Notices of Motion

1 Notice of motion in the name of Cllr. C. Winstanley (proposer), seconded by Cllr. T. Fortune and supported by Cllrs. D. Alvey and M. Barry (29th May 2025)

'It has now been a year since Ireland officially recognised the State of Palestine, and nearly two years since the beginning of Israel's ongoing military campaign in Gaza.

In light of this, Elected Members of Wicklow County Council call upon the Chief Executive of the Council to write to the Government on our behalf, urging immediate and decisive action.

We request that the Government act to end the facilitation and sale of Israel Bonds under its authority, and that the Central Bank of Ireland cease all regulatory oversight of these financial instruments, which currently supports continued violence and destruction.

Continued regulation and facilitation of these bonds represents not only a moral failure but also a clear violation of Ireland's legal obligations under:

The UN Convention on the Prevention and Punishment of the Crime of Genocide,

International human rights law, and Countering the Financing of Terrorism (CFT) legislation.

As a nation that upholds a position of military neutrality, Ireland must not be complicit in enabling financial mechanisms that fund or support potential war crimes. Unless there is an immediate and verifiable ceasefire, the sale and regulation of Israel Bonds must end.

We urge the Irish Government to take a stand and ensure that our country plays no role in facilitating further violence or injustice in the region'.
