The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows) :—

No. 8955 — 28 February 1919

The Local Government Board wrote to forward, to be laid before the Board of Guardians, an enclosure giving the substance of a report which they had received from their Inspector, Mr. T.J. McCarthy, consequent on his recent inspection of the Workhouse; and to request that the several matters adverted to therein might receive the attention of the Guardians.

Order: That the master be authorised to have any necessary repairs to the gutters, eave shoots, down pipes roofs executed.

No. 8548 — 4 March 1919

From same to acknowledge the receipt of replies to their inquiries respecting the temporary employment of Margaret Molloy as Wardsmaid & to state that the Board had sanctioned the proposed payment of remuneration at the rate of £18 a year to her with usual rations & allowances.

No. 9864 — 6 March 1919

From same to state that they would not object to the master of the Workhouse being allowed a sum of £4 a year for his services in taking care of the Workhouse children before and after School hours, this being the amount originally voted to him by the Guardians and approved by the Local Govt. Board.

The Board of Guardians having interviewed the master in reference to this matter, he informed them that he could not see his way to accept the responsibility of the School children at less remuneration than the £10 a year voted to him; and as the Guardians considered that they could not make a more economic arrangement they unanimously decided to request the Local Government Board to ratify the proposal to allow the master £10 for this service.

The Local Government Board wrote to state that they had sanctioned the guardians' proposal to increase the allowance of Sugar to the inmates as set forth in the minutes of the 10th inst.

No. 12246 — 24 March 1919

From same to say that the proposal to fix the wages of John Dempsey, Farm Steward and Van Driver, at £1. 4. 6 a week had received their sanction

No. 12248 — 24 March 1919

From same to enquire what qualifications Mr. Patrick Scantlan possesses to enable him to discharge the duties of Stocktaker, to which the clerk stated he had replied.

No. 14706 — 4 April 1919

From same to state that they did not see that Mr. P. Scantlan possessed any qualifications for the office, requested that the guardians would take steps to employ a suitable person to take & value stock in the Workhouse.

Order: The Board of guardians are satisfied that Mr. Patrick Scantlan is fully competent to discharge the duties of Stocktaker, & as he has already taken stock of the Provisions in the Workhouse Store, the guardians respectfully request the Local Govt. Board to confirm his appointment forthwith so that the stocktaking may be completed.

No. 40 Misc. — 24 March 1919

From same to inform the guardians that they had appointed their auditor, Mr. Richard Gubbs, to audit the Union accounts for the period ending 31 March '19. and until further notice, in lieu of Mr. More O'Ferrall, resigned.

No. 14608 4 April 1919

Order: Local Government Board to be informed that Large Lentils + White Haricot beans are being supplied under the contract referred to. The tender for beef was the only one submitted + the guardians considered that it would not be worth the cost of re-advertising for the small quantity, about 25 lb. weekly, used in the institution.

No. 14608 4 April 1919

From same to request that they might be informed who performed the duties of the night nurse in the Workhouse while she was acting for the temporary day nurse during the period specified in the minutes of the 24th ult.

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

Had a man employed here for last week doing Limewashing & Inmed ask the Board for an order to continue him for some time. Ipurchased a quantity of small potatoes for Pig feeding at 7/- per barrel.

A. P. Delany Esq, L.G. Inspector, visited the House on Monday the 28th ult. The Inspector drew attention to the Porters outfit. Requested me to inquire into the matter report to Guardians. Having done so I find the matter complained of was due to a misunderstanding between Porter and his outfitter. Has now been set right.

To avoid trespass on the Workhouse grounds the Guardians should consider the question of having a paling erected from the entrance gate to end of building used as Toy Factory.

As all the grounds are under tillage or meadowing I would ask the Board for an order to have the Ambulance mare put to pass for 3 months, should I succeed in procuring a suitable place to put her.

Lodged a sum of £12. 10. 3, old age pensions collected to credit of the Guardians.

The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon, as follows:—

The Farm Steward was absent through illness for four days. He was also absent on Thursday last. also the two tradesmen.

"The Infirmary night Nurse was away from april 23rd until the following evening april 24th, the Day Nurse performing the nights duty".

Order: That the man employed to limewash be continued so long as may be necessary. The suggested paling to be erected at the expense of the Toy Factory & the Master authorised to make arrangements for putting the mare out on grass. The other matters referred to were approved.

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Board to ratify the Guardians proposal of 24th February last.

From same to forward the accompanying enclosure giving the substance of a report which they had received from their medical inspector, Dr. Florence Dillon, consequent on her recent inspection of the Workhouse Infirmary, Fever Hospital & children's wards: and to request that the matters adverted to therein might receive the attention of the Guardians.

Order: That the report in question be referred to the medical officer.

Dr. King, medical officer of Workhouse, reported that Miss Bolger, infirmary nurse, had written to him stating that she is still in a weak debilitated state of health after her attack of appendicitis & abscess & is not at present able to return to her duties.

Order: That Nurse Bolger be asked to furnish a medical certificate as to her present state of health.

The Workhouse Jailer, Thomas Donohoe, applied for and was allowed seven days leave of absence.

The several officers of the Union respectfully asked the Board of Guardians to reconsider the graded Scale of Salaries adopted by them on 19th November, 1917, with a view to shortening the period which was fixed thereunder for attaining the maximum Salary in each case.

The Board unanimously decided that the period be reduced from 20 to 18 years service to entitle each official to the maximum so fixed, to date from 1st April '19

From same read circular letter to state that Saturday the 19th inst. had been fixed as the date for the public celebration of the declaration of Peace, which marks the termination of the war. The Board thought it well to state that they would raise no objection to the day being observed as a holiday in the institutions under the guardians control and to such modifications being made in the dietary of the inmates as might seem suitable to the occasion. As regards the out-door poor, it was within the discretion of the guardians to grant a reasonable addition to the amount ordinarily allowed.

On the proposition of Mr. Coates seconded by Mr. J. Doran it was unanimously resolved:- That the inmates of the Workhouse be granted an extra dinner, consisting of Roast beef & pudding, on Saturday next. & that each recipient of out-door relief be allowed 2/- additional relief on that date. The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon, as follows:—

The following Letters from the Local Government Board for Ireland, and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows) :—

No. 32757 18 July 1919

The Local Govt. Board wrote to state that they had before them the resolution of the Guardians of the 30th ult. proposing to reduce from 30 years to 18 years the incremental period in connection with the operation of the graded Scales of Salaries of the Union officers.

In reference thereto the Local Government Board have to point out that this Scale was adopted by the Guardians at the officers' request just 18 months ago with a view to standardising the Salaries of the various officials for a lengthy period or at any rate, until some new social condition called for an alteration. As far as the Board were aware, no such change had recently taken place. It should be manifest to the Guardians that unless good cause for re-modelling the Scale could be shown it ought to remain in force for at least a reasonable period say from 5 years to 10 years.

The following resolution was unanimously adopted viz:- "That the Board of Guardians respectfully desire to point out that the question of shortening the incremental period was first suggested by the Local Government Board in the case of the Medical officers. The Guardians having fully considered the question, after due notice, unanimously decided to place all their officers on the same footing as regards the period of service & they wish to point out that the Local Govt. Board have already sanctioned the 18 years period for the officers of the District Nurses and Sanitary Sub-officers. In the case of the latter officers this was a revision of the Scale adopted in 1917. We are further of opinion that the position of the several officers has been materially affected by the increased cost of clothing etc. since 1917, and we beg to request that the Local Govt. Board will be good enough to

© Wicklow County Archives

to reconsider their decision in this matter".

No. 32752 21 July 1919

From same to state that they had sanctioned the payment of a bonus of £20 to the Workhouse Master in respect of his services in managing the farm etc, during the twelve months ended 30th ult. This sum was larger than that usually allowed in similar circumstances, & the Board were not therefore prepared to give their sanction to a permanent annual grant of that amount to the master, but would deal with any proposal that might be submitted to them from year to year.

The Board of Guardians having referred this letter to the Workhouse Master the following statement was received from him viz. "I feel very grateful to the Guardians and Local Govt. Board for the amount allowed for farm work etc during the past year. However as the Board is aware I do a lot of work from time to time on the farm & have a great deal of business to transact in connection with same. In this way my loss for clothing & incidental expenses amount to a considerable sum & I think it would be most unreasonable to expect me to continue on the chance of being paid in 12 months after the loss has been incurred & work done. The position of Taskmaster held me responsible for the satisfactory carrying out of the work on Farm, House repairs etc. & could be determined at any time on my failing to give satisfaction. Seeing that out of my small salary I have a wife and family to maintain I don't think the Guardians can consider it unreasonable on my part in asking that the remuneration for this work be made permanent."

Ordered: That the Local Government Board be asked to reconsider their decision in this case with a view to making the remuneration voted to Mr. McCrea as Taskmaster permanent.

No. 34824 23 July 1919

From same to state that they had approved of the appointment of Margaret Boyle as Workmaid in the Fever Hospital on the terms specified.

do. 24 July '19

From same read circular letter on the subject of concurrent rate of out-of-work donation and Poor Law Relief, which it was decided to refer to the Relieving Officers for report.

27 July 19

The Pension officer, Rathmines, notified that he was recommending Catherine Kennedy (who was being maintained by the Guardians in the asylum for the Blind, Merrion) for old age Pension, & inquired the date on which the relief to her would cease. Ordered to be discontinued from 30th September 1919.

Miss Degan Fever Hospital nurse, applied for and was allowed one months holiday leave, the Master to procure a substitute, should the necessity arise.

The Tailor, Thomas Donohoe, was granted four days exemption from duty, and the Farm Steward one week's leave, the Master to obtain a substitute for latter if necessary.

Relieving Officer O'Toole submitted notice of intended eviction served upon him in the case of Peter Breen & Edward Reilly, Cronyhorn.

It was decided to instruct the clerk to convene a special meeting of the Board for this day two weeks to consider the matter of the loss of the Keys in the Workhouse Infirmary.

The Local Government Board wrote to state that they had sanctioned the payment of 10/- a week to the matron for her services in discharging the duties of the master during his absence on vacation for 14 days.

The matron wrote to say that she could not see her way to act as substitute for the master at the remuneration of 10/- a week; when the Board unanimously decided to allow her £1 a week.

No. 37.886 4 August 1919

With reference to the further minute of the Board of proceedings of the 28th ult. relative to the proposal to allow an increase of salary of £20 a year to the Workhouse Master in respect of his services in managing the farm etc, the Local Govt Board wrote to state that they could not grant the master preferential treatment over and above that given to masters of other Workhouses for acting as agriculturist. In no union classed with Shillelagh was a higher permanent salary than £5 a year granted for this duty although in other unions, it was customary to allow the master yearly sums up to £20, which was what the Board proposed to do in the case of the master of Shillelagh Workhouse. Order: L.G. Board to be informed that this grant as a bonus should be for the twelve months ended 31st March 1919.

The Board was specially convened to consider the question of the loss of the Keys in the Workhouse Infirmary on 9th July last. when the medical officer stated that on the occasion in question he obtained a bunch of Keys from the matron to visit the Infirmary & believed that he left them in the Surgery door while he was engaged in the sick Wards, for about 20 minutes, and on his
