LABOURERS (IRELAND) ACTS,

46 & 47 Vic., cap. 60; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 24th day of June 1892.

PRESENT: In the Chair— Edward Byrne Esq J.P. D.V.C.

Other Members:— Messrs. Wm Spears, Wm Kennedy, Edward J. Byrne, Joseph Hopkins & A. D. Symes.

No. 75 - M/1892 - Miscellaneous 21st June '92

Read circular letter from the Local Government Board to forward therewith for the information of the Rural Sanitary Authority, a copy of the Labourers (Ireland) Act. 1892. 55 Vic. Cap. 7. which received the Royal Assent on the 20th ultimo.

Mr. Brown, Solicitor, wrote as follows:—

"I find that the plot for Labourers House on the lands of Ballyshane on holding of Matthew Roche was wrongly marked out on the original plan as it did not contain 2.4. It is necessary to alter the Maps and for that purpose an application must be made to the Petty Sessions Sent a notice for this purpose to be served on Matthew Roche, but the process server states that he is dead. Kindly ascertain from some of the Guardians the name of the person in possession of his holding so that I may have proper notice served."

The Board directed the Clerk to inform Mr. Brown that Maurice Roche is now in possession of the holding above refered to.

Read letter from Mr Ramsay, Engineer, as follows:-

23rd June '92

"Yesterday I laid out the following cottage and fence sites, with the respective Contractors viz:- Raheen & Ballinakill, with P. Kehoe, Killadangford & Cronesstagh Lower, with E. Boulger and Rathnapushoge & Knockanamna with D. O'Brien. At Raheen, the tenant of the land (Pollard) was at the place and refused to allow the old house to be taken down. I found talking to him of no use, but laid out the site of new house and gave the Contractor directions to start, which he seems afraid to do. Pollard did not use actual threats of violence but said repeatedly that he would not allow any one to touch the house. I should like to know whether or not, under these circumstances, I have actually given possession of the plot to the Contractor or only attempted to do so. The occupiers of the other plots all gave over possession without any trouble, except the occupier of Ballinakill plot, who did not appear either now or last November."

It was proposed by Mr. Speares & seconded by Mr. Symes & passed the following:-

"That Mr. Brown, Solicitor Naas, be instructed to take the necessary steps to put the Sanitary Authority in possession of the lands and premises at Raheen, Co. Carlow, now in possession of Wm. Pollard and which he refuses to give up."

The Clerk was directed to write to Mr. Ramsay Engineer and inform him that the occupants of

the old houses at Lackabeg are willing to give up possession & instruct him to arrange with Mr. E. Boulger, Contractor, to meet him and hand him over possession of the Works.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No. 29890 28th July 1892

Read letter from the Local Government Board stating they have had before them the minutes of Proceedings of this Board on the 22nd Instant containing a further entry relating to the Clerk's report of the 1st instant as to the condition in which he found Collector Allen's books, and the Local Government Board desire to state that as Collector Allen is unable to furnish any satisfactory explanation in this matter, they cannot consent to his being entrusted with the collection of the next Rate.

A letter was read from Collector Allen enclosing

a Cheque for £32 in favor of the Guardians signed by Mrs Anne Lawler, of Newtownbarry. which the Clerk was directed to transmit to the Treasurer of the Union.

The Clerk reported that J.W. Drury Esq. Local Government Board Auditor, attended at the Workhouse on Tuesday and Wednesday last the 26th & 27th Instant, and audited the accounts of the Union for the half years ended 29th September 1891 and 25th March 1892, & certified same correct; Abstracts of which were signed by the Chairman and 50 copies each ordered to be printed.

Mr. Drury entered report in the Ledger as follows:-

"Collector Allen has attended before me to-day. The Books when last made up shewed £94. 4. 11 due on his divisions. He has to-day checked his books by which it would appear there are £32 since collected and now in his hands. This money he has not brought in but states he will lodge it tomorrow in Newtownbarry. His books are in a most disgraceful condition, many receipts are altogether missing with their blocks duplicate receipt blocks are filled up but the original counterparts are not forthcoming so that it is impossible to tell how his collection really stands. The Guardians have given him till the 1st August to close his collection and I trust they will insist on taking up his books at that date as they will incur responsibility should they by delay release the Collector or his Sureties from their obligations."

PRESENT: In the Chair— The Hon.ble A.K.D. Boscawen D.L.

The following letter, addressed to the Clerk was read from Mr. Brown. Solicitor, viz:—

25th July 92

"There is an application to be made at the Hacketstown Petty Sessions on Thursday next to correct a mistake in the site of the Cottage of Ballyshane in the occupation of Maurice Roche Will you Kindly attend at the Court House at 12 O.clock on Thursday next bringing with you the original maps and plan deposited with the Scheme."

Petty Sessions as requested.

A letter was read from Mr. Ramsay, Engineer, to state he attended at Lackaboy with D. Boulger, Contractor, to give him possession of five old houses which are authorized to be repaired and that one of the Tenants named Moses Ryan refused to give up possession to take the Keys of the other cottages until he would get the whole lot; consequently the Contractor declined to hand over possession of these houses to D. Boulger, Contractor, as soon as possible

Moses Ryan's son, however, attended before the Board & stated that his father was now willing to hand up possession of the cottage & that Mr. Ramsay was directed to notify same to Mr. Ramsay

Mr. Foley, Poor Law Guardian, transmitted a bill from John Byrne of Hacketstown for the sum of £10/- for repairing Roof of Labourer's Cottage at Knockanama which was damaged by the storm last October, when the Board decided to refer same to Mr. Ramsay, Engineer, for his Certificate

The Guardians directed the Clerk to again write and ask Mr. Brown, Solicitor, when he expected to have the outstanding Leases of the ten cottage plots at Carrara, Ballyshane, Ballyduff and Clonegall passed through the Land Commission.

Edward Boulger, Contractor, appeared before the Board and applied for a period of from six to nine months before executing his bond, as requested on the last Board day, to complete his Contract for the Erection of seven Labourers Cottages in the Electoral Divisions of Clonmore and Hacketstown and for Repairs to two Cottages in the Clonegall Electoral Division for which his Tender was accepted on the 10th of June last.

The Guardians unanimously agreed, owing

to Boulger having declined to execute his Bond for the erection of seven Labourers Cottages in the Electoral Divisions of Clonmore & Hacketstown and for repairing two in Clonegall Electoral Division, that the Clerk be directed to re-advertize same, to be considered on this day fortnight.

The Guardians agreed that the Clerk draft a Testimonial, as applied for by Mr. Ramsay C.E. to state that he has given this Board every satisfaction since his appointment as Architect and Engineer under the Labourers Act.

Two Representations under the Labourers (Ireland) Acts for want of House accommodation were received from the Electoral Divisions of Aghowle and Ballingate.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

Mr. Speares asked the permission of the Board to Lady Alice Fitzwilliam giving the WorkHouse School Children a treat of Honey which the Guardians approved of.

An applicant named Kate Dyland from HacRetstown was allowed 2/- per week Out Door Relief chargeable to Union at Large.

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect (or orders made on them respectively, as follows):—

No 30,531 5th August 92

Read Circular letter from the Local Govt. Board enclosing a communication received from the Commissioners of National Education relating to their District Inspectors last report on the WorkHouse Female School as follows, viz:—

"Teacher is, I believe, well qualified for, and very attentive to her work; hence the proficiency of the pupils was on the whole good:— Reading, clear and accurate; writing, good, Knowledge of Arithmetic, fair, of Grammar, and Geography, good.

"Needlework is carefully taught. In other respects the School is in a good state."

No 31,270. 11th August 1892.

Read letter from the Local Government Board to state they had received the abstracts forms A & B of the accounts of this Union for the Half year ended 25th March last containing an observation by the Auditor to the effect that one of the Sureties of Mr. Wm Moody, Poor Rate Collector in the Union, is a Guardian, and that another of the Sureties to his bond as Collector of Rents of Labourers Cottages is dead; and the Board desire to call the Guardians' attention to the subject having regard to the requirements of Article 37 of the General Regulations.

The Guardians directed the Clerk to request the attention of Mr. Moody to the requirements of the foregoing letter.

The following letter was read from Mr. Brown Solicitor:— Guardians & others 9th augt 92

"I am in receipt of yours of 8th Inst. with instructions in this case. Kindly send me by next post the original Bond in order that I may see whether Judgment can be marked upon it or whether it is necessary to commence an action to recover the amount claimed. The latter course will be necessary in case the Bond and warrant are not witnessed by a Solicitor & copy of the warrant duly filed."

The Clerk informed the Guardians that he transmitted Mr. Brown, Solicitor, the original Bond as requested.

Mr. Brown also wrote as follows:- 11th August 92

Guardians & others

"The Defendants have been formally applied to and I have prepared a writ which will be issued tomorrow

for the amount due to the Board. This is the only course open to the Board as the warrant of Attorney not having been filed in the Queen's Bench Office within 21 days as required by the statute Judgment cannot be entered ~~up~~ upon it. However the difference in expense of having to issue a writ in the first instance is not much and will have to be paid by the Dependants. In the case of all Bonds of Union Officers an affidavit of execution should be made by the Solicitor who witnesses it and the Bond and warrant should immediately after execution be sent to the Board's Solicitor to have the warrant of Attorney filed in the proper Office"

The Guardians directed that Patrick Nolan Patrick Allen and Abraham Keyburne the Sureties of John Allen Rate Collector, be allowed two weeks from this date to attend and close their accounts and the Clerk write to Mr. Brown to stay issue of writ until further orders.

The following letters, addressed to Frank Brooke Esq Vice Chairman, were laid before the Board viz:-

"Hon.ble Sir, 13th July 1892.

As a Ratepayer of this Union I wish most respectfully to draw your attention to the manner in which Peter Furlong Schoolmaster of the Union of Shillelagh Workhouse is carrying out his duties. I wish to remind you Sir that the time of his attending his examination is past and that he has not complied with the orders of the Board to attend his examination.

I hereby beg as a Ratepayer of this Union to let your Honour Know the way the poor Children under his care are treated they have not the least chance of ever getting the least education, his whole time is taken up in the Publichouses and other houses of the ~~town~~ village and looking after a large flock of Sheep which I hear he has at present on grass, so that the unfortunate Children he has under his charge has no one to look after them, he is actually robbing them of their education; except for two months before the Inspector comes to examine them, and then they are crucified, for two months before that time trying to bring them up to pass the programme; there is not an unfortunate set of children in another Union in Ireland so shamefully neglected as those of Shillelagh Workhouse, if your Honour would examine the Old House belonging to the Male Infirmary Idiot Ward and see the stinking State it is in with Ferrets and look after the Workshop, with a litter of Pups reared in it, in fact the Schoolmaster is not three hours in the day attending to his duties I say it is a grevious wrong to have the poor Children deprived of their learning and the Schoolmaster allowed to attend his large flock of sheep, and the poor Children altogether under his charge neglected. Why not make him attend his examination in Dublin he is making a boast that he will not do so and that he defies the Board of Guardians. Hon.ble Sir, for the present we leave it in your hands but if he is not removed and a qualified Teacher appointed in his place we will have a question asked in the coming Parliament. He is doing nothing at all in the Workhouse, of course the Porter and Master will answer any question relative to his absence from the House, he is doing nothing

for

for the Education of the Children and we must have him removed and a competent person appointed in his place.

Signed on behalf of self and Ratepayers
John Byrne.

27th July 1892

Sir,

With regard to the letter addressed to you signed "John Byrne, Ratepayer," the vindictiveness illness and venom of the writer are conspicuous in the superlative degree so much so indeed that comment is unnecessary. I have had some Sheep, Ferrets and Dogs since I was ten years old which I hold as no crime. In every other respect the whole statement is a tissue of falsehoods. Now I most respectfully beg to inform you that "John Byrne, Ratepayer," is an Inmate of this house an Illegitimate, and the very wreck of a drunken and dissipated life. He is but a tool in the hands of one or two who would go to any extremes to have me removed from here, for no other reason than jealousy - because I know so much about their evil doings and on account of my endeavours to stamp out and check the immoral practices which were so rampant in our midst, and I beg to tell you that your Board will have a remarkable case before them ere long which if fully investigated will throw some light on our virtuous housekeeping. I am satisfied that nothing has been left unsaid or undone to prejudice you against me by a constant visitor to your house, and I regret very much to have to say that I have been made to feel the effects. I wont say more at present as to the motives of the person alluded to, but I very respectfully tell you that I feel proud of the opportunity at present afforded of vindicating my character and of laying bare the cause & the evil designs against me, and I trust you will kindly bring my case before a full Meeting of your Board, when face to face I will have an opportunity of proving my assertions and when any one who can make the slightest charge against me can be heard. I court the fullest and most complete inquiry and ask for neither favour nor affection but simple justice — Trusting you will excuse me for troubling you with so long a letter.

(Signed) Peter M. Furlong. Teacher

11th August 1892

Sir

I very respectfully beg to inform you that my thorough Knowledge of the conduct & doings of Mrs Corrigan with a man named Abbott who was Lodge Porter here, and who was the Blackguard of Blackguards together with the course I was obliged to take at the time, was the primary cause of her enmity towards me. Next comes my Knowledge of, and my constant protest against the disgraceful way the drying room was kept inasmuch as that it was a regular Meeting room for men and women, where men ate, and drank stripped, shaved and washed, ~~together~~ regardless as to who was present, and this conduct has been carried on for years. The Characters of the parties can be ascertained by enquiry and as to the language used in ordinary Conversation among them it was simply horrible, and there are two women in particular in Charge of the drying room & laundry whose only qualification for a position inside the house is that they outshone all others in

© Wicklow County Archives

in immorality - One of them has charge of the old men's ward. Her language there sometimes would cause the hair to stand straight on a moral man's head. I can readily explain why they are kept - and I regret to have to say that this conduct is laughed at and encouraged by the Matron. Next comes the wholesale liberty nursery women had to go out. For several occasions I have known the Master to be sent after them, and after bringing them back and putting them to their place he would little more than have reached his room when the doors would be unlocked again - Then again with regard to appointments in the house it may be interesting if the Guardians would enquire as to the class of women were put in certain places. why they were selected & the results - With regard to the boy, Ward. He was reared by the Matron & I have no hesitation in saying that the liberties he was allowed, caused him to be a rogue, a liar and a Blackguard.

"I regret very much to have to write a single line to the detriment of any one & I feel keenly painful at the thoughts of being obliged to tell some sensational stories in connection with this business. Begging to be excused for again troubling you.

"I am &c Peter M. Furlong"

The following Report was read before the Committee appointed to enquire into the foregoing letters:-

"5th August 1892

"We the undersigned Committee appointed to enquire into the statements contained in a letter addressed to T. Brooke Esq as Vice Chairman and purporting to be from a Ratepayer and signed, John Byrne, also a letter from Peter Furlong, Schoolmaster in the Workhouse, in reference to the former letter beg to report, that we have heard what Peter Furlong had to say viz:- That he believes the writer of the letter signed "John Byrne", to be William Blayney an Inmate who, he also stated, "was only a tool in the hands of others," the word others he explained to mean "The Matron & two women who are with her". He also charged the Matron with neglect of duty in permitting an Inmate named Ward, to get her Keys (sometimes with her Knowledge) including Key of Barn, by which Ward and a young woman named Byrne got access to the Barn for criminal purposes & that said woman named Byrne is now pregnant and that Ward is the reputed father. He made no charge against the Master, but stated he had several other specific charges which he would make in writing & submit on 12th Inst. It also came out on examination that William Blayney the Inmate above mentioned is permitted to go through the Laundry into the Idiot Ward to have his meals with his wife who is one of the assistants in the Idiot ward.

"The Matron when called before your Committee denied that Ward ever had her Keys with her Knowledge or permission but admitted that the Key of that part of the Barn over which she had any control usually hung on the back of her door, but that access could not be had from this part to the part of the Barn in which the parties resorted.

"William Blayney when called before your Committee denied having ever seen or written the letter signed "John Byrne"
