

SCHEDULE OF CONDITIONS
LICENCE UNDER SECTION 231 OF THE PLANNING AND DEVELOPMENT ACT 2000
(AS AMENDED)
Beyond the Pale event to be held between the 13th June and 16th June 2025

In accordance with Section 231 (3)(a) of the Planning and Development Act 2000 (as amended) I recommend that an event licence for the 'Beyond the Pale' event to be held between the 13th of June and 15th of June 2025 at the Glendalough Estate is granted, subject to the conditions set out below:

1. This Outdoor Event Licence refers to the Event, which is a music and arts festival 'Beyond the Pale' to be held between 4pm 13th June and 1am 16th June 2025 associated parking and campsites open from 12.00pm 13th June until 3pm 16th June 2025, with campervans permitted to arrive from 6pm on 20th June 2025 as described in the application received on the 14th of March 2025. The Outdoor Event Licence shall be for a maximum capacity of 12,000 attendees per day. The event shall be implemented in full accordance with the submitted documents, save as the conditions hereunder otherwise require.

2. No amplified music shall be played during the following hours:

Late night area:

14th June 03:00 to 08:00

15th June 03:00 to 08:00

16th June 01:00 to 08:00

All other stages:

14th June: 01:00 to 08:00

15th June: 01:00 to 08:00 and 23:00 to 0:00

No other activity, including (but not limited to) the fairground, use of generators, dismantling or moving of equipment that is likely to cause a noise nuisance to residents shall be carried out between the hours of 23:00 to 08:00 on any day.

3. A Final Event Management Plan, including appendices, shall be formally agreed with Wicklow County Council, Wicklow Fire Service, HSE and An Garda Síochana by the **29th May 2025**. This shall include:

- a) List of key personnel (Event Controller, Deputy Event Controller, Event Safety Co-ordinator, Security Co-ordinator, Site Manager, Medical Co-ordinator, Site Medical Officer, Noise consultant and Transport/Traffic Co-ordinator) and their telephone and mobile telephone numbers.
- b) Event Risk Assessment.
- c) Child Protection Policy.
- d) A Final Traffic Management Plan prepared in line with the Traffic Signs Manual as published by the Department of Transport, specifically Chapter 8 Temporary Traffic Measures and Signs. The Final Traffic Management shall be managed by a suitably qualified person with appropriate training i.e. a holder of a CSCS Construction Skills Certificate Scheme and/ or SLG Sighting, Lighting and Guarding licence. This qualified person shall be at the particular

P.

site location at all times when road signing, lighting and guarding is being installed, modified or removed on the roadway.

The Final Traffic Management Plan shall include details of the following:

- i) The number of;
 - 1) Private Cars;
 - 2) Camper vans/caravans;

anticipated for the event. Details of the capacity of the parking areas for cars and campervans areas shall be indicated.
- ii) The anticipated quantity and timing of vehicles attending the event using local and national roads, the segregation of traffic over different routes and modes and the no. of weekend campers (and day-trippers or re-entry of audience attendees).
- iii) The need for traffic management during the commissioning and decommissioning of the event shall be incorporated into the traffic management plan.
- iv) How traffic is to be managed at the end of the event.
- v) How the proposed shuttle system/Queuing area at Oldbridge shall operate to not cause any queues to form on the public roads.
- vi) The proposed stop/go operation at Annamoe such that its operation shall not cause queuing of vehicles.
- vii) The use of VMS signs to direct event attendees at major junctions e.g. in Roundwood Village, as requested by the Road Authority or An Garda Síochána.
- viii) Details of all event signage on public roads which shall be installed and carried out in line with Chapter 8 of the Traffic Signs Manual.
- ix) Details of event lighting which shall be positioned in such a manner as to minimise light pollution/glare onto the adjoining public road network.
- x) Details of operatives, supervisors, managers to be onsite to implement traffic management. Training and relevant experience records shall be provided inclusive of a breakdown of how many P.S.A. licenced security will be on-site at various times (as opposed to how many stewards will be employed at various times).
- xi) Measures to ensure that proposed levels of safety on the N11, national primary road, are safeguarded, in accordance with the provisions of official policy; all signage shall be removed from national routes no later than one week post the event.
- xii) Sign faces and posts of existing road traffic signs shall not be used as backing / support for any signage;
- xiii) Details of a liaison person who shall be appointed by the organiser to deal with all traffic and signage issues before and during the event and shall be readily contactable by Gardaí, Wicklow County Council and TII at all times before and during the event.

- xiv) Details of measures to prevent re-entry of festival goers vehicles
 - xv) Details of how emergency access routes to the Event shall be maintained free from obstruction during the Event.
- e) Fire Safety measures (including the provision of a trained firefighting team of 6 persons with Class B fire engine, or similar approved, for the full duration of the event);
 - f) List of fairground attractions to assist with fire risk assessment;
 - g) Assessment and identification of trees/tree limbs at risk of falling during weather events and exclusion of camping and activities from at risk areas;
 - h) An Alcohol Management Plan (this shall clearly state when the serving of alcohol will commence and cease);
 - i) Details of liaison with the local community;
 - j) Event Medical Plan, that shall include inter alia relevant Contact Details, Safety Regulations, Duties of Event Medical Coordinator, Evacuation Plan, additional Emergency Procedures, as well as a revised Event Medical Plan event map inclusive of the location of the main medical centre and other medical posts within the event area and campsites.
 - k) Drinking Water Plan. The provision of safe drinking water to the event shall be by a registered water supplier in accordance with criteria laid out by Wicklow County Council.
 - l) Details of Wash Hand Basins which shall be available at each food concession area.
 - m) Details of dedicated food handler toilets.
 - n) Concession information, HSE premises registration details to be forwarded to the HSE office by the **29th of May 2025**.
 - o) Changing places facility in order to comply with requirements of Wicklow County Council Disability Requirements 07/09/2022.
 - p) Other matters raised to date by Transport Infrastructure Ireland, Wicklow Fire Service, An Garda Síochana, HSE and Wicklow County Council.

The agreed Final Event Management Plan shall be implemented in full.

4. Final Site layout plans to a minimum scale of 1:500 with an overview drawing at 1:2500 ("N/A scaled" drawings are not acceptable) shall be submitted to and formally agreed with Wicklow County Council, Wicklow Fire Service, HSE and An Garda Síochana by the **29th of May 2025**. These shall show:

- i. evacuation routes and assembly areas
- ii. the number, position and size of outdoor and indoor stages/tents
- iii. the location of speakers
- iv. the layout of the tent camping, campervan and caravan areas
- v. location of observation towers
- vi. location of monuments and protective barriers
- vii. the position of the event control room

- viii. the water supply, toilet accommodation, hand washing facilities, refuse and waste disposal for the food traders/food stalls
- ix. noise monitoring locations
- x. changing places facility.
- xi. fencing around both Car Park 1 and Carpark 2, providing a 10m fenced buffer from the adjoining SAC and from the triangular shaped wetland area to the south of Car Park 1.

5. An “Accessibility Map” shall be submitted by the **29th of May 2025**. The map shall show;

- i. Routes and areas that are Accessible (by wheelchair) and those that are not Accessible).
- ii. Accessible toilets,
- iii. Changing Places (as mentioned above),
- iv. Navigation routes around concessions, seating areas and viewing stands,
- v. Accessible parking area (preferably close to the venue),
- vi. Identification of an Accessibility team location,
- vii. Identification of managed fridges for the storage of medication,
- viii. Identification of suitable electric charging points for electric wheelchairs,

6. The licensee shall comply with the following requirements of the HSE:

- i. The event medical plan shall be developed in accordance with the recommendations of the Health Service Executive, Emergency Management Office
- ii. The event medical plan for this event shall be agreed with all medical providers and submitted to the Health Service Executive, Emergency Management Office, no later than two weeks prior to the event.
- iii. Medical / First aid activity [if any] at the event shall be recorded, compiled in an event medical report and forward directly to the Health Service Executive, Emergency Management Office, within one month after the event to include the following information:
 - a. Number of patrons accessing medical / first aid services.
 - b. Number of patrons requiring actual treatment.
 - c. Number of patrons removed to hospital.
 - d. Types of injury / illness
(Names and personal details are not required)
- iv. This licence may be suspended by the Licensing Authority at the request of the Health Service Executive due to issues of public safety in relation to major public health risks.
- v. The granting of this licence is subject to the event organisers adhering to government and local public health requirements applicable to the area in which the event is to take place. Public health requirements may change between the time of the granting of the licence and the date in which the event is to be held. In this case the most up to date government and local public health requirements shall be adhered to by the event organiser.
- vi. Access shall be facilitated to the immediate area for Health Service Executive Community Services providing domiciliary care services to the population adjacent to the venue. Where Hospitals, Health Centres or Residential units are located within Traffic or Pedestrian restricted areas associated with the event, access for Staff, Clients and Visitors must be maintained.

9

7. The following items shall be agreed between the licensees and An Garda Síochána:
- i) The event promoter shall apply for any Special Stage effects/Pyrotechnics Displays, if any, 14 days in advance of the event.
 - ii) The event promoter shall apply for the use of drones and similar items, if any, 14 days in advance of the event.
 - iii) A CCTV plan shall be agreed with An Garda Síochána 14 days in advance of the first event.
8. A final stakeholder meeting shall be organised by the licensee to be held no less than 14 days prior to the Event. The licensee shall advise all relevant prescribed bodies including Wicklow County Council, Wicklow Fire Service, HSE, and An Garda Síochána of the meeting session and request that they attend.
9. No vehicles, other than operational vehicles in use by event staff, shall be permitted in tent camping areas.
- 10.
- a) Exit routes and means of escape shall comply with the requirements of Chapter 15, Code of Practice for Safety of Outdoor Pop Concerts and Other Outdoor musical Events, 1996.
 - b) At all times while the premises is in use for the event, the ground surfaces, Exit routes shall be available for immediate use and capable of safely evacuating the capacity crowd regardless of weather conditions.
- 11.
- a) A suitably qualified noise control consultant with professional indemnity insurance shall be appointed to liaise with all parties, licensee, promoter, sound system supplier, sound engineer, neighbours and the licensing authority on all matters in relation to noise prior to and during the event.
 - b) The noise control consultant shall carry out a survey to determine background noise at locations likely to experience the highest noise levels as a result of the event. A noise propagation test shall be carried out at least 2 hours prior to the start of the event in order to set appropriate control limits at the sound mixer position. The sound system shall be configured and operated in a manner as intended for the event. The sound source used for test shall be similar in character the music likely produced during the event.
 - c) The music noise level shall not exceed 65dBA over a fifteen minute period at 1metre from the façade of the nearest noise sensitive location during rehearsals, sound checks and the event between the hours of 08:00-23:00. The music noise level shall not exceed 45dBA over a fifteen minute period at 1metre from the façade of the nearest noise sensitive location during the event between the hours of 23:00-08:00. Noise levels shall be continually monitored (at least every 30minutes during the event, including operating hours of the late night area) to ensure these limits are not exceeded.
 - d) The Environmental Health Officer(s) and Licensing Authority shall have access to the results of the noise monitoring at any time.

- e) A copy of the record of noise monitoring shall be provided to the Planning Authority no later than 3 days following the event.
 - f) The appointed noise control consultant shall submit a report of the implementation of noise control and monitoring sound levels prior to and during the event.
12. A qualified and experienced ecology consultant shall be appointed by the licensee to supervise the site set-up and to monitor species activity before, during and after the event. A report in relation to any impacts of the event on local biodiversity shall be prepared by the ecology consultant and shall be submitted to the Planning Authority within 2 months of the event finishing. Where relevant, the report shall include recommendations for future events.
13. The festival organizer shall commit to and promote a “Leave no Trace” policy among workers and attendees. Implementation details of same shall be included in Final Event Management Plan.
14. Sanitary accommodation shall be in accordance with the Code of practice for Safety at Outdoor Pop concerts and other outdoor musical events 1996 or other appropriate code of practice as agreed in advance by the Environmental Health Officer.
15. Concession units using gas fired cooking equipment shall be sited at least 6 metres from any other unit in accordance with Section 22.5 of the Code of Practice for Safety of Outdoor Pop Concerts and Other Outdoor Musical Events, 1996.
16. All temporary electrical work shall be certified to meet the requirements of the National Rules for Electrical Installations - ET 101.
17. The licensee shall ensure that all items of equipment in operation at the fairground shall have valid safety certificates, which shall be in accordance with the provisions of Section 239 (7)(b) of the Planning and Development Act 2000 (as amended).
18. All construction/development/de-construction/dismantling works at the Event site shall be carried out between the hours of 08.00 and 22.00.
19. Site clear-up procedure shall comply with the following:
- a) The removal of all structures and the carrying out of any works for the reinstatement of the lands subsequent to the Event, shall be completed by 6.00pm on Saturday 21st of June 2025, unless otherwise agreed in writing by the Local Authority.
 - b) The full clean-up of the local area, including Annamoe, and the road network on the approaches to the venue affected by the Event (especially Oldbridge/Lough Dan area) shall be completed by 6.00pm on Saturday 21st of June 2025 by the licensee, unless otherwise agreed in writing by the Local Authority.

- c) The repair of and remedial works arising from any damage caused to public and private property, facilities or amenities associated with the Event shall be completed by Saturday 21st of June 2025 by the licensee, unless otherwise agreed in writing by the Local Authority.

20. The licensee shall maintain public liability insurance cover for the full duration of the Event. Details of the insurance cover shall be submitted for the written agreement of Wicklow County Council by the 5th June 2025.

21. Should the Planning Authority advise the licensee that the Event is not in compliance with the conditions of the Licence the licensee is required to immediately address the matter, in the manner requested by the Planning Authority.

- i. The licensee shall comply in full with all of the conditions attached to this licence. In holding the subject event the licensee shall have due regard to the provisions of Section 231(3)(b)(iv) of the Planning and Development Act 2000, as amended, and the implications of non-compliance with this event licence for future events at this location. The licensee shall also have due regard to the Provisions of Section 233 of the Planning & Development Act 2000 as amended which the Planning Authority may use should the event be held in contravention of the terms of this licence.
- ii. The event licence relates to the subject event outlined above and nothing in this event licence shall be constructed as negating the licensee's statutory obligations or requirements under any other enactments or regulations.

22. A debriefing session organised by the licensee shall be held not later than two weeks after the termination of the Event. The licensee shall advise Wicklow County Council and all relevant prescribed bodies of the debriefing session and request that they attend.
