and Patrick Byrne.

The Minutes of the last Meeting were read and signed.

The Clerk's Report on the execution of Orders previously made by the Board was read to the following effect:—

The Master's Estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several articles specified namely:—

35 lb. Butter
 4 gals. Buttermilk
 30 Dozen Eggs
 100 lb. Beef

 Hospital, poor cost £4:1:3.

The Clerk's Report of Vaccination was read (this on the first meeting in every month).
 Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

Two women inmates in Day Room quarrelled this morning when one named Alice Hught struck the other woman, Anne Nolan, with her hand.

Thomas Donohue, Workhouse Saylor, is ill and has not been able to attend to his duties. He asks the Board to allow him a week's leave.

The inmates referred to were brought before the Board and reprimanded by the chairman, & it was decided to allow the Saylor one week's sick leave.

D. King, Medical Officer of Workhouse, recommended that Mary Doyle and Mary Dunne who both suffer from asthma and are acting as assistants in body of house, be allowed 10g tobacco each per week, gratis.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 36,949

15th March '09

The Local Govt. Board wrote to say that they had received the report of their Inspector, Mr. Kelly, consequent upon his recent inspection of the Workhouse, which was of a generally satisfactory character as regards the management of the institution and the performance of their duties by the several officers of the establishment.

Mr. Kelly, however, drew attention to the following matters:— There is no water closet in the fever hospital.

The ambulances are old two wheeled vehicles.

A new stove is required in the men's dayroom.

The Workhouse inmates should be bathed regularly, but the appliances for doing so are not as satisfactory as they ought to be.

The surface channels in front of the men's and women's dayrooms should be laid down with concrete, as the present paved channels have not a sufficient fall and retain the water in pools.

The external wood and iron work of the Infirmary should be painted.

The nursery, which is remote from the other occupied portions of the Workhouse, should have bell communication with the apartments of some responsible officer. The nursery is locked at night, and if any of the occupants get ill there seems to be no way of communicating with the matron or nurse.

The visiting committee have met and reported only once since last July, and attention is directed to article 59 of the Workhouse Rules in this respect.

The Board trusted that the different matters referred to by the Inspector would receive the Board's careful consideration.

Order:

order: There are two water closets attached to General Hospital, which the Guardians consider sufficient. The ambulances were obtained recently & are considered most suitable for the roads and lanes in the Union. The clerk to obtain catalogue prices for stone required. The surface channel ^{outside} at women's dayroom to be concreted & estimates ordered to be obtained for providing & fitting bell communication from nursery to lobby outside night nurses apartment. The external wood work of the infirmary to be painted in the event of the master being able to procure a ramp painter.

13 March 1909

Mr. James O'Connor M.P. forwarded formal acknowledgment by the Secretary to the Treasury of his letter in reference to the sum of £11 due to the Guardians.

On the application of the Farm Steward it was agreed to grant him one day's leave of absence.
