

SUBMISSION ON PRE DRAFT ARKLA & ENVIRONS Plan

18-3-24.

From: 

I wish to submit the attached map of part of my land which is currently zoned Residential and Open Space.

I was refused planning in 2019 Ref no 19/668 for a small 2 acre solar farm on the OS zoned area.

I would respectfully ask that the zoning should be changed to permit the option of renewable energy projects like solar on this land.

I also respectfully suggest that the residential zoning should be removed from this field also (in the hatched area). This is 

Yours faithfully,

Sydney B. B. B.
