4	COUNCILLOR WINSTANLEY: Present.
5	MS PURCELL: Thank you.
6	CATHAOIRLEACH: Thank you. I will open the floor up to condolences.
7	Councillor Gail Dunne.
8	COUNCILLOR DUNNE: Councillor Gail Dunne. Thank you, Cathaoirleach.
9	Wicklow Town was hit with very sad news this morning. A good friend of mine and
10	yours, Pat (Sting) Kavanagh passed away. The word legend is used in a lot of things,
11	but I think it really lends itself to Sting. A greater footballer, rugby, Gaelic, best
12	known as a soccer player around the town. Pat was unwell for the last number of
13	years and took ill last Friday, and passed away this morning. To Trish and his family
14	I just want to offer my condolences.
15	
16	I just have a second one as well maybe I might Also last week the town was again
17	shocked by the news of Jane McCoy, a young woman with four children, married to
18	John Joe who I would have known very well in his days at St Pat's, and I offer my
19	sympathy to both families. Thank you.
20	CATHAOIRLEACH: Thank you, Councillor Dunne. I would like to be associated
21	with the two. I know both families very well.
22	
23	Councillor Lourda Scott.
24	COUNCILLOR SCOTT: Thank you, Cathaoirleach. I wanted to offer condolences
25	to the friends and family of Joseph McLoughlin who passed away over the summer.
26	He was a great community man in Greystones; very active with Greystones Tidy
27	Towns and also with Redford Residents Association, and he passed after a sudden
28	illness and will be greatly missed. Thank you.
29	CATHAOIRLEACH: Thank you, Councillor. Councillor Graham Richmond.
30	COUNCILLOR RICHMOND: I would like to echo the comments of Councillor
31	Gail Dunne there, the passing of Ms McCoy from Marlton Demesne. She was a
32	well-known activist for the early screening for bowel cancer and I would like to
33	extend my condolences to the family.
34	CATHAOIRLEACH: Thank you, Councillor. Councillor Gerry O'Neill.

1	COUNCILLOR O'NEILL: I would like to offer my condolences to the Teague
2	family; a well-known family in Blessington. Mick died, he was buried on
3	Wednesday, and then a day later his wife passed away. So her funeral is in two days'
4	time. It was sad to see the husband and wife in the one, within a couple of days
5	passing. Thanks, Cathaoirleach.
6	CATHAOIRLEACH: Thank you, Councillor. If we have no more I have two
7	myself. On behalf of Wicklow County Council I would like to offer our sincere
8	condolences to Eddie Kenny in New York on the sad passing of his wife Jean after
9	battling cancer for 31 years. Jean's family were originally from Arklow, so they
10	always had a close connection to County Wicklow. Up to a couple of years ago I
11	believe Jean and Eddie were ever present at St Patrick's Day in New York, and they
12	both participated in the parade for more than 50 times. Eddie has been involved in
13	Wicklow Association all those years and he has held many positions, including being
14	chairman, where he has welcomed many delegations from Wicklow County Council
15	in his time.
16	
17	The second one I would like to say is that I would like to offer my condolences to the
18	family Marie Mates. Marie was Minister Liam Kavanagh's secretary for almost a
19	quarter of a century. It is not often that the secretary is as well-known as the
20	Minister but in this instance because of Marie's work ethic and her broad knowledge
21	she was every bit as well-known as Liam and held in very high regard. I know she
22	assisted many people around the county no matter of their party, political and
23	non-political, and I know she will be deeply missed by her daughter Jennifer and
24	granddaughter Amy.
25	
26	So I might ask you all to stand for a few moments sorry, Helen might have a few
27	as well. Sorry.
28	MS PURCELL: We extend our sympathies to the families of our former colleagues
29	Breda McCasey and John O'Toole; and also our sympathies to the families of Teresa
30	Tess Gallagher, mother of our colleague Niall Gallagher; Séan Griffin, father of our
31	colleague Orla Griffin; Margaret Quinn, mother of our colleague Marian
32	Vanderwell.
33	CATHAOIRLEACH: I might ask you stand now for a moment's silence.
34	(Moment's silence.)

1	CATHAOIRLEACH: Thank you, Helen. Thank you, members, for that. We have a
2	proposal for suspension of standing orders which I propose to take at 4:30. I might
3	ask Helen to read it out.
4	MS PURCELL: Yes. The suspension was submitted by Councillor Peir Leonard,
5	seconded by Councillor Tom Fortune and supported by Councillor Joe Behan, that,
6	"This Council requests the Chief Executive to write to An Taoiseach, Simon Harris
7	TD, and the Minister of Education, Norma Foley TD, to request and fund an urgent
8	and comprehensive review on the management of the school transport system with
9	the purpose of identifying shortfalls in the school transport service provision which
10	are causing severe stress to parents and students on an annual basis, and that they
11	ring-fence the necessary funding to implement the recommendations of this report as
12	part of the next annual budget."
13	CATHAOIRLEACH: Thank you, Helen. So if there's any it is accepted at half
14	four, that we have a two-thirds majority? Yes. So everyone is agreed that we will do
15	it at half four. Okay.
16	
17	So we will go on to the agenda now.
18	COUNCILLOR O'NEILL: Cathaoirleach, if I may?
19	CATHAOIRLEACH: I beg your pardon, sorry, Gerry.
20	COUNCILLOR O'NEILL: I am a bit out of order maybe.
21	CATHAOIRLEACH: Hang on.
22	COUNCILLOR O'NEILL: I was making a proposal for suspension of standing
23	orders to discuss the issue in Kippure Lodge on the enforcement order that Wicklow
24	County Council has issued there. And I just learned more about this this morning.
25	And I know by right I should have had it in, in writing, but I think that I'd imagine
26	that most councillors in the chamber would be supporting me here, that there could
27	be a discussion on the illegal build of 65 houses and the issues around that. So I'd
28	propose that, you know, this is a blatant misuse of planning by these people, and it's
29	a serious, serious issue. Nowhere in Ireland would anyone get away with the
30	building of 65 units despite an enforcement order, two enforcement orders in the last
31	couple of year, and now, eight is up since last Friday. There's been no action
32	whatsoever done and the buildings
33	CATHAOIRLEACH: Councillor O'Neill, I apologise for interrupting you. We have
34	a packed agenda. The Chief Executive wants to comment on that for you now.

1	COUNCILLOR O'NEILL: But surely with the support of the councillors in the
2	chamber we should discuss this for ten minutes at 4:30. It is a very serious issue. I
3	hold my hands up, okay. I should have it in writing. But I honest to God think that
4	every councillor in the chamber should be aware of what is going on in Kippure
5	Lodge.
6	CATHAOIRLEACH: Can I ask the Chief Executive to make a comment on it and
7	then I will come back to you, if necessary.
8	COUNCILLOR O'NEILL: Thank you.
9	MS O'GORMAN: Thank you, Cathaoirleach. Just in relation to it. There are
10	ongoing enforcement proceedings, and any discussion that would be held in this
11	chamber would prejudice the legal case that is also in force at the moment. I have no
12	problem briefing members on it, but I don't think it's appropriate to discuss a live
13	enforcement case in the chamber here this afternoon. But look, we will leave it at
14	that. Thanks, members.
15	COUNCILLOR O'NEILL: Cathaoirleach, this is not a live planning. There's no
16	planning whatsoever. No planning whatsoever sought.
17	MS O'GORMAN: It is a live enforcement case, Councillor O'Neill.
18	COUNCILLOR O'NEILL: There's no planning whatsoever.
19	MS O'GORMAN: It's a live enforcement case, Councillor O'Neill.
20	COUNCILLOR O'NEILL: They're building 65 houses and doing what they like
21	down there under our noises. The only thing we have there is enforcement. If it was
22	a case, Cathaoirleach, you know, that there was a planning application and it went to
23	the board, there's no application. The only they have been issued with
24	enforcement notices to seize the building of this new town in Blessington that has
25	absolutely no permission whatsoever. And not alone the community, does it concern
26	the community, but even there's great concern of the refugees, the people who are in
27	this estate. They're coming out and talking about it's atrocious, the carry on. And
28	for the sake of ten minutes later on I would love that we can discuss it.
29	
30	I mean just down the road, Cathaoirleach, and I won't hold up any more of your time
31	but down the road from there, there's a young man, a wife and two children, have
32	been they had to demolish their house three weeks ago. They're living now in a
33	building, in a garage adjacent to a house, and yet, because of who we are and money
34	pays you know, this is totally wrong. And I'd urge, you know, that we do that's

1	what we're here for. We're not here to be coming in here to talk about willy-nilly
2	stuff and Mickey Mouse stuff and all that. This is a very serious issue. And I don't
3	accept with all due respect to the CEO, this is an issue. There's no planning
4	whatsoever. No planning whatsoever. If it was me or you, Cathaoirleach, you'd be
5	in the courts in the morning.
6	CATHAOIRLEACH: I am not disagreeing with you, but I am going to hand over to
7	the Chief Executive.
8	COUNCILLOR O'NEILL: That is not a good enough answer, with due respect.
9	CATHAOIRLEACH: Can you wait for the answer please?
10	MS O'GORMAN: I didn't mention that there was planning. There is no planning,
11	you're correct, and, therefore, we have taken enforcement proceedings against the
12	owners, the agents on the site. We have an enforcement notice which expired on
13	Friday. There are inspections ongoing. There are also applications to the court. It
14	would prejudice any court proceedings to get into a further discussion about it today.
15	I am quite happy, as I said, to brief members on where we are it with it. We are fully
16	in agreement that this is unauthorised development, and we are proceeding
17	accordingly on that.
18	COUNCILLOR O'NEILL: Well, could I ask when are these court proceedings? I
19	mean, the building is going ahead. On my phone today these works are going on.
20	These works are being these orders are completely being ignored by this group of
21	people. Well-heeled people. We're talking about very, very well-heeled people. I
22	mean, they own half
23	CATHAOIRLEACH: Councillor O'Neill, I have been very fair with you now and
24	we have a packed agenda, and you have admitted yourself it is not in writing. I am
25	going to allow Councillor Behan in on it, and then we will move on.
26	COUNCILLOR BEHAN: Cathaoirleach, I want to support Councillor O'Neill's
27	point. We all got the email this morning. The planning system is in public disrepute
28	if this particular development is not removed immediately. Because we come down
29	like a ton of bricks on ordinary citizens of this county for a lot smaller, what you
30	might consider to be transgressions in the planning code. I cannot see and we had
31	another debate about legalities here at the last meeting. I cannot see how we, as
32	democratically elected councillors, can't give our view on our concern about this
33	development. And in fairness, one councillor in this chamber consistently has raised
34	the flag on this issue from the very beginning, and that was Councillor O'Neill. And

1	I think he's entitled to have a ten-minute discussion on this where those who want to
2	contribute can give their point of view. I do not see how that can in any way affect a
3	planning process. And the Chief Executive has already publicly admitted it's there
4	without any planning permission at all. So surely, what is the problem with us
5	saying the same thing and saying we want this dealt with as a matter of urgency. So
6	I support you Councillor O'Neill.
7	CATHAOIRLEACH: Can I suggest something then, that we have it put in writing to
8	us and we put it out to a vote then, like what we should have done in terms of
9	Councillor Leonard's suspension of standing orders.
10	
11	Councillor Edward Timmins.
12	COUNCILLOR TIMMINS: Yes. Could I ask that this matter be discussed under
13	the Manager's Report? I mean the Manager's Report covers everything, so if we
14	could get an update maybe at the point in time of the Manager's Report. The Chief
15	Executive said you would give us an update; perhaps under the Manager's Report,
16	that would be an opportunity to give us an update. We're all clearly against any
17	breach of planning laws. I am the chairman of the Planning SPC. I am very
18	concerned about any breach of planning laws by any individual or company. So
19	perhaps it would be possible to get an update in the Manager's Report.
20	MS O'GORMAN: Members, as I said, I don't want to prejudice any legal
21	proceedings we have ongoing, so I am very reluctant to get into any detail on this
22	matter. It is within your rights to put a vote on it and discuss it. I can say very little
23	more than what I have already said to the members here today. Suffice to say that
24	we have enforcement proceedings ongoing. We have also taken a dual approach
25	with legal proceedings ongoing to advance that, because enforcement takes an awful
26	long time as you know. In our view, it is unauthorised development, and we are
27	going to pursued it. That is as much as I can say on the matter today.
28	CATHAOIRLEACH: Councillor Dunne.
29	COUNCILLOR DUNNE: I think the members should be very careful. The Chief
30	Executive has given us advice, we are going to prejudice an ongoing case. And it
31	might mean if this is discussed I won't be in the chamber.
32	COUNCILLOR O'NEILL: What ongoing court case are you talking about?
33	COUNCILLOR DUNNE: Excuse me. Councillor O'Neill, I have never interrupted
34	you over all the years. Please show me the same courtesy.

1	COUNCILLOR O'NEILL: I will interrupt you to show you that there's no court
2	case.
3	CATHAOIRLEACH: Councillor O'Neill. Councillor O'Neill.
4	COUNCILLOR O'NEILL: This is misinformation. Misinformation.
5	Misinformation.
6	CATHAOIRLEACH: Can you switch off your mic, please, so I can let others in as
7	well. This is not the way this Council is going to behave as long as I am in the chair
8	Can we have a little bit of decorum and respect for each other, please, and not
9	interrupt each other, please. I put forward, if you want to put it in writing, get a
10	seconder, the Chief Executive has already indicated she will not be making any
11	further comment on it, but if you put it in writing and get a seconder I will put it out
12	for vote, if that is okay. I want to move on to the agenda, please.
13	
14	So item number 1 of the agenda: "To confirm and sign the minutes of annual
15	meeting of Wicklow County Council held on Friday, 21st June 2024. (Copy

9	
10	Proposer? Councillor Gail Dunne. A seconder? I will second that one. Okay. If I

17	to Michael & Angela Molloy, the person entitled to the freehold interest in the
18	property. (As per notice previously circulated.)"
19	
20	A proposer, please? Councillor Pat Fitzgerald. Seconded by Pat Kennedy. Are we
21	agreed? (Agreed.) Thank you.
22	
23	Number 6: "To consider the disposal of property in the townland of Bray, County
24	Wicklow comprised in Folio No. WW6495L, County Wicklow being the property
25	known as 92 Sugarloaf Crescent, Bray, County Wicklow by Deed of Transfer to
26	Annedore Spesshardt" my apologies if I pronounced that wrong "of 92
27	Sugarloaf Crescent, Bray, leasehold interest in the property, (as per notice previously
28	circulated.)"
29	
30	Can we have a proposer? Councillor Aoife Flynn Kennedy. And a seconder?
31	Councillor Daisy Dermot O'Brien. Agreed? (Agreed.) Thank you.
32	
33	Number 7: "To consider the disposal of property in the townland of Arklow, County
34	Wicklow comprised in Folio No. WW1957L County Wicklow being the property

1	known as 128 Fernhill, Arklow, County Wicklow by Deed of Transfer to Dermot &
2	Caroline Ryan, the persons entitled to the leasehold interest in the property. (As per
3	notice previously circulated.)"
4	
5	Do we have a proposer, please? Councillor Pat Fitzgerald. Seconded by Pat
6	Kennedy. Agreed? (Agreed.) Thank you.
7	
8	Number 8: "To consider the disposal of property in the townland of Arklow, County
9	Wicklow comprised in Folio No. W2385L, County Wicklow being the property
10	known as 32 Liam Mellows, Arklow, County Wicklow by Deed of Transfer to
11	Nicola Thompson, the person entitled to the leasehold interest in the property. (As
12	per notice previously circulated.)"
13	
14	A proposer? Councillor Pat Kennedy. Seconded by Councillor Pat Fitzgerald.
15	
16	Number 9: "To consider the disposal of a restrictive covenant held by Wicklow
17	County Council on the car park in the townland of Kilmacullagh comprised within
18	Folio WW2501F being the lands situated adjacent to Druids Well (a public house) or
19	the east side of Main Street, Newtownmountkennedy, County Wicklow. The
20	restricted covenant is to be disposed of to FGS INNS Ltd. (As per notice previously
21	circulated.)"
22	
23	Can I have a proposer please? Councillor Gail Dunne. Seconded by Councillor
24	Danny Alvey. Agreed? (Agreed.)
25	
26	Number 10 sorry, we have quite a few of these today: "To consider the disposal of
27	0.0164Ha or thereabouts in the townland of Delgany, County Wicklow comprised in
28	Folio No. WW10203F County Wicklow being the property known as 18 Sylvan
29	Lawn, Kilcoole by disposal resolution to Garrett & Suzanne Mooney, the persons
30	entitled to the freehold interest in the property. (As per notice previously
31	circulated.)"
32	
33	A proposer? Councillor Stokes. Seconded? Councillor Fortune. Agreed?
34	(Agreed.)

1	COUNCILLOR BEHAN: Sorry, a point of order. I have sent that email on behalf
2	of Councillor O'Neill for the suspension to Helen.
3	CATHAOIRLEACH: Thank you. Thanks for letting us know that.
4	
5	Number 11: "To consider the nomination of two elected members to the Wicklow
6	County Council Audit Committee and to consider the nomination of three external
7	members in accordance with the Local Government Reform Act 2014."
8	MS GALLAGHER: Thank you, Cathaoirleach. So the Local Government Act
9	provides that each Council must establish an audit committee three months after
10	polling day. So the Audit Committee plays a key role in advising the Council on
11	financial reporting and processes. So the regulations provide that "nominations for
12	appointment to an Audit Committee should be made by the Corporate Policy Group
13	to the local authority following consultation with the Chief Executive."
14	
15	So the appointment of the members to an Audit Committee is a reserve function of
16	the Council, and we need to ensure that there is an equitable balance between men
17	and women in the membership of the Audit Committee. Each member of the
18	committee shall hold the office for a maximum duration of the local authority that
19	appointed it or for a shorter period, and the chairperson of the Audit Committee
20	should be elected by its members and should be one of the external members. And
21	that's all set down in the regulations and the guidelines that were circulated to the
22	Elected Members.
23	
24	So the following external members whom it is considered to have the relevant
25	experience and competency to serve on the committee have expressed an interest in
26	taking on this role, and in putting these nominations to the Elected Members, the
27	geographic location of the county as well as female and male participation was
28	considered. So the proposal is: Dr Philip Byrne, he's a former senior local
29	government specialist with the Institute of Public Administration; Michael Sargent, a
30	chartered account in Blessington; and Ms Emma McKiernan, a chartered accountant
31	in Wicklow Town.
32	

1	So the matter was considered at the CPG meeting this morning and it was proposed
2	and seconded agreed that we put these three external nominees to the Elected
3	Members.
4	
5	There's also the requirement for two county councillors to serve on the committee,
6	again bearing in mind competency and experience and also gender balance. So the
7	proposal is Councillor Edward Timmins. Councillor Timmins participated, was a
8	member of the Audit Committee over the last term and is considered that there's a
9	continuity of experience there. And also Councillor Louise Fenelon Gaskin. So an
10	induction training date has been set for the Audit Committee. It will take place at the
11	inaugural meeting, which is scheduled for Wednesday, 9th October in County
12	Buildings. So Cathaoirleach, that is the proposal.
13	CATHAOIRLEACH: Thank you, Lorraine. We are looking for a proposer and a
14	seconder. So I have Councillor Tom Fortune and seconded by Councillor Aoife
15	Flynn Kennedy. Are we agreed on that? (Agreed.)
16	MS GALLAGHER: And that's all five members; the three external and the two
17	members. And Councillor Louise Fenelon Gaskin and Councillor Timmins are
18	accepting the nominations? Thank you.
19	CATHAOIRLEACH: Before I move on, we have a lot of housework to do today on
20	the committees. The committees will be taken en bloc. So when I look for a
21	proposer and a seconder it is for the actual full committee like we have just done
22	there, not going individually per committee. Does that make sense?
23	
24	What I am going to do now is ask Helen to read out Councillor O'Neill's and
25	Councillor Behan's, and look for a two-thirds majority, and if it is accepted my
26	suggestion is we put it on straight after the other suspension of standing orders. Is
27	that okay?
28	
29	So, Helen, do you want to read out what we have received there?
30	MS PURCELL: So it is proposed: "We propose the suspension of standing orders a
31	today's meeting to discuss the unauthorised development at Kippure Lodge." And
32	that's proposed by Councillor Gerry O'Neill and seconded by Councillor Joe Behan.
33	I am now going to ask if you are in favour of discussing that suspension of standing
34	orders after half four, after the first one, or if you are against it. And there is a

1	two-thirds majority required to discuss it.
2	
3	Councillor Danny Alvey?
4	COUNCILLOR ALVEY: Against.
5	MS PURCELL: Councillor Mark Barry is not present. Councillor Joe Behan?
6	COUNCILLOR BEHAN: For.
7	MS PURCELL: Councillor Sylvester Bourke?
8	COUNCILLOR BOURKE: Against.

16	COUNCILLOR DUDDY: For.
17	MS PURCELL: For. Councillor Gail Dunne is not present. Councillor Louise
18	Fenelon Gaskin?
19	COUNCILLOR FENELON GASKIN: Against.
20	MS PURCELL: Councillor Orla Finn?
21	COUNCILLOR FINN: For.
22	MS PURCELL: For. Councillor Pat Fitzgerald.
23	COUNCILLOR FITZGERALD: Against.
24	MS PURCELL: Against. Councillor Aoife Flynn Kennedy?
25	COUNCILLOR FLYNN KENNEDY: Against.
26	MS PURCELL: Councillor Tom Fortune?
27	COUNCILLOR FORTUNE: For.
28	MS PURCELL: For. Councillor Patsy Glennon?
29	COUNCILLOR GLENNON: Against in the light of what the Chief Executive has
30	told us.
31	MS PURCELL: Councillor Pat Kennedy?
32	COUNCILLOR KENNEDY: Against.
33	MS PURCELL: Against. Councillor Shane Langrell?

COUNCILLOR LANGRELL: Against.

34

- 1 MS PURCELL: Against. Councillor Peir Leonard?
- 2 COUNCILLOR LEONARD: For.
- 3 MS PURCELL: For. Councillor Jason Mulhall?
- 4 COUNCILLOR MULHALL: For.
- 5 MS PURCELL: For. Councillor Miriam Murphy?
- 6 COUNCILLOR MURPHY: Against.
- 7 MS PURCELL: Councillor Ian Neary?
- 8 COUNCILLOR NEARY: For.

- 20 COUNCILLOR SCOTT: Against.
- 21 MS PURCELL: Against. Councillor John Snell is not present. Councillor Peter
- 22 Stapleton?
- 23 COUNCILLOR STAPLETON: For.
- MS PURCELL: For. Councillor Stephen Stokes? Not present. Councillor Edward
- Timmins?
- 26 COUNCILLOR TIMMINS: For.
- 27 MS PURCELL: For. Councillor Caroline Winstanley?
- 28 COUNCILLOR WINSTANLEY: Against.
- 29 MS PURCELL: Against. Councillor Dunne?
- 30 COUNCILLOR DUNNE: Against.
- 31 CATHAOIRLEACH: Sorry, Councillor Finn, if you wouldn't mind switching off
- your mic. Thank you.
- 33 MS PURCELL: Twelve for, 17 against, three not present. As there's not a
- two-thirds majority the suspension of standing order is not carried.

1	CATHAOIRLEACH: Thank you, Helen.
2	COUNCILLOR O'NEILL: That is a pure shame. A shame on Councillors, who
3	CATHAOIRLEACH: Sorry, Councillor O'Neill, that's democracy.
4	COUNCILLOR O'NEILL: They should be ashamed.
5	CATHAOIRLEACH: We're going to move on.
6	
7	Number 12: "To ratify the appointment of Councillor Pat Fitzgerald (Arklow
8	Municipal District) to the Corporate Policy Group being the Municipal District is not
9	represented at the CPG."
10	
11	Can I have a proposer, please? Councillor Pat Kennedy. And a seconder?
12	Councillor Silvester Bourke. Are we agreed? (Agreed.) Thank you.
13	
14	Number 13: "To ratify the appointment of the following 5 Elected Members to the
15	Local Traveller Accommodation Consultative Committee" So we have Councillor
16	Mark Barry, Councillor Jason Mulhall, Councillor Graham Richmond, Councillor
17	Joe Behan, and Councillor Sylvester Bourke. Can I have a proposer, please?
18	Councillor Aoife Flynn Kennedy. And a seconder? Councillor Caroline Winstanley.
19	Agreed? (Agreed.) Thank you.
20	
21	Number 14: "To ratify the appointment of the following 3 elected members to the
22	East Coast Regional Drugs Task Force: Councillor Peir Leonard, Councillor Louise
23	Fenelon Gaskin, and Councillor Shane Langrell. "
24	
25	Can I have a proposer, please? Councillor Tom Fortune, and seconded by Councillor
26	Orla Finn. Agreed? (Agreed.).
27	
28	Number 15: "To ratify the appointment of the following 8 Elected Members to the
29	Disability and Inclusion Steering Committee: Councillor Miriam Murphy,
30	Councillor Warren O'Toole, Councillor Lourda Scott, Councillor Jason Mulhall,
31	Councillor Danny Alvey, Councillor Caroline Winstanley, Councillor Melanie
32	Corrigan, Councillor Malachaí Duddy."
33	
34	Do we have too many of them on this?

1	MS PURCELL: Yes, can I just come in on that one? You will remember from the
2	annual meeting that there were to be five members but there was such an interest
3	when it went out to the Municipal Districts that eight names back. And the
4	Disability and Inclusion Steering Committee are absolutely delighted with the
5	interest that has been put forward, and Director Nicholson is happy to accept all eight
6	members.
7	MR NICHOLSON: Yes, I mean, to be honest, we were thrilled that so many
8	members wanted to join this committee. On the basis that you all have a lot of
9	meetings to attend you won't be all able to attend, sometimes it would be difficult to
10	be in quorum. So I would be quite happy with the eight if you all agree to go
11	forward.
12	CATHAOIRLEACH: Okay. A proposer? Councillor Snell. A seconder?
13	Councillor Jason Mulhall. Agreed? (Agreed.) Thank you.
14	
15	So: "To ratify the appointment of Councillor Peir Leonard to Arklow Business
16	Enterprise Centre." Councillor Orla Finn proposed. Seconded by Councillor
17	Fortune. Agreed?
18	COUNCILLOR LEONARD: I don't think that is right.
19	CATHAOIRLEACH: Pat Kennedy?
20	COUNCILLOR LEONARD: Pat Kennedy.
21	CATHAOIRLEACH: Who did I say? I was promoting you.
22	MS O'GORMAN: You missed item 16.
23	CATHAOIRLEACH: 16. Sorry, I will go back to 16, and then we will go onto 17.
24	
25	"To ratify the appointment of the following five Elected Members to Wicklow
26	Tourism Alliance" my apologies "Councillor Warren O'Toole, Councillor Tom
27	Fortune, Councillor Patsy Glennon, Councillor Danny Alvey, and Councillor
28	Melanie Corrigan."
29	
30	Can I have a proposer, please? Councillor Caroline Winstanley. And seconded by
31	Councillor Pat Kennedy. Agreed? (Agreed.).
32	
33	Number 17: "To ratify the appointment of Councillor Pat Kennedy to Arklow
34	Business Enterprise Centre."

1	
2	Councillor Pat Fitzgerald, proposing, and seconded by Councillor Peir Leonard.
3	Agreed? (Agreed.) My apologies. Back on track.
4	
5	Number 18: "To ratify the appointment of the following three Elected Members to
6	the Bray Area Partnership: Councillor Orla Finn, Councillor Aoife Flynn Kennedy,
7	and Councillor Caroline Winstanley."
8	
9	Can I have a proposer, please. Councillor Tom Fortune. And Councillor Louise
10	Fenelon Gaskin there for the seconder. Agreed? (Agreed.)
11	
12	Number 19: "To ratify the appointment of the following five Elected Members to
13	the Greystones/Bray Cliff Walk Management Plan Subcommittee: Councillor Mark
14	Barry, Councillor Stephen Stokes, Councillor Erika Doyle, Councillor Malachaí
15	Duddy, and Councillor Aoife Flynn Kennedy."
16	
17	Can I have a proposer, please? Councillor Dermot O'Brien, and seconded by
18	Councillor Caroline Winstanley. Thank you.
19	
20	Number 20: "To ratify the appointment of the following two Elected Members to
21	Greystones Harbour Property DAC: Councillor Mark Barry and Councillor Tom
22	Fortune."
23	
24	Can I have a proposer, please? Councillor Louise Gaskin. And seconded? Aoife
25	Flynn Kennedy. Agreed? (Agreed.)
26	
27	Number 21: "To ratify the appointment of the following two Elected Members to the
28	Ballynagran Community Liaison committee: Councillor John Snell and Councillor
29	Gail Dunne."
30	
31	Can I have a proposer, please? Councillor Danny Alvey and Councillor Pat
32	Fitzgerald. Are we agreed? (Agreed.)
33	

1	Number 22: "To ratify the appointment the following two Elected Members to Bray
2	Tourism: Councillor Ian Neary and Councillor Melanie Corrigan."
3	
4	Can I have a proposer, please? Councillor John Snell and Councillor Aoife Flynn
5	Kennedy for second. Agreed? (Agreed.) Thank you.
6	
7	Number 23: "To ratify the appointment of the following three Elected Members to
8	the Bray Harbour Joint Development Committee: Councillor Erika Doyle,
9	Councillor Malachaí Duddy, and Councillor Aoife Flynn Kennedy."
10	
11	Can I have a proposer, please? Councillor Ian Neary. And Councillor Shane
12	Langrell. Agreed? (Agreed.) Thank you.
13	
14	24: "To ratify the appointment of the following three Elected Members to the

16	Councillor Erika Doyle, Councillor Dermot O'Brien."
17	
18	Can I have a proposer, please? Caroline Winstanley. A seconder? Councillor
19	Louise Fenelon Gaskin. Thank you. Agreed? (Agreed.) Thank you.
20	
21	25: "To ratify the appointment of the following two Elected Members to Bray Local
22	Drugs Task Force: Councillor Dermot O'Brien and Councillor Ian Neary."
23	
24	Can I have a proposer, please? Councillor Aoife Flynn Kennedy. Councillor Orla
25	Finn. Are we agreed?
26	
27	26: "To ratify the appointment of the following four Elected Members to Greystone
28	Town Twinning Committee: Councillor Mark Barry, Councillor Louise Fenelon
29	Gaskin, Councillor Tom Fortune and Councillor Stephen Stokes."
30	
31	Can I have a proposer, please? Councillor John Snell. Seconded by Councillor Pat
32	Fitzgerald. Are we agreed? (Agreed). Thank you.
33	

1	Number 27: "To consider the appointment of the following five Elected Members to
2	the Wicklow County Council Heritage Forum (1 from each Municipal District):
3	Councillor Orla Finn, Councillor John Snell, Councillor Peir Leonard, and
4	Councillor Sylvester Bourke."
5	
6	And we have no one from Baltinglass.
7	MS PURCELL: Yes. It hasn't been on the agenda yet for the Baltinglass and Bray
8	Municipal District meetings. And just to say there can only be one from each
9	Municipal District. There are two proposed there from Arklow. The committee,
10	Heritage Forum have advised that they cannot accept an extra member from the MD,
11	so
12	CATHAOIRLEACH: Councillor Bourke is withdrawing. So, Councillor Leonard,
13	you are happy enough to stay on it? And we need someone then from Baltinglass
14	and Bray, is it?
15	MS PURCELL: We can put that on the October agenda when it comes back through
16	the Municipal District. So for the moment we are going with the three: Councillor
17	Finn, Councillor Snell and Councillor Leonard. If we have a proposer and a
18	seconder for that.
19	CATHAOIRLEACH: I propose that. And a seconder? Councillor Dermot O'Brien.
20	MS PURCELL: Thank you.
21	CATHAOIRLEACH: Agreed? (Agreed.)
22	
23	Okay. Number 28: "To consider and adopt Wicklow County Council Strategic
24	Policy Committee Scheme 2024 - 2029 in accordance with Section 48 of the Local
25	Government Act 2001, as amended."
26	
27	Lorraine, is that yourself?
28	MS GALLAGHER: Thanks, Cathaoirleach. So there's two parts to this. One is the
29	actual scheme itself, which went on public display, and then the second part is the
30	Elected Members' preferences, and Helen will come in on that just shortly.
31	
32	So, Elected Members, you considered the Draft Strategic Policy Committee Scheme
33	at your meeting held on Monday, 1st July. The Draft Scheme was prepared having
34	regard to the revised guidelines for the establishment of SPCs received from the

1	Department of Local Government and Heritage in June of this year. As you know,
2	six SPCs were approved by you, the Elected Members, at your meeting held on 1st
3	July last, and chairpersons have been appointed.
4	
5	So following consideration of the scheme last July, public notice was given and the
6	consultation process commenced on the Draft Scheme. So the Draft Scheme
7	specifies provisional assignment of sectors to each SPC and the number of Elected
8	Members and representatives from each sector to the SPC. So the Council invited
9	submissions from interested parties in relation to the configuration of the scheme as
10	well. Each sector named and each of the individual SPCs were written to, as well as
11	the PPN, and the scheme was available on the Council's public consultation portal.
12	Notice was given on the radio, and the scheme was available in all of the Council's
13	libraries and Municipal Districts' offices.
14	
15	Eleven submissions were received, and they are all listed, and all of the 11
16	submissions were circulated to the Elected Members. Some very, very good
17	feedback and some very good considerations. They're all addressed as they came in,
18	in red font, so you will be able to see yourself. As a result of I will just read
19	out so the County Wicklow PPN, the Environmental Pillar, the East Wicklow
20	Business Network Committee, the Irish language submissions, Conradh na Gaeilge,
21	and three others rowing in underneath that submission, the West Wicklow
22	Environmental Network, the Wicklow Planning Alliance, the President of the
23	Wicklow Town and Chamber of Commerce, and then the Construction Industry
24	Federation.
25	
26	So as a result of this consultation process the Draft Scheme has been amended to
27	include the following. So a new paragraph has been inserted there on page 12 at
28	number 5 that "the SPC will consider climate action and climate impacts as part of
29	any and all policies that form part of its work programme. All SPCs should consider
30	climate action as a cross-cutting issue in their work programme." And yes, of
31	course, that is true, and it is good to have it written down and inserted there.
32	
33	There is a paragraph there is in relation to training: "As part of the development of a
34	training programme for Elected Members the Council will include provision for a

training for all SPC members." And that too would go without saying but we have

1

34

2 included it in the scheme. 3 4 There's an additional paragraph there for in relation to expenses, for those attendees 5 who don't have a nominating body that can pay their expenses. 6 7 And then, just in terms of the use of the Irish language, there was a submission from 8 Conradh na Gaeilge. It was circulated to all 31 local authorities. It is rowing under 9 the Official Languages (Amendment) Act which is now in effect, and it will place a 10 lot of obligations on local authorities. So 20% of the Council's advertising must be 11 in Irish, and we do that and conform with that. We monitor ourselves. By 2030, 12 recruitment target, 20% of the people hired by the Council should be proficient in 13 both Irish and English. So that is a wider conversation that is going to happen 14 throughout the local government sector on how we can reach those obligations. So 15 Conradh na Gaeilge are looking for us to establish an Irish language committee 16 within the local authority as a standalone SPC, and also to include the Irish language 17 in the objectives of the title of the strategic policy SPC, and establish an Irish 18 language subcommittee under its jurisdiction. 19 20 So for now, Elected Members, we are including a paragraph which says that the 21 Council will promote as best as possible the use of the Irish language in the work of 22 the SPCs. That's as far as we can reach at this point in time. 23 24 Additional members, as requested, through the public consultation process have been 25 included in the SPC. So, for example, the Housing SPC will have an additional 26 environment conservation rep and a development construction CIF rep; the 27 Economic Development and Enterprise SPC will have an additional social inclusion 28 rep; the Community and Social Development, there's no change there; the Transport 29 Infrastructure and Delivering Emergency Services will have an additional member 30 from social inclusion; Climate Action and Biodiversity, Environment, Energy, 31 Marine, Recreation and Amenity, an additional member from the community and 32 voluntary sector; and the Planning and Rural Development, an additional member 33 from the community and voluntary sector.

1	So there's some very good recommendations coming in from the PPN and the
2	Environmental Pillar as to how the SPC do their business, work programmes, et
3	cetera, et cetera. So it's not intended to stitch that into the scheme but rather, let each
4	chair of the SPC and the SPC deal with it as it comes through the workflow of the
5	SPC, and particularly when they're developing their programmes.
6	
7	So the CPG considered it at the meeting this morning and the recommendation is to
8	adopt the scheme as is presented to you.
9	
10	Helen, do you want to come in relation to the Elected Members?
11	MS PURCELL: Just to say, the Elected Members were all asked to submit their
12	preferences as to which one of the six SPCs they wanted to go on and then the
13	second and third and fourth choices after that. We've populated a table which has
14	been circulated to all of you with everybody's first preferences. There were too
15	many on the Community and Social Development SPC. The scheme itself said that
16	there should be a Chair and five Elected Members, so six Elected Members in total.
17	Some of the Elected Members have moved to other SPCs. So you will see in number
18	2 that's their second preference. And Councillor Duddy wasn't on the document that
19	was circulated is now on the Planning and Rural Development SPC.
20	
21	So we are a number of members short on four of the SPCs, and we have an extra
22	member on one of the SPCs. We didn't take your second preferences and populate it
23	by that. You are required to be on one SPC, you can be on two SPCs, but it will
24	affect your attendance. So we didn't populate people's second choices because we'd
25	have far too many members on the SPCs. So we left it to the meeting today to ask
26	you all, all those who are present, to put forward proposals in relation to the SPCs
27	that are short.
28	
29	So we're looking for an extra if everybody is happy with the SPC that you're on,
30	and you all got your first preference so I am sort of taking that as a given, but we will
31	check that with you now, and then we are looking for additional members to put their
32	names forward. We are one short on the Housing SPC. Two short on the Economic
33	Development and Enterprise Support SPC. We need to consider if we are happy to
34	have an additional member, and have a total of seven, on the Community and Social

1	Development SPC. Transportation Infrastructure Delivery and Emergency Services
2	is perfect. It has six members: Chair and five. Climate Action, Biodiversity,
3	Environment, Energy, Marine, Recreation and Amenity is one short. And Planning
4	and Rural Development is also one Councillor short.
5	CATHAOIRLEACH: What I am going to propose now, because we have to
6	populate them first, is that we might get them populated first and then if anyone has
7	any questions, because I think a number of Councillors are coming in looking to go
8	on them. I was going to do it the other way around but looking at who is coming in I
9	think we can populate them first, and then if anybody has any questions in terms of
10	the SPCs I will take them then, if that is fair enough.
11	
12	So I will start then with Councillor Shane Langrell.
13	COUNCILLOR LANGRELL: Thank you, Cathaoirleach. Yes, my first preference
14	was Transport and Infrastructure Delivery Emergency Services. And where there's
15	one short on the Planning and Rural Development, I will put myself forward for the
16	Planning and Rural Development, please.
17	MS PURCELL: Is that in addition?
18	COUNCILLOR LANGRELL: Instead of Transportation.
19	MS PURCELL: If you come off Transportation it will be one short.
20	CATHAOIRLEACH: Can you just hold on for a moment, we will populate them
21	first before you start coming off others? Is that fair enough? It just makes our job a
22	little easier.
23	COUNCILLOR LANGRELL: That is fine. Thank you. We will come back to you
24	on it.
25	CATHAOIRLEACH: Councillor, is this for populating okay. Sorry. Councillor
26	Joe Behan.
27	COUNCILLOR BEHAN: I am on the Transport one. I am happy with that as my
28	first choice. I am certainly willing to go on the Housing as a second, if it is
29	necessary and nobody else wants to do it.
30	CATHAOIRLEACH: Councillor Pat Kennedy.
31	COUNCILLOR KENNEDY: I would like to propose Councillor Gail Dunne for the
32	Housing. He has indicated to me the other day that he would like to go on the
33	Housing one.

1	CATHAOIRLEACH: Well, rather than having a vote, does one of you want to come
2	off
3	COUNCILLOR BEHAN: I will come off it.
4	CATHAOIRLEACH: Councillor Behan is going to come off it. So we have
5	Housing now sorted with Councillor Dunne. That is six.
6	
7	Councillor Tom Fortune.
8	COUNCILLOR FORTUNE: Yes. I propose Councillor Leonard for the Economic
9	Development.
10	CATHAOIRLEACH: Economic Development. And you're happy, Councillor
11	Leonard, to go on two?
12	COUNCILLOR LEONARD: Yes.
13	CATHAOIRLEACH: Can we stick with Economic Development for a start? Can
14	we try and populate it? Don't all rush. Councillor Peter Stapleton.
15	COUNCILLOR STAPLETON: No, I'm rushing ahead.
16	CATHAOIRLEACH: Are you going to do it for us?
17	COUNCILLOR STAPLETON: No, no. I will go onto Planning and Rural
18	Development.
19	MS GALLAGHER: Just to say, Cathaoirleach, it would be important for Elected
20	Members to have the voice on the SPCs by numbers, because you want a balance
21	between external sectors and Elected Members.
22	CATHAOIRLEACH: So Councillor Peter Stapleton is Planning and Rural
23	Development. That brings that up to six. Councillor John Snell.
24	COUNCILLOR SNELL: Yes. Cathaoirleach, it is probably more appropriate of the
25	chairs of the SPCs, the current SPCs, if they would spread themselves a little bit and
26	go on two SPCs.
27	CATHAOIRLEACH: We're leaving that up to the members. I am not going to
28	COUNCILLOR SNELL: You've six chairs there, I am sure they could
29	CATHAOIRLEACH: That is an idea floated, but it is up to the members. So
30	Councillor Caroline Winstanley.
31	COUNCILLOR WINSTANLEY: I would like to propose Danny Alvey for the
32	Climate SPC.
33	CATHAOIRLEACH: Yes. So that's getting there. Councillor Louise Fenelon

Gaskin.

34

- 1 COUNCILLOR FENELON GASKIN: I was going to propose Councillor Flynn
- 2 Kennedy.
- 3 CATHAOIRLEACH: That is seven then.
- 4 MS PURCELL: Are both Councillor Alvey and Councillor Flynn Kennedy happy to
- 5 be nominated?
- 6 COUNCILLOR FLYNN KENNEDY: Let Danny go on it.
- 7 CATHAOIRLEACH: So far we have Housing, Transport and Climate.
- 8 MS PURCELL: We're just short one for Economic Development.
- 9 COUNCILLOR FLYNN KENNEDY: I will do that one.
- 10 CATHAOIRLEACH: Okay. Aoife Flynn Kennedy said she will do that one.
- MS PURCELL: Just to remind you all, this does affect your 80%, so be very
- conscious of attending your meetings.
- 13 CATHAOIRLEACH: As promised, I am going to open it up now if anyone wants to
- ask any questions of Lorraine. Then we will go for a proposer and a seconder?
- Okay. And agreed then. So if anyone -- okay. Can I have a proposer and seconder
- then? Councillor Gail Dunne, Councillor Pat Fitzgerald. Agreed? (Agreed.) Thank
- 17 you very much.
- 18 COUNCILLOR TIMMINS: Sorry, chairman? You didn't revert to Councillor
- 19 Langrell; he made a proposal earlier.
- 20 CATHAOIRLEACH: Do you want to still --
- 21 COUNCILLOR LANGRELL: Cathaoirleach, no, it's fine. I'm happy enough.
- Thank you.
- 23 CATHAOIRLEACH: It would have made a bit more -- Councillor Langrell, thank
- you. We would have had to go another round again then to populate the one you are
- already on. So it makes sense we can move on now. With we have a proposer and a
- seconder.
- 27 MS GALLAGHER: And that's agreed. Just to say, members, what will happen now
- is that we will go to the external sectors now, and the pillars, and look at their
- 29 nominees. So the first meeting of the SPCs will take place mid- to end of October.
- Thank you, Cathaoirleach. Thank you, members.
- 31 CATHAOIRLEACH: Thank you, Lorraine. We will move onto item number 29:
- "To consider and to make, with or without amendment, the County Wicklow Polling
- 33 Scheme 2024 in accordance with Section 28 of the Electoral Act 1992."

1	And I believe Rachel Gillespie is going to speak to us on that. Thank you, Rachel.
2	MS GILLESPIE: Thank you very much. I think Teresa might have a presentation
3	there. We will put it up on the screen in a minute. Anyway I will plough on.
4	
5	As you are aware, Section 28 of the Electoral Act 1992 requires the Council to
6	prepare a scheme dividing the county into polling districts for Dáil, European, Local
7	Presidential Election and Referendums. Only last December we were here with you
8	in line with the legislation when we reviewed the current polling scheme. However,
9	since then the Electoral Act 2023 was signed into law by the President and gave
10	effect to Boundary Commission's review 2023. In that review they reflected on the
11	last census and the requirement that each TD should represent on average 20,000 to
12	30,000 people. With a population of 5.1 million, the figure of 174 TDs was
13	mentioned. Therefore, each TD representing on average 29,593 people.
14	
15	This resulted in Wicklow requiring an entirely new arrangement, with Wicklow now
16	moving to a four-seater constituency and the creation of a new Wicklow-Wexford
17	three-seater constituency.
18	CATHAOIRLEACH: If anyone is online there, could you mute yourselves, please?
19	We can hear you. Thank you.
20	MS GILLESPIE: I thought I was raving there. I just hear it behind me.
21	
22	So in advance of today's meeting the Draft Scheme was placed on public display.
23	Presentation was made at the start of this year to the sitting members of the affected
24	districts. The proposals were also shared with Mary Delahanty, the returning offer.
25	There were no submissions received and there are five polling districts that are split
26	along the new boundary line. So I will just go through them in a further bit of detail
27	There's lovely line where they've just cut Wicklow in half. We're going to
28	concentrate purely on the line there for a moment. So if you want to move on there,
29	Teresa, and on again to the next.
30	
31	So we're just going to look at these two together, because Aughavannagh and
32	Askanagap, whilst Aughavannagh is in the Arklow LEA and Baltinglass or
33	Askanagap is in the Baltinglass LEA, they're side-by-side, and they currently, the
34	231 electors currently vote in Askanagap Hall. For the purpose of Local Elections

1	there would have been two boxes in that station. There was never any issue with that
2	obviously because you had one count centre, so all the ballot papers are going back
3	to the one place. However now as we will have two new town centres, one in the
4	Wicklow and one in the new Wicklow/Wexford Constituency, the returning officers
5	and ourselves are quite really want to stay away from having the possibility of
6	cross-contamination of ballot papers. So myself and Ann-Marie set on the road, and
7	we went and identified new places that would be suitable polling places.
8	
9	So in this, for the purpose of Aughavannagh, there are 29 electors that fall within the
10	new Wicklow Constituency, and we propose calling that Aughavannagh North, and
11	89 electors that fall within the new Wicklow-Wexford Constituency, which will be
12	Aughavannagh South. And in Askanagap, 66 electors in the new Wicklow
13	Constituency, so that would be Askangap North, and 47 within the new
14	Wicklow-Wexford Constituency which will be Askanagap South.
15	
16	We did consider using Askanagap Hall solely or moving electors in the relevant
17	areas to Kirikee, Knockananna, Rathdangan, Tinahely, Annacurragh. However, we
18	were fortunate enough that we located the Ballymanus GAA Hall, and we
19	approached them, and they have very kindly offered the use of the building. So our
20	proposal is that the new polling district of Aughavannagh North and Askanagap
21	North will use the Ballymanus GAA Hall, pictured at the top right there, and the
22	Askanagap Hall will be used for electors, the current hall will be used for electors in
23	Aughavannagh South and Askanagap South.
24	
25	As I said, it removes the possibility of cross-contamination of ballot papers. They
26	are literally across the road from each other, less than 500 metres anyway. And so, if
27	anyone does turn up at the wrong polling station they will be able to easily be
28	redirected. There's ample parking, it's level access, and Mary Delahanty has agreed
29	with that.
30	
31	So that is the first two. Moving on then to Knockananna. So there's 450 electors in
32	the polling district of Knockananna in the Baltinglass LEA. 305 electors fall within
33	the new Wicklow Constituency which we propose calling Knockananna North and
34	145 fall within the new Wicklow-Wexford Constituency which we propose calling

1	Knockananna South. We considered that Knockananna National School will
2	continue to be used for the north and Knockananna South will move to Knockananna
3	Community Hall. It's a fabulous, fabulous, very large hall, has everything you would
4	want in a polling station, and they have confirmed their availability to be used as a
5	polling station.
6	
7	Moving on then to Glenmalure, the polling district in the Arklow LEA, currently
8	vote in Kirikee Hall, 354 electors. So 147 of them are in the new Wicklow
9	Constituency and 207 in the Wicklow-Wexford Constituency. Again we have
10	identified Ballinacor Community Park as a new polling place. Very fortunate again
11	that they have confirmed their willingness to use the building. So the proposal is to
12	use the Kirikee Hall for the Wicklow-Wexford Constituency and Ballinacor
13	Community Park for the Wicklow Constituency. So that is Glenmalure.
14	
15	So Brittas Bay and Wicklow Rural, there's a mere 25 electors. The line is just, you
16	can see it comes down there. So there's 25 electors in the Blackditch and
17	Knocknaquirk townlands that will be required to move to Glebe National School as
18	their polling place as they fall within the Wicklow Constituency as opposed to the
19	rest of Brittas Bay, the 519 of them who are part of the Wicklow-Wexford
20	Constituency.
21	
22	So in addition to that, there are some small changes which have no material effect to
23	the electors but just because we are reviewing the scheme we want to make small
24	changes. The first one there is the amendment of the polling district name of
25	"Annacurragh" to the full title of "Kilballyowen Annacurragh". That is at the request
26	of Mary Delahanty, and it will just mean that the boxes go in the correct alphabetical
27	order. Arklow Urban No. 1 polling district will be amalgamated with The Rock and
28	known as Arklow South with The Rock. Arklow No. 2 polling district will be
29	amalgamated with Kilbride and renamed Arklow North with Kilbride. And then the
30	creation of two separate polling districts of Bray Central and Bray East. That is
31	because the book has gone so large in Bray.
32	
33	I will answer any questions now. I will just remind everyone that the scheme will
34	not come into effect until the dissolution of the current Dáil. So if, for any reason, a

1	current referendum would be called you would know more about that than me
2	obviously, but if there's any plans to have a referendum before we go for a general
3	then it will be the current scheme that you adopted in December where this one will
4	only take effect on the dissolution of the Dáil.
5	
6	So any questions.
7	CATHAOIRLEACH: Thank you, Rachel, for that. Thank you for your hard work.
8	It is really thought through and fair play to you for taking on doing it.
9	
10	Councillor Pat Kennedy.
11	COUNCILLOR KENNEDY: Thanks, Cathaoirleach. First of all, can I congratulate
12	and thank Ann-Marie and Rachel for all the work they did on this. I know I would
13	be pointing out to ye where there was halls you could be availing of and one thing
14	and another.
15	
16	There's two things I want to bring up. The first thing I want to bring up is: Is the
17	electoral division of Knockrath the only split division?
18	MS GILLESPIE: No. There are other, like, Brittas Bay There's a good few of
19	them, Pat.
20	COUNCILLOR KENNEDY: There's a good few of them, is there? Because I think
21	it was actually something that the electoral commission got wrong. Splitting
22	electoral divisions is not fair on people. It is not fair on people that historically travel
23	to a polling centre to vote. It is not fair on the rural communities. They know who
24	they're voting for in these communities, or they know the candidates, maybe that's a
25	better way of putting it. I disagree with it, and I think they've got it wrong. I think if
26	everybody else was in agreement with me I think we should be writing to the
27	Electoral Commission because that should be reversed at some stage in the future. It
28	won't be reversed in this election, but it should be reversed at some stage in the
29	future. I have looked at this in detail and I am happy to propose it, but I know other
30	people want to come in first, but I am happy to propose it, to go ahead as put forward
31	in front of us by yourself, Rachel, thank you.
32	CATHAOIRLEACH: Any other Councillors like to come in there?
33	Can we have a seconder please? Councillor Patsy Glennon.
34	MS GILLESPIE: Excellent. Thank you.

1	CATHAOIRLEACH: Agreed? (Agreed.) Thank you, Rachel. Okay.
2	
3	We're going to move on now to item number 30: "To consider and adopt the
4	Wicklow County Council Road Traffic Special Speed Limit By-laws 2023 in
5	accordance with the Road Traffic Act 2024."
6	
7	Joe Lane, I believe you are taking that.
8	MR LANE: This is an amendment to the Wicklow County Council's by-laws to
9	reflect the national policy in change of the speed limits from 80 kilometres to 60
10	kilometres in rural and local roads.
11	CATHAOIRLEACH: Thank you, Joe. Are we happy enough? We need a proposer
12	and seconder then. Proposed, Councillor Pat Kennedy. Councillor Erika Doyle.
13	Agreed? (Agreed.) Thank you.
14	
15	Number 31: "To consider the preparation of Wicklow County Council Corporate
16	Plan 2024-2029 in accordance with Section 134 of the Local Government Act 2021,
17	as amended."
18	
19	Lorraine.
20	MS GALLAGHER: Thanks, Cathaoirleach. And again this matter was considered
21	by the Corporate Policy Group at their meeting this morning. So post the June Local
22	Elections, local authorities are obliged to prepare a strategic, a corporate plan to be
23	adopted within six months of the annual meeting of the new Council. So we are on a
24	tight timeframe in relation to the preparation of this plan to bring us up to December.
25	
26	So the plan itself will serve as the Council's strategic framework over the duration of
27	the plan, which is five years. It's been prepared on an inclusive basis with an
28	organisational-wide strategic approach. It will involve consultation with staff and
29	other external stakeholders within the Council and it will include consulting formally
30	with the Corporate Policy Group, which we commenced this morning, The Strategic
31	Policy Committees now that they have been put in place, the Local Community
32	Development Committee, external stakeholders, such as the Public Participation
33	Network, representatives groups, social partners at local level, the community
34	voluntary and environmental interests, and other public bodies operating locally.

1 Stakeholder consultation will encompass various activities with the local authority 2 concerned, including activities relating to the functions of the Municipal District 3 members for each Municipal District. 4 5 So again, the early involvement of Elected Members in the preparation of this plan is 6 key because it is important to harness the Elected Members' knowledge and various 7 fields of experience, et cetera. Four overarching themes have been identified: Place, 8 planet and people. So an overarching group has been -- a working group has been 9 put in place to coordinate the process in developing both the key strategic themes, 10 the strategic objectives and the mission statement and core values. So there's a lot to 11 be done in relation to the preparation of this plan. They have to comply with 12 strategic plans influencing local government activities, policy developments, 13 corporate governance, risk, risk management, service level agreements, the annual 14 service delivery plan. There is a huge role for NOAC, the National Oversight Audit 15 Committee. That plays a huge part in both reviewing and monitoring the performance indicators for local authorities. There's the whole area of climate action 16 17 and energy efficiency and the directives that flow from there, Age Friendly Ireland, 18 public sector human rights duty and also our flexibility to adapt and change over the 19 next five years. 20 21 So we have started the process and there's a draft consultation document that is 22 circulated to ye. It outlines the proposed contents of the plan, which is done in 23 accordance with the guidelines that have come down from the Department. It sets 24 out the statutory context, how we're going to prepare it and our key themes. So we 25 have reached out to our staff in the very early stages, you know, to review our vision, 26 our core values, our mission statement, to actively protect the planet, promoting 27 wellbeing and quality of life for all people and to make Wicklow the best place to 28 live, work, visit and grow older. 29 30 So in implementing the plan we will have regard to the core values which will 31 underpin our operation and services, and they're all outlined within the consultation 32 development. Our strategic themes have been developed. And for each strategic 33 theme there are a number of supporting objectives. They're all outlined there, and

they all flow within the themes of the plan.

34

1	
2	So what we're proposing now is to start the wider consultation process proper in
3	relation to Wicklow County Council: Our corporate plan, who we are, our themes,
4	our core values and our objectives over the next five years. We will go out to wide
5	public consultation, to all of the agencies, all our stakeholders, you as Elected
6	Members, our strategic policy committees and the wider public in general. We put it
7	on your Public Consultation Hub. We develop a questionnaire as we did in the last
8	five years. You know, some key questions. What the people of County Wicklow
9	and the wider people want us to focus on over the next five years. We will take the
10	opportunity to ask the community what we are doing well, what we could do better,
11	areas like that.
12	
13	As I say, it is a tight framework. We will consult with the Elected Members all the
14	along the way. We have a bit of work to do internally on our key strategic goals, but
15	we will work on those as a work in progress.
16	
17	Thanks, Cathaoirleach.
18	CATHAOIRLEACH: Thank you. Councillor Behan.
19	COUNCILLOR BEHAN: Yes. Thanks, Cathaoirleach, and thanks to Lorraine and
20	to everybody involved in the work leading up to today and the work that is going to
21	have to be done.
22	
23	As Lorraine has said, we have an opportunity at the start now to make an input.
24	And, it's called a corporate plan. We're not a business. We're a democratically
25	elected institution. And to my mind one of the core themes that should be there at
26	the very beginning is democracy. We're here because of democracy. We're not here
27	because of shareholders. We're not the the 32 members are elected to represent the
28	people of the county. And in everything that we do in this corporate plan we should
29	remember it's only because we have been elected by the people to represent them in
30	this democratically-elected body.
31	
32	So I'm really asking, how do we include the word "democracy" and the will of the
33	people in the overarching themes that we are setting ourselves? Because otherwise,
34	we're basically just a business. We're not. We're unique. We're different. We're the

1	only now statutory elected-by-the-people body in the county. A big responsibility.
2	And I think one of our biggest responsibilities is to ensure that in all our decisions
3	we reflect the role we have as representatives of the people.
4	
5	So I would just ask that somehow that particular concept is included in whatever
6	plan we finally adopt. Thank you.
7	CATHAOIRLEACH: Thank you, Councillor. Do you want to answer that first and
8	then I can come back?
9	MS GALLAGHER: Oh yes, I think that is very important. That rests nicely under
10	our core values, definitely, the democracy element of it. If that is okay Councillor,
11	we will put it in there.
12	CATHAOIRLEACH: Thank you. Councillor Dermot O'Brien.
13	COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. And thanks for the
14	document. It is really important stuff I think. Well, I think the level of importance
15	that it can have in many ways is up to all of us because I think a plan like this should
16	be collectively owned and if it's collectively owned and even to build on what
17	Councillor Behan is saying the word "democracy" should be in there, but the
18	practice of democracy should be at the bedrock of how we do the process. And it is
19	fascinating to see all of the indicative list of strategies and plans that influence local
20	government activities. And there's, like, three or four pages of and I hope that they
21	are not barriers to us developing the nuance that will make the plan ours in Wicklow.
22	And then even as we zoom into Wicklow, each area in Wicklow, that the people in
23	those areas also see themselves in the plan and see that their contribution to it has
24	meaning, has merit and will be seen at plan is rolled out. So I think there is a huge
25	opportunity every term when we develop a plan like this, but I think we should really
26	be committed to zooming in as much as we can and encouraging and facilitating
27	people. And that is not just the work of staff and officials, it is the work of elected
28	reps as well.
29	CATHAOIRLEACH: Thank you, Councillor. Councillor Edward Timmins.
30	COUNCILLOR TIMMINS: Just to take up those points. One thing we should do is
31	if this is going to be a serious document rather than something that's produced, I
32	don't know, every five or six years and just put on a shelf, is that we review it every
33	year and we monitor the progress, how we are progressing on all these objectives.
34	

1	The other elephant in the room here is our powers are so limited in what we can do.
2	You can talk about infrastructure, different things, planning, et cetera, and
3	Councillors powers have been diminished considerably. So, it is very aspirational,
4	and it is a great document, and I encourage it, but they're the two points I would like
5	to make about it.
6	CATHAOIRLEACH: Thank you, Councillor. Councillor Peir Leonard.
7	COUNCILLOR LEONARD: Yes. Just two things. Maybe it would be a good idea
8	to bring it to the sing committee under the LDCD, the Social Inclusion Network
9	Group, and they might enable it to kind of go out to the wider audience and more a
10	grass-roots thing. But I think the thing that I have noticed in my lifetime over the
11	last 20 years is just the diminishing services, you know, of on-the-ground service of
12	the Council. So I think the service plan is really, really important. Because, like,
13	putting the day-to-day service, and people on the ground providing services in
14	each town and district, and including our green spaces and our whole environment
15	around us, is just so important, you know. Everybody is affected when that's not
16	right, and I think proper investment in that needs to be at the core of this because I
17	think it is something that is affecting all of our Municipal Districts. And we can't do
18	anything about the environment without the people on the ground and those services
19	there, so that needs to be really at the heart of everything.
20	CATHAOIRLEACH: Thank you, Councillor. I don't see any more speakers.
21	Lorraine, do you want to come in before I look for a proposer and a seconder?
22	COUNCILLOR MURPHY: Sorry, Chair, I had my hand up.
23	CATHAOIRLEACH: I beg your pardon. You're online. Sorry. Go ahead
24	Miriam Councillor Murphy.
25	COUNCILLOR MURPHY: Yes, I think it is a huge depth of a document but
26	looking for consultation and use of the public sometimes worries me because in the
27	sense of I think the public when they put time into it, you know giving their view
28	or whatever there is no, probably resources to impose the improvement of that and
29	people will say, oh, nothing will be done and that's what upsets me. As Councillor
30	Behan said, we as 32 Councillors have been elected to speak on behalf of the public
31	the public trust us to present their problems to the Wicklow County Council. And
32	again, we are very frustrated ourselves and again it's lack of funding is a result of
33	(inaudible) into funding of community aspects. And I mean we can put what we like
34	on paper, but with the results and the opinions of us as Councillors and the public,

1	where will it go after that? And as Councillor Timmins said, the review every year,
2	will tick the box "yes" we done that or "no" we didn't do that because of funding. I
3	think it is very important and it really needs to be answered properly.
4	CATHAOIRLEACH: Thank you, Councillor, for that contribution. Councillor
5	Erika Doyle.
6	COUNCILLOR DOYLE: Thanks, Cathaoirleach. Very briefly. I wasn't around for
7	the introduction of this in the last term, so just a very quick question. Am I right in
8	thinking that the input of the staff in the Council is just as important if not more
9	important than the input of the elected reps? I mean, maybe we think of ourselves as
10	being the centre of the world here, but we're 32, whereas there's an awful lot more
11	staff members who would be very well placed to speak about particularly the pillars
12	that Lorraine spoke about there. So I presume staff are encouraged to contribute and
13	input as much as possible on something like this; is that correct? Thank you.
14	CATHAOIRLEACH: Thank you. Lorraine.
15	MS GALLAGHER: Just to say, first of all, just in relation to the corporate plan, it is
16	a higher-level overarching strategic document, and it comprises two parts. So the
17	first part sets out our vision, our core values, our strategic objectives, where we see
18	ourselves over the next five years. Part two of it then is the whole area of the
19	baseline data, where we get into the nitty-gritty of what we're going to do and how
20	we're going to measure ourselves. And there is a role for the Elected Members in
21	terms of reviewing, monitoring and implementing this plan. So annually you're
22	obliged as a Council, you will be presented with an annual service delivery plan and
23	that is intrinsically linked to the goals of the corporate plan, and you have a role there
24	in monitoring the performance. So yes, definitely, the monitor and review.
25	
26	Just to say too, that while this is an overarching strategic plan for the Council there
27	are other plans and policy documents. So say, for example, the recently adopted
28	Local Economic and Community Plan, it went through a very, very complex
29	consultation process with communities. So this plan has to align itself with the Local
30	Economic and Community Plan, the Climate Action Plan, the County Development
31	Plan, all of our other plans and strategies. But I just want to stress that it is an
32	overarching higher level strategic document.
33	

1	We can certainly circulate it or get the views of Social Inclusion Network, that would
2	be good, and any other network, if the Elected Members have any other suggestions
3	that they'd like the plan to be sent to, outside of our portal.
4	
5	Staff. Yes, staff input is hugely important. We've commenced the process, we've
6	put our core values, our mission statement out to the staff as well and the staff have
7	come back. In developing the objectives, each directorate will liaise, will consult
8	with, work with their teams, within their own departments and their Municipal
9	Districts to get input into all of that. So it is a very wide consultative process.
10	CATHAOIRLEACH: Thank you, Lorraine. So we're looking for a proposer and
11	seconder so this can go to public display.
12	MS GALLAGHER: Just to start the next stage of the process.
13	CATHAOIRLEACH: Proposer? Councillor Dermot O'Brien. Seconder?
14	Councillor Erika Doyle. Agreed? (Agreed.)
15	
16	Can I stop there for a second and thank you for your patience. That was a lot to get
17	through, to populate the different committees, so thank you for your patience on that.
18	
19	We're now going to move onto item number 32: "To consider the Chief Executive's
20	Monthly Management Report for August '24."
21	
22	Can I just say before we kick off, I don't want to be accused of censorship here
23	because it is not, but can we do our best to stick to three minutes, please, so everyone
24	gets their say? Because I don't want people leaving here frustrated that they didn't
25	get their say, and I never want to hear again the Chief Executive say will you email
26	in your questions. I would like to have the Chief Executive here to answer your
27	questions here. I will be reminding members when they get to the three minutes. I
28	won't cut you off but just have a bit of respect for your colleagues here, that everyone
29	gets to speak, and everyone gets to ask their question in person in the chamber.
30	
31	Without further ado, Councillor Edward Timmins.
32	COUNCILLOR TIMMINS: Thanks, Chairman. I will just be one minute. Two
33	questions. One is just in relation to the Kippure issue which Councillor O'Neill
34	raised earlier; can I ask one question in relation to that: Was a Section 5 exemption

application made to Wicklow County Council? If it is possible to have that
answered. And secondly, Baltinglass RRDF Town Centre, we got funding almost
five years ago now. Chief Executive, I know that you have shown great commitment
to moving this project on since you first came on board. Work did commence in
February. But we're still struggling to make the necessary progress. In particular
there is some logjams with the consultants with all due respect to them that I believe
is slowing up work. Great work has been done on the parking of the town, but the
town centre is not moving like it should be. And I would urge the Chief Executive to
take this on board and perhaps meet with the relevant outside consultants to expedite
this because it is a big concern to me.
CATHAOIRLEACH: I am going to take them in order of three. Councillor Gail
Dunne.
COUNCILLOR DUNNE: Thank you, Cathaoirleach. I have been harping on for the
last number of months and number of years over a pumping station in Wicklow,
down the Morrough, across from the Leitrim Lounge. The smells coming out of that
have been unbelievably bad. This has been going on for a long time. We tried to
talk to Irish Water, Veolia, and basically they're coming back and saying to us that
there's nothing wrong. Now last week I walked five days on the Morrough and the
five days I was there, there was an awful smell coming out of it. We've had
problems with filters and that before. I am asking Wicklow County Council, the
residents down there last week in the good weather could not go outside, couldn't
open their windows or nothing, and the residents there in Urban Villas all
surrounding areas, I have been talking to a number of different agencies, they get it
as well. So I am asking Wicklow County Council to do something about this.
Because the bottom line here is it's not fair on our citizens in Wicklow Town to be
going through this week in, week out and not be listened to by EPA, by Veolia, by
Irish Water. This town is in our county, and I really feel something has to be done.
CATHAOIRLEACH: Thank you, Councillor. I agree with you because I got the
same report as well. Councillor Joe we Behan sorry, Councillor Stephen Stokes.
COUNCILLOR STOKES: Go raibh math agat, Cathaoirleach. Just a couple of
things, Cathaoirleach. I just wanted to ask in relation to the Chief Executive's
Report, the housing figures, the number of people that are on the housing list, it
seems to have disappeared from the Chief Executive's Report from the previous.
And unless I am just not seeing it maybe I can be directed to the correct page. And

1	also the arrears, I am wondering what the arrears are, because that used to be on the
2	Chief Executive's report as well and I'm not seeing that either.
3	
4	Actually similar to what Councillor Gail Dunne has just raised, we've got quite a
5	serious issue of discharge into the Three Trout River in Delgany. It's something that
6	the Delgany Community Council are quite concerned about. There is a strong smell
7	of sewerage even as of yesterday. There seems to be discharge into the Three Trout
8	River. I wonder if Wicklow County Council is aware of it? I have been liaising with
9	them, other Councillors have been. I want to see are we liaising with them, not only
10	as Councillor Dunne has said for Wicklow Town, but also for other areas of the
11	county. It is quite a serious issue.
12	
13	Finally, I wanted to ask in relation to the Charlesland dual carriageway, now I know
14	it was raised recently at the district level, in relation to the upgrade of five new
15	roundabouts, I believe there is an investment of 1.2 million planned and I wanted to
16	press the urgency on that. I want to see where we're at and how hard we're pushing
17	it, because I think we're going to go out to tender rather than have our own workers
18	do the work. I think it is important that we keep that on the agenda of Wicklow
19	County Council.
20	CATHAOIRLEACH: Thank you to the three Councillors for keeping on time.
21	MS O'GORMAN: Thank you, Cathaoirleach, and thank you, members.
22	
23	Councillor Timmins, a Section 5 planning exemption was applied for by the group at
24	Kippure and was refused by this local authority. It is my understanding that they
25	have since appealed to An Bord Pleanála. It is currently with An Bord Pleanála for
26	determination. But this Council refused the exemption.
27	
28	I take fully on board your comments in relation to the RRDF. We have in the last
29	week or so gotten drawings and plans from the consultants, very much delayed. The
30	team are now considering those. You know we have had a change of staff in the
31	Town Centre First Officer, and we've recently received funding through the
32	Department of Rural and Community Development for a capital implementation
33	team to purposefully see out RRDF projects so I am hoping that will hopefully
34	accelerate projects. But our staff have met with consultants, and we are keeping that

1	sense of urgency with them. It hasn't been good enough to date. I am hoping for a
2	significant improvement from that point of view.
3	
4	Councillor Dunne, the pumping station, the wastewater, I will ask maybe Brian to
5	come in and comment on that for you.
6	
7	And Councillor Stokes, Michael might comment on the housing figures and arrears
8	figures. Three Trouts, we are aware of that, and we have discussing with the EPA
9	about enforcement and what needs to happen next there.
10	
11	Going to Brian first, then Michael.
12	MR GLEESON: In relation to the point made by Councillor Dunne, I know this was
13	brought up at the most recent Wicklow Municipal District meeting and our district
14	engineer looked into it and got the same response as Councillor Dunne did. But I
15	will take it on board, and I will make communication directly with Uisce Éireann,
16	and if I have to go to the Chief Executive, Niall Gleeson, on it to flag the issue I will
17	But we will get to the bottom of that because regardless of what they are saying the
18	smell is the smell and we can't deny that, and they can't deny it. Look, we'll get to
19	the bottom of it, Councillor Dunne.
20	
21	Was that housing rents arrears you were asking about?
22	COUNCILLOR STOKES: Yes. Rent arrears. I didn't see it now, maybe
23	MR GLEESON: It's always in the finance section at the back.
24	CATHAOIRLEACH: Do you want to turn your mic on?
25	MR NICHOLSON: Sorry, Councillor Stokes, for some reason we didn't include
26	those figures this month. I don't know why. I will find out. It is an error.
27	COUNCILLOR STOKES: They were missing for July as well.
28	MR NICHOLSON: I will send out a separate report to all the members showing the
29	current arrears and current housing list.
30	COUNCILLOR STOKES: Just to clarify very quickly, it is important because when
31	people approach us about support for housing we can say, look, there's a very long
32	list, here's the numbers.
33	MR NICHOLSON: It wasn't deliberate. It was just a mistake.
34	CATHAOIRLEACH: Thank you. Councillor Behan? Your time starts now.

COUNCILLOR BEHAN: I will be as quick as I can. First of all, members may or may not be aware of the fact there was a very important monument destroyed in Castle Street in Bray there during the summer, the 1798 celebration monument, which actually was put in place by Wicklow County Council and Bray Town Council at the time. I'm not sure whether it was vandalised, or somebody crashed into it. It's been removed completely. I just want to express the complete dismay of many people who worked in a voluntary capacity from the local historical society and the general community to see that the 1798 celebrations were undertaken in a meaningful way. And the former County Manager was very involved in that project, and we had the Tour de France coming to Bray at that particular time. I want to know what is the situation with that memorial? Is it going to be reinstated? Because I think it should.

Going onto the points about Irish Water. I have had my own dealings with Irish Water in the last couple of months and I have to say very unsatisfactory in terms of how they're dealing with their customers, our constituents and us as public representatives. I feel there's been a marked change in their attitude since they've basically separated from the local authority. We still had a link with them when they were part of this particular service. It was kind of a joint service on an agency basis. But in fact I think now they have become very dismissive of us as councillors and of the general public. I would ask the Chief Executive to raise this with Irish Water; their particular attitude to our representations and how they deal with us but also to their customers. Because we've lost something in that particular move in my book.

The next point is I want to welcome publicly the decision by An Bord Pleanála to uphold our policy which was in the last county development plan to forbid the selling of individual apartments to investment funds. And it was great to see that in two recent decisions that policy has been upheld. I want to thank, I know a member of the staff, the planning staff in particular, had some consultation or work with An Bord Pleanála before that decision was made, the initial decision on Dell. But what does concern me is that the An Bord Pleanála inspector actually recommended taking out the condition. So the full-time planning inspector recommended in the Dell development that our policy be removed. But the board overruled the inspector. It doesn't always happen and very often it happens in the other way. But I think it

1	undermines the importance from our point of view that we have applications like this
2	in the future that we're very, very robust (a) in ensuring that the policy is included in
3	our decisions, which it has been in fairness, but also, if it's challenged that we're very
4	robust in defending the policy. I have asked for that before and I certainly welcome
5	the fact that we got the right decision on the last two cases.
6	
7	I am disappointed that something else is missing from the Chief Executive's Report
8	here today, and that is even mention of the largest housing development site in Bray,
9	which is Rehills land which we had earmarked for a combination of affordable
10	housing and social housing. Not alone has there been no work done on if, it's now
11	fallen off the agenda. It's even fallen out of the Chief Executive's Report, which
12	indicates to me that as an organisation we don't care anymore, we have given up, we
13	have lost the battle, and we don't want to know about it. It's not good enough as far
14	as people in Bray are concerned, and I would like the Chief Executive to address that
15	issue.
16	
17	Finally, very, very briefly
18	CATHAOIRLEACH: You're up to four minutes now.
19	COUNCILLOR BEHAN: I am timing myself. I am 3:54. But I am nearly finished.
20	
21	The Old Fassaroe lands, I asked that a letter be sent to the Taoiseach looking for
22	government support for us to purchase that land. Part of it since, according to the
23	public realm, has already been sold to a developer. It doesn't negate the point I made
24	on the last occasion. Can I ask the Chief Executive, was the letter sent and was a
25	reply received from the Taoiseach?
26	
27	And finally, the noise mitigation measures at the houses in Kilmacanogue at the
28	parallel road, is there any development on when those mitigation measures are going
29	to be put in place?
30	
31	Thanks, Cathaoirleach.
32	CATHAOIRLEACH: Thank you, Councillor.
33	COUNCILLOR SCOTT: I have a number of issues to raise here, I hope you won't
34	be too strict with me as it is only the second time I have spoken today.

-1	

I want to echo Councillor Stoke's comment on the Pathfinders scheme in Greystones. It was disappointing to have to wait this long to see the upgrade of the Charlesland dual carriage. But I also note in the Chief Executive's report it states that phase three of this scheme is still with the NTA, and I was just wondering when will we receive response back from the NTA around that, and are we at risk of losing the money if this isn't spent by the end of the year?

I have a similar question regarding the Part 8 scheme in Killincarrig. That scheme, we have been waiting for quite some time to progress. The Part 8 was passed previously and had to go back to the public and be put in front of the member again due to lack of staff, staffing issues in the Council and progressing it. I am wondering where we are on that, as again it has been a number of months since that Part 8 was passed.

The second question I wanted to raise was: It's been asked of me if the Council can assist with regard to delays around the tender of the new coast guard building in Greystones, and I believe that the OPW has met with the Council with regards to clearing the site but there's been no sort of further advancement after that, and there's a delay for some reason and I am not sure what it is. I appreciate there's a number of stakeholders involved, but if there is anything that the Council can do to inform me here today or to accelerate movement on that it would be greatly appreciated.

The other question I had on the report was: I note that the Community Recognition Fund from 2023, it was stated on page 12 of the report estimated completion quarter 3, and as Greystones was lucky enough to be awarded some of that money for upgrades of Burnaby Park I just wanted to know when are the works due to start in Greystones and is there a commitment that they will be finished by the end of December, which is end of quarter 3? And again this is money that has been allocated to our area that we haven't yet seen spend, and we are very anxious to see that being spent soon.

Nearly coming to the end. I just want to comment on page 39 under the climate section, delighted to see that the Council is joining a service level agreement

1	regarding alternative uses use of glyphosate. That is a really proactive approach, and
2	I thought it is important to highlight that here. It is really great to see. And it would
3	be great to see that information coming back to our MDs regarding management of
4	the wider districts, and I would ask that when the information is available that a
5	presentation of the findings be shared at district level when they're available. I think
6	that will be really useful for everyone.
7	
8	The other question then that I have two more, nearly there.
9	CATHAOIRLEACH: You're nearly there three minutes. Keep going.
10	COUNCILLOR SCOTT: Regarding the CPO process on the Bray/Greystones Cliff
11	Walk, I see it is noted on page 54 that this is likely to be finalised before the end of
12	2025. I suppose, as you know, we have been raising this tirelessly at our Greystones
13	meetings, I am sure it is the same on the Bray end, and I know despite best efforts by
14	the Council there's been very slow progress on it, but can I take it from the date that
15	some actual progress has been made or is that something we can hold you to? If
16	there are any updates on that at all I would appreciate that.
17	
18	Finally, I want to touch on the pollution of the Three Trout stream, which I know has
19	been mentioned, but I have to echo the frustration of dealing with Irish Water.
20	Regardless of Irish Water saying that everything has been resolved and the EPA is
21	looking into it there's still a smell of sewerage coming from that stream, which is a
22	very important ecological watercourse in our area, and it has been noted in several
23	strategic documents from the Council as being an area of biodiversity importance.
24	So again, I would ask that the Council would contact Irish Water to really urgently
25	look into this, ask about their incident management plan, ask if they knew of the
26	sewerage being in the stream before they took action. Because it was noted by
27	residents of discharge and a smell in the area before Irish Water engaged. So I
28	would appreciate a push from Council on that. Thank you.
29	CATHAOIRLEACH: Thank you, Councillor. Councillor Leonard.
30	COUNCILLOR LEONARD: I have just a couple of things, some environmental
31	ones first. I was looking for an update actually on the pollution in the Aughrim
32	River. It was polluted there recently, and I know there was investigation works
33	going on to see was the water and the water quality all right for its surrounding, and
34	surrounding wells and stuff like that. So an update on that.

1	
2	In Ennereilly Beach. I have harped on about Ennereilly Beach for the last few years.
3	There's a huge problem with access. A barrier needs to go up. There's people
4	camping on it and destroying the whole beach. I have been trying to contact the
5	owner. There's a small car park there and it's filled with camper vans every night
6	and it is prohibiting people that want to go down and walk onto the beach with their
7	family just for an hour or two, and it just needs to be looked at. The owner of the
8	site needs to be identified that owns the car park there and just discussions to liaise
9	with them for something to happen there because it's just the ecology and
10	everything on the beach is being destroyed with vehicles going onto the beach.
11	
12	Then just in relation to the URDF funding in Arklow and the vacant buildings that
13	are being purchased, just some more details on that. And just to say again, I know I
14	raised it a couple of times when the new Chief Executive arrived, that it's imperative
15	that the local councillors are involved in any decisions with regard to these buildings
16	and what they're going to be, and once they CPO them and acquire them what is the
17	future of them and what is going to happen to them. Are they going to be sold on as
18	one lot, or will they will be developed? Is there a possibility we look at extra
19	parking in the town centre and community space as part of them before any decision
20	is made? Thanks.
21	CATHAOIRLEACH: Chief Executive.
22	MS O'GORMAN: Thank you, Cathaoirleach, and thank you, members.
23	
24	Councillor Behan, I will ask Lorraine maybe to comment on the monument, the 1798
25	monument, and the destruction of that.
26	
27	I absolutely will bring the queries and frustration of the members with Uisce Eireann
28	to Uisce Eireann. It is not good enough. Public reps deserve still to be answered.
29	The fact they have separated from us, they are still a State body, and they still are
30	answerable to the public and the constituents. So I will certainly raise that. I have
31	not issue with that at all.
32	
33	Joe might come in on the Rehills land presently. It has certainly not gone off our
34	agenda. The fact it is not in the report, Joe can comment on that.

1	
2	The Fassaroe lands, yes, we did write to the Taoiseach and Minister Donnelly.
3	Minister Donnelly rang me a week after the meeting asking me what he could do to
4	help in that space. So we are very keen on development in Fassaroe. It is a hugely
5	important strategic site for the county. You're right, my understanding is that some
6	of the lands has changed ownership in the meantime. We have written, I don't think
7	we have had any response from the Taoiseach's office as set. But Minister Donnelly
8	did ring and is very keen to help.
9	
10	Noise mitigation measures, I will get to Joe on that.
11	
12	Councillor Scott, the Pathfinders scheme is still with the NTA. It is interesting, the
13	NTA have written to the Council offering to come and visit with us and I think the
14	CPG this morning approved that we extend an invitation to the NTA to attend our
15	October meeting. I think it is to talk about the greater Dublin scheme but there will
16	be plenty of opportunity to put questions to the members at that point.
17	
18	The Part 8, I will ask Joe to comment on.
19	
20	Teresa might be able to give an update on the coast guard building. I know there
21	was conversations last week about it.
22	
23	Michael will talk about the Community Recognition Fund.
24	
25	The CPO for the cliff walk, yes, we are making progress on it. It does require a
26	concerted effort. Both MDs have been extremely passionate and extremely helpful
27	in their work on it, but it is broader than I suppose just this local authority. It
28	involves, you know we would like the OPW to be involved, we would like the
29	National Parks and Wildlife Services and Fáilte Ireland to be involved in it, because
30	it is a tourism site of national importance as well it is as it being an amenity for the
31	local population. We are working on that, and we are going to put together a
32	stakeholder meeting of other agencies as well with ourselves to formulate a strategy
33	so that we can make the best use in a sustainable way of that space.

Councillor Leonard, Aughrim River pollution, Teresa again might be able to give
you an update on that and on the beach access, the car park. The URDF and the
vacant building purchase, yes, I suppose a small scheme was announced to allow
local authorities the CPO buildings under dereliction, I suppose the purpose of which
would be to put them, to revitalise town centres. That is the whole idea behind them.
We are certainly not looking to flip them. You know, we are not property
developers. The Town Regeneration Officer will be talking to members about the
sites purchased in Arklow and the development plan around that. I would certainly
be in favour of a community facility in Arklow. It is certainly a deficit. Car parking
is another question altogether.
So I might pass to my colleagues now. I might go to Teresa first and then Joe and
then Brian sorry, Michael. Apologies.
MS O'BRIEN: Okay. With regard to the coast guard station, I just recently got
involved with that and I have been in contact with the OPW, with Sisk and with all
the relevant players, and I am hoping to have positive news on timelines regarding
that within the next week.
With regard to Aughrim, the EPA are in charge of that investigation of the fish kill
following a spill of chemical at an EPA-licensed site in Aughrim. The "Caution - do
not use" notices that were issued to a number of private dwellings close to the river,
these have now been withdrawn following clear sample results and there have been
no further reports of fish kills or anything like that, but we are keeping it on or radar.
And the third that's Aughrim. The other one was the coast guard and Aughrim.
Ennereilly Beach. Yes, we are not aware of we have never got any reports of any
issues with parking or access, but we will look into it now that you have brought it to
our attention and see what the story is, who owns the entrance. I will get someone to
have a look at that and we will come back to you on that one.
COUNCILLOR LEONARD: I am happy to work with them. I can probably help
them.
MR LANE: Yes, as I indicated, we're talking about Rehills in Bray, this is a
challenging site. We put it forward as a PPP scheme under the Public Private
Partnership. There was governance they undertook on the public expenditure; they
undertook an evaluation of it, and they found it challenging. It was in excess of

1	between 500,000 and 600,000 units and decided not to progress it. We will be
2	discussing it, and we are trying to, with the department, do our own costings, but
3	with the limited design and bearing in mind those challenges we have other schemes
4	ahead of it. We are prioritising other schemes around the county, and these include
5	Kilcoole, Carrigoona in Bray, (inaudible) Phase Three in Wicklow, the Arklow
6	Tinahask Scheme, Hawkinstown, Blessington, Mountain View, Barndarrig,
7	Rockbrea House, which has now gone ahead of you because it is more buildable we
8	think, and Ashford. So it is on our radar, but within the context of there are others
9	that have to be looked at and it is a challenging site with the cost of the bridge, and
10	nobody is putting up the money on the cost of the bridge, and that alone negates the
11	free cost of the land. On the and that hasn't changed. So that hasn't changed since
12	April or May.
13	
14	The Kilmacanogue noise barrier. We are currently awaiting costs on those.
15	
16	Greystones. No. There is no danger on the funding of the Greystones scheme. And
17	on the Killincarrig project, it is being progressed. Consultants are progressing the
18	detailed design of the scheme and works are expected in quarter 4 this year.
19	CATHAOIRLEACH: Thank you, Joe. Michael.
20	MR NICHOLSON: In relation to the Community Recognition Fund, yes, the good
21	news is that all the projects with the exception of Greystones are almost complete
22	and the ones that aren't complete are almost complete. The one that has been slowed
23	up is the Greystones one. And while we haven't done work on the ground in
24	Greystones, we have done an awful lot of preparatory work. We are very confident.
25	We have to spend the money by the end of this year anyway or we lose it, so it will
26	be spent by the end of this year. We had hoped that it would all be spent by the end
27	of the quarter, which you rightly say is the end of this month. I will get you an actual
28	date of when the work is due to start. It is due to start very, very soon.
29	CATHAOIRLEACH: Councillor Gerry O'Neill.
30	COUNCILLOR O'NEILL: Thanks, Cathaoirleach. I think there's a fair few
31	Councillors that have been involved at least in the west part of the county about the
32	concerns of the building of a kind of a white elephant. It never took off I think. This
33	is a building in Stratford, Stratford-on-Slaney. And going back to seven year ago the
34	old community hall was closed up and Scallywags were the people who took over,

whoever Scallywags were. Anyway it left the people in the area without a community hall. And Scallywags is a centre for -- a pre-school centre now I believe. But anyway seven year ago the building was started as such. There was over 500,000 of public money gone into this new development. It's a cafe and it is to be a cafe, and it is to be a centre for the people of Stratford-on-Slaney. Just about a year and a half ago I raised this at a Municipal District meeting, and I didn't get a reply as such but I'm asking here again that there's a lot of people in the Bridgelawn/Stratford area very concerned that after seven year this building with so much money with public funding is still -- the doors are closed. There's great concern in the area. In actual fact, there's no meetings allowed, there's no community gatherings. There was meetings by the way. There was two Fianna Fáil meetings in the building prior to the local election. But apart from the two Fianna Fáil meetings there's no meetings whatsoever in this building. So what I would be looking for is an urgent report on what is the situation in Stratford bridge. It's not right that seven years on we're over half million of people's money been spent and they still don't have the facility in the town. So I would really like a reply to that sometime soon. I mightn't actually get it today in fairness because maybe the staff mightn't be up to date on it, but hopefully we'll get some move on that soon. Could I also just -- just number 2, getting back to Kippure Lodge there, if I could ask our CEO, you know, is she aware, I think the whole country is aware now, in West Wicklow that there's been a massive percolation and septic tank gone into this building without any planning. There's great concern. This is only 100 yards from the River Liffey which feeds the whole of Dublin with drinking water. Again I would like to express my disappointment that 17 Councillors in here are not concerned about this. And the third and last point I ask, and I raised it here before is about the Avonree. The Avonree is a building in the town, it is owned by the same people who own Kippure Lodge. I thought it was sorted out some time ago, but you have to pay actually to park in there and the parking, where you pay is actually on an old right-of-way. So the local people, the people who know the town of Blessington, the people who know Avonree and that area, know quite well that under no circumstances do they pay to access the lake through a right-of-way. This crowd, the

1 people who own the Avonree and Kippure Lodge, they're making huge money. I 2 think that should be addressed. I raised that several year ago in the chamber, but it is 3 still there and it wrong. 4 CATHAOIRLEACH: Thank you, Councillor. Councillor Orla Finn. 5 COUNCILLOR FINN: I would like to say that O'Neill was my name before I got 6 married. I was having a flashback. 7 8 My question touches a little bit on what has already gone ahead from some of the 9 Greystones Councillors, but mine really relates very specifically to the sewage 10 pumping station in Delgany and its ability to cope with the ever-increasing number 11 of houses in our area and the growing population. As far as I'm aware that sewage 12 station was probably built well over 20 years ago and, you know, just due to the fact 13 of the increasing population, as I said, I am concerned about its ability to cope with 14 the demands on it today in this date, at the moment. So basically I am asking 15 Wicklow County Council if they would please ask Irish Water to carry out a review of this pumping station and a review of the pipeline. 16 17 CATHAOIRLEACH: Thank you. 18 COUNCILLOR DERMOT O'BRIEN: Thank you, Cathaoirleach. I have three 19 items. The first one, two relating to housing. The first one, it says in the housing 20 report about, and again I really appreciate the kind of uncomfortable truth telling that 21 sits in the report in terms of the challenge of getting contractors to carry out refurb. I 22 would like to comment around how, and maybe it is something for the Housing SPC 23 when it convenes, and it must be very frustrating for the Director and the team, 24 because we see that it is a problem and it is in front of us, and we see the impact of 25 that being a problem, but I think we should really commit ourselves to finding 26 dynamic solutions. I know that even in the previous term we had community wealth 27 building as a way of trying to operate dynamically within the county and see 28 what -- you know, look at, explore the options of who's available to maybe take on 29 work rather than just sticking to a model where we have a set of contractors and 30 they're the only ones who get the offers or get the options. So maybe to expand how 31 we look at that and how we do that work. Similarly, social enterprise opportunities 32 where people can be earning a living and contributing to their community. But just 33 broadly to say that I appreciate the honesty of it, but I think we must, we really must

1	face the challenge of that. Because all of us Councillors are talking to people every
2	day who are waiting.
3	
4	The second one is relation to vacant homes, and it is really interesting to see the stark
5	contrast between the 4,320 vacant houses in County Wicklow by contrast to the 140
6	of ours that are vacant. And it is just a question around, again I can imagine how
7	frustrating that might be for us as providers, but do we have any role or
8	responsibility in terms of the vacant homes across the county that are not Wicklow
9	County Council units?
10	
11	And then the final one, Cathaoirleach, relates to town teams. And it is interesting to
12	see. I know that in Bray that we're diligently working our way through the option
13	and exploring a town team for Bray, but I see in the report it says there are four new
14	town teams on the way, and I am just fascinated - there's one in Newtown,
15	Rathdrum, and Baltinglass - and I am curious around how they were initiated. Were
16	they initiated by the Municipal District, the relevant MD? Were they established by
17	the MD? I would love to get any information around the rationale for that which
18	might inform our process. Thanks very much.
19	CATHAOIRLEACH: Thank you, Councillor. Chief Executive.
20	MS O'GORMAN: Thank you, Cathaoirleach, and thank you, members. Michael
21	might come in on the community hall, Councillor O'Neill, I'm not familiar with it.
22	My understanding is that there is existing planning permission for community
23	wastewater plan and some repairs were carried out on that, to the estate in Kippure.
24	That's my understanding on it. If that's not correct or there's other views on that
25	certainly we will investigate any reports we get on that.
26	
27	Again on the Avonree, my understanding is that there is a private car park. If there is
28	a public right-of-way that is identified and mapped, we can certainly look at that.
29	We will take that away and come back to you with a report on that.
30	
31	Councillor Finn, yes, the pump station in Delgany, we will certainly raise that as part
32	of the issues that we're going to raise with Uisce Eireann. It will be a lengthy letter
33	to them I do believe.
34	

1	Councillor O'Brien, in relation to vacant homes, yes, we do have a role in vacant
2	properties. We do have a Vacant Homes Officer, and their role is to identify sites
3	throughout the county and then look to see is there a possibility to bring them back
4	into stock. They will work very much in tandem with our Town Regeneration
5	Officer, again around the uplifting of the towns and rural villages. They don't have
6	to be towns and villages, but if there are sites let us know, and we will investigate
7	them.
8	
9	Town teams, I will pass to Sorcha on that.
10	MS WALSH: Thank you, Cathaoirleach. Thank you, Chief Executive. With
11	respect to the other town teams being established, funding has been allocated to start
12	the process of establishing town teams. So the town teams haven't yet actually been
13	established. So a process is literally only starting in the last week or two to start
14	looking at who the parties are, who the stakeholders are and putting together
15	meetings in the towns to see how the people of the town want to go about
16	establishing their own town teams. So it is at the very earliest possible stage. I can
17	get you more detail on that from the Town Regeneration Officer in due course.
18	CATHAOIRLEACH: You might circulate that to all of us.
10	CATTIA OTKLEACTI. Too might circulate that to all of us.
19	MS WALSH: Absolutely.

But it is 3 hard to get contact at the moment unfortunately 4 CATHAOIRLEACH: Councillor Miriam Murphy. 5 COUNCILLOR MURPHY: Thank you, Cathaoirleach. I have just three or four 6 quick things. Just an update, if possible, on the Shillelagh greenway, and also an 7 update on Arklow Pottery Museum funding. Also if memory serves me right I think 8 before we broke up earlier in the year there was talk about the representatives in 9 Arklow being upgraded and re -- I can't think of the word there -- repurposed, and I 10 am just wondering would it be a possibility to consider having disability in that. 11 12 I think the person who has given a lot of time over the years to tourism in Wicklow 13 is Gerard O'Brien who has (inaudible) to the Wicklow Town, and you know we're 14 very lucky. I would just like to acknowledge that the work that Gerard and his 15 family put into Woodenbridge over the years, and I certainly would like to welcome 16 the new owners, the two brothers, their names escape me at the moment. I would 17 like to propose that a letter be sent to the Woodenbridge, because I think we have a 18 beautiful area here, they're very important in our area. Thank you, Cathaoirleach. 19 CATHAOIRLEACH: Thank you, Councillor. Councillor Silvester Bourke. 20 COUNCILLOR BOURKE: Thank you, Cathaoirleach. I just want to raise a couple 21 of issues. There was flash flooding on the Harbour Road in Arklow. I had residents 22 complaining to me that they're worried either the drains haven't been cleared there or 23 there's a problem with the Irish Water facility because they're also getting a smell of 24 sewerage in the last couple of days. I am wondering if that could be checked out, 25 please, at a high level while you're talking to Irish Water. 26 27 Also I had some constituents complaining to me about the vacant property grant that 28 they applied for, spent a lot of money on putting in, getting planning and engineers 29 reports but then refused the grant because there was a second habitable property on 30 the same folio, and it seems to have caught them out and there's no mention of this in 31 the fine print but when they sent them the final letter they were refused it. I think it 32 is a bit unfair that people could get caught like that. I think it should be highlighted 33 to other prospective applicants because it takes two years to actually split a folio 34 apparently, to sell a separate folio, so it's not a simple matter to rectify and it's

1	something that we should be making people aware of before they make an
2	application and spend a lot of money getting an application in here.
3	
4	And also other people are quite frustrated with the lack of access to the septic tank
5	grant that was announced last year with fanfare, but very few people can actually
6	avail of it because you have to be selected by the Council for inspection before you
7	qualify for that. Could that be looked at in the future?
8	CATHAOIRLEACH: Thank you, Councillor. Councillor Jason Mulhall.
9	COUNCILLOR MULHALL: Thank you. The first thing is probably as Councillor
10	O'Neill mentioned Kippure. It is a very sensitive issue in the Blessington area. And
11	notwithstanding that there are ongoing proceedings I think it does need to be
12	progressed along and, you know, it will help restore confidence in the system as well
13	once we move this along.
14	
15	The second thing is, as Councillor O'Neill mentioned, and I think some of the other
16	reps have been approached about Stratford-on-Slaney and the community hall.
17	Again refurbished going back as far as 2017 but the community still have no
18	community hall, no community shop, and no community base. I think there needs to
19	be some investigation just to see what is going on and get some clarity.
20	
21	Then the last point is just around the RRDF in Blessington. So it was approved back
22	in 2021, and so we're almost three years later, and it is moving but it is moving very
23	slowly. So I think we need to progress those. And maybe, you know, with more
24	engagement with the TRO we can help move these things on.
25	
26	My final question was: There was recently a TCF €50,000 announced for
27	Blessington in the last week, I just want to get some clarity on what that actually
28	covered because depending on what made a statement on it, it seemed to cover
29	different things. Just a bit of clarity on that one. Thank you.
30	CATHAOIRLEACH: Thank you, Councillor. Chief Executive.
31	MS O'GORMAN: Thank you, members. I will ask Joe to comment on the
32	Greenway Arklow to Shillelagh. And on the pottery museum, I know we had been
33	looking at that previously, at acquiring that site. I will have to come back to you
34	with an update on that.

1	
2	The leisure centre in Arklow is part of an application under the large-scale sports
3	infrastructure fund to refurb and repurpose it. We haven't heard yet from the
4	department on what projects have been successful, but we would be hopeful on that.
5	
6	And in relation to the Woodenbridge Hotel, Councillor Murphy, yes, I suppose we
7	can channel that back through the MD and ask them to formally write to the new
8	owners and invite them to a MD meeting if that is what the members want to do
9	there. It's a very important piece of our tourism heritage in Wicklow and we
10	certainly welcome the new owners.
11	
12	Councillor Bourke, around the flash flooding in Arklow we will look into that. That
13	is of concern. I will have a chat with the team later on about that.
14	
15	The folio issues, yes, we can certainly probably do better in that space. I will have a
16	look around a process in that around potential applicants just to make them aware of
17	pitfalls, I suppose, if there are multiple properties on a folio and how that might be
18	used from a planning point of view.
19	
20	The septic tank grant. We don't have, I suppose, the scope to change the scheme. It
21	is how it was handed down from the government unfortunately. We will certainly
22	feedback your commentary on it. I mean for us to identify and inspect a tank and
23	then say, yes, now you can apply for a grant seems to be backwards, you know what
24	I mean. If somebody knows they have an issue with their tank it would be far more
25	fruitful if they applied and we say yes, you do have an issue. We will make those
26	points known to the relevant officials in the department around that.
27	
28	Councillor Mulhall, in relation to Kippure, matters are progressing. As I said, there
29	has been enforcement action, and it is progressing.
30	
31	Michael is going to look into the Stratford-on-Slaney community hall piece and
32	come back to the members with a report on that, either directly to the MD, probably
33	that would be the most fruitful way to do that.
34	

1	And on the RRDF announcement for Blessington, I don't think if Sorcha has the
2	detail of that. Do you? My understanding is it is for the Market Square and it is to
3	do a feasibility study for it. That is my understanding. I will come back with
4	detailed information to the members on that
5	CATHAOIRLEACH: Joe.
6	MR LANE: The greenway, yes, we are close to finalising the preferred route. That
7	will go to public consultation shortly.
8	CATHAOIRLEACH: Thank you, Joe. Councillor Patsy Glennon.
9	COUNCILLOR GLENNON: Thank you, Cathaoirleach. First I would like to thank
10	the Chief Executive for engaging with Dublin Bus with respect to the 65 and we've
11	had some progress in that area, and I thank you for your input there, and others who
12	were obviously involved also, but it is good to see some progress on it. We have still
13	a very inadequate public transport system that whole side of the county that needs
14	serious addressing.
15	
16	I am pleased to see that the Hollywood natural play area is funded but it is not going
17	to be there until October 2025. I wonder could that be brought forward somewhat?
18	It is the only village that hasn't got a play area that I'm aware of in West Wicklow.
19	
20	Third, Mountain View which Joe has already touched on, but I had people this
21	morning asking me what is the dates for progressing that and moving it forward from
22	people who are awaiting to be accommodated there.
23	
24	You've touched on the Section 5 being refused by you in respect of the or by the
25	Council in respect of Kippure, and that it is now under appeal to the board, so I don't
26	want to go there.
27	
28	Traffic calming is supposed to start on the N81, and the bus stops are due to start,
29	and there is also supposed to be a park and right project being progressed by the
30	Council. I note in the report there's no progress to date in respect of the park and
31	ride. I wonder could that be advanced.
32	
33	And my two colleagues, both Edward Timmins and Jason, have mentioned RRDF
34	funds in respect of Baltinglass and Blessington. That needs to be addressed. The

1	Baltinglass one is a scandal at this stage. And I know you have tried your best, but it
2	needs to be advanced.
3	
4	And in respect to the comments one of my colleagues made about the 17 Councillors
5	who voted against this motion in respect of Kippure it just shows a total lack of
6	understanding of process, and he just doesn't understand process to make a comment
7	like that. I am sure my colleagues that voted the way they did were mindful of the
8	advice that you'd given in the chamber. Thank you.
9	COUNCILLOR O'NEILL: What colleagues?
10	CATHAOIRLEACH: Councillor Tom Fortune.
11	COUNCILLOR FORTUNE: Thank you, Cathaoirleach. Chief Executive, I didn't
12	get a chance to read your report on this occasion because through error and bits and
13	pieces I didn't get a chance to read it, but I have a couple of things I want to
14	highlight.
15	
16	I am getting the impression in recent times that the NTA now are starting to work
17	through the active retirement section in the Council on projects that are if that's the
18	correct term for them, but certainly the engineers now are referring it back to the
19	body here in Wicklow. I'm thinking of Killincarrig, for example. I wouldn't mind
20	getting some clarification on that.
21	
22	The other point I would like to raise is the disgraceful situation gone on now for
23	years on the way into Kilcoole with the footpath. I know there are issues but there is
24	absolutely no excuse in the wide earthly world why it still remains the way it is. And
25	somebody should make, in my opinion, a mature decision to get the footpath done
26	and if need be to leave the gap in front of the house in question. But it just seems
27	nothing is being done. At the moment there's major work going on on the same road,
28	there's a trench dug all along the road. The road, it's been replaced with tarmacadam.
29	It looks terrible. The road will need to be resurfaced properly when that work is
30	done in my opinion. The footpath situation, someone down here needs to grab hold
31	of it and make it happen at this stage it's ridiculous.
32	
33	There's four lights on the way into the village that the ESB have continued to ignore
34	for years. We talked earlier about Irish Water. We had the same problems with the

1	light maintenance. It's just becoming impossible for us as a public rep to try and do
2	your work with the barriers put in front of us.
3	
4	And my last comment, when I heard Kilcoole being mentioned on a town team
5	programme I nearly fell out of my chair. I mean I don't know what the hell that's all
6	about. We have a town team in Kilcoole since 1999. A proper board of directors. A
7	charitable status. Have done a load of work around the village. Are currently
8	involved in serious project in completing the community centre. The people that sit
9	on it come from all the different groups across the community. So I don't know in
10	why God's holy name we want to come into Kilcoole and mess that up. So I would
11	like to talk to you personally on that one before any mad decision is made.
12	CATHAOIRLEACH: Thank you, Councillor. Councillor Louise Fenelon Gaskin.
13	COUNCILLOR FENELON GASKIN: Thank you, Cathaoirleach. Most of my
14	issues have been raised by the other Councillors so I'm not going to go into them
15	again but just to reiterate that that sewerage problem with Three Trout and
16	Charlesland should be escalated because it is a major issue, and just to say that I have
17	a huge frustration in Greystones and Kilcoole with general footpath maintenance.
18	There is not a day that goes by where that is not brought up to me. I have a huge
19	frustration. It needs huge attention I think by the Council. I would like to see that
20	happen.
21	
22	Again for Irish Water, the same. I don't know whether it might be a silly thing to
23	ask, but maybe just like here there would be a phone contact that we could have as a
24	number that we can get directly though to would make it a lot easier rather than
25	pressing number 1 and pressing number 2 and then you're getting nowhere, that
26	would make it a lot easier. And again thanks to the CEO for a comprehensive report.
27	CATHAOIRLEACH: Thank you, Councillor. Chief Executive.
28	MS O'GORMAN: Thank you, Cathaoirleach, and thank you, members.
29	
30	Councillor Glennon, in relation to Dublin Bus, look slowly, slowly. There's a lot
31	more to be done, I suppose, in terms of public transport services in West Wicklow.
32	That's absolutely a given. I will certainly look at the natural play in Hollywood and
33	see if we can advance the timeline on that. It seems a long way off. And Joe might
34	comment on Mountain View. On the N81 and the park and ride, I would agree, the

1	RRDF, it is scandalous at this stage. When I started in this role in, March 12 months
2	ago, it was all set to get going and it hasn't. We have had meetings with the
3	consultants concerned. Now it is about activation. We have finally gotten the full
4	set of drawings and plans from them. Our engineering teams are going through
5	them. There may be some amendments to them but then we have to activate it, so I
6	am very, very strongly committed to making that happen in Baltinglass. I think it's
7	gone on far too long. And then Blessington, again, comes straightforward because it
8	is hugely, hugely important to the lifeblood of Blessington that the Town Centre
9	First and the RRDF funding gets moving on those areas.
10	
11	Councillor Fortune, I will certainly look at the footpath in Kilcoole. And the NTA,
12	your comments are noted. As I said, members have an opportunity to discuss
13	various issues with the NTA at our October meeting. In relation to town teams, I
14	could be wrong on this, but my understanding is that funding was allocated by the
15	Department of Rural Community Development, that is my understanding, around
16	different counties, but I will come back to you on and have a chat with you about it.
17	Absolutely no problem
18	
19	Councillor Fenelon Gaskin, footpath repairs, yes. This has come up in the chamber
20	numerous times around repair and maintenance of footpaths, and Brian will probably
21	talk you through it as part of the budget process. There is a dedicated phone number
22	for Elected Members for Uisce Eireann. We will make sure that is circulated to
23	everybody. Now I don't know if they answer it.
24	CATHAOIRLEACH: And an email.
25	MS O'GORMAN: And an email. There is a dedicated phone number. We will get
26	that circulated to all the members.
27	MR LANE: On Mountain View, I am not quite sure if the tender has been submitted
28	or what stage we're at on the tender process. Normally the programme is attached to
29	the tender process, once we get the tender in. I should have that. I'm not a hundred
30	percent sure what stage the tender process is at, at the moment.
31	CATHAOIRLEACH: Thank you, Joe. That concludes the Chief Executive's Report
32	and thank you for working with me. We're on time. So can I just go to item number
33	33: To receive a presentation from the Civil Defence. I would like to welcome
34	Michael Carroll and Edel Mullen.

1	Mr Carroll: Cathaoirleach, Chief Executive, Elected Members, ladies and
2	gentlemen. Perfect, brilliant. I suppose am only here for ten minutes today, just to
3	put Civil Defence back into the limelight and kind of for the newly Elected Members
4	here of the Council, just a refresher for everybody to remember who we are and what
5	we do.
6	
7	I suppose the Civil Defence is who we are and we're kind of jointly funded and
8	supported by two bodies: We've yourselves here in Wicklow County Council and
9	also the Department of Defence. So there's a 70/30 split between the Department of
10	Defence and the local authority. Our policy document that we're working towards at
11	the moment is developed there and it's called Towards 2030, and that sets out our
12	guidelines for the Civil Defence and our activities that we complete for 2030.
13	
14	We have 48 active members at the moment. We're currently doing a recruitment
15	campaign with the intent to take on an additional ten volunteers. That's hoping to
16	kick off now at the end of September. Our Civil Defence Training Centre, for people
17	familiar with Greystones, we're tucked in there, you wouldn't even see us if we're
18	driving past, but we're right beside Aldi, on the Mill Road in Greystones. We also
19	have a unit based out a Baltinglass area and we're looking to find a more permanent
20	home for them at the moment and we're working on different options. But our main
21	training centre where all our training takes place is based out of the training centre at
22	the Mill Road, Greystones.
23	
24	Who calls the Civil Defence? Some of the names thrown up there, An Garda
25	Síochána, Wicklow Fire Service, the Coast Guard, National Ambulance Service, any
26	of the principal response agencies or any other of the voluntary emergency services,
27	they are the guys that would request our assistance. I suppose Civil Defence assists
28	any of those. We're a standalone statutory body with about nationally three and a
29	half thousand volunteers nationally. So again at any one point any of these services
30	could call in for our assistance.
31	
32	So what do we do? These services can call us in. In our Towards 2030 document
33	there we have five core areas that we're working there: We've got search and rescue,
34	we would be requested by An Garda Síochána; we have emergency response, which

1	is mainly requested in by the likes the Fire Service or the Coast Guard; we have
2	Radiation Monitoring, which is a service that has been around since the Civil
3	Defence was set up in 1951. Radiation monitoring, as scary as it sounds, it is not as
4	scary as it sounds. We would collect samples in conjunction with the EPA and
5	deliver them to EPA. Again we are collectors, and we test for the radiation particles
6	on these samples, not in any particular areas, but again it is to establish a baseline
7	that in the event of any fallout we would have a baseline knowing what our grasses
8	and soils and grains would have had naturally beforehand to have a baseline.
9	
10	Community support. We also do First Aid. So again, we provide First Aid cover for
11	an awful lot of events. You probably see us out and about, assisting with the Local
12	Sport Partnership here. We also do local events, the likes of assisting with the
13	Wicklow Hospice. We assist, we do an awful lot of national events as well. Again
14	our guys are highly trained by in-house structures. We train up to the evidence of
15	EMT, which is emergency medical technician, and everything subsequently below
16	that.
17	
18	Some of the events you might see us on throughout the years. Again, we cover some
19	large-scale events, which is important for our guys to get the experience of dealing
20	with volumes of people, high volumes of patients as such. Only recently there we
21	had volunteers assisting with the Fleadh Cheoil in Wexford where we had over 210
22	casualties treated by Civil Defence volunteers over the week's festivities. We also
23	transported, out of those, 51 people to Wexford ED for emergency care. Without the
24	support of the Civil Defence and volunteers those events would struggle to go ahead.
25	It is important to outline that.
26	
27	Search and rescue kind of speaks for itself. Again the Civil Defence assists in
28	missing persons searches, assisting with the likes of mountain rescues, Irish Coast
29	Guard and primarily it is called out by An Garda Síochána.
30	
31	Over 9,000 people annually go missing and are reported missing in Ireland. That
32	was a statistic from 2022. So again the importance of having a service that's, one,
33	voluntary-based, because to have a service and to call upon the resources of An
34	Garda Síochána to try and conduct all these searches, it just wouldn't be feasible.

Again those 9,000 missing persons are risk assessed by An Garda Síochána, who then would categorise them as different scale of missing persons. Where we tend to get brought in on the likes of known as a despondent; so someone who would intentionally be going missing is where we specialise. We don't do mountain rescue, like would be typical of a broken leg on the top of Bray Head, that is the expertise of Mountain Rescue. Where we are is missing persons who have intentionally gone missing. Some of the services that we provide, again we have a vast array of services in search and in missing persons. We provide all our own communications network. We have K9 cadaver dogs trained that are a national asset. So again, regardless of where it is required, the dog units would be mobilised either locally or nationally. But again these services can be called upon at any stage 24/7. Likewise, so again recently enough, as I said, our services are a national services, our guys were called upon to travel to County Clare, off the Cliffs of Moher, where we have specialist equipment, we have state of the art drone technology, highly trained skilled personnel to be able to deliver these services, and it just goes to show the level of commitment that volunteers have for their community and extended community, and also the organisation with the willingness and commitment to get up early and take time off work sometimes to travel to be able to bring closure to somebody's family. Like I said earlier on, we assist in response. We assist the fire services in terms of adverse weather. If there is flooding events that they are overcome or overwhelmed, our guys are there to assist with them. Also to provide welfare facilities for them as well. Only this year we had the kind of snow that snuck up on us all, our volunteers spent nearly the whole weekend up in the Sally's Gap with stranded tourists going missing up there which then causes a chain reaction with some one person getting stuck on the side of Sally's Gap then becomes 90 people, once 90 people become stuck on the Gap it becomes an issue for An Garda Síochána who are overstretched. We have a variety of vehicles with all the equipment required to assist and recover

and assist the Gardaí recovering people from such places.

We kind of do a little bit of everything. So again, like, assisting the fire service our guys are trained in water as well. So we have flood responders trained to be able to enter floodwater should the need arise where you might have to cross or evacuate people from their residents. The guys are highly trained. And again we train up our internal instructors who deliver this training across many different skill sets, so between life jackets, people understanding and operating life jackets to actually being able to commit to the water and being able to rescue people.

A new piece of equipment brought to Wicklow there in conjunction with Wicklow County Council and the Department of Defence last year was a new boat which also helped to assist with our sonar operations. You can see the presentation there which is just a picture that's encapsulated there. That's a bicycle, and that's what sonar image looks like when you take a picture underneath the water. This is what we are looking at when we are out in the water. So again, it's quite important when we're dealing with missing persons because generally missing persons we're dealing with are despondents who entered water unintentionally and the unfortunate outcome that we are recovering them from out of the water and identifying areas for Gardaí divers to dive.

A big part of what we do is community assistance. You can see there captured by Darkness Into Light. This isn't only a necessity for the community it is also a great feel-good factor for our guys. Without our assistance an awful lot of commune events wouldn't have the ability to go ahead because the Civil Defence provides such a required skill set, medical cover or even just providing safety cover. These smaller size events wouldn't have the resources to be able to commit to their events. Likewise again small community events, good feel-good factors for our guys. It also helps us raise awareness at these events when they see Civil Defence Jeeps and people in uniform, it gets them out and talking to us. It also helps with our recruitment then, because people say I saw you at or I saw you in Greystones. It is important for us guys to communicate that message across to take on new guys.

A big part is temporary and emergency shelters. That was one of the biggest ones we did back in Arklow Rec Centre. Like again at the drop of a hat you could have 50 volunteers or 20 volunteers, or whatever the availability is, within two hours drop

1	everything and run to the aid of the community. So again it just shows you the level
2	of commitment that these guys and girls have.
3	
4	Incident support truck. Again one of our biggest assets to what we do is having the
5	ability to be able to support any type of incident that you could think of. And that's
6	how come we're so versatile. We are not just solely a first aid or search and rescue.
7	We have the ability to respond to and assist with any incident. And again any
8	protracted incident that has taken on a period of time we have the ability to provide
9	on-site welfare for major fires, wild land fires or any other mass casualty incidents or
10	stuff like that. It is one of our biggest assets that we have there.
11	
12	As I said earlier on there about our role with the EPA. So nationally, again it's a
13	national exercise that that's held and sometimes twice a year to collect this data,
14	collect the samples, collect all the figures, and be able to report this into the EPA to
15	have a baseline. And again, these samples are collected unknown to everybody
16	across the country, but again people see that we do radiation monitoring, and they
17	sometimes think that we're in suits and all that, it is basically just sample collecting.
18	
19	As I said to you, a big part of what we do is, it can be recovery and having a system
20	in place, peer-to-peer supporters for critical incidents, stress management. So again,
21	the guys that are volunteering their time here, it is a huge commitment and again
22	some of the scenes that they might come across aren't the prettiest sometimes, so
23	again we have a system in place to ensure that the welfare of our volunteers is
24	always looked after.
25	
26	That's me anyway. If there's any questions or anything like that I would be glad to
27	answer them
28	CATHAOIRLEACH: Thank you, Michael. Just before I invite members in, rather
29	than having 32 into thank you, on behalf of all the members I want to thank you and
30	all your members for your commitment, your service, your work ethic. You know,
31	some of the pictures up there, you know, you're putting yourselves in harm's way for
32	others, and as we all know in this day and age it is not easy to get volunteers. So I
33	want to wish you all the best with your recruitment campaign. If there is anything

1 we can do for you in terms of publicising, all our phones will certainly be on, and I 2 wish you well into the future. 3 MR CARROLL: Thank you very much. 4 CATHAOIRLEACH: Councillor Dermot O'Brien. 5 COUNCILLOR BOURKE: Thanks, Cathaoirleach, and thanks, Michael, for the 6 presentation. Again phenomenal stuff. We're in a space where we consider 7 ourselves in service to the public; I think you bring it to a whole other level, which is 8 hugely commendable. Three things -- one is a bit cheeky, but the other two, the 9 in-house structures that you talk about, how valuable is that to have and is that 10 something where people acquire that still over time or they pursue it because they 11 want to be an instructor? Because I can imagine if you had to buy in instructors that 12 would probably cost a lot. So is there added value or benefit to have in-house 13 instructors? In terms of recruitment, I am fascinated about what that's like in terms 14 of the age cohort and who's attracted to that space? I would love to see a broader 15 society where people are given credit for taking a day, you know, off work to be able 16 to volunteer in something like the Civil Defence. But yes, maybe just speak a little 17 bit about the commitment that's required for recruitment and how confident you are 18 that you will get people in. And again I think there's a role there for us to amplify 19 any recruitment strategy that you have in place when the timing is coming up. 20 21 Then you mentioned the 70/30 funding, I am not sure who has got the 70 and who 22 has got the 30. Thanks all, Cathaoirleach, 23 CATHAOIRLEACH: Thank you, Councillor. 24 MR CARROLL: Yes, the volunteer instructor is most certainly, it's a huge asset to 25 have because again the initial outlay to train an instructor versus the costing of 26 sending multiple people on a course or buying instructors in, if we had to do that the 27 organisation would be an awful lot smaller and our skill set would be an awful lot 28 smaller as well. In conjunction with the Department of Defence now we have a 29 centralised-run college in Roscrea, in Tipperary. They cover an awful lot of in-house 30 training and trainer-to-trainer and instructor training. There's obviously some skill 31 sets that we can't, and it is just not feasible to train volunteer instructors. The 32 challenge with volunteer instructors as well is that if you train with an instructor 33 they're committed to giving more time. So generally it is the dedicated volunteer that 34 would be the ones that are knocking on your door asking to get the instructorship.

1	
2	The 70/30 split is 70% Department of Defence and 30% local authority. You had
3	another question I can't. The age profile for recruitment. Recruitment, we never
4	seem to have a problem. We probably have about 30 on the waiting list now at the
5	moment. Again we would love to take on everybody, but you can't just take on
6	everybody. And the age profile is varied compared you know, there isn't an age
7	cap on volunteering for Civil Defence. So you can be whatever age you like. But
8	there is a joining age of 18 and above. We never seem to we have a a good
9	variety of age to be honest. And we don't seem to have a problem in recruitment at
10	the moment anyway.
11	MS O'GORMAN: You might want to mention your longest serving member.
12	MR CARROLL: Yes, thank you. Last year one of our longest serving members,
13	Sheila O'Neill from the Baltinglass area, collected her 60th year service medal for 60
14	years of services. When people join the Civil Defence they tend to hang around.
15	You join it because you like what you do. Yes, we're all aiming for Sheila's 60-year
16	medal
17	CATHAOIRLEACH: There's something for the Baltinglass MD to think about then.
18	Any other questions before we thank Michael? Thank you very much again
19	Michael.
20	MR CARROLL: Thank you very much.
21	CATHAOIRLEACH: And also Edel for accompanying you today.
22	MR CARROLL: Yes.
23	CATHAOIRLEACH: Even though she got off light there. Thank you, Michael.
24	Thank you members. So we are at 4:35. So I am going to go to the suspension of
25	standing orders. Councillor Leonard.
26	COUNCILLOR LEONARD: Thanks, Cathaoirleach. I suppose every year five
27	years, my first September, I started getting the reps like everybody does "my child is
28	not on the bus" or whatever, but it's just gotten progressively worse and the last two
29	years have been particularly bad, and last year I thought it can't get any worse than
30	this, and then this year it's just been the worst ever. So I suppose as a last resort, I
31	don't know how much this is going to help but I am just feeling so helpless because I
32	am looking at lots of parents and they're from a varied across the county, and
33	they're all just really suffering and the stress and just the unprofessionalism is just

really the most -- I just can't get over the mismanagement of it all.

So the suspension of standing orders, the motion that I wanted to put forward is that this Council request Chief Executive to write to an An Taoiseach, Simon Harris TD, and Minister for Education, Norma Foley TD, to request and fund an urgent and comprehensive review on the management of the school transport system with the purpose of identifying the shortfalls in the school transport service division which are causing severe stress to parents and students on an annual basis and that they ring-fence the necessary funding to implement the recommendations of the report as part of the next annual budget.

Now, yesterday I looked up, I said I better do some research to see who has been speak being this in the Dáil and that, and I couldn't believe that there actually has been a report done in February last and we're still progressively getting worse. I will just read out some of the things.

On behalf of multiple parents and students across the county who have been affected by a series of issues in relation to the poor management of the school transport system, such as last-minute notification of cancellation of school bus services literally the week and days before the school term begins, even though they have full tickets. Some of the schools affected, one in particular is particularly difficult to stomach because it is New Court School in Bray. There's ten students at least, new students, that their tickets were all -- Bus Eireann were notified about these students since June, and according to the principal, Louise Egan, their operator is ready and willing to go and they're just waiting on Bus Eireann to rubber stamp the service. A lot of these students come from disadvantaged backgrounds, have no access whatsoever to transport and have potentially now no school for up to three weeks until this is sorted. We need to seek clarification from the Department of Education about attendance exemptions for these children, because if they're not in school it will have implications on their attendance record.

Two other schools -- three schools in Arklow, St Mary's, Glenart and CBS are affected. There's no service from Aughrim to Arklow. And no correspondence. We have a rep line, reps at Bus Eireann, as public reps. I send reps in. I might as well be putting reps into a bottle and throwing it into the sea. No just acknowledgment and

1	no reply, no clarification. So we really don't have an idea of how many students
2	across the county are affected because there there's no line of communication. I have
3	emailed the Department of Education and Minister Foley, and I still haven't had a
4	reply either.
5	
6	The other place affected is Rathmore Holiday Village. They have up to 41 students
7	with no bus service at all to bring them into Ashford and Newtownmountkennedy.
8	
9	And then the last two that I have on my books, and I'm sure other Councillors have
10	other schools, are East Glendalough School and CCM in Wicklow. There's no
11	service from Arklow to East Glendalough at the moment.
12	
13	So all those of kids, their parents are under pressure, and particularly the autistic kids
14	and parents with special needs, that are working, some of them were single mums,
15	and they're just under severe stress. And you know they're doing their best and
16	trying to cope with their children and the difficulties around starting them in a new
17	school and a new term without this, and you know the extra pressure on parents to
18	try and and then just throughout the year, just in general, like I know the review is
19	there, I haven't read through the whole lot myself yet, but there is a real need for
20	some sort of app for parents to be able to follow the buses and know their kids are
21	safe. There's no signage on the buses. There's no maps. There's stops listed out. It
22	is just too vague. There's too much risk.
23	
24	I had one little one last year, they were left on the side of the road because she got on
25	the wrong bus, and she had selective mutism, so she wouldn't tell the bus driver.
26	Thank God she had her phone with her, and she text her mum. She got out on the
27	side of the road, and she didn't even know where she was. Her mother had to follow
28	the GPS to find where she was. They're young kids, they wouldn't be in big gangs of
29	friends that know each other, and it is their first time on a school bus going to
30	schools. Something needs to be done.
31	
32	If anyone has any other suggestions I am open to it, or if they want to amend the
33	motion in any way. I just think that there needs to be an outcome, and something
34	needs to change for next year. Thanks.

CATHAOIRLEACH: Thank you, Councillor. Can I just say that it's an excellent motion because I am sure all 32 of us have been inundated especially again in August and September in terms of the problems that's facing the young kids around the county. What I am going to do now, as protocol, I am going to invite those who seconded the motion speak, then, rather than going through each individual story -- because I'm sure we all have heart-breaking stories of what is happening around the country, it's not that we don't need to hear them I am conscious of time. Councillor Fortune. COUNCILLOR FORTUNE: I think Councillor Leonard has covered it very comprehensively. I think it captures what the problem is. But the problem is the problem. What are we going to do about it? The challenge is massive. There's parents being told that their child doesn't have transport they had 12 months ago, or a sibling doesn't have it going forward. The whole thing is chaotic and the fact they can't get a response or answer is not right. I think, based on Councillor Leonard's very comprehensive motion, we have got to do something about this and really be clear on who we need to talk to about it, whether it be TD 1, 2, 3, or whatever the case may be. We have to take it on board here as public representatives to make something happen about it with the support of the Executive. That's the way I would like to support the motion that Councillor Leonard has put forward. Because what she's reflected is what is happening all across the county, and it is crazy. COUNCILLOR BEHAN: I agree with everything that has been said. CATHAOIRLEACH: Perfect. Councillor Peter Stapleton. COUNCILLOR STAPLETON: Thank you, Cathaoirleach. Yes, I really appreciate and welcome this motion being brought to the floor, not to obviously be inundated with my own request for reps but not to harp on about those, just to address the actual problem. And I suppose I would have gone through that report that was issued this year and would welcome some of its recommendations, including getting rid of concessionary tickets and the requirement for students to use transport to their nearest school. And over the past number of years there have been big changes within the school transport system, notably the vast reduction in fees or cost for that transport. That has had an knock-on effect where people would take up places on bus routes where they mightn't necessarily use them full-time. But I do think as a whole it has probably been a failure of performance and delivery within Bus Eireann, and I do think that if we are asking for a report rather than looking at the whole

1	system, which has just been reviewed in the last year and suggestions have come out
2	of that, really we should be asking for an audit of the performance of Bus Eireann in
3	terms of the delivery of their service. That is the only amendment or suggestion I
4	would add.
5	CATHAOIRLEACH: Thank you, Councillor. Councillor Graham Richmond.
6	COUNCILLOR RICHMOND: Thank you, Cathaoirleach. First of all, I would like
7	to commend Councillor Leonard on this motion. It is excellent. I have first-hand
8	experience as my day job. But just as a snippet, Bus Eireann knew about this issue
9	last September. The tenders, they notified persons as late as last Friday that they
10	wouldn't have a school bus for the Monday. It is unacceptable. And then I spoke to
11	a bus operator just Thursday last, and he was notified on Wednesday, nearly a week
12	after some schools had returned to school, that he had got the tender. So that's in the
13	process. And I think it is really imperative as Councillors that we stand up and
14	actually take a stand on this issue. We've now got a year to solve it. So you're not
15	coming back here this time next year.
16	
17	The Bus Eireann tenders for the service are issued too late.
18	
19	And what I would also like to put on record: At the moment it's law that to drive a
20	bus you have to retire at 70. Now there's a number of 70-years-old who have their
21	bus licence, who to drive a bus both in the morning and afternoon would be prepared
22	and are able.
23	
24	And just a last point: The reason we're not attracting people into the industry is the
25	cost to train up and get your licence as a bus driver is too much. Thank you.
26	CATHAOIRLEACH: Before I move onto Councillor O'Brien, Councillor Leonard,
27	Councillor Stapleton has made a small amendment to your proposal; are you willing
28	to accept that?
29	COUNCILLOR LEONARD: Yes. I think that might be a welcome addition,
30	because we do need outcome out of it, and we need to measure it. And maybe just
31	some form of formal communication line and a working group on it. Just to say as
32	well, I did speak to a secretary of a school who has been in a school for many, many
33	years and she said when the county council operated the bus service there was never
34	a problem for all the years.

1	CATHAOIRLEACH: Just before you switch off your mic sorry, it doesn't matter.
2	You're accepting it, would you mind seconding it?
3	COUNCILLOR LEONARD: Yes, yes.
4	CATHAOIRLEACH: Perfect. So I can move things on. Councillor Dermot
5	O'Brien, sorry for delaying you.
6	COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. Again, thanks for the
7	motion. I guess what is very frustrating about these scenarios is that it's not
8	unpredictable. And so, if we're faced with a scenario that is predictable and we're
9	faced with it again and again then somebody has to be accountable for that. And
10	again I was going to speak to the Bus Eireann dynamic. So I really strongly support
11	that added dimension to this. Because someone has to be accountable
12	for accountability is taking responsibility for the consequences of the choices you
13	make. So somebody has to take responsibility if we have to move forward, and the
14	school transport scheme. And again, being mindful of what Councillor Leonard said,
15	across the country there's approximately 20,000 children with special needs who rely
16	on the services. So again, a service that is supposed to provide a service for those
17	with the most need and then it fails them. Again someone has to be accountable for
18	that.
19	
20	I strongly support the motion, Cathaoirleach. And I also support the idea that
21	we again as Councillor Richmond said, if we come back here in a year and the
22	same scenario is presented with us then maybe we're accountable on some level, so
23	let's take a grip of this and work through it. Thanks.
24	CATHAOIRLEACH: Thank you, Councillor. You might switch off your
25	microphone, Councillor Richmond, thank you. Councillor Gerry O'Neill.
26	COUNCILLOR O'NEILL: Yes, again I would like to support Peir's motion. In
27	West Wicklow now I have been out the door with phone calls, hardships, I don't
28	want to dwell on those, you know yourself, people in very rural isolated areas who
29	paid for their tickets you know last May and two days before they were to get the
30	buses their parents were informed that they didn't have a ticket. You know, that is
31	serious. You know, to pay up their 125, or whatever it might be, and then at the last
32	minute to be saying and all the arrangements that families have to put in place with
33	babysitters or whatever the case may be. The buck stops with Bus Eireann. This is
34	run through the Department of Education, so the buck stops there with the

1	government, the government of the day. And I think, you know, they're the people
2	that really have to get this by the scruff of the neck and sort it out because it is not
3	fair. It is not fair. It is poor management. Thanks, Cathaoirleach.
4	CATHAOIRLEACH: Thank you, Councillor. Councillor Orla Finn.
5	COUNCILLOR FINN: Thank you very much. I actually feel that this motion
6	speaks to a much larger issue, and that is the one around the fact that we are not
7	building enough schools in areas where we are building a lot of houses, and we have
8	an increasing population. I would specifically like to reference
9	Newtownmountkennedy and Roundwood when I speak of this.
10	
11	I firmly believe that everyone should have a secondary school in their area and one
12	that meets the need of the community, and children would absolutely love to be able
13	to walk to their local school. I suppose as such then I would very much like to
14	unequivocally support Councillor Leonard's motion in this regard.
15	CATHAOIRLEACH: Thank you, Councillor. You can switch off your microphone
16	there. Councillor Stokes.
17	COUNCILLOR STOKES: Thank you, Cathaoirleach, and I would support this
18	motion, and I would like to commend Councillor Leonard for bringing it forward.
19	This is an important countywide issue of course. I mean I am liaising with people as
20	well. I have had representations. Just on Friday I was speaking to a very frustrated
21	parent in the Newcastle area of Greystones. But I just want to, you know, we can
22	talk about Bus Eireann, but the government needs to get a grip of this long-term.
23	Now, in France my understanding is what they do is they have a national internship
24	scheme for truck drivers and bus drivers. And I think they need to get really serious
25	about this issue and to turn it into a profession that's on a par with important key
26	skills, you know whether it is like plumbing or electricians, that bus driving and
27	truck driving is a vital key skill. And I think that they should take a page out of what
28	the French are doing.
29	CATHAOIRLEACH: Couldn't agree with you more. Councillor Miriam Murphy?
30	COUNCILLOR MURPHY: Thank you, Cathaoirleach. Yes, I totally agree with the
31	motion. But again we heard it last year and probably the year previous to this and
32	we (inaudible) starting. But I do think there's a bigger issue as well, that, a lot of the
33	Councillors previously have spoken, I know in Arklow now that the (inaudible) will
34	be finalised and it mean more houses being built, more population. The schools are

1	going to be probably over-attended, and they will spill out to different schools in
2	different towns and the same problem is going to happen, doubly, probably treble,
3	and probably the same in any town in our county. And also the additional needs
4	children, the additional needs schools, like these need normality of routine, their
5	parents. This is parents' respite for an hour. So it is not just going to school, it is the
6	whole routine. But also I mean every year we have this problem and every year we
7	sit here and discuss it and then, you know so something seriously has to be done.
8	But it is very, very disappointing as a Councillor, and Councillors have said in this
9	chamber, have contacted our TD and our Minister, and no response. That is not
10	good enough. That is where the problem lives. Thank you.
11	CATHAOIRLEACH: Thank you, Councillor. And thank you, Councillor Leonard
12	again for bringing such an important matter to not just life but into this chamber.
13	And I am going to suggest that after we send the letter if we don't get a response
14	within a certain timeframe that we write to them again inviting them down here.
15	Because what we don't want is a repeat that we are all sitting here next September,
16	having the same argument and same discussion, especially when we're all on the
17	same page. So what we will do is, we will write to them now. If we don't get a
18	response by a certain time we will write to them again inviting them down to answer
19	our questions because this is not good enough. Is that okay, Councillor Leonard?
20	COUNCILLOR LEONARD: Yes, thank you.
21	CATHAOIRLEACH: Perfect. Have we any correspondence? No correspondence.
22	Okay. That concludes the meeting. Our first one back after summer break. Thank
23	you all for your patience and I look forward to seeing you again next month.
