The following Letters and other Communications were read by the Clerk, and Orders were made on them respectively, as follows :—

Date	From whom	Subject Matter	Order of the Board thereon
19/8/10.	Nurse O'Rourke	With reference to the statement in the "Wicklow People" as to my being placed off duty on account of attending a Sceptic case the circumstances are as follows:- on 21st July. I was called to attend a midwifery case Mrs Doyle who subsequently became septic, and three days later with the knowledge & consent of the Dr. I attended another case Mrs Brophy, who was normal during her confinement and showed no untoward symptoms at any time. Mrs Doyle the sceptic patient I had been attending all this time has been normal for the last 14 days, so I was very much surprised to learn that the Dr. considered it necessary to put me off duty for 14 days, from the determination of her illness, having regard to the fact that when the patient was sceptic he allowed the risk of infection be carried to another patient. In any case 14 days appears a very long period for such cases. I have already written to the L.G.B drawing their attention to the matter, not out of any discourtesy to the Board of Guardians, but simply that the L.G.B. if they wished could act promptly, and curtail this enforced idleness which is a hardship to me and an imposition on the Rate payers. – It was proposed by Mr E.J. Byrne JP & seconded by Mr M Fleming "that Nurse O'Rourke be directed to resume duty forthwith, on a division the proposition was carried by 3 votes to one vote

The following Orders and Letters of the Local Government Board for Ireland, under the Medical Charities Act, were laid before the Board, and directions given thereon, as follows :—

Reference No. and Date	Subject Matter	Order of the Board thereon
No. 54406 19 august 10	To state that they had sanctioned the payment of remuneration at the rate of £4:4:0 a week to Dr. King as substitute for the medical officer of Inishbofin Dispensary District during the absence of that officer on vacation.	
No. 55.762 25 August 10	To state that they had before them the minutes of proceedings of the guardians on the 19th inst. when the guardians directed Mrs O'Rourke to resume the discharge of her duties as midwife of the Inishbofin Dispensary District. It appeared that the midwife recently attended a case of puerperal fever in the District & that the medical officer directed her not to attend any other midwifery cases for a period of a fortnight after the termination of her attendance on the septic case. The L.G. Board desired to point out that under article 19 (ii) of the Dispensary Rules the midwife is bound to observe & execute all lawful orders and directions of the medical officer applicable to her office & the Board has stated that the guardians in interfering with the discretion of their medical officer, who acted in an entirely proper manner, have incurred a most serious responsibility.	

The following Letters and other Communications were read by the Clerk, and Orders were made on them respectively, as follows :—

Date	From whom	Subject Matter	Order of the Board thereon
26 augst 10	D. G. J. Sexton M.D. Inishbofin	To state that he regretted having to act against the wishes of the Board in forbidding Mrs O'Rourke to resume duty. The patient Mrs Boyle's illness was, in his opinion, caused by the incompetence & neglect of Mrs O'Rourke & her repeated contempt of his orders in this & other cases was detrimental to the lives of the patients.	
26 augst 10	Mrs O'Rourke Nurse Inishbofin	To say that she had been unable to comply with the Boards decision & ord. as the Doctor insisted on her not going on duty.	
26 August	Rev. J. J. Bushe Inishbofin	To say that he had read Dr. Sextons letter to the Board restricting the Inishbofin nurse in consequence of having attended a septic patient & giving particulars of an interview he (Father Bushe) had with Surgeon-Colonel Edgar Flynn in reference to a previous case. It was proposed by Mr. J. M. Barker seconded by Mr. M. Murphy and passed, one guardian dissenting.- That the entire correspondence be forwarded to the Local Government Board, and ask them to hold a Crown Inquiry into the ~~case~~ Boyle case.	
26 Augst 10	R.C. Drumm	That having received a Requisition from Dr. Sexton. Re employed Nurse Gleanne to discharge the duties of midwife in Inishbofin Dispy. District pending the meeting of the Board - approved

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

No. 57402 8 Sept. 1910.

The Local Government Board wrote to forward copy of a letter which they had received from the Commissioners of National Education enclosing extracts from their senior Inspector's last report on the Workhouse School, and to state that in view of the very unfavourable nature of the Inspector's report the L.G. Board considered that the Schoolmistress should not be allowed to remain in office and in the circumstances the Guardians should call upon her to resign.

Order:- The Guardians consider that it would be a very harsh proceeding to call upon the Schoolmistress to resign after a service of 23 years. They have, however, strongly censured the Teacher, and directed that she forthwith carry out the several requirements of the Inspector.

No. 53390. 8 September '10.

From same to transmit the substance of a report which they had received from their Inspector, Mr R. Kelly, consequent on his recent inspection of the Workhouse and to request that the several matters adverted to therein might receive the careful attention of the Guardians.

With regard to the Inspector's observations respecting the children named Donnelly who are inmates of the Workhouse, the L.G. Board pointed out that unless these children are in need of nursing or medical attendance they cannot be legally maintained in the Workhouse without the person liable for their support.

Order:- That the Visiting Committee be requested to meet and report on the matters referred

referred to by the Inspector by this day fortnight.

John Dempsey. The Farm Steward + Van Driver wrote asking the Board to allow him an increase of Salary after his service of five years.

Mr. P.J. Maguire gave notice that he would move on this day two weeks that the application be considered.

On the motion of Mr. J. M. Barker, seconded by Mr. J. McBride, a vote of sympathy was passed with the relatives of the late Mr. Thomas Lobb - ex Rate collector.

Order: That a copy of this communication be forwarded to the Schoolmistress.
