Notices of Motion

1 Notice of motion in the name of Cllr. L. Scott (proposer), seconded by Cllr. L. Fenelon Gaskin and supported by Cllr. S. Stokes, Cllr. M. Barry and Cllr. T. Fortune. (15th September 2025)

"In light of the amount of active open space, playgrounds, general community park and outdoor facilities in

Co. Wicklow, we propose that the Chief Executive establishes a Parks Division as a priority. In addition the CE applies to the relevant Department for necessary funding and includes updates to this request as a standing item on the monthly CE report."

2 Notice of motion in the name of Cllr. S. Bourke (proposer), seconded by Cllr. P. Stapleton. (23rd October 2025)

'That Wicklow County Council explore an application for RRDF funding for Town First projects similar to Carrick-in-Suir, that prioritises undergrounding of ESB and other utility cabling, to enhance the visual urban landscape of Wicklow towns, and provide funding to eliminate exterior metal shuttering from retail premises on Main streets, as recommended on page 190 of the Architectural Heritage Protection document issued by the Department of Arts Heritage and the Gaeltacht. Arklow should be used as the initial candidate to pilot this proposal as it has been singled out for criticism by An Taisce'.

'That Wicklow County Council unify the public lighting infrastructure in public Realm areas, initially by removing redundant attachments, matching lighting fixtures, and paint all stands in a single uniform colour, (grey, black or a suitable alternative), to unify the street landscape. Arklow's Main Street, Ferrybank and Wexford road, should be the initial focus, as Arklow has been singled out for criticism by An Taisce. Other towns and villages in county Wicklow could be incorporated in this scheme to re-organise lighting to match up older lighting fixtures. Climate sensitive lighting should be prioritised.'
