The Clerk's Report of Vaccination was read (this on the first meeting in every month).
 Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

Dr. King, medical officer of Workhouse, reported as follows:—

"I beg to report that on Decr. 30th, a severe case of typhus was admitted to Fever Hospital from the late Mr. Jones house at Killakey, Kilquiggin. I found it necessary in consequence to request Mr. Keelion to procure a fever night nurse from Juris St. Hospital on December 31st. I received a letter from the chairman of the Board requesting me to take every possible precaution without waiting for a meeting of your Board, so I considered it advisable to open the contact ward, as the wife and two children of the late Mr. Jones had been admitted to Fever Hospital as having been exposed to infection. They are now in Contact Ward in disused wing of Workhouse. I trust the precaution of opening Contact Ward will meet your approval."

The Board approved of the action taken, and confirmed the provisional appointment of Mary Redmond as temporary attendant in Contact Ward at the remuneration of £1 a week and rations.

It was directed that the local par. Board be requested to inform the guardians whether any case or cases of typhus fever had recently occurred in Carlow Union area, and if so, to kindly state the date of first outbreak.

The clerk was instructed to notify the adjoining unions of the outbreak of typhus in this Union, and it was further decided to ask the L.G. Board to request the several Boards of guardians in Ireland, in the event of an outbreak of a dangerous infectious disease occurring in any Union, to give notice to of such to the Unions in their immediate neighbourhood.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

"In accordance with the usual kindness of Lord Fitzwilliam and Mr. Brooke, we had a visit from the latter gentleman, accompanied by Captain Brooke, Captain Thomas, with Lady Thomas, on Christmas Eve, with their accustomed generosity they distributed a very large and varied assortment of toys among the children, and tobacco and snuff, among the old people; and we had a splendid dinner from the same source on Christmas day, with plenty of plum pudding &c.

We admitted a patient suffering from typhus fever to Hospital; we also admitted a suspected case and 3 cases for observation."

The clerk was directed to communicate an expression of the Board's thanks to Lord Fitzwilliam's agent.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

Mrs Kennedy, with whom an orphan boy named Thomas Dempsey had been boarded out in the Union, attended before the Board to give up custody of the boy, when it was decided to place him in charge of Mrs Sarah M. Kehoe, Dumbear, on usual terms.

Relieving officer O'Doole submitted report for the month of December on children boarded-out, with certificates of school attendances.

A report was read from the Writing Committee when it was ordered that the contractor for keeping the Workhouse buildings in repair be required to carry out certain repairs to which the committee had drawn attention.
