I am of the opinion that Blessington could make great use of some dedicated athletics facilities. DLRCC have had great success with their Fernhill running track development, it has benefited many local sports clubs, recreational athletes, walkers etc and as a member of a Blessington based running club I would welcome something similar in the locality.

As the barrier to entry of using the facilities are low, no particular skill set, expensive equipment, club membership needed, it stands to be an inclusive amenity that could be enjoyed by a large segment of the population.
