Allowing more houses apartments etc ,is going to swallow up a beautiful quaint village, that i grew up in. All this building is doing is destroying heritage and nature,in becoming concrete jungles.

The new houses,don't support local businesses. The rds within the village cant sustain the amount of excessive traffic. Community spirit is central to all good villages this will br lost.The wildlife trust should also looked at. The amount of animals we are losing every day, been forced out of their homes.We are losing these animals. They will becoming more extinct. We have lost the beautiful and amazing crickets.

Council needs to go back and start building Council estates
Stop handling over to thr private sector
