My family are all keen runners who regularly take part in the Russborough Park run. My wife is a member of the Lakeshore Striders. My children would love to join the junior section of the running club and they attend Blessington No. 1 School. We would love to have a 400m track to train at in our local area of Blessington. It would really benefit the children and adults of the surrounding area of Blessington. The area seriously needs a sports facility to use around the year. Athletics is a growing sport and is beneficial to all sports.
