## Submission

The facilities for both soccer and gaa are not growing in line with demand. The soccer club has doubled membership in the last 3 years and cannot cope with extra members due to lack of space. We cannot take in new members due to this and there is no new ground available. We need more space urgently as the club starts at academy level and would be a great loss to the area if we cannot take in the new members.

## Map

## Site Description:

Finn park and Wheeler park. Development is restricted on part of the site as it is built on old landfill/dump.
