- Chapter 6 – Proposed Variation No. 6

Write your observations here:

We are not satisfied as landowners preparing to do 50+ units in the Newtownmountkenedy area in relation to the proposed changes to the current development plan. We are strictly geared at independent living accommodation drafted for consideration. We would encourage Wicklow County Council to refrain from these proposed changes and revert to the current development plan and stay to current guidelines that have already been previously provided by WCC planning department. Currently we have 3 sites one with 5 units on NTMK main street, the second proposal is for 15 units at Season Park Farm, and a further 35-55 units are being proposed in Mount Kennedy. Live file planning number : 500128-WW planning reference number ; 2560509 currently before CAP for final judgement.
