A letter was read from Mr Ramsay, Engineer, to the effect that he had been in ill health for some time and was not quite well yet. He asked if it would do to send an affidavit swearing to all particulars regarding ~~about~~ the sites. If absolutely necessary of course he would attend the Inquiry.

The clerk was instructed to inform Mr

Ramsay that his personal attendance would be required.

Read letter from Wm Brown, Solicitor, stating that he had received a letter from Messrs Hayes & Sons, Solicitors, Mr Berry's Solicitors to state that they intended to go on with the case and to set it down for hearing before the Master of the court as soon as he returned to his office. Mr Brown asked to be furnished with two copies of each of the Provisional orders of the 18th April 1884. 13th January 86, and 19th July 70.

It was directed that collector Doyle be requested to demand possession of Labourers cottage at Coolballintaggart from the Representatives of James Byrne deceased, in pursuance of notice to quit served, and to put back Mrs Byrne as caretaker.

"The Medical Officer of Health informs me that the Sanitary Authority pay very little attention to his Sanitary reports. I find in the office of the Sanitary Authority several reports made last year upon which the Rural Sanitary Authority have taken no action. The Sanitary condition of the district is not likely to improve if the Sanitary Authority neglect to carry out the provisions of the Public Health Act and to support the Sanitary Officers in discharge of their duties.

"The Medical Officer of Health considers that the village of Shillelagh requires a water supply.

"Hacketstown Dispensary District

"Spoke to the Sanitary Sub Officer about 6 months ago and warned him to be more active in the discharge of his duties. I cannot find that my speaking to him has had the desired effect, as the reports sent in to the Sanitary Authority have not increased in number and the district has not apparently been improved in regard to cleanliness.

The following Letters from the Local Government Board for Ireland or others were read, and directions given thereon, as follows:—

No. 37.761 23rd August 1894

Adverting to former correspondence relative to a loan of £350 for the improvement of the sewerage of the Workhouse the Local Government Board wrote stating that they had been in communication with the Commissioners of Public Works on the subject and found that while the Commissioners could not grant a loan for the purpose in question under the provisions of the act 1 and 2 Vic: cap 56, they would be prepared to consider an application if made under the Public Health act, 1878, inasmuch as the matter in connection with which the loan was required was one affecting the public health of the neighbourhood.

The Board therefore suggested that the Board of Guardians should, after notice to each Guardian, adopt a resolution applying for a loan of £350 in pursuance of section 237 of the Public Health act, and fixing the entire Union as the area of charge. The Local Government Board would then be in a position to recommend the same to the Commissioners of Public Works under the act referred to.

The Guardians directed that a special meeting be convened for the 4th proximo to consider the matter.

The clerk was authorized to procure a copy of Mr. Cotton's work "Loans Manual" cost 5/-.

PRESENT: In the Chair— Edward Byrne Esq DL DVC.

Other Members:—

The Board was specially convened to consider three Representations from the Imahely Coolballintaggart and Hacketstown Electoral Divisions with reports of Divisional Committees thereon.

In the Imahely division the Committee recommended the erection of a cottage, with half a statute acre, on the holding of Laurence Feeney Mullins, as suggested in Representation.

The Board resolved that an Improvement Scheme be adopted for this division.

The committee for the Coolballintaggart division recommended that half a statute acre be acquired from James Ryan, Knockananna, and allotted to the applicant Joseph Ryan (his brother).

James Ryan appeared before the Board, and submitted a lengthy communication objecting to the proposed acquisition of a plot off his land, which he stated contained only 5 acres of tillageable land.

the report of the Committee was adopted.

In the Hacketstown division two members of the committee recommended the erection of a cottage for the applicant Wm Byrne, on the lands of Andrew Kavanagh Kilconnaught; but the other two members dissented, as they considered there were cottages enough provided in the division.

The Medical Officer having certified that the existing house (alleged in representation to be unfit for human habitation) was habitable for the present, but required alteration, the Board unanimously resolved to reject the Representation.

The Guardians decided to further adjourn the making of the Improvement Schemes in respect of the Clonegall, Coolballintaggart, Moyacomb and Imahely Divisions, until the 19th proximo: and directed that the Engineer be requested to mark the several sites, prepare Estimates, etc and that the Boards Solicitor be instructed to complete the Schemes.

It was unanimously resolved to allow Dr Jackson, the sum of £3-3-0, for attending and giving evidence as to unsanitary houses, at Local Inquiry under Labourers acts, held on 31st July last, for which the sanction of the Local Government Board is desired.

LABOURERS (IRELAND) ACTS

46 & 47 Vic., cap. 60 ; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 5th day of October 1894

PRESENT : In the Chair— Frank Brooke Esq D.L.V.C.

Other Members :—

Major Newton D.L. Messrs Andrew Nolahan, William Speares, Edward Grange and Abraham D. Symes.

No. 40,446 4th Oct 94

Read letter from the Local Government Board to state that they had received the report of their Inspector Mr. A. Bourke, relative to the Local Inquiry recently held by him into the application of the Board of Guardians for confirmation of certain Improvement Schemes made by them under the Labourers acts. The Inspector stated that after a careful consideration of the evidence given at the Inquiry and a personal inspection of the plots of land intended to be acquired, he was enabled to recommend sanction to the Schemes, except as regards one of the seven cottages proposed, namely, that marked on the lands of Mrs Anne Kelly in the Electoral Division of Hacketstown, in which case he considered that the necessity for a new house was not established. The Board would give directions for the preparation of the necessary Provisional Order in the matter.

A Representation was received from

the Ballingate Electoral Division for the erection of a cottage on the lands of Wm. Arthur Braddell, Kaheengraney.

Michael Breen, tenant of labourers cottage at Minvand, appeared before the Board and stated that the fence of the plot required to be repaired, as it had been broken down by cattle belonging to Mr Morris of whose land the site was taken.

It was decided to refer the matter to Mr. Dowling, C.E.G., and authorize him to have the fence repaired.
