Letter was read from Mr Dodd, solicitor, to ask the Clerk what day he as Returning Officer had appointed for counting & examining the Votes for the Election of Guardians as he had been attained to attend.

With reference to the aforesaid letter the Clerk was directed to furnish Mr Dodd with a copy of the minute of the Board of the 23rd Ultimo referring to the exclusion of strangers in the examination & casting up of voting papers for the Election of Guardians.

The Porter was called before the Board & directed to admit no person to the Board Room on the day of examination of voting papers for the Election of Guardians to interfere with the Returning Officer except the Candidate for each Electoral Division and his proposer; and the Clerk to furnish him with the names thereof.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or orders made on them respectively, as follows):

No. 5,246/83 — 10th March 1883

Letter read from the Local Government Board for Ireland to request that the Clerk would be good enough to inform them whether the amounts of the surcharges made by the auditor Mr. Finlay at his recent audit of the Union Accounts have since been lodged to the credit of the Union; and whether the entry in the copy of the minutes forwarded to this Office represented correctly all the observations of Mr. Finlay on the accounts

The Clerk informed the Board that he had forwarded a reply to the foregoing letter as follows. Viz.

With reference to letter of the Local Government Board No. 5,246 dated 10th March 1883 to be informed whether the amounts of the surcharges made by the auditor, Mr. Finlay, at his recent audit of the Union Accounts have since been lodged to the credit of the Union; and whether the entry in the Copy of the minutes represented correctly all the observations of Mr. Finlay on the accounts. I beg to state that one of the sums surcharged namely £6. 9. 2 has been lodged to the credit of the Union but the amount of £1 the other disallowance has not yet been lodged with the Treasurer; and with regard to the observations of Mr. Finlay on the accounts they all were copied in the minutes except one written as a memorandum which appeared to me to not have been intended by Mr Finlay to be transferred thereto

I at the same time beg to observe that the overpayment in question arose by the bill being passed during the sitting of the Board but I shall keep the journal ledger posted up in future.

The following is Copy of the memorandum referred to, Viz. "Mem. The Guardians should see that the Clerk of the Union keeps the Journal Ledger in future. Had he done so the overpayment could not have been made."

(Reply to letter page 10)

With respect to the subject of the foregoing letter the Guardians desire to draw the attention of the Local Government Board to the entry in their Minutes referred to of the 16th Ultimo in which it is stated that the Contractors immediate attention was drawn to the other repairs mentioned in the masters report which in the opinion of the Guardians included & referred to the Pump although not specially mentioned

The Master reported to the Board to day that the Pump is now in working order.

The Master reported that he received a letter from the Clerk of the Richmond Lunatic Asylum in which he stated that the Governors of the Asylum at their meeting of the 5th inst. would not order the admission of Eliza Ryan (Lunatic) into the Asylum on the grounds that she was originally admitted into the Workhouse from Haroldstown which is in the County Carlow and did not therefore belong to that district

The Guardians directed the Clerk to write an application to the Resident Medical Superintendent of the Carlow Asylum for admission into that Institution of Eliza Ryan, an inmate of the Workhouse, referred to in the Masters report

Letter read from J Boal Grand Jury Commissioner of Valuation, informing the Guardians that he has appointed Mr John Farmer to make the Annual Revision of the Valuation of this Union

Letter read from Mr Farmer to notify that he will attend on the 11th Inst to make the Annual Revision of the Valuation of this Union & request the Rate Collector be informed of same. Guardians direct the Clerk to notify the Rate Collectors to meet Mr. Farmer at the place & hour named to supply any information they can afford.

*The Reports of the Master and other Officers were read, and Orders made thereon, as follows :—*

The Master reports that he has lodged in the National Bank Gorey to the credit of the Guardians the sum of £20.19.9 for farm Sales &c. as follows.

No. 90. 1/83 3rd April 1883

Letter read for quarterly return of Rates signed & agreed to

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or orders made on them respectively, as follows):

No 11.540/1883 7th April 1883

Election of Guardians. Circular letter addressed to the Clerk of Returning officer read from the Local Government Board for Ireland to transmit a communication dated the 29th ult. which they have received from Mr I. J. Dodd Solicitor relating to the Election of Guardian for the Ballinglen Electoral Division of this Union.

No 12.379 1883 5th April 1883

From same letter read to call the Returnings Officers immediate attention to their letter of the 2nd inst. relating to a complaint made by Mr I. J. Dodd respecting the recent Election of Guardians for Shillelagh Union. and I am to request that the Board may be furnished with your observations relative to the complaint.

I am at the same time to inquire whether you refused Mr Dodd

and Mr Scott admission at the Scrutiny of Votes for the Candidates for Carnew Electoral Division on the ground that "you had no power under the direction of the Board of Guardians to admit any person except the Candidates and their Proposers" the fact being that the exercise of full discretion in the matter rests in your hands, as the Returning Officer, irrespective of the Board of Guardians.

The Board are also desirous of being informed whether your brother was a successful candidate in the Carnew Division, and whether Mr Swan a Guardian, was permitted to be present at the Counting of Votes in other Divisions besides the Division for which he was elected.

With reference to the subject of the foregoing letters the Clerk read as follows viz.

In reply to letters of the Local Government Board No. 11,540 dated 2nd Instant & No. 12.379 dated 5th Instant with reference to the observation of Mr Dodd, solicitor, relative to the number of Proxy Votes allowed at the Election of a Guardian for the Ballinglen Electoral Division of this Union. I beg to state that no property duly registered by the owner is for amounting to £335. 15. 0 I allowed six votes; and on property registered in same owner's own occupation (1. & 2 Vic C 56 Sec 81) amounting to £5 I allowed two votes; as also on property in like manner for holdings under £4 amounting to £22 for which he pays rate without any deduction therefrom I allowed (25 & 26 Vic C 83 Sec 17) duch votes or four

In regard to the presence of two Solicitors on the part of the said Candidates, as opened to by Mr Dodd at the examination of Voting papers that subject having been previously considered by the Board of Guardians and their opinion expressed thereon, in which I fully concur, I have to observe that the attendance of Solicitors in my opinion representing only one side would seriously interfere with the impartial discharge of my duty as returning officer, and I therefore deemed it advisable to exclude them from the Scrutiny

With respect to the Election of Guardians for the Carnew Electoral Division of the Union I beg to inform the Local Government Board that my brother was elected for that division; and as to the presence of Mr [illegible] during the Counting of Votes for other divisions besides the division for which he was elected I have to state he only came into the Board Room towards the Conclusion of counting the Votes for the Carnew Electoral Division, which preceded that for which he was elected.

No. 11,989

5th April 1883

From Same with reference to the Minute of the Board of Guardians of Shillelagh Union on the 30th Ultimo respecting the failure of Collector Denis Doyle to lodge up to that date the sum of £85 which he appears from his books to have had in hand on the 15th Ultimo. I am directed by the Local Government Board for Ireland to request that they may be informed whether the Collector has since lodged the amount to the credit of the Union.

I am also to point out to the Guardians that there is no entry in their Minutes of the 16th Ultimo on this subject, and to request that the Clerk of the Union may be called on for an immediate explanation of his neglect to bring the matter before the Guardians in accordance with article 45 no 8 of the General Regulations.

In reply to the foregoing letter the Guardians have to inform the Local Government Board that it appears by the Treasurer's Account the Collector Denis Doyle has since lodged the sum referred to amounting to £85; and the Clerk begs to state that the Collector's books were examined on the 15th Ultimo the day before the meeting of the Board referred to. Consequently he had no Complaint under the Circumstances to bring under the notice of the Board of Guardians.

No 11,989

5th April 1883

From Same to acknowledge the receipt of the Minute of the Board of Guardians of Shillelagh Union of the 30th Ultimo in reply to the Board's letter of the 26th Ultimo, respecting the state of the Watchmen Pumps; and in reference thereto I am to point out that the Copy of the Guardians' Minutes of the 16th Ultimo received in this Office did not contain any entry of the Order made by the Guardians on the subject, and to request that the Clerk of the Union may be cautioned to be more careful in future that the Minutes shall contain a true record of all the Guardians' proceedings, in accordance with Article 45 No 1 of the General Regulations, and that he may be informed that the Board will take serious notice of any similar neglect on his part in future.

addressed to the Clerk & Returning Officer was a Letter read from the Local Government Board for Ireland to state that they have had under Consideration his letter of the 6th instant in reference to the proceedings Complained of on your part as Returning Officer of the Shillelagh Union by Mr J. J. Dodd Solicitor, in which you make the following Statement,

"In regard to the presence of two Solicitors on the part
"of the same Candidate as stated to by Mr. Dodd, at the
"examination of Voting papers, that subject having been
"previously Considered by the Board of Guardians, and their
"Opinion expressed thereon, in which I fully Concur, I have to
"observe that the attendance of Solicitors, in my opinion,
"representing only one side, would seriously interfere with the
"impartial discharge of my duty as Returning Officer, and I
"therefore deemed it advisable to exclude them from the Scrutiny"

The Local Government Board have also had before them a Copy of your letter of the 17th of March forwarding to Mr Dodd a copy of the Guardians' Resolution alluded to which appears to have been to the following effect:-

"Board Room,
"Shillelagh Union,
"17th March 1883

"Sir,

"With reference to your letter respecting the examination and Casting up of
"Voting papers for the election of Guardians, I am to forward you an extract
"from the Guardians' Minutes as follows viz.

"That the Clerk and Returning Officer be hereby enjoined to strictly Comply
"with the Circular of Instructions of the Local Government Board (See Law
"Compendium, page 694) to admit no person except the Candidates or their
"Agents named them for any Electoral Division in the examination and
"Casting up of Voting papers

"By order,
"Benjamin Hopkins
"Clerk of Union

To J. J. Dodd Esq
Solicitor

With respect to your action on this occasion, the Local Government Board think it necessary to remark that they do not consider you have taken a correct view of your position as Returning Officer and your responsibility in this matter; it rests with the Returning Officer alone to determine the question whether Strangers may be admitted to or excluded from the room in which the votes are examined and cast up, and he is bound to exercise his own discretion in that respect, and should not be influenced in any way by any Opinion expressed on the subject by other persons.

In the case under Consideration the Board of Guardians had no power to give you any instructions in regard to the admission to or exclusion of any persons from the scrutiny of votes, and you should not have acted on the resolution passed by them as affording a reason for your decision; the Local Government Board must express the hope that in discharging your duties as Returning Officer in future you will act entirely on your own

responsibility and will not allow Ourself to be influenced by any unauthorised instruction which may be given to you in

the Report.

No. 12,130 9th April 1883

Have been to transmit to the Clerk of Returning Officer further Communication which they have received from Mr. Michael Flemming relating to the rejection of his nomination of Mr. James Carroll for the Office of Guardian for the Shillelagh Electoral Division in the Shillelagh Union, and the Board request that you will furnish them with any further observations which you may have to offer on the subject

The Local Government Board request that you will state whether Mr. Michael Flemming was in the joint occupation, with his mother, of the holding in question whose the last Rate was made, and whether he was liable to pay a portion of the Rate, and actually did pay a portion of the Rate, and whether he obtained a receipt for such Rate

The Clerk read a reply to the foregoing letter as follows. Viz

With reference to letter of the Local Government Board for Ireland No. 12,130 dated 9th April 1883, requesting to be furnished with further observations relating to the letter of Mr. Michael Flemming in support of his nomination of Mr. James Carroll for the Office of Guardian for the Shillelagh Electoral Division in this Union, as to whether the said Mr. Michael Flemming was in Joint occupation with his mother of the holding in question when the Rate was made, and whether he was liable to pay a portion of the Rate, and actually did pay a portion of the Rate and whether he obtained a receipt for such rate. I beg to state in reply that Mr. Michael Flemming was in Joint occupation with his Stepmother when the last Rate was made, and was not individually liable to pay a portion of the Rate, which was paid in one sum as assessed and receipt for same given to the Representatives of Peter Flemming.

With regard to the statement of Mr. Flemming of having been placed on the Register of Parliamentary Voters at the Revision Court last October inst. my present. I have to observe I was present at that occasion when his name was so allowed on his own sworn testimony to be in the sole occupation of the holding in question which I could not then refute being under the impression that the Widow of the late Peter Flemming was dead at the time but afterwards learned she was, and is, still alive and no joint occupation in the holding with him.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows —

No 17879 — 19th May 1883

Letter read from the Local Government Board with reference to correspondence relating to the complaint of Dr. Michael Fleming of the rejection of his nomination of Mr James Carroll for the office of Guardian for the Shillelagh Union. The Local Government Board for Ireland desire to state that they have deemed it advisable, under all the circumstances of the case, to instruct their Inspector Dr. Maclagh, to hold an Inquiry into the Complaint of Dr. Fleming, and to report to them on the subject.

The following letter was read from Dr. Maclagh, viz.

I beg to state for the information of the Board of Guardians of Shillelagh Union that I have been directed by the Local Government Board to hold an inquiry into the validity of the nomination of Mr. James Carroll by Mr. Michael Fleming at the last election of Guardians for Shillelagh Union, and that I propose to hold the said inquiry on Monday the 4th June in the Board Room of Shillelagh Workhouse at 12 O'Clock noon.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or orders made on them respectively, as follows):

No 18599/83 — 24th May 1883

Letter read from the Local Government Board for Ireland to inform the Board of Guardians of the Shillelagh Union that they have received the Half yearly Report of their Inspector Dr. Maclagh on the Union, the Workhouse of which he inspected on the 18th Instant

Dr. Maclagh reports that the financial condition of the Union cannot be considered satisfactory as at the date of his inspection there was a balance of £602 against the Union at the foot of the Treasurer's account and although the period fixed for the closing of the Poor Rate Collection had expired there was an uncollected balance of £1000 outstanding, an examination of the

available assets and of the unavoidable expenditure to the close of the financial year, Dr. Maclagh states enables it almost certain that the Guardians will find themselves about £1,000 in debt on the 29th September next, and the Local Government Board trust that in making rate to meet the expenditure for the coming financial year the Guardians will make such a provision as will place them in a more satisfactory financial position next year. Dr. Maclagh reports that the Lunatics and Idiots are fairly well clothed but that there is room for improvement in this Department. He also observes that the Children at nurse are regularly visited by the Relieving Officers whose reports are stated to be satisfactory but that on the occasion of his inspection the reports of their visits could not be produced as they had been mislaid.

With regard to the Condition of the Workhouse Building Dr. Maclagh reports that the slating and ridge covering require repair and that the slating of the Ventilating Tower is out of order, that several ridge tiles require Cementing; that the gutters, lead shoots and down pipes, are in fair order; that the Chimney Shafts of the Fever Hospital require some repairs as does also the Coping of the walls, and that the floors are in fair order.

Dr. Maclagh reports that some blinds are required in the Fever Hospital and in some of the Wards of the General Hospital.

The Local Government Board learn from Dr. Maclagh's report that on the occasion of his visit the Medical Officer's Books were not duly written up to date, and that he very frequently attends after the specified hours, but that he is regular in attendance, and is pleased that the Board have to call the Guardians' attention to article 68, Nos. 1. 4. 7 and 8 of the Workhouse Rules.

Dr. Maclagh states that the Workhouse Schools are well managed and the progress of the Children satisfactory, and that the girls' school is conducted in a perfectly satisfactory manner.

The Board trust that the several matters referred to

re Dr. Maclabe's Report may receive the Guardians' attention.

With reference to the foregoing report of Dr. Maclabe on the Condition of the Workhouse Buildings, the Clerk was directed to call the attention of the Contractor for same to have the slating and ridge coming immediately repaired. The tiles properly cemented and the slating of the Ventilating Tower, as also the Chimney Shafts of the Fever Hospital and the walls copied in the several places required.

In regard to the supplying of Window blinds to the Fever Hospital and Infirmary the Guardians asked the Medical Officer to be good enough to inform them by the next Board day of the number of Windows & probable quantity of material required for same.

The attention of the Medical Officer was drawn by the Board to the Observations of Dr. Maclabe relating to his visits &c, and his Compliance required with the provisions of article 68. of the Workhouse rules specified.

The Board unanimously agreed to the following resolution, viz

That the several Rate Collectors of this Union be instructed to collect all the outstanding rates of the current year possible, either with or without the said rate,

No. 195–M/83– 9th June 1883

Miscellaneous Circular read from the Local Government Board to transmit one copy of their Annual Report for the present year.

*The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or orders made on them respectively, as follows):*

No. 20,868/83 13th June 1883

Letter read from the Local Government Board for Ireland to inform the Returning Officer that they have received the Report of their Inspector, Mr Maclabe, with the Minutes of the Evidence taken at the Inquiry which he recently held into the Complaint made by Mr Michael Fleming against the as Returning Officer of the Shillelagh Union, respecting the rejection of his nomination of Mr. James Carroll for the Office of Guardian for the Shillelagh Electoral Division on the ground that Mr Fleming was not entitled to vote, and therefore not entitled to nominate

It appears from the Evidence that the late Peter Fleming, the father of Michael Fleming, was the tenant and rated occupier of a holding in the Electoral Division in question valued at about £13; that Peter Fleming died in March 1881 and Michael Fleming succeeded to the tenancy as his son and heir; that from the date of his father's death Michael Fleming paid the Rate assessed upon the holding; and that although the Rate Receipts were made out in the Name "Rep" Peter Fleming which corresponded with the Entry in the Rate Book, Mr Michael Fleming has established the fact that he alone had a right to be considered the occupying tenant – his stepmother being simply resident with him and having no share in the liabilities incidental to the tenancy

Mr Fleming having come into possession of the property, out of which the Claimed his right to vote and nominate by succession to the late Peter Fleming; and although not rated by name, having become liable for the Rate, and having actually paid the Rate, he was clearly a Rate Payer within the meaning of section 80 of the Irish Poor Relief act, and consequently entitled to vote and to nominate Mr. James Carroll for the Office of Guardian for the Electoral Division in question.

Under these circumstances the Return of Mr James Hopkins as the Guardian elected for the Shillelagh Division must be declared void, and an order issued providing for a new election, inasmuch as the name of Mr Carroll should have been placed with that of Mr. Hopkins, before the Ratepayers of the Division to exercise their right of Election.

The Local Government Board do not consider that you took sufficient trouble to satisfy yourself as to Mr. Fleming's right to vote and nominate a person for the office of Guardian and they must express the hope that you will endeavour to discharge your duty as Returning Officer with more care and efficiency for the future.

No. 20,372 368

14th June 1883

From Same to Observe from the Minutes of Proceedings of the Board of Guardians on the 1st Instant that the Several Rate Collectors were instructed to Collect as much as possible of the outstanding rates for the Current Year "either with or without the said Rate"; and the Board desire to state that there is no legal authority to enable the Guardians to direct a Collector to recover the sum assessed as Poor Rate and to leave the sum assessed as said Rate to be Collected hereafter

The persons who received the said and are assessed for the Value must pay both Rates together

With reference to the subject of the foregoing letter the Guardians desire to inform the Local Government Board that the order to the Rate Collectors as to the Collection of rate "with or without the said rate" was at the suggestion of Dr. Maclaine in view of the large amount of Rates outstanding, and of the fact that a Considerable portion of the said Rate will be uncollectable.
