We most definitely need another primary school serving Wicklow and Rathnew. Schools are already full and people moving into new developments can't get a place. We also need to widen the footpath and put more lighting and pedestrian crossing by the train bridge between Rathnew and Wicklow. Not safe for children to walk or cycle to school. There needs to be better road markings at the junction at Tinakilly Park. Cars turning tight into the estate (coming from Wicklow) or cars turning right up the hill (coming from Rathnew) don't know how far to drive forward and there have been numerous accidents as a result.

We need places to buy clothes especially children, such as Dinner Stores or Penny's. It would be great to have more amenities for children in the winter indoors.

It would be lovely to have more boutique shops/cafe/restraunts on the seafront like at Dun Laoighre and Bray, where the disused warehouses are.

It would be lovely to have more fish shops and seafood restaurants, pastry shops.
