## Site Location and Description

The site is located Main Street/Market Square in Baltinglass. The application refers to the ground floor of a terraced commercial unit in previous use as a pharmacy with on street parking directly outside the premises. The immediate area is predominantly retail, and town centre uses.

## Question

The applicants have applied to see whether or not the following is or is not development and is or is not exempted development:

- Whether the proposed change of use of the existing premises formerly occupied and used as Kevin Carey Pharmacy to use as a General Medical Practitioner (GP) practice constitutes development and, if so, whether such development is exempted development within the

meaning of the Planning and Development Acts and Regulations, only partitioning of rooms inside the premises at Main Street, Baltinglass, Co. Wicklow, W91 W1XV.

**Planning History**

**Relevant Legislation**
***Planning and Development Act 2000 (as amended)***
**Section 2 (1)**
*"exempted development" has the meaning specified in section 4;*

*"Structure" means any building, structure, excavation, or other thing constructed or made on, in or under any land, or any part of a structure so defined, and—*
*(a) where the context so admits, includes the land on, in or under which the structure is situate,*
*(b) in relation to a protected structure or proposed protected structure, includes—*
*(i) the interior of the structure,*
*(ii) the land lying within the curtilage of the structure,*
*(iii) any other structures lying within that curtilage and their interiors, and*
*(iv) all fixtures and features which form part of the interior or exterior of any structure or structures referred to in subparagraph (i) or (iii);*

*"Works" includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.*

Section 3

*(b) development within the meaning of Part XXI (inserted by section 171 of the Maritime Area Planning Act 2021).*

Section 4 sets out the types of works that while considered 'development', can be considered 'exempted development' for the purposes of the Act (subject to certain conditions and limitations as set out in Section 4).

**Section 4**
(1): The following shall be exempted developments for the purposes of this Act—
(*h*) development consisting of the carrying out of works for the maintenance, improvement or other alteration of any structure, being works which affect only the interior of the structure or which do not materially affect the external appearance of the structure so as to render the appearance inconsistent with the character of the structure or of neighbouring structures;

**Part 2, Exempted Development -Article 5**

'shop' means a structure used for any or all of the following purposes, where the sale, display or service is principally to visiting members of the public –

(a) for the retail sale of goods,

(b) as a post office,

(c) for the sale of tickets or as a travel agency

(d) for the sale of sandwiches or other food or of wine for consumption off the premises, where the sale of such food or wine is subsidiary to the main retail use, and "wine" is defined as any intoxicating liquor which may be sold under a wine retailer's off-licence (within the meaning of the Finance (1909-1910) Act, 1910),

(e) for hairdressing,

(f) for the display of goods for sale,

(h) as a launderette or dry cleaners,

(i) for the reception of goods to be washed, cleaned or repaired, but does not include any use associated with the provision of funeral services or as a funeral home, or as a hotel, a restaurant or a public house, or for the sale of hot food or intoxicating liquor for consumption off the premises except under paragraph (d), or any use to which class 2 or 3 of Part 4 of Schedule 2 applies;

**Article 10 -Changes of Use**

10. (1) Development which consists of a change of use within any one of the classes of use specified in Part 4 of Schedule 2, shall be exempted development for the purposes of the Act, provided that the development, if carried out would not—

(a) involve the carrying out of any works other than works which are exempted development,

(b) contravene a condition attached to a permission under the Act,

(c) be inconsistent with any use specified or included in such a permission, or

(d) be a development where the existing use is an unauthorised use, save where such change of use consists of the resumption of a use which is not unauthorised and which has not been abandoned.

The Planning and Development Regulations 2001 (as amended)

*Part 4, Schedule 2 of the Planning and Development Regulations 2001 lists the classes of use that are considered to be exempted development, subject to conditions and limitations, and the 'Restrictions on Exemptions' set out in Article 6.*

Planning and Development Regulations 2001(as amended)

*Schedule 2: Part 4:*

***CLASS 1***

*Use as shop.*

***CLASS 8***

*(a) as a health centre or clinic or for the provision of any medical or health services (but not the use of the house of a consultant or practitioner, or any building attached to the house or within the curtilage thereof, for that purpose),*
*(b) as a crèche,*
*(c) as a day nursery,*
*(d) as a day centre.*

**Details Submitted in support of Application**

The applicant submitted the following in support of their application:

- Cover Letter and completed Section 5 application form
- Site Location Map
- Existing Floor Plan
- Proposed Floor Plan showing the proposed GP practice
- Internal and external photos

**Assessment**

The applicant seeks confirmation as to whether the change of a pharmacy (retail) to GP/medical practice is development and is exempted development.

The change of use of a structure constitutes development under Section 3(1) of the Planning & Development Act. The definition of development is defined as:

*(a) the carrying out of any works in, on, over or under land, **or the making of any material change in the use of any land or structures situated on land**, or*
*(b) development within the meaning of Part XXI (inserted by section 171 of the Maritime Area Planning Act 2021).*

The existing use of the premise as a pharmacy is considered to fall within the definition of a shop noting that it is for the retail sale of goods. The proposed use GP/medical practice is considered to fall under Class 8 (a) as a health centre or clinic or for the provision of any medical or health services (but not the use of the house of a consultant or practitioner, or any building attached to the house or within the curtilage thereof, for that purpose),

Therefore, the change of use from Class 1 i.e. shop to Class 8 i.e. clinic/medical centre is constituted as material and is development having regard to the definition set out in Section 3(1)(a) of the Planning and Development Act 2000 (as amended).

Schedule 2 Part 4 of the Planning and development Regulations 2001 (as amended) lists the change of use classifications which can be considered as exempted development.

The applicant has listed Sections 3,4 and 5 of the Planning and Development Act 2000 (as amended), together with Article 10 and Part 4 of Schedule 2 of the Planning and Development Regulations 2001 (as amended). The building was in use as a pharmacy (shop), which is Class 1 and Class 8 is for use as a health centre or clinic or for the provision of any medical or health services (but not the use of the house of a consultant or practitioner, or any building attached to the house or within the curtilage thereof, for that purpose). The change in use of a shop to a GP/Medical practitioners would result in the unit being materially different in character, have differing traffic movement and patterns of usage. The internal alterations may be exempt under s.4(1)(h); however, that does not determine whether the proposed use of the premises as a GP/medical practice constitutes a material change of use requiring planning permission.

## Recommendation

With respect to the query under Section 5 of the Planning and Development Act 2000 (as amended), as to whether

- the change of use from retail use to a GP/Medical practice use at Main Street, Baltinglass, Co. Wicklow, W91 W1XV is or is not exempted development within the meaning of the Planning and Development Act, 2000 (as amended).

The Planning Authority considers that:

The change of use **is Development and is Not Exempted Development.**

## Main Considerations with respect to Section 5 Declaration:

- The details received with this Section 5 request on 12/10/2026.
- Sections 2, 3 and 4 of the Planning and Development Act 2000 (as amended)
- ~~Section 4 (1) of the Planning and Development Act 2000, as amended~~
- Articles 5 and 10 and Classes 1 and 8 of Part 4 of Schedule 2 of the Planning and Development Regulations 2001, as amended

## Main Reasons with respect to Section 5 Declaration:

A) The change of use from a shop to a GP/medical practice would come within the definition of "development" as set out in Sections 2(1) and 3 of the Planning & Development Act 2000 (as amended).

B) The use class will be changing from Class 1 to Class 8, as per Schedule 2 Part 4 of the Planning and development Regulations 2001 (as amended) and it is therefore not exempted development.

C) The change in use from a shop to a GP/Medical practitioners would result in the unit being materially different in character, have differing traffic movement and patterns of usage.

Premises: Main Street, Baltinglass, Co. Wicklow, W91 W1XV
Proposed Use: GP / Medical Practice

Dear Sir/Madam,

Please find enclosed an application seeking a declaration under Section 5 of the Planning and Development Act 2000 (as amended) in respect of the premises at Main Street, Baltinglass, Co. Wicklow, W91 W1XV.

The purpose of this application is to seek a formal determination from Wicklow County Council as to whether the proposed use of the premises as a GP/medical practice constitutes exempted development.

The premises were formerly occupied and operated as Kevin Carey Pharmacy. I am proposing to use the premises as a GP/medical practice providing primary healthcare services.

The proposed works are primarily internal alterations to facilitate the operation of the GP practice, including consultation/treatment space, reception and waiting areas, sanitary facilities, staff facilities and associated ancillary areas. The application documentation includes drawings showing the existing and proposed internal layouts.

No significant extension of the existing building is proposed as part of this Section 5 application. The external character of the premises is intended to remain substantially unchanged, subject to any signage or other works being dealt with separately where required.

We respectfully request that Wicklow County Council consider the information and drawings submitted and issue a declaration as to whether the proposed use and associated works constitute exempted development.

The following documents are enclosed in support of the application:

1. Completed Section 5 application form;
2. Site location map identifying the subject premises;
3. Existing floor plan; and
4. Proposed floor plan.
5. Photos of the former Kevin Carey Pharmacy premise

Should the Planning Authority require any further information or clarification in order to determine the application, we would be pleased to provide it.

For any information or clarification concerning the property/landlord, the landlord may also be contacted at josephgermaine@gmail.com.

Thank you for your consideration of this application.

Yours faithfully,
