Important: Please Read the Following Information Carefully

- 1. If you are unsure about how to answer any of the questions in this application form, please contact Customer Service Unit of your local authority or your local Citizens Information Centre to help you.
- 2. When filling out this form, please make sure to write clearly so that your application can be processed as quickly as possible.
- 3. Make sure you have answered all of the questions fully where these are relevant to you. If you do not fully answer all the questions relevant to you, you might not get the correct priority for housing or else we may have to return the form to you, and it would delay your application. Only fully completed applications will be processed.
- 4. Your rights as a data subject under the General Data Protection Regulation (GDPR) apply in full and will be clearly set out in the relevant data protection policies and procedures for the local authority to whom you are submitting your application. If you have any query in relation to your rights under GDPR, you can contact the nominated Data Protection Officer for that local authority. Details of how to submit your query will be supplied by the local authority directly.
- 5. This application cannot be completed without a Personal Public Service Number (PPSN) for all members of the household included on the application form. If you are not aware of the PPSN for any children for whom accommodation is sought, they can be obtained by contacting your local Social Welfare Office either by telephone or in person. Please note that you will need to have your own PPSN to hand.

6. You must supply the relevant supporting documentation so that your application can be processed. Please use the checklist provided to make sure you have included everything that is needed to consider your application. 7. This application cannot be completed without documentary evidence of income details given in this application, as outlined in the checklist below. In carrying out its functions under the Housing Acts of 1966-2014, the local authority may request and obtain information 8. from another local authority, the Criminal Assets Bureau, An Garda Síochána, the Department of Social Protection, the Health Service Executive (HSE), the Revenue Commissioners or an Approved Housing Body in relation to occupants or prospective occupants of, or applicants for, local authority housing. Your data may also be shared with other public bodies in accordance with our obligation to prevent and detect fraud. 9. Any change in the details given, particularly any change of address or income, should be notified to the local authority immediately so that your record can be updated. 10. Local authorities are required to report annually to the Department of Housing, Local Government and Heritage, the number of households in need of social housing support, under a process known as the Summary of Social Housing Assessments. This process may require us in the future to contact you and request you to confirm details provided on this form are accurate and up to date. Failure to respond to any such request may result in your housing application being closed. Information supplied through this process may be shared with the Local Government Management Agency and The Housing Agency for the purpose of compiling the Summary Assessment report, which is a statistical summary at national level that informs policy and future planning in terms of the national housing need. 11. Please ensure that you have supplied all the relevant information and supporting documentation to process your application. However, be advised that the local authority may ask for further supporting documentation at a later stage.
