The following Orders of the Poor Law Commissioners were laid before the Board and directions given thereon, as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, / or, Orders made on them respectively, as follows: /

One from the Poor Law Commissioners relative to the discharging of a pauper for disorderly conduct.

A second letter was read in answer to a resolution that appeared on the Minutes of proceedings for the 12th regarding the apparently compulsory resignation of R D Mills, Schoolmaster Proposed by Mr Dickson

Seconded by Captain Row R R

Resolved Unanimously - That it appears to this Board that the entries referred to, in the Commissioners letter

to them of the 18th inst, as made by Mills the Schoolmaster are of old standing and not for any error in the current half year but arising chiefly out of the difficulties which the neglect of former Master had entailed on the Union, they cannot but deplore the forced resignation of their officer and that it did not exhibit much intention of Co-operating with the "Guardians in the effective administration of the Law."

The Board then proceeded to prepare an address to Mr. Muggerridge Assistant Poor Law Com^r to the following effect

To Richard Muggerridge Esq Ass^t P^o L Com^r

Sir

I am desired to express to you the sincere regret with which they have received

Provisional Admissions into the Workhouse, and applications for admissions were considered and decided on, as set forth in the Application and Report Book

The number of Provisional Admissions confirmed was	-	5
Ditto, disallowed	-	None
The number of Applicants admitted was	-	19
Ditto, rejected	-	6

The Bonds and other securities in force were laid before the Guardians by the Clerk together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

your letter stating that your Relation with them as Assist^{nt} Com^{rs} to this Union had terminated — They cannot allow you to leave this Country without conveying to you the high sense they entertain of the very efficient as well as truly courteous manner in which you executed the arduous charge which devolved upon you, of carrying into effect from its commencement one of the most intricate pieces of Legislation that was ever enacted namely the Dist^{nt} P^l Law — For its suitability to the circumstances of the Country, you of course are not responsible, while they consider it but justice to declare that nothing was wanting on your part by constant co-operation with the Guardians to give it a fair trial coming as you did on every occasion with the anxious desire never to lose sight of

either of the two great interests concerned, those of the Pauper that he should receive what the Law appointed of the best quality, those of the rate payer that they should be provided on the most economical terms— Invested by the Legislature with extraordinary powers you knew how to use them without vexatious interference, while you even made it your study to promote the real interests of the Union by aiding the Guardians both with your advice and influence in the performance of the arduous duties they were called to and which were so entirely new to them. —

For your truly valuable co-operation they desire to return their best thanks and at the same time to express their sincere wishes that the new sphere of benevolent labour to which you have been called may derive as great advantage from your superintendance as this Union has done

For Self & fellow Guardians
John Sympson & Co

The Board then proceeded to consider Tenders for Leather & Frieze, and declared in favor of John Moore at the following prices
 namely - Frieze 2/8 per yard.

Leather Irish hide, same as sample 13/6 per
 do upper do do 1/10 per

Proposed by Mr Nuttall

Seconded by Mr Moran

Resolved - That Mr Nuttall the Schoolmaster be directed to make a return each Board day of the number and progress of the scholars -

Ordered - That the Clerk invite Tenders for a supply of best potatoes up to the 1st September and oatmeal to the 1st of November.

An application was read by the Chairman from Mr. McKeena Catholic Chaplain for Prayer Books which was rejected by the Board.

Dr Manning made application for the following articles. 30 Medicine Trays 4 breakfast and dinner tables 200 ft of 1/2 in Board. Ordered.

The following is the copy of a letter sent to the Gov^{ts} Company of the Bank of Ireland Gentlemen.

The Board of Guardians of the Rathdrom Union desire to return their best thanks to the Gov^{ts} Company of the Bank of Ireland for the punctual and satisfactory manner in which the accounts of the Board have been kept by them as their Treasurer. They however feel that it will be a matter of great importance to their collectors and others having money transactions with the Board to have the lodgements made and drafts paid in the County town where a branch of the London and Dublin Bank has been opened. Under these considerations they regret that their duty to these parties induces them to request the resignation of their present Treasurer, as the mode which the Commis^{ns} have pointed out for commencing a transfer.

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or, Orders made on them respectively, as follows:)

One from Captain Stewart Master of the Workhouse stating the following, viz—

Having fully considered all the circumstances connected with my case, I have resolved with the advice of my friends, not to resign at present my office of Master in this institution— For the reasons which have influenced me to this determination I beg leave to refer you to the enclosed copy of a letter which I have forwarded to the Commissioners, and also to the letter of the Roman Catholic Chaplain containing,

my accusation, which I feel confident must now be considered (saying the least of it) a most gross and unjustifiable Misrepresentation of my Conduct and Character.

Deeply regretting the unguarded and indiscreet expression which was uttered by me (in reply to a remark of one of the Paupers) unwittingly and without premeditation

Acknowledging fully the justice of the reprimand with which the Board of Guardians had visited my unfortunate error and feeling assured that they will not now sanction this iniquitous attempt to asperse my Character and to deprive me of a situation in which I have endeavoured to discharge my duties with kindness, justice and impartiality.

Resolved - That this Board has heard with no less surprize than regret the communication of the Commissioners to the Master of this Workhouse (Capt Stewart) recommending him to resign - On receiving from him a copy of his letter to the Commissioners in reply thereto, the Board beg to state that they had on a former occasion visited the indiscretion committed by the Master with a deprimand and caution in their opinion fully adequate to the offence committed. being persuaded from their knowledge of Capt Stewart's universal kindness to those under his care that the expressions alluded to was neither premeditated nor deliberate as laid to his charge but uttered on the spur of the moment when lending a Newspaper to one of the paupers. Persuaded as the Board are of the integrity and benevolence of Captain Stewart's character they must decline giving any sanction,
