No. 2.—M/'94.
MISCELLANEOUS.

ELECTION OF GUARDIANS.

LOCAL GOVERNMENT BOARD, DUBLIN,
12*th January*, 1894.

SIR,

1. The Local Government Board for Ireland desire to call your attention to the General Order dated the 2nd January, 1863, regulating the conduct of Elections of Guardians in the several Unions in Ireland, a copy of which Order was transmitted with the Circular of the Poor Law Commissioners dated the 16th of that month.

2. That Order rescinds the Order of the 26th January, 1852, as well as all previous Orders, except such portions thereof as may have appointed the Clerk for the time being to be the Returning Officer and may not have been rescinded by any subsequent Order, and except such portions thereof as may have fixed the value of the Qualification for the Office of Guardian and may not have been rescinded or altered by any subsequent Order. Under Article 1 of the Order of the 2nd January, 1863, the Clerk for the time being (except in cases where the Order appointing the Clerk may have been rescinded) will continue to be the Returning Officer, and the same Article, it will be seen, provides for the performance of the duties of Returning Officer in case of Vacancy in the Office of Clerk, or in case of the Clerk being prevented by sickness or accident, or other sufficient cause, from the performance of his duties, the Guardians being empowered, in either of those events, to appoint some person to perform such of the duties imposed by the Order upon the Returning Officer as shall then remain to be performed.

You will be so good as to read carefully and attend to the following observations :—

COLLECTORS.

3. Under Articles 3, 12, 14, 22, and 34, of the General Order the Collectors of Poor Rate in the Union are to assist the Returning Officer as heretofore in the Election, at the times and for the purposes therein indicated. These Regulations impose no fresh duties on the Collectors, but it will be proper for you to call the attention of each of them to those Regulations before the next Election takes place.

DISTRIBUTION AND COLLECTION OF VOTING PAPERS.

4. The Police who may be employed, as heretofore, in posting the Notices of the Election and in distributing and collecting Voting Papers will receive their instructions from their own superior Officers, but in case their services in any instance should not be available in sufficient number for the latter duty the Returning Officer should take care to furnish any other persons who may be employed by him, in pursuance of Article 2 of the General Order, for the distribution and collection of the Voting Papers with proper lists and instructions for their guidance, in accordance with Articles 18, 19, 21, 23, 24, and 28, of the Order.

5. Where it has happened in previous Elections that the assistance of the Police has not been available, or has not been available to sufficient extent, for the distribution and collection of Voting Papers within the prescribed period, applications have, in some instances, been received for sanction to the employment of the Collectors of Poor Rates and of Relieving Officers in this service where it may be necessary to issue Voting Papers. It is desirable that, where practicable, this duty should be performed by responsible officers; and as it will, according to the regulations, occupy only two or at most four days, and will therefore not cause any materjal interruption of the ordinary duties of the Union Officers referred to, the Local Government Board are prepared to sanction their being employed to assist in performing the duty in question, provided the Board of Guardians permit them to be so employed, for which permission it will be your duty, where necessary, to apply. If the services of the Police and Union Officers should not be available or sufficient, you will have to employ other trustworthy persons acquainted with the respective localities, as far as practicable, in accordance with the regulation contained in Article 2 of the General Order. But you will take care to ascertain whether you can obtain the services of the Police in sufficient number or not before you employ any other persons, and you will only resort to the employment of the Officers of the Union or other persons in case you cannot obtain the assistance of the Police in sufficient number.

PREPARATION OF LISTS OF VOTERS.

6. Should some additional assistance be necessary for enabling you, in case of contests, to prepare the requisite Lists of Voters and complete the proceedings in the Election at the times prescribed by the General Order, the Local Government Board will be prepared to sanction such assistance for so long as may be absolutely requisite, on receiving a communication from you setting forth the *circumstances which render the application necessary*, the *particular purposes* for which assistance is required, and the *extent* of assistance required.

NOTICE OF ELECTION.

7. One of your first duties will be to issue the Notice of the Election, which is to be posted on the 26th of February. The Notice is to set forth the Names of the Electoral Divisions, the qualification and number of Guardians to be elected for each, with other particulars prescribed in the General Order. You should, in due time before the 26th February, give notice of application to the Constabulary for their assistance in posting the Notices, as heretofore, and you will afterwards forward the copies of the Notices to the proper Constabulary Stations. Due notice should likewise be given to the Constabulary when it becomes necessary to apply for their services in the distribution and collection of Voting Papers, apprising them of the probable extent of the duty to be performed.

DATES FOR VARIOUS PROCEEDINGS.

8. The following are the days upon which the several proceedings in the ensuing Election are to be taken, in pursuance of the Order:—

26th February—Issue of Notice of Election. (Art. 9.)

5th March—Last day for receiving Nomination Papers, which can be received up to 5 o'clock, p.m., on that day. (Art. 11.)

The last day for receiving Statements of Claim to Vote and Appointments of Proxies, (6 & 7 Vic., c. 92, § 24, and 25 & 26 Vic., c. 83, § 15)—so as to be available in this Election, will be the 21st February; and, in case of contests, the Lists of Rate-payers making Statements are to be made up to that day. (Art. 18.)

24th March—Time for delivering to Returning Officer Voting Papers that may not have been duly collected expires. (Art. 31.)

26th March—Return of Guardians to be made, (Art. 35), or within 14 days after the 25th of March. (Art. 36.)

FORMS.

9. Previously to the commencement of the Election, you should procure the requisite supply of the Forms prescribed for use in the Election. With regard to the Notice of the Election (Form E,) the Board have thought it advisable to direct that the copies of that Notice should be printed and transmitted to you from this Office, as usual, and the same number of copies as was forwarded to you last year will accordingly be transmitted to you, in due time, for posting and distribution according to Article 9 of the General Order. If, however, you should be of opinion that the number of copies printed last year was greater or less than will be required for the present year, *you will be good enough to report the fact immediately, stating the number which you consider necessary.* In the absence of any communication from you before the 25th instant, the same number as was furnished last year will be provided.

10. With regard to the other Forms, steps should be taken in due time to provide a sufficient supply of those which may be required for carrying on the Election, as prescribed by the General Order. The Forms can be procured from Messrs. A. Thom & Co. (Limited), Abbey-street, Dublin, but should you employ any other Printer it will be necessary for you to compare the several Forms carefully with those prescribed in the General Order as you will be responsible for their accuracy, and it is advisable that you should ascertain and compare the prices at which they are procurable before you order them.

PLACARD.

11. A Placard containing a description of the Electoral Divisions in the Union as at present constituted, to be posted in case of contest, as heretofore, should be prepared, and a sufficient number of copies thereof, for posting, obtained when necessary, in like manner with the Voting Papers.

STATEMENTS OF CLAIMS TO VOTE, &c.

12. The Forms (A 1, A 2, B 1 and 2, C 1, and C 2 and 3,) for Statements of Claims to Vote, and Appointments of Proxies with their Applications, and the Statements of Corporations and Joint-Stock Companies, are to be supplied, free of charge, (on application made to you,) to any Persons, or Corporations, or Companies, respectively, who may require them for their own statements or applications. It would not be expedient to make a more general distribution of these Forms.

REGISTRY OF SUCH CLAIMS.

13. With regard to the Registry of such Statements and Appointments in the proper Books, (Forms D 1, 2, 3, 4, 5,) the Board request the special attention of the Clerk

and Returning Officer to Articles 4 and 5 of the General Order, and to the duties assigned to those officers in respect to the same under the provisions of the Statutes and under Articles 6 and 8 of the Order.

14. The provisions of the Acts relating to such Statements and Registers are contained in § 84 of 1 & 2 Vic., c. 56, as amended by § 24 of 6 & 7 Vic., c. 92, and § 15 of the 25 & 26 Vic., c. 83, to which your attention is requested, as well as to § 26 of the 6 & 7 Vic., c. 92. The 15th sec. of the 25 and 26 Vic., c. 83, sets forth the particulars required to be given in such Statements, which must be lodged one calendar month before the Owner or Immediate Lessor, or his Proxy, can vote as such; and the 84th sec. of the 1 & 2 Vic., c. 56, requires that the Guardians, or the person acting as Returning Officer, should register such Statements in the manner therein provided. If at any Election the Returning Officer have reasonable cause to doubt the correctness of a Claim to vote made by any person in respect of net rent, the Returning Officer is required by the 26th sec. of the 6 & 7 Vic., c. 92 not to admit such person to vote until he shall have produced evidence to the satisfaction of the Returning Officer of the amount of such rent.

15. Inconvenience and irregularity, it is believed, have occurred in some instances from the discovery, at the time of an Election, of errors or defects in the Registry prescribed, from omission of Statements, or from retaining on record the Statements of persons deceased, or from other causes, where the original Statements, owing to changes of Officers or other circumstances, are not themselves forthcoming, and the Board request that you will at once see whether the Forms of Register have been duly entered up, and that you will duly enter therein all the new Statements and Appointments which you may have received, or may receive, before the time of the Election, so that they may be perfected before the approaching Election takes place. Care should also be taken to revise the entries in the Registers with a view to their proper correction where the original Claimants have died, or other changes affecting the validity or continuance of the claims have taken place.

16. The Local Government Board take this opportunity to observe that although an Owner or Proxy is not entitled to vote until one calendar month after he shall have made the prescribed statement or appointment, it is not necessary that he should make or renew such statement, &c., a month before *each* Election, as they continue in force for five years from the date on which they have been given, provided the persons remain in possession of the interests described therein, and provided, in the case of a Proxy, that the appointment is not sooner revoked, or that the Owner does not himself resume the exercise of his right to vote, or that neither of the persons dies.

17. Any such statements, &c., should be duly preserved, and, in case there be reason to believe that any that may have been already lodged have not been handed over to you by any previous Officer, or not registered, you should make inquiry of such Officer, or otherwise endeavour to obtain them, and forthwith see that they be recorded in the proper form of Register Book, and that the directions in the above-mentioned Articles of the Election Order be duly complied with.

DELIVERY OF VOTING PAPERS.

18. The Returning Officer is not bound, under Article 23 of the Election Regulations, to cause any Voting Papers to be delivered out of the Electoral Division or Ward for which it may be necessary to issue Voting Papers; and if the places named for the reception of Voting Papers, by the Owners or Proxies who have made Statements, be not in any case within the respective Divisions or Wards in which the properties are situate, you should immediately communicate with such persons, and request them to name a place within the Division or Ward, and point out to them that otherwise they can only vote in the manner provided in Article 29 of the Election Regulations; and you should apprise the persons concerned as above of the substance of the Regulation contained in that Article.

MARKING VOTING PAPERS.

19. A practice appears to have been adopted by the Returning Officer, in some instances, of marking on each of the Voting Papers, in addition to the *number* directed by Article 19 of the Election Regulations, the *name* of the person for whom it is issued, or his name and address; and in the case of a Proxy, the name of the Proxy, as well as that of the person for whom he is Proxy. The Board think it right to point out that the Returning Officer is not required by the Regulations to endorse the name of any person on the Voting Paper, and the practice has been found in some instances to lead to error. It seems advisable, therefore, that the Returning Officer should not, in this respect, do more than he is required to do by the 19th Article of the Election Order, viz.:—to prepare Lists containing the number of each paper and the name of the place at which it is to be left, and to endorse each paper with its proper number corresponding to that in the List.

RETURNING OFFICER'S DUTIES GENERALLY.

20. The Returning Officer should take care to make himself well acquainted with the Regulations contained in the General Order, before the Election commences. With a view to general convenience and economy, the business of the Election is to be transacted, as far as

© Wicklow County Archive

possible, at the Board-room of the Guardians, and within the hours of ten and five o'clock in the day. The Returning Officer is to attend daily (except on Sundays,) at the place appointed, from the date for the issue of the Notice to the last day for receiving Nomination Papers, inclusive, to afford information to persons requiring it; and likewise during the period from the first day for the collection of Voting Papers until the Examination of the Votes and the Return of the Guardians elected shall have been completed, (see Articles 29, 30, 31, 34, 35, and 36;) and also at all such other times, during the progress of the Election, as may be necessary for the due performance of his duties, as directed in Article 32. In reference to the examination and casting up of the Votes, (Article 34,) the Local Government Board are not prepared to deprive the Returning Officer of a discretion in regard to the admission or exclusion of strangers, inasmuch as the exercise of such a discretion may, on some occasions, be necessary to the proper discharge of his duty, but on the other hand the Board think that if the Returning Officer excludes from the examination of the Voting Papers for a particular Electoral Division either the Candidates for that Electoral Division or those who proposed them, or the Legal Advisers of the Candidates, he should be prepared to shew some urgent reason for a step which, generally speaking, would seem to be unnecessary and unreasonable; but the Board do not think it desirable that the privilege of being present during the examination of the votes should be extended to Rate-payers generally.

DUTIES OF CLERK OF UNION.

21. Your special attention is requested to your duties as Clerk of the Union under the Regulations contained in Articles 37 and 38 of the General Order. Under the former of those Articles you are, immediately on the Return of the new Election of Guardians being completed, to transmit to *each Member of the Board of Guardians for the previous year*, including Ex-Officio Guardians and out-going Guardians, as well as any who may be re-elected, a Notice in the Form L, apprising them of the Names of the several Guardians elected for the ensuing year. The object of this regulation being chiefly to obviate the inconvenience of any Guardian attending at any Meeting of the Board after his year of office has expired, you should take care that this Notice is transmitted without any delay, on the completion of the Return. Under Article 38, you are likewise to transmit to every Guardian *elected for the ensuing year*, whether previously a Guardian or not, a Notice in the form marked M in the General Order, and to every Guardian who may continue in Office, under the 24th section of the 25 and 26 Vic., c. 83, in consequence of no Nomination having been made for the Electoral Division, a Notice in the form marked N in that Order. Under the 20th section of the Irish Poor Relief Act, 1 & 2 Vic., c. 56, the Annual Election of the Guardians is to be completed on the 25th March, or if that day should fall on Sunday or Good Friday, then on the day next following, or within fourteen days next after such 25th day of March; and the section further declares that immediately upon the Election of the Guardians for the ensuing year, "the Guardians previously elected by the Rate-payers of any Union shall go out of office." You should therefore issue the Notices L, M, and N, according to the regulations, immediately on the return being made, so that the first meeting thereafter may consist of the members of the new Board, in accordance with the Act. The issue of these notices is not to be delayed until a meeting of the Board of Guardians shall have been held, but a certified copy of the return is to be laid before the Board at the first meeting after such return is made.

ACCOUNT OF EXPENSES.

22. Immediately on the close of the Election, an Account of the Expenses of the same is to be transmitted to the Local Government Board for examination and sanction, in a Form which will be forwarded to you for the purpose.

I am, Sir,

Your obedient Servant,

Thos. Morgan

Secretary.

The Clerk of the Shillelagh *Union.*

Returning Officer of the said Union.

No. 38508 21st Sept. 93.

Read letter from the Local Government Board transmitting a letter which they had recd. from the Revd. Chas. L. M. Jones calling attention to the case of two women, residing in his gate lodge who had been in receipt of out-door relief for the last year and a half, and requested that the Relieving Officer might be called upon to furnish an explanation in writing, showing what steps he took from time to time to satisfy himself that those persons were fit subjects for out door relief.

~~The Guardians of the Division who was in attendance It was directed that Mr Collis, R.O. furnish stated that he was unaware of there being any money available an explanation on this subject by next Board day.~~

for the maintenance of the women refered to in Mr. Jones' letter

till Mr. Jones himself revealed the matter, he believed they were destitute & therefore he applied for and obtained relief for them from the Board. He believes the same still. Moreover he considers the parties are now destitute as tho' there appears to be some money in Mr. Jones' hands, it seems to be according to Mr. Jones' letter, unavailable for their use until they leave their present abode. The Relieving officer stated also that he was unaware of there being any money available for the support of the women & considered that they were quite suitable cases for out door relief.

LABOURERS (IRELAND) ACTS

46 & 47 Vic., cap. 60; and 48 & 49 Vic., cap. 77.

MINUTES of Proceedings of the Board of Guardians, acting as the Rural Sanitary Authority, under the above-mentioned Acts, at a Meeting held on Friday the 6th day of September (October) 189 3.

PRESENT: In the Chair— Edward Byrne Esq J.P. D.L.C.

Other Members:— Messrs William Speares and Abraham D. Symes.

No. 200 2nd October 1893

An order was received from the (local) Board of Public Works authorising payment of the sum of £1160 to the Guardians for 3rd Instalment of loan under the Labourers acts.

The following letter was read from Mr J.K. Toomey, Solicitor - viz:-

"I am instructed by Mr John Finn of Rathaleer, Baltinglass, to apply to the Guardians of the Shillelagh Union for the sum of £8-10-3 balance due on foot of a contract performed by him certified for by the Boards architect and the cheque actually drawn and lying in your hands. I am instructed the Guardians have on some absurd plea of non-performance of an old contract actually completed and paid for held back the amount now applied for. I shall therefore unless the amount is paid on or before this day week with 10/2 costs of application take proceedings without further notice."

The clerk was directed to reply to Mr Toomey stating that the payment to Finn was deferred for one week

week in order to get an explanation or report from the Board's architect. Mr. Finn was informed of this and the Board declines to pay any costs in the case. If Finn was ready to accept payment of the balance due it could now be paid.

With reference to contractor Finn's work at Hacketstown cottages and as to whether he should supply the gates, W. Ramsay, architect, wrote that in his opinion it was not definitely settled in Mr. Berry's specification and estimate & consequently it would be only fair to let off Finn with the one gate already erected there.
Mr. Ramsay mentioned that he gave possession of cottage plot on Miss Finn's land, at Clonegall to contractor Boulger on 29th Sept. 1893.

Mr. Denis O'Brien, contractor, notified that he intended proceeding against the Guardians for balance due him on foot of a contract for the erection of two Labourers cottages at Knockanamna and Rathmajorhoe.
The architect not having furnished the final certificates to O'Brien the Board took no action in this matter.

Mr. Brown Solicitor, returned T. Boulger's Contract Bond duly stamped.

No. 46,065

8th November 93

The Local Government Board forwarded extracts from the report of their Engineering Inspector, Mr. O'Brien Smyth, relative to his recent inspection of the cottages erected or repaired in pursuance of the Improvement Schemes, and requested the Guardians attention to the matters referred to by the Inspector. A statement of the expenditure and liabilities incurred should be furnished.

It was directed that copies of the reports in question be forwarded to Mr. Ramsay C.E. and his attention requested to the several matters mentioned.

With regard to the Clonegall E.D. "Part 3" the Guardians ~~have~~ resolved to abandon the acquisition of the 5 houses & plots, having failed to purchase them by agreement as authorised.

Mr. James Carthy, Billyduff, wrote asking the Guardians to have the fence at Carraies cottage plots

plots breasted with stones, which they refused

Mr. Ramsay stated that the tenants of Carrarea and Rdheen cottages ask for gates in kitchens, which were not in specifications; and that the Tenant of Ballinakill old cottage wanted his gate posts replaced.

The Board declined to accede to this request.

The following copy of a resolution passed by the Drogheda Board of Guardians, was, on the motion of Mr. E. J. Byrne seconded by Mr. Dowling, adopted by this Board, viz:- "That we strongly protest against the present undue Taxation of Irish land in connection with some of the many acts now administered by our Poor Law Boards, and that we do press upon the Government our just claim for free Grants or at least for advances of money on much lower terms than at present for the purposes of the labourers acts, so that its operation may be facilitated, the act administered justly and made the real boon it should be to all sections of the people"

The Board, pursuant to notice next took into consideration 2 Representations from Ballingate and Clonmore Electoral Divisions.

Mr. Brooke, agent to Earl Fitzwilliam, having stated that his Lordship would erect a cottage for a labourer on Mr. Braddell's holding at Raheengraney, the Board resolved to reject the Representation in respect of the Ballingate Electoral Division.

The Representation from Clonmore E.D. was also rejected by the Guardians, in consequence of there

being only ten legitimate signatures thereto.

A circular letter was received from the Local Government Board stating that it was the custom in Workhouses of Scotland and England to allow husband and wife to occupy the same apartment provided they both desired to do so, that they were over the the age of sixty, and that no other person slept in the apartment. The Board were prepared to consider any proposal to permit a similar indulgence in Workhouses in Ireland.

No. 122 - M/93 - Miscellaneous — 16th Nov. 1893

The Local Government Board wrote calling for a Return showing the number admitted in sickness thealth and the births and deaths, etc. during the year

ended the 29th of September last.

On the motion of W. Speares seconded by Wm Dowling it was unanimously resolved:—

"That the Shillelagh Board of Guardians are of opinion that the scale recently fixed by the Local Government Board regulating the fees under the Franchise act of the Clerks of Unions and Poor Rate Collectors, in the scaled order of the 23rd ~~September last~~ instant, is unfair, unreasonable and inadequate for their increased responsibility and hard work, and they request that the local Government Board will be so good as to reconsider the matter, in order that those officers may be suitably remunerated.

"Suggesting at the same time the great advantage to the Ratepayers if such fees were paid out of the Consolidated Fund, which is the emphatic opinion of the Board they should be."

Warrants for the collection of the new Rate were issued to the several Rate Collectors of the Union.

Lists of tenements requiring Revision of Valuation, etc, as furnished by the Poor Rate Collectors were laid before the Board.

In reply to the foregoing letter the Board of Guardians desire to point out that the inclusion of the Holding of John Byrne was a mistake so far as this Board is aware, made in the Office of the Local Government Board, and this Board considers it unfair and unjust to include the Holding referred to in the area of Charge and again beg to point out that it was exempt by the resolution of this Board, dated 22nd May 1891. and this Board now respectfully prays the Local Government Board to have the matter set right.

No 47,582 30th November 93

The Local Government Board returned the Tracing, &c. relating to the proposed works for the improvement of the sewerage of the Workhouse, & stated that they approved of the Scheme suggested by Mr. Ramsay. They pointed out, however, that the Guardians should not carry out the alterations until definite arrangements were made with respect to the discharge of the Sewage & the abstraction & use of the water for flushing & might secure them from any risk of having the works interfered with in future.

Copies of the documents transmitted therewith, should be furnished.

No. 49,355 20th Dec. 93

The Local Government Board acknowledged the receipt of the Guardians minutes on the 1st inst. containing an entry of their letter of the 30th ultimo. relative to the area of charge for expenses incurred in providing a supply of water for Carnew and with reference to the order made thereon by the Guardians, the Board desired to point out that the extract from the Rate Book furnished by the clerk for the schedule to the order adopted in due course contained only the tenements set forth in the order. If necessary the extract & descriptive list, which corresponds exactly with, should be forwarded for the Guardians information

With reference to the foregoing letter the Guardians decided to draw the attention of the L.G. Board to the following copy of a resolution adopted by them on the 22nd May 1891. viz:— "That the area of charge for the Carnew Water supply be the townlands of Carnew with the exception of the holdings of Wm Bain, John Stone, Catherine Stone, Thos. Stone, John Byrne, and Rep. R. Jacob." It was also ordered that the clerk transmit to the L.G.B. the ordnance sheet coloured showing that the holding of John Byrne was excluded from the area and stamped by them at the time; and that as it now appears the holding in question was inadvertently omitted by the clerk in the extract from Rate Book the Guardians pray the L.G. Board to issue an amended order to correct the same.
