Submission	2. A. Draft Strategic Environmental Assessment Environmental Report

Write your observations here:

Enniskerry is a historically protected village. The re zoning will allow for extensive development of the area. This area is not able to facilitate extensive development. The natural habitat has to be protected and the wildlife. Further the infrastructure in enniskerry cannot accommodate further traffic. There is also very limited public transport. We do not have the amenities for extensive development. This area needs to be protected. It's not a suburb
