8th March 06

Mr. John Doyle, Contractor for supply of meat to the Workhouse, wrote under above date, as follows:—

"On the 3rd March an order was issued regarding a change in my contract for the supply of Irish Beef to the Union (a change which has never hitherto occurred) asking me to supply 100 lbs. in two deliveries weekly. I am quite willing to supply Beef in accordance with the terms of advertisement which stipulates Beef to be supplied in half quarters, not strips, as I would have to do if I went by present order. It must be well known to almost every member of your body that a half a quarter of Beef means 100 lbs. or thereabouts, and if I have to take half off that the master will be the first man to complain of an alternative half to be substituted equal to the one that has been cut off to please him. I ask the Guardians to stand by their advertisement and give me a chance to supply. I don't want any fiction on the subject but a fair and legitimate order as I have been in the habit of receiving.

"Say no more at present but trust that the Board will make such an order as will avoid those periodical unpleasantnesses."

Order:—That Mr. Doyle be referred to the stipulation in his contract that the meat is to be supplied "at such times & in such quantities as may be ordered" & that he be required to deliver the meat twice weekly in future.

The cases of provisional relief, and applications for relief, were considered and decided on as set forth in the Application and Report Books.

The following Orders and Letters of the Local Government Board for Ireland, under the Medical Charities Act were laid before the Board, and directions given thereon as follows:—

Reference No. and Date	Subject Matter	Order of the Board thereon
no. 31-M/06 10 March 06	To request that the clerk would furnish them immediately after the 31st inst. with returns relating to matters pertaining to the Union for the year ended on that date.	That same receive attention.
16.672:1906 22 March 06	To state they observed from the minutes of Proceedings on 16th inst. that the Guardians accepted the tender of Messrs Clarke & Co for medicines at an abatement of 26 1/2% on the prescribed prices. although they had before them another tender offering more favourable terms, viz. Messrs Sumner, Liverpool. 30%. The Board could not accept as sufficient the grounds put forward for the acceptance of Messrs Clarke's tender, as the course pursued by the Guardians in this instance if generally adopted would tend to discourage competition for these contracts. The Board had therefore to intimate to the Guardians that recompense would not be allowed in respect of the cost of any articles which might be obtained in pursuance of the proposed contract.	That advertisements be re-issued inviting tenders for consideration on 6th inst. & a clause inserted therein to the effect that a preference would be given to tenders from such firms.

The following Letters and other communications were read by the Clerk, and orders were made on them respectively, as follows:—

Date	From whom	Subject Matter	Order of the Board thereon
22 March 1906	Dr Fitzgerald Enahely	To certify that Mrs O'Rourke, midwife of the Enahely Dispy. District, was ill and would not be able to resume duty for a fortnight.
