## Topic

Regeneration of Communities & Places - Healthy Placemaking - Urban Design - Opportunity Sites in Wicklow Town – Rathnew

## Submission

In line with the current Get Ireland Walking Initiative we recommend that the area outlined in the attached map and currently designated Active Open Space in the Wicklow Town / Rathnew Development Plan should be retained as Active Open Space. Parkland and walking/cycling Trails would be a valuable addition to the Wicklow Community in light of the number of houses being built in the vicinity

## Map

**Area: 2.1 Hectares**

## Map Description

The area currently designated active open space and as drawn in the map above.
