The Master's Estimate of Provisions and Necessaries required for the ensuing Week was examined, and Orders were duly made for the several Articles specified, namely:—

- 30 lb. Butter
- 10 Doz. Eggs
- 120. 4 lb. loaves
- 4 cwt oatmeal
- 1 Side Bacon
- 40 lb. Beef
- 40 " Boneless Beef
- 30 " Mutton

- 8 cwt Sugar

The Clerk's Report of Vaccination was read (this on the first meeting of every month).
Number of successful cases:—

The Report of the ^{Medical Officer} Visiting Committee was read, and Orders were made thereon, as follows:—

"I beg to report that the Matron, Miss Fleming, has been suffering from severe influenza during the past few days and will not be able to resume her duties for a week.

"The contract for beef for beef tea is not being carried out in terms of the contract. On Tuesday a piece of 20 lb. weight was supplied containing some pounds of fat and waste. The whole piece was fat and wasteful & badly suitable for beef tea. On the whole the supply of beef tea meat lately has been rather unsatisfactory. Mr. Gurlong, by my direction, returned 12 lb. of Tuesday's supply to the contractor.

"The Kitchens and passages in the Infirmary want whitewashing very badly, & the wards re-colouring. Until this has been done the Infirmary cannot look neat and clean.

"Kate Munn, one of the assistants, is suffering from a cancerous tumour which requires removal. I recommend that she should be sent to the Mater Misericordiae Hospital for operation.

Order: That the Schoolmistress be authorised to discharge the duties of Matron during the incapacity of that official. The contractor to be cautioned to supply ^{suitable} meat in accordance with the conditions of his contract. The question of re-colouring of walls in Infirmary to be referred to the Visiting Committee for report, and the inmate Kate Munn, to be placed in a Dublin Hospital for operation.

The master applied for and was allowed two days leave of absence.

8 May 1914

The Local Government Board forwarded an enclosure giving the substance of a report which they had received from their Inspector, Mr. A. P. Kelany, consequent on his recent inspection of the Workhouse, & to request that the matters adverted to therein might receive the attention of the Guardians.

With regard to the Inspector's observations concerning the Workhouse master, the Board pointed out that Mr. Peter Furlong had almost completed 34 years service in the employment of the Guardians, having been appointed to the position of Schoolmaster in June 1880, which office he resigned on his appointment as master, in 1895, and as it appeared that he is no longer capable of performing his duties efficiently by reason of failing eyesight, the Board considered that the Guardians should permit him to retire on superannuation.

Order: That the master be given until the next meeting of the Board of Guardians to consider the question of retiring, and the other matters adverted to in the Inspector's report to be referred to the Visiting Committee.

Mr. P. Kenney wrote to return his very sincere thanks to the Board of Guardians for their kind vote of sympathy with him in his recent bereavement.

Mr. Hammond, ^{auctioneer} wrote enclosing statement of letting of the Workhouse field, which realized £25, less 10% expenses.

It was decided that tenders be invited for consideration on 2nd June. for the supply of 150 tons of Whitehaven coal, also for one wagon of Holford coal.

The cases of provisional relief, and applications for relief, were considered and decided on as set forth in the Application and Report Books.

The number of provisional admissions to the Workhouse confirmed was ... 95
