The following Orders of the Local Governmen Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

26th November 92

No 123 16 1892 30th Novr 92

The Local Government Board wrote calling attention to their letter of the 26th Ultimo, applying for a Return of the receipts and expenditure of the Union & of the number of persons who received Out Door Relief therein during the year ended the 29th of September last.

The Clerk informed the Guardians that on receipt of this communication he prepared & transmitted

the desired return to the office of the Local Government Board.

No 46,155 1st December 92

A letter was also read from the Local Government Bd requesting to be furnished with an Estimate, in detail, of the proposed work in the Lunatic Department of the Workhouse.

The Board directed the Clerk to forward the Estimate required to the Local Government Board.

The Treasurer wrote to acquaint the Guardians that the Directors of the National Bank had sanctioned the extension of overdraft to £1,000. as applied for.

The Infirmary Nurse, Miss Deegan, wrote applying for an extension of leave for one month and enclosed certificate as to state of health from Dr King, Workhouse Medical Officer, as following:- 29th Nov. 92 "Miss Deegan has consulted me to-day and I find her much improved in health but she is not at present strong enough to return to her duties as she is still suffering from poverty of blood and consequent debility. I consider that her strength will be sufficiently restored to resume her duties four weeks from the expiration of her present leave."

It was proposed by Mr Spence, seconded by Mr Dowling and unanimously resolved:- "That inasmuch as Miss Deegan's health has so much improved during the months leave she has had, and having regard to the certificate & opinion of Dr King that an extension of leave for one month would restore her to health, so that she could then resume her duties, we therefore grant

Mr. Dowling moved, pursuant to notice, that the Schoolmaster of the Workhouse be paid the amount of results fees due to him; but after some discussion, he eventually withdrew his motion.

The caretaker of the Imaheley Water Works, Edward Healy, attended before the Board as desired with respect to one of the fountains which was stated to be out of order for one month and was requested to explain why he did not report the matter. Healy stated that Mr Carroll of Imaheley had been speaking to Mr Symes, Poor Law Guardian, about the fountain & so he did not think it was necessary to report it. Healy was then cautioned that in future he should report such an occurrence direct to the Board.

Read letter from Mrs Brown, Lo. as following:— Guardians Pollard & Nolan

If the Defendants will not give up peaceable possession of the cottage & plot, the Sheriff must be instructed to execute the Decree & give up possession to the Guardians. Assuming that the Decree will have to be executed through the Sheriff I send notice to Relieving Officer and copy, both of which please sign where your name is written & then hand over of the notices to the Relieving Officer for the Electoral Division of Clonmore, where the premises are situated. When this is done please let me know so that I may instruct the Sheriff to take possession. them, but if not the Board will be obliged to have the Decree executed by the Sheriff & costs levied including his own expenses.

A letter was read from James Lynch, Contractor, stating that he was preparing to proceed with the work & that he would execute his Bond on Friday next.

On the motion of Mr. Speares seconded by Mr. Dowling it was resolved - "That J. Lynch's Contract for the erection of two Cottages at Ballyduff & Carraea be cancelled if he fails to attend and execute his Bond on or before this day week & that he be obliged to pay the expense of preparation of the Bond according to terms as advertised

James Goss of Ardnabay wrote Claiming the sum of £4-17-0 for ~~erecting~~ work done ~~fences etc~~, in connection with the erection of Labourers Cottage of which he had been accepted as Contractor, having failed to complete same in the proper period the Board then cancelled the contract.

The document was marked "read" by the Chairman.

The Board proceeded to consider tenders, as advertised, to erect two cottages (in one block) at Ballyshane in the Electoral Division of Clonmore one cottage in the townland & Electoral Division of Clongall when the following were read:- Michael Foley proposed to erect a cottage & fence at Clongall according to Plan & Specification for the sum of £120 & Patrick Kehoe to erect two cottages (in one block) at Ballyshane for £260 A tender was also received from James Lynch at 12, o'clock noon, which was endorsed "too late" by the Chairman.

Mr. Speares proposed Mr. Kennedy, seconded, & it was

unanimously agreed- "That Mr. Michael Foley's tender to erect a cottage and fence at Clongall for £120 be accepted, the work to be completed within four months from date of obtaining possession" & the Clerk was directed to instruct Mr. Brown Solicitor to prepare Bond at the expense of the Contractor.

The Guardians considered that the tender of Patrick Kehoe for the erection of two Cottages (in one block) at Ballyshane for the sum of £260, excessive, and directed the Clerk to re-advertise same to be considered on this day three weeks.

The Board agreed to accept Margaret Kinsella as Tenant for Labourers Cottage at Ballynakill, on her handing over possession of old cottage to owner, and executing the necessary Agreement.

Thomas Dempsey & Daniel Doyle of Racketstown appeared before the Board and applied for two cottages which are at present in course of erection there & also Richard Healy for Cottage at Killalongford.

The Guardians deferred the consideration of the foregoing applications.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 9th day of December 1892

PRESENT: In the Chair— Fran R Brooke Esq DL VC

Other Members:— Major Newton W. Med. R D. Lawrenson Esq Louis Montfort Esq. Edwd Byrne Esq, W. P. Jones Esq, J. Braddell Esq, R. Lawrenson, Richd. James, Wm Spears, Edmund J. No 47,620. 8th Dec. 92

The Local Government Board wrote returning the forms "A", transmitted by the Clerk on the 1st inst. in relation to the loans granted to this Board to carry out Improvement Schemes under the Labourers acts, authorised by Provisional Order, dated 19th July, 1890: to request that the reference number of each site be entered in column 2, as given in said Provisional Order.

The Clerk was directed to amend the documents and re-transmit them to the Local Government Board.

Wm Brown, Solicitor, wrote for the two bills of ~~taxed~~ costs furnished in August 1888. and paid, which he required for the purpose of making out his account as requested by the Board.

The clerk stated that he had not the bills of costs referred to as they were returned to Wm Brown to

to have them taxed & subsequently his a/c was paid on the certificate of the Relieving Master.

Patrick Kehoe, Contractor for erection of Cottage at Raheen, wrote that a man named Reilly of Davishill was drawing away the stones placed there by the late Contractor Goods. In making out his tender he (Kehoe) stated he took into consideration the advantage of having these stones on the spot & made a corresponding allowance; the aspect of affairs was now considerably altered. He suggested that whoever was responsible for the removal of the stones be ordered to re-place them so that he might proceed with the work at once.

The Board directed that the Clerk write to Mr. Reilly and inform him that unless the stones above referred to are replaced on the plot at Raheen by this day week that the Board will take such proceedings against him as they may be advised.

The Guardians next proceeded to consider a Representation, pursuant to notice, for insufficiency of house accommodation for an Agricultural Labourer from the Electoral Division of Hacketstown, which they decided to adjourn for one month and appointed a committee consisting of Messrs. W. P. Jones Jr., N. O'Toole, J. Lyons, and P. Murphy, with Mr. Ellis, Relieving Officer; to meet on Thursday the 15th Inst. for the purpose of selecting a site, reporting generally on the Representation &

As the farm of Mr. Dowzer at Hacketstown was suggested, in aforesaid Representation, as the most suitable place to build a Cottage, he wrote opposing the erection of same on his holding &

and stated that he had already four cottages on the farm which only consisted of 40 acres.

James Lynch, Contractor, for the erection of two cottages at Ballyduff & Carrara appeared before the Board and stated that his Sureties declined to execute his Contract Bond.

The Guardians accordingly cancelled the Contract and directed that Mr. Brown, Solicitor, recover from Lynch, his costs in preparing Bond under terms of advertisement, and that the Clerk re-advertise for tenders to be considered on this day three weeks.

The Clerk reported that he had received the Legal expenses in the case of the Guardians & Leland and Nolan amounting to £3.4.6; both of whom have now expressed their willingness to give up peaceable possession of the Cottage & plot at Raheen authorised to be acquired by Provisional order.

The Guardians agreed that the Clerk direct Mr. Ramsay to report on the state of the Cottages erected at Ballaghaclay and Ballinakill it having been represented to the Board that they admit rain through the roofs: & to inform him that the Board consider that no rendering ought to be put on any of the cottages at present in course of erection, during the severe weather, & that the Board are prepared, on his certificate, to extend the period allowed for building Cottages if this order should delay the Contractor.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 50,370 25th Jany 93

Read letter from the Local Government Board respecting the proposal to grant a superannuation allowance to Mr Benjn Hopkins, late clerk of the Union, to point out to the Guardians that the late clerk's remuneration as clerk to the Burial Board, as Executive Sanitary Officer, and as clerk to the local Authority as well as the allowance made to him under the Labourers acts cannot be taken into account when computing his pension. The amount therefore to which Mr Hopkins would be entitled in respect of his service of 39 years would be £88-3-4, being $\frac{39}{60}$ths of his average Salary & emoluments being £142-19-7. Same, however, the local Government

Board would be prepared to issue their consent to an allowance of £95-6-4, being granted in this case, being $\frac{2}{3}$rds of his salary and emoluments and the highest amount which can legally be granted.

The Guardians resolved that the sanction of the local Government Board be requested to the above amount, viz:- £95-6-4.

Mr Brown, solicitor, wrote enclosing Deed executed by J. Finn, contractor for alterations in Workhouse, and asking that the Chairman & Clerk should subscribe their names to the Seal of the Board, so that he might have it stamped: which was accordingly done.

The Board directed that the clerk issue advertisements for Tenders for the usual Quarterly supplies to the Workhouse, to be considered on this day three weeks, the contracts for which will expire on the 17th proximo.

46 & 47 Vic., cap. 60; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 24th day of January 189 3.

PRESENT: In the Chair— William Spears Esq

Other Members:— Messrs. Jas. Leary, Wm. Kennedy, Robert Carey, Edward J. Byrne, Joseph Hopkins and Abraham D. Symes.

Wm. Alexander Tullyowen of Arklow wrote stating that he was appointed Receiver, by the Court of Chancery, over the Estate of Byrne Minors, at Redbog, where the Guardians have erected two cottages and applied that he might be allowed 3/4 1/2 of the rent of the site.

There being three Landlords concerned in the ownership of this site the Board directed that the Clerk communicate with each of them with a view to their appointing one person, under power of Attorney, to receive the rent and then apportion it amongst themselves.

A letter was read from Mr. Ramsay, C.E. enquiring whether Boulger might provide cast iron pillars for gate posts instead of those specified; when the Board declined to depart from the terms of the Specification

Mr. Ramsay stated that T. Doyle's house in Lackaleg was

was ready for occupation but not quite completed, and gave the particulars which require attention.

Thomas Doyle, Contractor for this cottage and also one at Ballyprince, with his Sureties Messrs. Murphy & Townsend, appeared before the Board with regard to same and mentioned that they had been served with a Writ (which was issued owing to the Contractor's failure to complete the houses in the period allowed) The Sureties eventually stated that they would complete the Contract.

Mr. Ramsay having written that Contractor Boulger had one house at Lackaboy ready for habitation, with the exception of a few trifling fittings, which he would do when Tenant was in occupation, the Board unanimously resolved, on the recommendation of Mr. Kennedy, Poor Law Guardian, to accept Moses Ryan as tenant of same, who subsequently perfected the necessary Agreement.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

No. 50,370 8th February 1893

An order under Seal was read from the local Government Bd confirming an annual allowance of £95-6-4 under the Superannuation acts, to Benjamin Hopkins late clerk of the Union

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 4,519 9th Feby 1893

The Local Government Board wrote stating they had received the half-yearly report of their Inspector, Mr. Bourke, on the Union, which is of a satisfactory character as regards its financial condition and the performance of their duties by the several officers.

Mr. Bourke reports, however, that the Sanitary state of the Workhouse cannot be deemed very good. The privies throughout the Establishment are, he says, of the most primitive description, a large cesspool being attached to each of them. The cesspools are, it appears, cleaned out every year, which involved great labour. Mr. Bourke was informed that the odour from these cesspools in hot weather is most

offensive, and he thinks the Guardians should seriously consider the advisability of adopting the Tolly system so that the privies could be cleaned daily, or two or three times a week.

The local Government Board requested the Guardians would be so good as to give their attention to this important matter.

The subject matter of this communication was referred to the Workhouse Visiting Committee.

A notice was read from Mr. J.W. Drury, auditor, stating that he would attend at the Workhouse, on Wednesday, the 15th instant at 10.30. O'clock a.m. for the purpose of auditing the accounts of the Union for the half year ended the 29th of September 1892.

With reference to the proposal of Mr. D.T. Parnell, as adjourned from last Board-day, to supply Wood Woolpacking for bedding purposes in the Workhouse, the Guardians resolved that half a Ton of the fine quality at £8. per ton be ordered.

Mr. Richard Fenton wrote, applying to have the name of Captain Quintin Dick, placed on the Rate Books as Successor to the late Right Hon^ble W.H. Hume Dick, & enclosed a list of the townlands.

The Board directed the clerk to hand this communication to the Revising Officer when he next attends.

LABOURERS (IRELAND) ACTS,

46 & 47 Vic., cap. 60; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 24th day of February 189 3.

PRESENT: In the Chair— Frank Brooke Esq D.L. & J.P.

Other Members:—

Messrs. William Speares and Abraham D. Symes.

Mr. Brown, Solicitor, wrote enclosing notices to determine the contract of Thomas Doyle for the erection of two cottages at Lackabeg and Ballypierce, owing to his failure to complete the works. The Clerk was directed to have the notices served.

Thomas Doyle the Contractor for the above works, wrote, asking to be furnished with a copy of the Deed prepared for signature by himself and Sureties.

The Clerk was directed to inform Doyle that the document coned be seen or copied at this office.

With reference to the cottage sites at Ballyshane Mr. Brown wrote, that the Official of the land Commission refuses to seal the lease without evidence that when Mr. Berry was valueing the plot he fixed his value on the larger area. and this he has not yet been able either to comply with or induce the Official to waive. however.

© Wicklow County Archives

he hoped to be able to do either one or the other within the next week.

A letter was also read from Mr. Brown with respect to the five cottages on Mr. Ryan's holding at Clonegall. He noted that the Board had agreed to pay £250. for the purchase of the interests of Colonel Tottenham and Mr. Ryan. It did not appear whether any arangement had been made as to how the money was to be allocated between those two parties, but he had written to Mr. Ryan for the information.

The Guardians directed the clerk to write to Colonel Tottenham, the landlord, stating that the Board proposed to take up those cottages and to pay £50. each, for the entire interest & ask him what his interest in them is.

A Representation was received from the Electoral Division of Clonmore on behalf of a labourer named Simon Mathers, which the Board decided to consider on the 14th Proximo.

Mr. Ramsay, Engineer, transmitted two certificates for Contractor Kehoe for £35. each, on account of Mumaud & Carawa cottages. The sums were ordered to be paid. The former cottage, he said, was almost complete and the latter well forward: Kehoe's cottage at Coolalaw is complete except in a few particulars which the Contractor promised to have done in a few days. He also enclosed Specification for repairs to roofs of cottages (erected under Grant Scheme) at Ballinakill and Ballaghaclay and for erecting

gate & posts and dividing fence at same place, which he estimated at £8.

The Board agreed to accept a proposal from Patrick Kehoe to execute this work for the sum of £8.

Mrs. Kehoe of Knockanamad appeared before the Board and stated that James Foley, whom the Guardians have accepted as tenant of new cottage erected there, refused to give up possession of the old house and plot on her land.

The clerk was directed to notify Foley that he has nothing whatever to say to the plot on which his old house was built and that unless he at once gives it up that proceedings will be taken to obtain possession of the new cottage.

Patrick Kelly of Hacketstown applied for one of the cottages in course of erection there. The Board referred the applicant to the Guardian of the Electoral Division.

A man named Henry Behan of Raheengraney appeared to apply for a cottage and stated he had been "swindled". He was informed by the Chairman that if he and his employer, Mr. Braddell, would attend at the Estate Office of Earl Fitzwilliam, on Monday that the matter would be settled.
