Gentlemen

I have to report that a dangerous Lunatic named *Wm Byrne* was admitted to the Workhouse on the 8th instant I was about proceeding with him to Dublin on the 11th and when about to place him in the train he became so violent that I had to detain him for the train train and to send for further assistance, and had a strait jacket put on him together with straps on his arms and legs, after which I conveyed him assisted by two Constables to the Richmond Asylum, I was unable to return same day; This has been a dangerous Lunatic admitted here within the last 2 months.

I have also to report that on yesterday by post I received a letter from Mr. Moran RD to forward the Van to Roundwood, Roundwood, for a case of Small Pox to our Fever Hospital; I at once

ordered the driver to proceed to Roundwood with the Van and to wait convenient to the residence of the patient until I would arrive there; I at once proceeded to Wicklow and saw Dr. Halpin and requested him to receive the Case into the Fever Hospital there as he had one or two cases in house, to which he assented, and if your Board would subscribe £5-5-0 to the fund of the Fever Hospital at Wicklow all cases that may arise will be admitted unless Small Pox should become an epidemic of wide extent I then proceeded to Roundwood and met Dr. Lynch who advised that I should if possible send the case to Wicklow Hospital so as to confine it to that locality if possible, Dr. Halpin also advised the same course; I then directed the driver to proceed to Wicklow Hospital to which place I also went and made myself acquainted with the fact that the Case was duly lodged in the Hospital, to facilitate the matter I handed to the Secretary and Treasurer of the Fever Hospital on behalf of your Board a subscription of £2-2-0, In adopting these steps I was guided by your verbal instructions given at your Board by the Chairman

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:—

when it was reported ~~when it was reported~~ that a case of small pox had occurred in the neighbourhood of Wicklow, and I trust the same shall meet your approval; I ordered the man's bed and bedding to be left at the Wicklow Hosp^t. and I have ~~isolated~~ ^{isolated} the attendants on the man from all the inmates of the Workhouse and at once gave them fresh clothing together with causing them to wash their bodies in a warm bath so as to avoid any infection being carried about. —

D^r Lynch requested me to state to your Board that it would be absolutely necessary that the bed and bedding of the small pox case should be destroyed and the Cabin thoroughly disinfected; I recommended

[This to be entered on the occasion of every appointment of a new Committee, after the annual Election of Guardians, and on the occasion of any election to fill any vacancies in a Dispensary Committee.] *The Board elected the following Ratepayers to be Members of the Committees of Management of the following Dispensary Districts, respectively:—the Clerk to make a Return accordingly to the Poor Law Commissioners, and to issue the prescribed Notification to the Members elected, and to the Medical Officers of the respective Dispensary Districts, in pursuance of Articles 1, 2, and 3, of the General Regulations for Dispensary Districts. The Clerk was also directed to supply Check Books of Medical Relief Tickets (Forms E 1 and E 2), in pursuance of Article 27 of the Dispensary Regulations, to the New Members of the Committees, namely:—*

The following Orders of the Poor Law Commissioners, under the Medical Charities' Act, were laid before the Board, and Directions given thereon, as follows:

Order dated _____ (state subject,)

The following Letters on matters arising under the Medical Charities' Act or the Nuisances Removal and Diseases Prevention Acts, from the Poor Law Commissioners and others, were read by the Clerk, and Directions given to answer them, respectively, to the following effect, (or orders were made on them respectively as follows:)

Read Letter from Poor Law Commrs dated, 12th instant
stating that

informing the Guardians, in reference to the fee of Two Guineas proposed to be paid to Dr. Vance for assisting Dr. Gibbs in performing an operation on a Dispensary patient, that the Hwfy Secy of the Dispsy Comm^{ee} has no legal authority to order the Medical Officer to procure medical assistance the Relieving Officer being the only person who has legal authority to obtain that assistance for him.

The Commrs will not however on this occasion, under the circumstances stated by the Guardians object to the proposed payment —

In reference to the Comm^{rs} Letter of the 22nd May last enclosing two reports from the Med^l Offr of the Ashford Dispsy Dist^{ct}: the Guardians desire to state that in the absence of any call from the Dispensary Committee they do not deem it necessary to appoint a Sanitary Inspector for that District; they have however referred the matter to the Committee and if deemed by them to be necessary the Guardians will at once make the appointment. —

Mr Livingston R^t reported to the Board all the cases of defaulters under the Vaccination Act in which he was instructed to take proceedings had complied with the requirements of the Act upon being noticed to do so, with the exception of three, and that these three on receiving summonses complied before the hearing of the Complaints.

I returned orders, in each case, the former for £500.11 and the latter 12/6. I gave the usual personal notice as directed by yr Board, in the case of Byrne twice, I also served Summons &c on all the witnesses that I might be able to prove that all necessary steps were done in accordance with the law and the rules of the Court; As requested by the Guardians of the Kilcove E.D. I directed D.J. Henry Esq through your Solicitor to prosecute on behalf of your Board, there was no meeting the previous Tuesday to obtain the necessary order,

~~The Reports of the Master and other Officers were read, and Orders made thereon as follows:—~~

"We find that deceased, Thomas Travell, died in the Rathdrum Hospital Van on the 27th instant, of congestion of the lungs accelerated by asthma of long standing."

I have also to report that the cases of maintenance against John Sheil of Sleamagh and Geo. Grimes of Ashford were not proceeded with in consequence of the Mother of the Child in Sheil's case having left the Workhouse after I had given him personal notice and has not returned; George Grimes agrees to pay the costs to your Board. —

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them, respectively, to the following effect (or Orders made on them respectively, as follows):—

Read Circular from Poor Law Commrs dated 24th instant enclosing Cheque for £320.6.11 being the amount payable to this Union out of the Parly Grant for Medical & Educational Expenses

Read Letter from Workhouse Infirmary Nurse asking for leave of absence for one week, she undertaking to leave a competent person to take her place during her absence.

Leave granted

The Master of the Workhouse applied to the Board to fix a scale of remuneration to be paid to him for his extra duties and expenses in relation to the conveyance of dangerous lunatics to the Asylum, and also relating to his extra duties in prosecutions against putative fathers. —

The Guardians will continue the usual course of paying these expenses according as the necessity arises. —

The Guardians proceeded to take into consideration the question raised by the New Milk Contractor for which a special meeting had been summoned -

The Contractor was called before the Board and questioned as to his determination regarding the supply of New Milk + Butter, the contract for which the Guardians had awarded to him on the 27th instant ultimo; He positively ~~declined~~ ^{refused} to be bound to supply Milk to show 10 degrees of cream by the test used in the Workhouse which he did not believe to be accurate; and declined to furnish the supply at all if the Guardians did not agree to take pure New Milk without any reference to degrees of cream -

The Guardians having considered on the matter thought it most advisable to advertise for a fresh contract, and ordered a Special Meeting to be summoned for the 6th of August next to receive tenders, Mr. Ellison agreeing to supply up to that date.

The Clerk was directed to insert in the advertisement that the Milk must stand the test of 10 degrees according to the lactometer in use in the Workhouse;

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them, respectively, to the following effect (or Orders made on them respectively, as follows):—

Read Letter from Poor Law Commissioners dated 7th instant informing the Guardians that they have received from their Inspector, Mr. Robinson, his half yearly report relating to this Union, in which he states that on his recent inspection he found the Workhouse in a clean orderly and healthy condition and the schools well conducted.—

Mr. Robinson also reports that the Med^l Officer does not attend the Workhouse with regularity, most of his visits being paid after the hour prescribed by the Comm^{rs} Regulations.— The Comm^{rs} request the Guardians to require the Med^l Officer to be more punctual in his attendance in future.—

Mr. Robinson further reports that the Workhouse requires painting, and the Comm^{rs} forward to the Guardians a specification which may be adopted for the execution of the work. —
