'That Arklow Municipal District allocate 40k from discretionary funding to Arklow Town Team to provide them with match funding so as to apply for leader funded projects for the town'

(e) Motion in the name of Cllr Tommy Annesley –Received 01/09/21

'That this Council proposes that a medical suite in the new Arklow Primary Care Centre be named after Dr Declan Connolly who died in 2007. Dr Connolly had an enormous impact on the people of Arklow through his sterling work as a G.P. as well as his passionate involvement in Arklow Rugby Club and as a highly respected Dáil Candidate for Fianna Fáil. It is highly appropriate that Dr Connolly's name be associated with one of the medical suites in the new Arklow Primary Care Centre given his unique commitment and dedication to the welfare of all the people of Arklow'.

(f) Motion in the name of Cllr. Pat Kennedy –Received on 23/08/21

'That Wicklow County Council look at providing funding for two bus shelters, one for the village of Aughrim and one for the village of Annacurra as both of these villages have a bus service 4 times a day. These bus shelters would also provide shelter for the children waiting for school buses'.

(g) Motion in the name of Cllr. Pat Kennedy –Received on 23/08/21

‘That this Council provide funding to reconstruct the footpath in Brewery Lane, Rathdrum. This footpath facilitates a large volume of houses and is bad need of repair as it is non-existent in some places’.

(h) Motion In the name of Cllr Pat Kennedy & Cllr Pat Fitzgerald – Received on 18/09/21

‘That Arklow Municipal Council look at continuing the footpath works in the village of Greenane. Greenane is a rural village which has had little investment over the years. It did receive funding for some street lights a few years ago. These works are essential for the safety of all pedestrians walking to the village shop and to the church’.

(i) Motion In the name of Cllr Pat Kennedy & Cllr Pat Fitzgerald – Received on 18/09/21

‘That Arklow Municipal Council assesses the condition of the remaining footpaths and the road surface in Woodview Park, Avoca. Some of the footpaths were re-laid a number of years ago however the remaining footpaths now need to be assessed. The road surface also needs to be assessed as it is in a very poor condition. This is a very busy estate as it is the only through road to the football pitch’.
