Topic

Regeneration of Communities & Places - Healthy Placemaking - Urban Design - Opportunity Sites in Wicklow Town - Rathnew

Submission

More open spaces, parks, playgrounds, squares, seating should be integrated into the urban areas of Delgany, Kilcolle and Killincarraig in partiular. These areas are over reliant on commmunity facilities in Greystones. The increase in population should justify looking at additional community facilities for these villages in their own right. Every urban area needs a forum/village centre where people can meet and interact.

Map

Site Description:

Potential public park, exercise and seating area alongside the three trout stream.
