

The Council was specially convened to consider 8 Representations for erection of cottages from the following Divisions:— Ballingate (3), Coolboy, Killinure, (1), Kilpipe (1), and Tinahely (1).

The Divisional Committees appointed by the Council recommended that 7 Cottages be erected as follows:— Ballingate Division:— 1 on the lands of Robert M^r Brea at Ballingate Upper; 1, Lands of Ballingate, occupier, Ralph Laurenson; 1 on W^m Barkers holding, Balisland; Coolboy Division:— 1 on lands of John Harrar, Coolboy; 1 on Thos^r M. Barkers holding in Coolboy.

Killinure Division:— 1 on lands of Thomas Jones, Killabeg.
Tinahely Division:— 1 on John Tomkins' holding at Newtown.

The Council approved of the reports and resolved that Improvement schemes were necessary.

The Representation for Kilpipe Electoral Division was found to be informal, & was therefore rejected.

On the motion of Mr Fleming, seconded by Mr Maguire, it was resolved:— "That the Committee appointed to fix sites for Labourers cottages in the Ballingate Division be empowered to make enquiries with the intention of purchasing cottages that are on the Division.

The Committee for Ballingate Division made a supplementary report as to a grievance existing amongst the holders of cottages under farmers in the district.

The ^{Workhouse} Medical Officer wrote today that Miss Bolger, Infirmary nurse, was recovering from her attack of influenza; but she was, however, in a very bad state of health & the (D^r King) considered that she urgently needed at least a month to recruit her health. She would be sufficiently recovered to go away for change of air on 2nd instant.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

no. 28320

18th May 1899
The local port Board wrote to state that they had before them the resolution of the guardians of the 12th inst to the effect that persons who originally entered the Workhouse from Divisions not now belonging to the Union shall not be re-admitted to the House, and the L.G. Board stated that the Union in which a destitute person claims relief is the Union in which he or she is legally relievable without regard to the circumstances of previous residence. The resolution of the guardians was therefore in opposition to the law.

The chairman endorsed the letter as Read.

no. 28339

14 May 99.

With reference to the estimate & demand by the Board of guardians on the County Council for the services of the current financial year the local port Board wrote to say that they observed that the balances to debit or credit of the several Electoral Divisions on the 31 March last, had been taken into account, & the local port Board pointed out that these balances should not be considered in making the demand on the County Council pending the adjustment of the accounts under articles 18 & 19 of the Sanitary Provisions (No. 2) order in Council.

An amended Estimate was accordingly submitted for a sum of £2,938.10.0 and signed by the chairman.

no. 212 M/99 Misc

12 May 99.

A circular letter was read from the local port Board on the subject of the collection of the Poor Rate.

The clerk mentioned that there was no expenditure under the act in the Union.

Copy of a resolution adopted by the Drogheda guardians was received stating that a general amalgamation of Workhouses was an absolute necessity, and inviting the co-operation of the different Boards of guardians to aid in removing this source of taxation.

It was noted that a Committee of the Wicklow County Council had been appointed to look into this matter.

The clerk submitted a warrant obtained by the guardians of the Parish of St George-in-the-East, London,

for the removal of a pauper to this Workhouse, named Thomas Connor who was born in Carned.

It was stated that the man had been admitted to the Workhouse on the previous day, but took his discharge that evening.

A copy of the Agricultural and Technical Instruction (Ireland) Bill, now before Parliament, was received from Mr. James O'Connor M.P.

Mr. Fleming drew attention to the perforated cap on man-hole of Workhouse Drainage System in lane-way opposite St. Peter's Hospital & complained that offensive smells emanated from same & suggested that a close cap be provided.

The matter was deferred pending an interview with the Engineer.

No. 28,320

19 May 99.

The Local Port Board wrote to say that they observed the minute as to the discussion which took place at the meeting of the guardians on the 12th inst. in reference to the farm held by the Workhouse Master. The L.G.B. stated that while considering that the matter might be treated as the majority of the guardians wished, they thought it right to point out that the Local Port Board would hold a different opinion if it were found that the Master spent any considerable time at, or paid many visits to his farm.

The Workhouse Master should never leave the Workhouse grounds except by passing through the Porter's lodge, where the hour of his leaving and returning should be carefully recorded.

Byrne, adopted by the Board:— "That we, having seen the futile attempts at Unity amongst our M.P.s. & knowing the disastrous effects of disunity on the country, hereby express the opinion that we fear some of the leaders are not desirous of unity; we hereby request them viz. Messrs. John Dillon, John Redmond & Mr. Healy, to cease their petty jealousies towards each other, & to devise a Programme of Unity before the 1st July, otherwise we must deem them unfit to lead, unworthy of the confidence and respect of the Irish people, and we must then consider it our unpleasant duty to request them to resign."

Furthermore, we respectfully & earnestly request the co-operation of all newspaper Editors who really wish to see unity to assist towards this end, otherwise every Irishman who loves his country should deem it his bounden duty to discontinue his subscription towards any paper that

act contrary, thereby unmistakably marking his disapproval of such pernicious writings.

Mr. Patrick Masure wrote asking that the owner of Asknafas Mountain be now rated for same instead of him.

It was decided to forward the letter to the Co. Council.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 24,865

15 June 1899.

With reference to the entry on the subject in the Minutes of Proceedings of the Board of Guardians on the 28th of April last, the Local Govt. Board wrote to request that they might be informed whether any report had since been received from the Visiting Committee with regard to the over-crowded state of the aged women's ward.

The Board directed that the Local Govt. Board be informed that by directions of the Visiting Committee some of the inmates of the ward refused to be removed to ward over-head.

No. 32,419

15 June 99

The Local Govt. Board also wrote, referring to Minute of the Guardians on the 9th inst. requesting to be informed

on what grounds the Guardians proposed to abandon almost their entire claim for the cost of the maintenance of Michael Shannon in the Workhouse.

The circumstances under which this man was admitted should also be stated.

It was decided to inform the Local Govt. Board that the reason why the majority of the Guardians proposed to abandon proceedings for the full claim in this case was because they believed it would reduce the Shannon family to a state of pauperism. Michael Shannon having become destitute was admitted to the Workhouse about 13 years ago.

Thomas Shannon wrote forwarding cheque value £1-10-0 towards cost of Michael Shannon's maintenance. The Board directed the Clerk to furnish Mr. Shannon with a receipt for the amount on/c.

Mr. Fleming presented notice of motion as follows:—
"That on this day fortnight I will move that the amendment to the resolution of the 26th May be rescinded & the former resolution empowering the Solicitor to this Board to proceed for the money lent by the Board for the maintenance of Michael Shannon do stand."

Mr. Brown, Solicitor, forwarded cheque for £5-10-0 amount of the Guardians' claim (with ^{10p} expenses) for maintenance of Mary Shannon.

The Clerk reported that Mr. Kelly, Local Govt. Board auditor, attended on Monday & Tuesday last and audited the a/c of the Union for past half-year, which he certified to be correct.

Abstracts of the accounts were signed by the Chairman and fifty copies ordered to be printed.

on

On the motion of Mr. Fleming seconded by Mr. Hopkins it was resolved:— That the Guardians at their meeting on 30th June inst. go through the names of the persons who are obtaining out-door Relief in order to find out if those people are entitled to it.

In response to advertisement Mr. J. M. Carroll proposed to supply 160 tons of Whitehaven coal at 24/6 per ton & Mr. Edward Gleason at 24/5 per ton.

The Board again considered the tenders too high & directed the clerk to advertise in a Belfast & Dublin papers, in addition to local journals, for 160 tons of Swansea or Whitehaven coal to be delivered at Shillelagh Railway Station. Tenders to be considered on 30th instant.

The Clerk reported that a number of Requisition forms sent under Representation of People Act 1832 had not been returned tho' the period had expired; when he was directed to issue a notice to the effect that if the forms were not returned at once the Board would proceed for recovery of the penalty liable to be imposed.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 33439

16 June 1899

The Local Govt. Board wrote to acknowledge the receipt of the Clerk's letter of 6th inst. relative to the proposal of the Board of Guardians to reduce the salary of Relieving Officer Ellis owing to the transfer of certain Electoral Divisions of his District to the Ballyglass Union and ~~to~~ state that in the opinion of the Board the case of Relieving Officer Ellis comes within the meaning of Section 115 (8) of the Local Govt. (Ireland) Act, 1898.

The Board also requested to be informed whether the Guardians had come to an agreement with the Relieving Officer as to the diminution of his salary.

With respect to the amount of his compensation, the L.G. Board stated that this must be dealt with in the manner

provided by Section 120 of the Local Govt. Act, 1888. Set out in part 2 of the Seventh Schedule of the Local Government (Ireland) Act, 1898.

It was decided to inform the L.G. Board that the Guardians had come to an agreement with Mr. Ellis as to the diminution of his salary and the Clerk was directed to summon a meeting of the Board for 4th proximo to consider the question of compensation.

The Clerk of Armagh Union wrote to say that he had searched the Rate Book but many households name does not appear in it for the townland of Armaghogue.

A telegram was read from Commanding Cameron South Yarnboro to state that a Private named Byrne, a relative of Camm, was being removed to the Workhouse as a harmless lunatic.

The following letter was read from Miss Bolger, Infirmary Nurse, under date 21st June 99 viz:—

Gentlemen— I find Miss Cleary has asked for a sworn inquiry to vindicate her character; as to scandalous rumours which she states are circulated about her. Now, gentlemen, as to those rumours they are too true. Believe beyond the possibility of doubt I can prove that Miss Cleary was pregnant and has been delivered of a child on Monday 5th inst. no matter what she has done with it.

In respect of this most serious crime, I can show that she is totally unfit for the very responsible position she holds inasmuch as her wholesale neglect and inattention to the sick and dying patients entrusted to her care can be clearly proved, she being several days & weeks without even visiting some of the wards, where there were patients who

required the most careful attention; besides numberless individual cases of the grossest neglect. I can show that her language and conduct are such as you might expect from the lowest individuals, in the lowest slums. Language not fit to be mentioned & conduct. For example exposing herself before people in the sick wards & even before men. I also can show that she has had James Gray, House Contractor, in her room on many occasions for hours at a time, her door being shut. I appeal to the Board to give me their protection and not allow any undue influence or bullying on the part of some parties who may feel interested in this case, otherwise witnesses may be intimidated and justice may not be shown."

"I am sending a copy of this letter to the Local Government Board."

The cases of provisional relief, and applications for relief, were considered and decided on as set forth in the Application and Report Books.

The number of provisional admissions to the Workhouse confirmed was 11

Ditto disallowed 2

The number of Applicants admitted to the Workhouse was 2

The number of cases of provisional Out-door Relief was 85

Do. in which relief was continued by the Guardians 85

The number of other Applicants in the Relieving Officers' Books relieved by order of the Guardians was 1

The number of Applicants for whom relief was not ordered was 1

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon as follows: (this on the second Meeting after the Annual Election in every year).
