

ARTIST AWARD SCHEME 2022

Wicklow County Council Arts Office Funding Application

Artist Award Scheme

INFORMATION

Wicklow County Council Arts Office established the Artist Award Scheme in 2013. It is one of a number of schemes designed to support artists, arts participation and artform development in County Wicklow. This scheme forms part of a wider set of actions initiated and developed by Wicklow County Council directed at supporting quality practice and public participation in the arts in the county.

SCHEME PURPOSE

The purpose of the Artist Award Scheme is to assist artists in the development of their practice. Awards to date have been offered to artists at all stages of their careers and who live in or are originally from County Wicklow. The Artist Award Scheme has supported professional artists to develop or realise a particular body of work and/or to undertake professional development to that end. Professional practicing artists working in any artform, discipline or genre are eligible to apply to this scheme. Proposals have included participation on short-term courses, residencies, specialist workshops, mentorship programmes. The award has been used to 'buy time' to develop or research a new body of work or to contribute to the costs of participation in a residency or other professional development programme or opportunity. Applications to fund third-level or on-going study are ineligible.

Response to COVID – 19

In considering the 2022 Artists Awards Scheme, Wicklow County Council is particularly conscious of the disruption to artists work brought about by the Covid 19 pandemic. While it is hoped that the worst of the pandemic is now behind us and, though restrictions have being lifted, in recognition of the challenges posed to artists continuing to create work at this time, we are offering artists an opportunity to take time to recalibrate their work. In the 2022 Artists Awards Scheme, we are enabling artists to explore and test meaningful ways to make work, to develop their practice, taking an innovative approach to the challenges that we all face.

1.2 SCHEME OBJECTIVES 2021

As always, the purpose of Artists Awards is to support and nurture professional artists' practice in Co. Wicklow. In recognition of the limitations and the challenges posed to artists and their practice, we will:

1. Support the creation of methodologies of practice (virtual, digital and physical),
2. Support reflective ways of thinking and developing work which would include development of new local, national and international collaboration, reaching across borders real and imagined.
Note: In practical terms, this may include short-term mentorships or training/development supports at postgraduate level. It may also include the presentation of new work outside the county and country by an artist resident in the county (where there is demonstrable benefit to the artist's practice)
3. Support the creation of new works in all artforms that respond to these unusual times of social change, which explore and reflect on questions, insights and themes that have arisen from Covid 19 and our future.
Note: The proposed artworks will create a dialogue through contemporary arts and have a significant impact on the artist's career development.

The maximum award offered is €5,000 although awards are often made for smaller amounts.

The Artist's Awards Scheme 2022 aims to enable artists to:

- Develop and/or present new work.
- Consider new approaches to their work in the digital and virtual space as a valid and essential arena for artistic endeavour.
- Reach out and connect to vital collaborators, networks, peers and other socially engaged artists, academics, community leaders etc. to develop a discourse on their practice during this time.
- Connect with international networks, organisations and practitioners, with a view to developing future collaborations and opportunities on an international scale
- Work in collaboration with communities of place and communities of interest in Wicklow to imagine how they will collectively emerge from this time of crisis.

2. ASSESSMENT CRITERIA

Applications will be assessed on the following basis:

- Adherence to the priorities, conditions and guidelines for the Artist Award Scheme
- Excellence (latent or achieved) of the artist's practice demonstrated
- Quality and innovative approaches evident in the proposal especially in terms of its response to the challenges faced by artists in the making and presentation of their work e.g. digital or virtual practice
