Topic

Community Development (incl. sports facilities & schools, etc.)

Submission

I'm a member of Poulaphuca Paddlers kayaking club. We operate out of a container on Blessington lake at Russelstown. We'd like the opportunity to get planning permission to build our own club house and facilities on the lake shore. This is a fantastic sport suitable for all ages and abilities. The club is dynamic, inclusive and proactive with a promising future eager to help further develop the lake as a community resource.
