I am a member of Blessington Football Club that was founded in 1968. To date we have close to 800 members in our club and a waiting list due to lack of space.

The Football Club is a huge part of Blessington and has helped so many people to integrate into the community and will hopefully continue to do so with all the new houses recently built with more to come.

There are currently no facilities in the town to play football.

I am asking that the provision for sufficient lands for Active Open Spaces are reconsidered in the LAP and allocated.

The benefits for everyone in playing sports is immense for both physical and mental health. Please listen to the community of Blessington and allocate zoned lands.
