis Brooke Esq D.L. & J.C.

Other Members:—

Major Newton & Messrs. R. Lawrenson, Richd. James, Endr. Nolahan, Richard M. Dowse, Wm. Spaves, Wm. Kennedy, Thos. Dowling, P. Foley, N. O'Toole, Robert Carey, Patrick Byrne, E. J. Byrne Joseph Hopkins and Abraham B. Symes.

Mr. Brown, Solicitor, wrote stating that the Corporate Seal of the Board should be affixed to a notice to quit, & that it should be signed by the Chairman and countersigned by the Executive Sanitary Officer.

Mr. Ramsay, Engineer, wrote to inform the Board that Bolger, the contractor for repairs to old Cottages at Lackaboy, refused to erect the dividing fences & the wall between back passway & gardens. He also claimed extra for pulling down & rebuilding the front & rere walls, which is clearly in his Contract.

The Board, on the recommendation of Messrs. Spaves & Kennedy, who were appointed as a Committee to enquire into the matter, decided that the pulling down & rebuilding the walls was covered by the Contract, but that the remainder of the work in question was extra, & that the dividing fences were unnecessary.

Read further letter from Mr. Ramsay enclosing Specification for boundary wall at Labourers Cottages in Hacketstown which he stated the Contractor could not fairly be expected to build as part of his Contract, as this work was not anticipated at the time the Contract was let: He also mentioned that the Contractor for Carraca (two) Cottages drew his attention to the fact of three gates being required, owing to the position of the gardens & that the Specification only provides for one gate to each Cottage.

This Specification was referred to a Committee consisting of Messrs. Speares & O'Toole, who recommended some slight modifications & estimated the work at £17, which the Board approved of & directed that same be carried out. They also decided that an extra gate be ordered for Carraca site.

Mr. Wm. Morris of Drynhall, wrote applying for the sum of £0.12.6 for serving notice upon Thomas Doyle and his Sureties determining the Contract.

The Board ordered that this claim be paid through their Solicitor Mr. S. J. Brown.

The Board, being specially convened, proceeded to consider Representations for erection of labourers cottages, received from the undermentioned Electoral Divisions, viz:- Clonegall 1, Clonmore 5, Coolballintaggart 1, Hacketstown 2 and Moyacomb 1.

The Representation from Moyacomb was declared informal, as it was signed by residents in the Clonegall Electoral Division; and one of the Representations

received from Clonmore Division was rejected as most of the signatures were written in pencil. It was also decided to reject the one from Coolballintaggart for a like reason.

The Board resolved to adjourn the other Representations for three weeks, and appointed Committees to report thereon as following:- Clonegall E.D. - Messrs. M. Kennedy, James O'Leary, & Martin McDonald. Clonmore E.D. - Messrs. J. Dowling, P. J. Ferris, J.M. Young, Jas. Carthy, Jno. Timmins & T. Morrow & for the Electoral Division of Hacketstown Messrs. N.O'Toole, J. Lyons, Wm. Murphy, W.B. Jones, Thos. Pollard and Robert Ellis. Relieving Officer.

The Guardians next took into consideration an adjourned Representation from the Hacketstown Electoral Division & also report of Committee thereon who recommended that two cottages be erected & that the site chosen be on the land of the highest rated occupier signing the Representation.

The report of the Committee was approved of by the Board & it was proposed by Mr. O'Toole seconded by Mr. P. J. Byrne and unanimously agreed:- "That an Improvement Scheme for Hacketstown E.D. ought to be made," but the Bd. decided to adjourn the making of the Scheme until this day three weeks.

The Board, as advertised, proceeded to consider tenders for the erection of two cottages (in one block) at Ballyshane & one at Clonegall in accordance with deposited Plan & Specification when the following were read:- Mr. Patrick Kehoe proposed to erect two cottages (in one block) at Ballyshane for

for the sum of £260, & Mr. Denis O Brien offered to do the work for £265.

On the motion of Mr. Dowling seconded by Mr. P. Byrne it was resolved to accept the tender of Mr. Patrick Kehoe for the erection of the two cottages at Ballyshane at £260.

No tender having been received for the erection of a cottage at Clonegall the Clerk was directed to re-advertize same to be considered on this day three weeks.

On the recommendation of Mr. Kennedy, P.L., the Board agreed to accept Edward Coleman & Andrew Connors, as tenants of two cottages rebuilt at Lackabeg - who attended and perfected the necessary Agreements.

In accordance with certificates received from their Engineer the Board ordered that Cheques be drawn for the sums of £66 and £110, respectively, in favor of Messrs. P. Kehoe and P. Boulger, Contractors for erection of cottages.

Mr. Luke Kehoe nominated Messrs. Patk. Murphy Ballyredmond and Gregory Nolan, of Drumdeby, as Sureties for collection of Rents of Labourers cottages, whom the Board approved of.

Dr. Bolster, Miahely, wrote that he had made a Sanitary Inspection of his District, and discovered nothing that he considered of sufficient importance to bring under the notice of the Sanitary Authority.

A Report was received from Dr. Jackson with reference to the Hacketstown & Carl Remo District. The Sanitary condition of Hacketstown was as good as coned be expected, considering the important fact that the houses of the working classes were almost altogether without sanitary accommodation of any Kind. Even in the absence of an epidemic this was a serious drawback, but with the probable approach of Cholera it became a matter for the most careful consideration of the Sanitary Authority. The Sanitary condition of the Red Bog was not at all satisfactory, and the Doctor gave particulars of several Nuisances he found existing there with recommendations for dealing with same. The report also dealt with the case of a man named Fallon whose house is in an unsanitary state.

Dr. Brady also submitted reports with reference to the Coollattin & Clonegall District

The Board agreed to appoint a Committee consisting of Messrs. T. Brooke, W. Speares, H. P. Doyle to report on the above subject, by this day fortnight for the Coollattin & Clonegall Dispensary District; and for Hacketstown District Messrs. W. E. Jones, N. O'Toole and J. Lyons.

No. 11,889 5th April 93

Refering to the Minutes of the Guardians on the 14th Ultimo, the local Government Board forwarded therewith a form of Descriptive list, to be filled up, respecting the area of charge proposed for the expenses incurred in providing a supply of water for the use of the inhabitants of the Village of Clonegall.

30th Mar 93

Mr. Ramsay, Engineer, wrote, in reply to a letter from the Board, Re Clonegall Water Scheme, stating that in the Baltinglass Union he was paid 5% on the contract price for Plans, Specifications and superintendence of similar works. as Clonegall is more out of the way, and the work requires a good deal of levelling he thought the Board might also allow him for expenses an additional 1½% & a small fee for the preliminary meeting Committee Rep.

It was moved by Mr Speares seconded by Mr. Kennedy, and ~~adopted~~ resolved:- "That Mr Ramsay be offered the sum of £20. for his services in connection with the entire work

Mr. Dowling proposed the following resolution, which was ~~seconded by Mr~~ ~~unanimously re~~ Symes & unanimously ~~carried~~ adopted:-

"That this Board feels pleasure in bearing testimony to the very efficient and satisfactory manner in which Mr. W.m Speares discharged his duties as Engineer of the Carnew Water Works which reflect credit alike both on the Engineer & the Contractor. We also deem it fair to state that the great success of the Tinahely Water Scheme is due to Mr. Speares whose alterations and improvements in the plans not only secured success instead of failure but reduced the actual cost by £345. We can therefore confidently recommend Mr. Speares to any Board or Public Body requiring the services of an Engineer for such Works."

Next Meeting of the Guardians to be held on Friday the 14th day of April 189 3.

Clerk of the Union.

Mr. Ramsay, Engineer, wrote stating he would accept the Boards offer of £20. for all work in connection with Clonegall Waterworks, and would prepare the Specification, &c. without delay.

Dr. Bolster, Medical Officer of the Tinahely Dispensary District, reported that he inspected a sewer made by the County, at Tinahely, & found that same was not provided with a proper sewer trap. He also considered that the size inch pipe laid, was insufficient. Dr. Bolster recommended that proper traps be provided for the main sewer in the town, as the escape of sewer gas is very offensive and likely to be the cause of an epidemic of Fever.

It was decided to refer this matter to the Local Guardians to have an application made at the next presentment sessions.

The Medical Officer of the Coolattin and Clonegall District, also furnished a detailed report, dealing with the water supply & sewerage of the entire District, which, he stated, was anything but satisfactory.

The report was referred to the Committee appointed, at the last Meeting of the Board, to consider and report on the subject.

Next Meeting of the Guardians to be held on Friday the 21st day of April 1893.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority under the above-mentioned Acts, at a Meeting held on Friday the 28 day of April 1893.

PRESENT: In the Chair— Frank Beeke Esq D.L. V.L.

Other Members:—

The Hon H.L.D. Boscawen D.L. Messrs. J.H. Kerr D.L., R.M. Dowse, Wm Speares, Pierce Butler, Jas Kavanagh, Patrick Byrne, Edward J Byrne and Abraham D. Symes.

No 11227 30th April 93

The local Government Board wrote forwarding a letter which they had received from a man named Patrick Kelly relative to the selection of a tenant for a cottage erected by the Guardians at Hacketstown & requested to be furnished with their observations thereon. They desired to refer the Guardians to Section 4 of the act of 1886 for the definition of the expression "agricultural labourer" & to state that it is evidently intended by the acts that where cottages had been erected in pursuance of Representations which alleged that the existing labourers' dwellings were unfit for human habitation the new cottages should be let to the occupants of the condemned dwellings.

No. 11696 22nd April 93

A letter was also read from the local Government Board enclosing a communication addressed to them from a man named Wm Neill of Hacketstown on the same subject.

In reply to the aforesaid letters the Guardians desire to observe, there were three Cottages to be let & there were eight applicants & the Board having carefully considered the circumstances in each case came to the conclusion that, John Black, Daniel Doyle and Thomas Dempsey were the most deserving & most urgent cases. The Board considered upon the facts within their Knowledge, that the three parties selected are Agricultural labourers within the meaning of the acts of 83 & 86

Mr. Brown, Solicitor, wrote enclosing Contract Bond of Mr. Patrick Kehoe duly stamped

The Guardians decided to advertize for tenders for the erection of a labourers Cottage at Clonegall to be considered on the 12th of May next.

A proposal was received from Mr. Finn to build a protecting wall in front & west square of the three Cottages erected at Shackletstown for the sum of 1/- per Irish Perch, which the Board considered excessive, and directed that the work be advertized.

The Guardians resolved to pay Messrs. Finn, Kehoe & O'Brien, Contractors the sums of £70, £100 and £28, respectively, as per Certificate received from Mr. Ramsay, Engineer.

No 50 - Mg3 - Miscellaneous 29th May 93

A circular letter was read from the Local Government Board calling for a return of the receipts and expenditure of the Guardians, acting as the Burial Board, during the year ended 31st December last.

Mr. O'Toole, R.S., wrote stating that he found the Public Pump at Hacketstown out of order & had it repaired by a man named Thomas Walsh.

The Guardians decided to advertize for a contractor to Keep the Pump in order, proposals to be considered on this day three weeks, and they nominated Thomas Walsh caretaker, temporarily, at such rate as may be hereafter agreed upon to be given to the person appointed.

Edward Healy, caretaker of the Tinahely Water Works wrote calling the attention of the Board to the fact that on the 29th ult. he found John Kavanagh, James Mulhall, and Timothy Mulhall of Mangans washing sheep in the brook leading to the Tinahely Waterworks.

Messrs. Kavanagh & Mulhall subsequently attended before the Board and undertook not to wash their sheep in the Reservoir stream again when the Guardians decided to take no further steps in the matter.

Mr. Kavanagh having mentioned that Healy the caretaker stated that he (Kavanagh) might wash sheep as long as he liked in the stream but not bring Mulhall or Behan with him, the Board directed that the Clerk request Healy to attend before the Board at their next meeting.

Next Meeting of the Guardians to be held on Friday the 9th day of June 189 3.

Clerk of the Union.
