Re: Proposed Part VIII Planning Application – Development of the Abbey Grounds into a multi-functional public gardens with purpose-built event space

Dear Christine,

I refer to your recent request for a Letter of Consent from The Parish/Diocese to Wicklow County Council to allow for Wicklow County Council to submit a Part VIII planning application for the proposed development of the Abbey Grounds.

I wish to advise that The Parish/Diocese has no objection to Wicklow County Council including the Abbey Grounds as shown on drawings submitted as part of Wicklow County Council's Part VIII Planning Application.

This does not imply any intention to dispose of these lands or allow access through these lands. Any disposal, by way of lease or otherwise or provision of access etc., would be subject to negotiations and agreement with The Parish/Diocese.

This letter is issued only for the purpose of facilitating the making of a planning application and is, without prejudice to the consideration of any planning application that may be made.

Yours sincerely,

Fr. Donal Roche
