Topic

Community Development (incl. sports facilities & schools, etc.)

Submission

I am a parent of a young family and would urge the council to include a multi purpose sports facility in the town plan. A swimming pool, running track, sports hall & all weather pitches are desperately needed in the area and would provide the local community with an invaluable resource enhancing the health & well being of all. The benefits of such an investment in the community would be felt for generations to come.
