COPY OF MINUTES of Proceedings of the Board of Guardians, at a Meeting held on Friday the 21st day of December 1906.

PRESENT: In the Chair,

Other Guardians:—

Michael Byrne Esq. Secy. &c.

Messrs. H. Kelly, P. Keeney, M. Amohoe

J. McEvoy, J. Kavanagh, P. Byrne Esq., J. J. Hayden.

M. Fleming, J. McBreen, Jos. Gahan, & J. P. Abraham.

The Minutes of the last Meeting were read and signed.

The Clerk's Report on the execution of Orders previously made by the Board was read to the following effect:—

The Master's Estimate of Provisions and Necessaries required for the ensuing week was examined, and Orders were duly made for the several Articles specified, namely:—

36 lb. Butter
8 pkts. Buttermilk
30 Dozen Eggs
160 lb. Beef
40 . Mutton
20 . Bombers Beef
1 Side Bacon
105 palls Sweetmilk
200 Lb. Loaves

The Clerk's Report of Vaccination was read (this on the first meeting in every month). Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

It was proposed by Mr. M. Fleming seconded by Mr. P. Byrne M.P. and resolved:— "That we demand for the children attending Irish National Schools educational rights and privileges equal to those enjoyed by the children attending similar schools in England & Scotland. That we consider it a monstrous injustice to Ireland that the Parliamentary grant for Irish Primary Education for the current year should be £548,905 less than the Scottish grant while the number to be educated in Primary Schools in these two countries is practically the same being in the ratio of 1 for Ireland and 1.09 for Scotland in 1905; while if the population be taken as basis - and this is the only basis which would be fair to this country - Scotland gets 100 pence per head this year, while Ireland receives only 46 pence per head from the ordinary estimates, and 3 pence per head from the Development grant. That, in the interests of Irish Education, we urgently ask an all round increase in the salaries of Irish teachers, as we believe the present starvation salaries are calculated to prevent the entrance of suitable candidates to the teaching profession, as well as to drive away those who are already in; and that we see no reason whatever for denying to Irish teachers those civil rights which are freely conceded to the teachers of Great Britain."

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively), as follows:—

no. 40.689

15 December '06.

Adverting to previous correspondence and to minutes of Proceedings of the Board of Guardians on the 30th ultimo, the Local Government Board wrote to request that Relieving Officer O'Goole might be called upon to report whether there are any cases in his District coming within the operation of the Infant Life Protection Act.

Order:— That the Relieving Officer be directed to report accordingly.

no. 55064-06 misc.

20 December '06

From same to state that they observed from the Reports of their inspectors that outbreaks of contagious diseases of the eyes, skin & scalp have lately been of not infrequent occurrence in Workhouses & District Schools. It appeared to the Board desirable that careful regular inspections of all the children should be made by the medical officer for the purpose of securing the immediate removal of any children affected from the body of the house or school to the infirmary or other suitable place for isolation and treatment.

Order:— That a copy of this communication be transmitted to the medical officer for attention.

Copy of a resolution passed by the Baltinglass Board of Guardians protesting against the persecution of the Roman Catholic Church by the French Government was received and adopted.

Mrs Anna M. Monck, of Corboy (a Shopkeeper & Janitor) submitted an application for a boy named Jas. Byrne

aged 14 years to be taught the trade or calling of a Farm Labourer, which the Board refused.

A circular letter was received from the County Councils' General Council regarding Public Bodies Insurance, but the Board decided to not take any action in the matter for the present.

The Manager of the National Bank, Gorey, wrote that in accordance with the request contained in the Board's letter of 26th instant he had that day transferred the balance of accounts to Sullow Branch.

The Infirmary nurse, Miss Bolger, applied for and was granted two days leave of absence. Her duties to be discharged by the Night nurse.

The Board had under consideration the circular letter of L.G. Board, No. 131 M/06, dated 16th January 1904, when it was resolved to submit the following reply thereto:—

"That the Stocktakers duties be confined to enumerating the articles."

"Instead of the proposed new method we suggest that a proper valuation be placed upon the clothing and Bedding at present in stock, and that supplies be only ordered as required in each half year."

The

The cost of the new goods purchased during the half-year to be written off for wear and tear.

"This, in our opinion, would be the better system, inasmuch as in this Union the clothing supplied out of store to nurse children and outfits occasionally granted by the Board to persons on being discharged, would be accounted for in the cost of wear and tear.

"The proposed maximum value of stock on hands (£3 per head) if intended to include bedding would be insufficient; we suggest that it should be at least £4 per head of the average number of inmates."

Mr. E. Byrne D.D. proposed that the Salary be increased to £150, but the motion was not seconded.

It was ultimately decided that the office be advertised at the existing salary of £130, in the 'For Law Journal', 'Medical Press', 'Independent', 'Freeman's Journal' and 'Times'; applications to be considered on 22nd instant.

On the motion of Mr. Fleming it was resolved: "That our Parliamentary Representatives be requested to take steps to have the provisions of Section 6 of the Local Government (Ireland) Act, 1902, repealed."
