Bray should be colorful, and cheerful. There are lots of buildings that are outdated, especially the ones on Dublin Road before Supervalu.

Our town should be a statement in cleanliness and cheerful colours.

Bray needs more late night coffeeshops. Not everything is related to alcohol, I would rather have people hanging out in a coffee shop rather than pub drunkies late at night.

We need more variety of food and beverage places as well, we definitely lack that. Especially places with decent and cozy outdoor seating areas

Dublin road, dublin road, dublin road!!! This road needs fix with traffic its insane, having a single bridge going into town is making it a chokepoint. Can we open up some of the cul de sacs? I dont know, but we all can only channel through a single road is pretty annoying and definitely needs a revisit.
