The Outdoor Event Licence shall be for a maximum capacity of 25,000 attendees per day. The event shall be implemented in full accordance with these documents save as the conditions hereunder otherwise require.
2. A Final Event Management Plan, including appendices, shall be formally agreed with Wicklow County Council, Wicklow Fire Service and An Garda Síochana by the 16th June 2023. This shall include:
 - List of key personnel (Event Controller, Deputy Event Controller, Event Safety Co-ordinator, Security Co-ordinator, Site Manager, Medical Co-ordinator, Site Medical Officer, Noise consultant and Transport/Traffic Co-ordinator) and their telephone and mobile telephone numbers.
 - A Final Traffic Management Plan prepared in line with the Traffic Signs Manual as published by the Department of Transport, specifically Chapter 8 Temporary Traffic Measures and Signs. The arrangements identified in the final TMP shall remain in place for the duration of the works. The Traffic Management shall be managed by a suitably qualified person with appropriate training i.e. a holder of a CSCS Construction Skills Certificate Scheme and/ or SLG Sighting, Lighting and Guarding licence. This qualified person shall be at the particular site location at all times when road signing, lighting and guarding is being installed, modified or removed on the roadway.
 - The final Traffic Management Plan shall include:
 - i) The details of managers, supervisors, operatives etc. to be onsite and their relevant training experience records;
 - ii) Consideration of utilisation of the roundabout at Blessington Abbey on the N81 instead of the Naas Road junction;
 - iii) Details of external signage plan (locations of all the proposed signage) and detail the installation of signs prior to the event commencing to direct

attendees to and from the event. Sign installation shall have regard to Chapter 8 of the Traffic Signs Manual when installing/removing and maintaining these directional/information signs. Details of Variable Message Signs (VMS) in accordance with TII's 'Guidelines for the Use of VMS on National Roads';

- iv) Pedestrian routes to the venue/associated with the venue segregated from vehicular traffic, all pedestrian routes within the venue shall be to a suitable standard and adequately illuminated;
 - v) Detail any critical junction, gate or other locations (e.g. drop off points) where measures will alter the existing road layout;
 - vi) Detail of contingency measures to deal with parking in the event that parking areas become full. Detailing where people will be directed from both south and west. An indicative quantum of spaces that each car park can accommodate shall be included;
 - vii) Detail of how parking associated with the event will be strictly limited to on-site / park and ride parking and how the operator will ensure a "no off-site parking" policy will be maintained during the event;
 - viii) Detail of event lighting in order to clarify it has been positioned in such a manner as to minimise light pollution/glare onto the adjoining road network.
- List of funfair attractions to assist with fire risk assessment;
 - An Alcohol Management Plan;
 - Details of liaison with the local community;
 - Fire Safety Plan;
 - Other matters raised to date by Transport Infrastructure Ireland, Wicklow Fire Service, An Garda Síochana and Wicklow County Council.

The agreed Final Event Management Plan shall be implemented in full.

3. Site layout plans to a minimum scale of 1:500 shall be formally agreed with Wicklow County Council, Wicklow Fire Service and An Garda Síochana by the 16th June 2023. These shall clearly show:

(b) At all times while the premises is in use for the event, the ground surfaces, including exit routes, must be maintained in a safe condition free from slip or trip hazards etc. This may necessitate the installing of suitable ground coverings. Exit routes must be available for immediate use and capable of safely evacuating the capacity crowd regardless of weather conditions.
 6. A qualified and experienced noise control consultant shall be appointed to liaise between the licensee, promoter, sound system supplier, sound engineer, Environmental Health Officer and Local Authority on all matters relating to noise control prior to and during the event. The noise control consultant shall carry out a survey prior to the event to determine the background noise levels (as defined by the Code of Practice on Environmental Noise Control at Concerts) at locations around the venue representative of the noise sensitive premises likely to experience the largest increase in noise/highest noise level as a result of the concerts.
 7. The music noise level shall not exceed 65dBA over a fifteen minute period at 1metre from the façade of the nearest noise sensitive location during rehearsals, sound checks and the event. Noise levels shall be continually monitored to ensure these limits are not exceeded and the Environmental Health Officer(s) and Local Authority shall have access to the records of the monitoring at any time. A copy of the record of noise monitoring shall be provided to the Local Authority no later than 3 days following the event.
 8. No amplified music shall be played at the event after 23:00 on the 30th of June and 1st of July and after 22:30 on the 2nd of July and before 8:00 on any day. No other activity, including (but not limited to) the funfair, cinema, use of generators, dismantling or moving of equipment that is likely to cause a noise nuisance to residents shall be carried out between 23:00 and 08:00 on any day.

9. A qualified and experienced ecology consultant shall be appointed to prepare an ecological report, including walkover survey of the event site, prior to the event to include details of habitats (mapped) and species on site and an impact assessment of the festival supported by mitigation measures. The report shall be submitted to and agreed by the Local Authority 1 week prior to the event and the agreed mitigation measures shall be included in the Final Event Management Plan.
10. Sanitary accommodation shall be in accordance with the Code of practice for Safety at Outdoor Pop concerts and other outdoor musical events 1996 or other appropriate code of practice as agreed in advance by the Environmental Health Officer.
11. Concession units using gas fired cooking equipment shall be sited at least 6 metres from any other unit in accordance with Section 22.5 of the Code of Practice for Safety of Outdoor Pop Concerts and Other Outdoor Musical Events, 1996.
12. All temporary electrical work shall be certified to meet the requirements of the National Rules for Electrical Installations - ET 101.
13. The licensee shall ensure that all items of equipment in operation at the funfair shall have valid safety certificates, which shall be in accordance with the provisions of Section 239 (7)(b) of the Planning and Development Act 2000 (as amended).
14. All construction/development/de-construction/dismantling works at the Event site shall be carried out between the hours of 08.00 and 22.00.
15. The licensees shall be responsible for:
 - i) The removal of structures and the carrying out of any works for the reinstatement of the lands subsequent to the Event, these works shall be completed by 6.00pm on Monday 12th of July 2023, unless otherwise agreed in writing by the Local Authority.
 - ii) The full clean-up of the local area, including Blessington, and the road network on the approaches to the venue affected by the Event. This shall be completed by 6.00pm on Monday 12th July 2023, unless otherwise agreed in writing by the Local Authority.
 - iii) The repair of and remedial works arising from any damage caused to public and private property, facilities or amenities associated with the Event. These works shall be completed by the 12th of July 2023 unless otherwise agreed in writing by the Local Authority.

16. Access routes to the Event shall be maintained free from obstruction during the Event, to ensure that Emergency Services Access is available in the event of an emergency.
17. The licensee shall maintain public liability insurance cover for the full duration of the Event. Details of the insurance cover shall be submitted for the written agreement of Wicklow County Council not later than 1 week prior to the commencement of the Event.
18. Should the Planning Authority advise the licensee that the Event is not in compliance with the conditions of the Licence the licensee is required to immediately address the matter, in the manner requested by the Planning Authority.
 - The licensee shall comply in full with all of the conditions attached to this licence. In holding the subject event the licensee shall have due regard to the provisions of Section 231(3)(b)(iv) of the Planning and Development Act 2000 as amended and the implications of non-compliance with this event licence for future events at this location. The licensee shall also have due regard to the Provisions of Section 233 of the Planning & Development Act 2000 as amended which the Planning Authority may use should the event be held in contravention of the terms of this licence.
 - The event licence relates to the subject events outlined above and nothing in this event licence shall be constructed as negating the licensee's statutory obligations or requirements under any other enactments or regulations.
19. A debriefing session organised by the licensee shall be held not later than two weeks after the termination of the Event. The licensee shall advise Wicklow County Council and all relevant prescribed bodies of the debriefing session and request that they attend.
