### Topic

Community Development (inc. sports facilities & schools, etc)

### Submission

We are residents in a new development; Meadow Hill on the Marlton Road with young children & feel there is little green space or amenities in the immediate area for such a large number of families with young children. We would like to be part of a active community & promote healty living within the community therfore feel its a priority to have access to local sports facilities & a playground. We supportive of Councillor Alvey's work in lobbying for use of land on hawkstown road for sports & recreation use.
