1 COUNCILLOR WINTERS: Present.

2 MS PURCELL: Thank you.

3 CATHAOIRLEACH: Thanks very much, Helen. Do we have any votes of  
4 sympathy? Councillor Shay Cullen.

5 COUNCILLOR CULLEN: Thanks, Cathaoirleach. I want to propose a vote of  
6 sympathy to the family of Kathy Kenna. The Kenna family are very involved in  
7 Moneystown and Roundwood and Laragh communities. To Kathy's husband Noel,  
8 her sons Liam, Conor, Denis and Tom, and their daughter, Susie, our thoughts and  
9 prayers are with them.

10 CATHAOIRLEACH: Thank you very much, Councillor.  
11 Councillor Avril Cronin.

12 COUNCILLOR CRONIN: Thanks very much. I would like to propose a vote of  
13 sympathy to the family of Úna Deering. Úna was a well-known member of the  
14 community in Dunlavin. She was married to Pascal who was a former councillor  
15 here in Wicklow County Council. And the Deering family would be very active  
16 members of our community. I would like to express our sympathy to son Mark and  
17 her daughter Miriam. Thank you.

18 CATHAOIRLEACH: Thank you, Councillor. Councillor Gail Dunne.

19 COUNCILLOR DUNNE: Thank you, Cathaoirleach. I would like to do a vote of  
20 sympathy for Captain John Barlow. John was harbour master in Wicklow for a  
21 number of years and he also had a connection with the RNLI and as a young man he  
22 played senior football for St. Pat's winning championships until he went away to sea.  
23 Just a vote of sympathy for Captain John Barlow.

24 CATHAOIRLEACH: Thank you very much, Councillor.  
25 Councillor Edward Timmins.

26 COUNCILLOR TIMMINS: Yes, I would like to be associated with the vote of  
27 sympathy for the death of Úna Deering. As Avril said, Úna's husband Pascal served  
28 this Council in 1970s and 1980s with great distinction. Thank you.

29 CATHAOIRLEACH: Thank you, Councillor. Councillor Patsy Glennon.

30 COUNCILLOR GLENNON: Thank you, Cathaoirleach. I would like to be  
31 associated with those previous votes of sympathy in respect of the Kenna family and  
32 the Deering family. And I would like to include Abe Jacob who was a brother of  
33 Joe Jacob who was TD for this county for many years and Noel who is a councillor  
34 here as well. Abe would be a brother of Joe's and an uncle of Noel's. He is being

1 buried this morning.

2 CATHAOIRLEACH: Thank you very much, Councillor.

3 Councillor Vincent Blake.

4 COUNCILLOR BLAKE: I too would like to be associated with the sympathy to the  
5 Jacob family and the Deering family as well on the death of their beloved members

6 of their family. Equally so, the tragic accident we had down near Carnew, to Niall

7 Keane's family. A young man in his early 20s who lost his life on the weekend. I

8 know they are in County Wexford, but the accident happened in County Wicklow.

9 Our sympathies to the Keane family on the death of Niall.

10 CATHAOIRLEACH: Thank you very much, Councillor.

11 Councillor Gerry O'Neill.

12 COUNCILLOR O'NEILL: Thanks, Cathaoirleach. Again I would like to be

13 associated with the deaths of the Jacobs in Knockananna and also Úna Deering in

14 Dunlavin. I have known Úna as a Blessington native for a long time and her

15 husband Pascal, as was pointed out, a previous councillor here. I would like to be

16 associated with both, please. Thank you, Cathaoirleach.

17 CATHAOIRLEACH: Thank you very much, Cathaoirleach.

18 MS PURCELL: We extend our sympathies to the families of Elizabeth (Betty)

19 Kavanagh, mother of our colleague Eddie Kavanagh, and Michael Fitzgerald, father

20 of our colleague Lauren Fitzgerald.

21 CATHAOIRLEACH: Thank you, Helen. We will stand for a moment's silence.

22 MS PURCELL: May their souls and the souls of all the faithful departed through

23 the mercy of God rest in peace. Amen.

24 COUNCILLOR O'NEILL: Cathaoirleach, just if I could --

25 CATHAOIRLEACH: Sorry, Councillor O'Neill. I am going to bring you in there,  
26 hold on.

27 COUNCILLOR O'NEILL: Just on a point of order, if I could. We facilitated the

28 farmers here a few weeks ago when they had a place to picket outside the offices

29 here and I propose that if we could move up on the agenda the motion on the

30 Palestinian issue. There are a lot of people outside, and instead of having them to

31 hang around in the rain for the day, that we could move these motions forward, if we

32 could, please.

33 CATHAOIRLEACH: Thank you, Councillor. Councillor Tom Fortune.

34 COUNCILLOR FORTUNE: Yes, would I second what Councillor O'Neill is

1 saying.

2 CATHAOIRLEACH: Okay. Let me just check with the officials first. Councillor  
3 Winters, did you want to come in?

4 COUNCILLOR WINTERS: Cathaoirleach, yes, I just wanted, if possible,  
5 to quickly extend our congratulations to Minister Simon Harris.

6 CATHAOIRLEACH: My apologies.

7 COUNCILLOR WINTERS: I just want to know if we could have a minute just to  
8 extend our congratulations.

9 CATHAOIRLEACH: Absolutely, Councillor.

10 COUNCILLOR WINTERS: On behalf of the Fine Gael group, I would like to  
11 extend our warmest congratulations to Minister Simon Harris. He is a proud  
12 Wicklow man and I want to congratulate him on his remarkable journey to becoming  
13 the leader of the Fine Gael party on this, which is the eve of his nomination as  
14 Taoiseach of Ireland.

15 For such a young man, Simon has had a long political career, but then he did start  
16 early. So he grew up in Greystones with his parents, his brother and his sister and  
17 he was a community activist from his early years. He first stood for election for  
18 Wicklow County Council in 2009 and he was -- well, he had a poll-topping vote and  
19 then he served his community and county as a councillor until 2011. During that  
20 time he was actually chair of the joint Policing Committee. He was the youngest  
21 TD in the 31st Dáil. He served as a junior minister in Finance with special  
22 responsibility for the OPW from 2014 to 2016. Then he went on to have what many  
23 considered the unenviable task of Minister for Health for four years. He currently  
24 serves as the Minister for Further and Higher Education, Science and Innovation.  
25 Simon is a workhorse. He is intelligent. He is solution driven and he has an  
26 empathetic and listening ear. He will be an excellent leader of our country and I  
27 know he is determined to address the many challenges that are impacting on all of  
28 our citizens.

29 It is sometimes forgotten that politicians actually have a personal life, but Simon has  
30 a wife, two beautiful children and an extended family that is both supportive and  
31 proud of him. It is a great honour to have shared this chamber with him for the two  
32 years we were here together and as the first Wicklow Taoiseach, I would ask that we  
33 all in the county, don our county colours and wish him his family and his  
34 government well. Thank you.

1 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Stephen  
2 Stokes.

3 COUNCILLOR STOKES: Go raibh maith agat, Cathaoirleach. Just to follow on  
4 from that; as Cathaoirleach of the Greystones Municipal District should Minister  
5 Harris most likely become Taoiseach, it is our intention for the Greystones  
6 Municipal District to write to him to wish him congratulations. It is quite possible  
7 that I have known Simon the longest in the room. We were both in primary school  
8 together in Saint Kevin's National School in Greystones. I think he was two years  
9 behind me and we used to be in the speech and drama class together after school.  
10 We go back quite a way.

11 Simon has always been somebody who is very courteous to me personally and he has  
12 a reputation for being excellent at his casework. So I do wish him the very best of  
13 success. His success will be Wicklow and Ireland's success and, you know,  
14 hopefully this will also mean that, you know, there'll be additional investment in  
15 County Wicklow because it is definitely badly needed. So go raibh maith agat,  
16 Cathaoirleach.

17 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Pat Kennedy.

18 COUNCILLOR KENNEDY: Thanks, Cathaoirleach. Yes, just on behalf of the  
19 Fianna Fáil group we would like to congratulate and wish deputy Harris every  
20 success in his new position as leader of Fine Gael. It is proud day for Fine Gael  
21 party throughout the country, but it is also a proud day for all Wicklow people to see  
22 that we will have the Taoiseach now living in the county and we want to wish him  
23 every success in the future.

24 CATHAOIRLEACH: Thank you very much, Councillor.  
25 Councillor Paul O'Brien.

26 COUNCILLOR PAUL O'BRIEN: Thank you, Cathaoirleach. On behalf of  
27 Councillor Ferris and myself, we also want to extend our kind wishes and best  
28 regards to Minister Harris soon to be Taoiseach. Councillor Winters has put it very  
29 well, that we should be donning the Wicklow jersey here today in colours and  
30 wishing him well. I am sure it is going to be a great day for not just him tomorrow,  
31 but his family, his supporters and indeed the Fine Gael party. I want to wish him  
32 every best and I look forward to working with him in the future for the betterment of  
33 Wicklow. Thank you.

34 CATHAOIRLEACH: Thank you very much, Councillor.

1 Councillor Tom Fortune.

2 COUNCILLOR FORTUNE: Thanks, Cathaoirleach. On behalf of the Independent  
3 group, would like to be associated with Councillor Winters' remarks. I think it is a  
4 tremendous honour for Wicklow. It is a great honour, obviously, for the district we  
5 operate as councillors as well. I know Simon a long number of years. We would  
6 have competed politically at different stages as well, but I also know him as an  
7 individual. I think he has a lot of character, a lot of characteristics that are very,  
8 very good. We all differ on all kinds of different things, but I just think he's very,  
9 very capable. He has an absolutely tremendous communication command. He can  
10 discuss and debate anything. I think you have to be really, really intelligent to do  
11 that. I think he will do a good job. Politics is very difficult nowadays and life is  
12 kind of tough and hard and we all tend to be -- find it easier to criticise than to praise.  
13 And I would like to take the occasion today, I am speaking for the group but I am  
14 speaking for myself as well, obviously, in case any of my group don't totally agree  
15 with what I am saying. I just think that, as I said, it's great and I think he will do a  
16 good job. And I must say, he kicked off with a very impressive presentation over  
17 the weekend. So let's hope it works well. Because if it works well it's good for us  
18 all.

19 CATHAOIRLEACH: Thank you very much, Councillor.

20 Councillor Lourda Scott.

21 COUNCILLOR SCOTT: Yes, I just want to extend my congratulations. As a  
22 fellow Greystones resident, I sort of got to know Simon a small bit through lobbying,  
23 really, on schools issues and I hope that his new-found position will help us progress  
24 those as well. Wishing him and his family all the best.

25 CATHAOIRLEACH: Thank you very much, Councillor.

26 Councillor Gerry O'Neill.

27 COUNCILLOR O'NEILL: Thanks, Cathaoirleach. I want to wish Simon Harris  
28 the best of luck as Taoiseach. I hope he does have a little more success as  
29 Taoiseach for West Wicklow than he has Minister. We have been promised the sun,  
30 moon and stars by Simon Harris and we have had nothing of it. The N81 is a major  
31 issue which we have had promises about. We were to have a swimming pool out  
32 there I think ten years ago, we were to have schools, we were to have this, that and  
33 the other, but we didn't. So hopefully -- I think he did a bit there in Hollywood for  
34 Patsy Glennon, off the tot I don't know, built an aould footpath or something. So he

1 says. I don't know who -- I don't know who is responsible for it anyway. But  
2 anyway, and I would wish him, on a human level anyway, and his family, the best of  
3 luck. Thank you.

4 CATHAOIRLEACH: Thank you, Councillor. Thank you Councillor for those  
5 contributions.

6 We have a proposal and a seconder. So what we actually need is a proposal for  
7 suspension of Standing Orders. Councillor O'Neill. Seconded by Councillor Tom  
8 Fortune. So I am presuming that that's the proposal; is to call for suspension of  
9 Standing Orders to hear motions number 2 and 6 which both relate to Palestine,  
10 heard next. Is that okay, Ger? Are you happy to propose that?

11 COUNCILLOR O'NEILL: It is. (Inaudible)

12 CATHAOIRLEACH: No, I know. You're proposing they are heard, yes.

13 Absolutely. And Councillor Fortune you are happy to second that proposal? We  
14 do have to take a vote -- no. If two-thirds are in agreement, we can proceed. Do I  
15 have any dissent in the room?

16 COUNCILLOR O'NEILL: No.

17 CATHAOIRLEACH: No. Okay. That is great, then, we will move to motion  
18 number 2.

19

20 So, members, we have two motions that relate to the challenges in Palestine at the  
21 moment. We also have some proposed amendments to those motions as well.  
22 Motion number 2 relates primarily to do with procurement issues. It is proposed by  
23 Councillor O'Brien and seconded by Councillor Ryan. And then we have a  
24 proposed amendment to that motion from Councillor Ferris, seconded by Councillor  
25 Paul O'Brien. And the second motion then relates to other issues.

26

27 What I am going to ask is that for the first motion we hear, if members could stick to  
28 the issues related to that motion and allow then, when we move to the second  
29 motion, which is submitted by Councillor Fortune, we discuss those items there, just  
30 to provide a bit of clarity to everyone, particularly in terms of recording the meeting  
31 and also for those in the gallery that are hearing the motion that is being discussed.

32

33 So motion number 2, notice of motion in the name of Councillor Dermot O'Brien  
34 who is proposer, and seconded by Councillor Mick Ryan 1st March 2024.

The Council acknowledges the harm done by corporations that profit from protracted armed conflict and systematic violations of human rights, particularly in the context of Israel's continuing brutal assault on the people of Gaza and escalating settler terrorism in the West Bank, Russia's ongoing war of aggression against Ukraine, and other conflicts around the world. With this motion, the Council encourages companies to meet their obligations to avoid contributing to adverse human rights impacts through their own activities, and to prevent or mitigate human rights abuses linked to their operations.

The Council is aware of the crucial role of local authorities and the public procurement procedures in ensuring respect for human rights by companies, as well as their obligations under widely accepted business and human rights norms - as laid down in the UN guiding principles on business and human rights, OECD guidelines for multinational enterprises, and the global Sullivan principles 1999 - to promote respect for human rights by companies with which they do business.

The Council affirms that every endeavour is made to ensure that councils tender processes are consistent with the above principles, including under the Fourth Geneva convention relative to the Protection of Civilian Persons in Time of War and under customary international humanitarian law, prohibiting the importation or sale of goods or services originating in occupied territories.

This Council resolves to adopt a rights-based Ethical Procurement Policy (EPP) that takes fully into account existing obligations and standards. The EPP will incorporate widely accepted and precisely formulated international standards and explain clearly how the policy will be implemented. The primary aim of the EPP is to ensure that human rights obligations are properly acknowledged, observed and respected at all stages of the procurement process.

I will now invite Helen to give the Council's response and then I am going to invite the proposer and seconder to speak and then I will bring Councillor Ferris in in terms of the amendment.

1 So Helen.

2 MS PURCELL: Responsibility for procurement is an executive function and the  
3 Chief Executive is obliged to comply with statutory procurement legislation. The  
4 Department of Enterprise and Trade advise that neither Ireland nor the EU have  
5 restrictive measures in place in respect of Israel. Ireland has given undertakings as  
6 part of its WTO membership to grant non-discriminatory access to its markets in  
7 goods and services and has joined the Government Procurement Agreement (GPA)  
8 expanding its commitment with regard to market access. Under the current Irish  
9 and EU procurement regime, suppliers in a country outside of the EU that has signed  
10 up to the World Trade Organization's Government Procurement Agreement (GPA)  
11 are eligible to submit tenders for Irish public sector agreements and contracts. A  
12 full list of GPA members are available on its website. The department has  
13 previously indicated that any move by a public authority to act outside of any  
14 agreement may be seen to breach our international trade commitments and also may  
15 be seen as discriminatory in relation to goods and services otherwise legally saleable  
16 within the union. The law agent has advised that it would not be appropriate to  
17 interfere with contract law in the way proposed by the motion and this would leave  
18 Wicklow County Council open to a specific performance court action and costs.  
19 Political assertions are not grounds to alter criteria in the procurement process,  
20 unless grounded in existing regulations. Furthermore, it is arguable that subjective  
21 consideration alluding to a form of trade sanction regarding another country's actions  
22 are outside the remit and powers of the members and would be an unsubstantiated  
23 criteria that does not exist under procurement law.

24

25 Based on the above advice, it is determined that it is not possible to adopt the policy  
26 relating to Israel as set out in the motion.

27

28 In respect of Russia, following the Russian invasion of Ukraine in February of 2022,  
29 the European Council adopted an amendment regulations, EU regulation 2022/576 of  
30 the 8th of April 2022, which amends the 2014 regulation to include a prohibition on  
31 the award and continued execution of public contracts and concessions with Russian  
32 nationals and entities or bodies established in Russia. The regulation applies  
33 restrictions to public procurement falling within the scope of the Public Procurement  
34 Directives 2009/81/EU relating to defence and security; 2014/23/EU concession

1 contracts; 2014/24EU public contracts; and 2014/25EU utilities, as provided for in  
2 Article 5K of the regulations. Hence, it applies to any procurement above EU  
3 threshold values. It also applies to certain contracts which are outside the scope of  
4 the public procurement directives such as lotteries, real estate transactions, financial  
5 instruments, loans and some Central Bank services.

6

7 The regulation mandates in effect from 9th April 2022, a Russian national or any  
8 natural or legal person, entity or body established in Russia is not allowed to  
9 participate in public procurement in Ireland or any other Member State of the union.  
10 Where more than 50% of the ownership of an economic operator, either directly or  
11 indirectly, is owned by a Russian national or a legal person, entity or body  
12 established in Russia, or a natural or legal person, entity or body acting on behalf or  
13 at the direction of such an entity, that economic operator is not allowed to participate  
14 in a national public procurement.

15

16 It is also prohibited to award contract to an economic operator who is relying on a  
17 subcontractor or supplier or entity which accounts for more than 10% of the contract  
18 value where that subcontractor, supplier or entity falls within the category of  
19 prohibited entities outlined above. This extends to all subcontractors relied on  
20 through the supply chain.

21

22 CATHAOIRLEACH: That's great. Thanks, Helen. So now I am going to invite  
23 Councillor Dermot O'Brien, the proposer, to say a few words.

24

25 COUNCILLOR PAUL O'BRIEN: Thanks Cathaoirleach.

26 I was going to say, would you mind reading that out again, Helen.

27

28 Because there's a lot there and it is interesting to hear -- it alluded to that this motion  
29 is proposing to change procurement law, but it isn't. So I will start with that. And  
30 before I kick on, Cathaoirleach, just to acknowledge that people went out of their  
31 way to come here today, the Wicklow branch of the Ireland Palestinian Solidarity  
32 Campaign, the North Wicklow Against Genocide group and the Arklow Against  
33 Zionism group to give recognition to them for the work that they're doing ongoing.

34

1 The reason for this motion I looked at, we prepared documents. There's the Supplier  
2 Information Booklet, there's the Corporate Procurement Plan 22 to 24, there's the  
3 Procurement Supplier Charter. So there's documents there prepared by this county  
4 council and none of them have the word "ethical" in them, none of them have  
5 "human rights" in them. And this motion is inviting us as a Council to acknowledge  
6 the importance of including those elements within our policy when it comes to  
7 procurement, so that we are not associated by being passive or by not paying  
8 attention so that we are not associated with those who are profiting from some of the  
9 activities that are happening across the world.

10

11 So I think this motion is important and I think it is really important that this Council  
12 sends a message around how we do business, because if we are standing idly by  
13 while the world is watching activities happen whereby human beings, like we can  
14 see now that if we shine a light on Israel and if we zoom in on Gaza, we can see that  
15 the -- I think the figures at the moment are equivalent to the whole population of my  
16 town, Bray, dead. Murdered. Every woman, child, doctor, nurse, teacher,  
17 journalist, carer, first responder, have been murdered by a state, and that state and its  
18 allies are profiting from ethnic cleansing. They are profiting from genocide. I  
19 think what this motion is inviting this Council to do is scrutinise, to sit with the  
20 document. It's 2024. The procurement plan I presume is up for renewal, and that  
21 we scrutinise it. That we zoom in on it. That we do a full analysis of every  
22 possible connection that we might have to human rights atrocities that are happening  
23 anywhere in the world and that we take ownership of our ethical procurement policy  
24 and place ourselves firmly and unequivocally on the side of international law, on the  
25 side of ethics, on the side of those who will not endorse or be passive around  
26 systematic violations of human rights, and especially to those who are the most  
27 vulnerable people in the world.

28

29 So this motion, as it says, is the primary aim of the ethical procurement policy is to  
30 ensure that human rights obligations are properly acknowledged, observed and  
31 respected at all stages of the procurement process. And to me, we can do that. And  
32 I think we can do it honourably. And I would be interested to hear what the  
33 members think. Thanks, Cathaoirleach

34 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Ryan, do you

1 want to speak at all?

2 COUNCILLOR RYAN: Yes.

3 CATHAOIRLEACH: I will get you to press your button there I will turn it on.

4 COUNCILLOR RYAN: Thank you, Cathaoirleach. I will just add a slight bit  
5 there. That this Council must take a principal stance by developing the policy as a  
6 rights-based ethical procurement policy. 2.3 million civilians are under siege in  
7 Gaza. The world is watching as lifesaving humanitarian aid is being blocked,  
8 including water, food, fuel and medicine. Israel is able to do this without fear of  
9 consequence because major corporations, countries and some individuals are able to  
10 profit off the genocide. This policy will ensure that we are not supporting any entity  
11 that is in the business of profiting off human rights, violations and atrocities.  
12 Thank you.

13 CATHAOIRLEACH: Thank you very much, Councillor Ryan. So that is the  
14 proposed and seconded by Councillor O'Brien and Councillor Ryan. So an  
15 amendment on that motion has been received, proposed by Councillor Anne Ferris  
16 and seconded by Councillor Paul O'Brien. The amendment is that Wicklow County  
17 Council actively supports the Boycott, Divestments and Sanctions (BDS) Movement  
18 that targets business profiteering from the oppression of the Palestine people, and  
19 will exclude such business from Council procurement of goods and services.

20

21 I am now going to invite Councillor Ferris and Councillor O'Brien to speak and then  
22 I'll open it up to the floor.

23 Councillor Ferris.

24 COUNCILLOR FERRIS: Thanks very much, Cathaoirleach. I am not actually  
25 sure whether the amendment should have gone on this particular notice of motion or  
26 on the notice of motion number 6.

27 CATHAOIRLEACH: Do you want me to hold it off? If you can let me know  
28 which one you want -- if you want to hold it off until motion number 6, I can do that.

29 COUNCILLOR FERRIS: Yes I think I will. It is more in line with what  
30 Councillor Fortune has put in.

31 CATHAOIRLEACH: That's perfect. Thanks, Councillor Ferris. Okay, members,  
32 I am going to open it up to the floor. This relates to motion number 2. Again, I  
33 would just remind members with your contributions, and I would ask members that  
34 if you have a contribution that relates to the other motion that's being submitted, you

1 might hold off until then to make a contribution. So opening it up to the floor on  
2 this which relates to the procurement practices.

3 Councillor Mary Kavanagh.

4 COUNCILLOR KAVANAGH: Thanks, Cathaoirleach. Yes, to me the key point  
5 of this motion is that the Council resolves to adopt a rights-based ethical  
6 procurement policy that takes in to account existing obligations and standards, and  
7 that the primary aim is to ensure that human rights obligations are properly  
8 acknowledged. I don't see how, by adopting this policy, we could really be in  
9 breach of anything with regard to procurement policy. I would actually like to have  
10 that challenged, because some things are just bigger than rules. And the murder of  
11 children and women and people who are not legitimate targets of war has to have a  
12 much -- has to be much higher up the scale of importance than, you know, whether  
13 or not we tick this box or that box. We have to send out a message. The world is  
14 revolted by what's going on in Gaza. Six months have passed since this particular  
15 conflict kicked off and in that time, as Councillor O'Brien said, the population of  
16 Bray has been wiped out. Most of them were not legitimate targets.

17

18 I got a little stone from somebody outside, one of the north Wicklow supporters of  
19 Gaza. It says, "Think of this child" and on the back is written "Qazim Salwar was a  
20 five-year-old victim of genocide. He didn't stand a chance. He didn't get a chance  
21 at life." I think we have got to start taking this really seriously and sending out a  
22 message that we are not going to tolerate this and I would take a chance with what  
23 the law agent says. Thank you

24 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Joe Behan.

25 COUNCILLOR BEHAN: Thanks, Cathaoirleach. And, you know, I have the  
26 height of respect for the proposer and seconder and for Councillor Kavanagh, but I  
27 also have to have and we should have the height of respect for the law of the land  
28 and, as has been read out by the meeting administrator, there are difficulties with us  
29 adopting that motion from a legal standpoint, and I would propose or would suggest  
30 that it be deferred and be referred to the Department of An Taoiseach, the  
31 Department of Foreign Affairs, the Department of Enterprise and Employment, and  
32 the Department of Environment and Local Government. The specific wording, to  
33 get their advice on what they see is the implications of us passing this motion.  
34 Because this is bigger than us, as has already been said.

1

2 But in passing, and I know we will get to the more substantive issue now in a minute,  
3 I am quite disappointed that none of the three speakers mentioned the absolutely  
4 horrific events of the 7th October last, and what happened with the murder of  
5 innocent children from the Israeli side as well. Nothing has been said about that  
6 here in this first debate, and it certainly is going to have to be discussed and we have  
7 the second motion to discuss, Cathaoirleach. We need to be balanced in our  
8 consideration of these tragic events, Cathaoirleach. I think in terms of the first  
9 motion, it should be referred to the Government departments to get their advice on  
10 what they feel the implications are.

11 CATHAOIRLEACH: Thank you very much, Councillor.

12 Councillor Irene Winters.

13 COUNCILLOR WINTERS: Thanks, Cathaoirleach. I agree with Councillor  
14 Behan. I think that we have to be mindful of the law of this land as well. I actually  
15 agree that all procurement should be ethical and Councillor Kavanagh said that the  
16 world is repulsed and revulsed by what's happening, and I would say that the  
17 majority of the world is. But if everybody was repulsed and revulsed as much as we  
18 would like them to be we wouldn't be sending them the arms that are doing the  
19 damage.

20

21 I am very surprised to hear in all of our procurement that Councillor O'Brien  
22 mentioned that there is no mention of ethics or anything, and I would like when we  
23 are reviewing all of those documents that that would also be considered and maybe  
24 brought to the protocol committee and to the SPC that would deal with that. Thank  
25 you

26 CATHAOIRLEACH: Councillor Winters, can I just confirm that you are seconding  
27 Councillor Behan's proposal?

28 COUNCILLOR WINTERS: Yes.

29 CATHAOIRLEACH: Okay. Thank you.

30 MS PURCELL: Councillor Behan, can I clarify are you putting forward your  
31 wording there as an amendment to the motion?

32 COUNCILLOR BEHAN: The wording to refer it to the department?

33 MS PURCELL: Yes, to refer to the department.

34 COUNCILLOR BEHAN: Yes.

1 MS PURCELL: And that was seconded by Councillor Winters; is that correct?

2 CATHAOIRLEACH: Yes. Sorry, just getting that clarity.

3 Councillor Lourda Scott.

4 COUNCILLOR SCOTT: Thanks, Cathaoirleach. I just wanted to lend my support  
5 to this motion. And I suppose when reading it, and I thank the proposer for putting  
6 such detail in to it because procurement is complicated, it's a complicated process. I  
7 suppose my initial thought was: Are we not already -- surely we're doing this  
8 already? And I was dismayed to think we are not. Helen's answer was very  
9 complex. I think it would have been beneficial maybe to have had that sent in  
10 writing to us beforehand so we could have just done a bit of background reading on  
11 that. So I do find it hard just sitting here listening to the response from the  
12 Executive to tease out what exactly is being said. Yes, certainly, maybe there needs  
13 to be further interrogation around the legal piece, but having said that, I fully support  
14 the motion and I think, as elected members in this Council, we can decide whether or  
15 not we certainly support the spirit of this motion and try and put it to whatever  
16 channels is possible to try and make something practical come of this. So yes, that  
17 is just what I want to say there.

18 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Gerry  
19 O'Neill.

20 COUNCILLOR O'NEILL: Yes, thanks, Cathaoirleach. I want to endorse this  
21 motion absolutely. I tried a suspension to Standing Orders here last November and  
22 with the exception of Councillor O'Brien, Dermot O'Brien that being, and John Snell,  
23 I was refused even a discussion on expulsion of this woman, the Israeli Ambassador.  
24 So I am absolutely delighted that it is back here on the agenda. And with all due  
25 respect to Helen and her reply there, that she must inform us of, there's a lot of  
26 codology. We're picking and choosing. We're talking about slaughter. We're  
27 talking about slaughter of innocent people every day of the week. And we're part of  
28 the act in the use of Shannon Airport. Where do we comply there with the  
29 regulations that are in place that every American airline going through there must be  
30 inspected? There's none of them inspected. They could be carrying anything.  
31 And they're out to Gaza to drop 2,000-pound bombs on children. And we're here,  
32 humming and hawing about regulations and about procurement. I didn't hear any of  
33 this with the Russian invasion of Ukraine. Not a whisper about it. Not one  
34 whisper. Put a stop to them and that'll be the end of it, and that's exactly what

1 happened.

2

3 We had Putin and the illegal occupation of Ukraine, before I think he put his foot in  
4 to the country he was accused of war crimes. He still hasn't been -- Netanyahu  
5 hasn't been accused of that by this government here, and he slaughtering 32,000.  
6 Some of them little kids, and not only children, but women and men, by the way, are  
7 buried under rock. I've seen the scene there a few weeks ago where even the old  
8 JCB they had, an aould JCB to take the rubble off the dying bodies. Some of them  
9 no doubt would have taken two or three weeks to die under the rubble. The first  
10 thing the cowards, the murders did was blow the aould JCB apart, that they couldn't  
11 even take their dead out. And we're here humming and hawing about -- like, I can't  
12 understand it. I can't get my head around this at all. Honest to God, this should be  
13 a black and white, closed -- and you know, the procurement we're talking about is  
14 within the EU. And the German -- our leader, our German leader, Ursula von der  
15 Leyen, immediately, after the 8th of October she lit up Brussels with, EU support  
16 Israel. Well, she doesn't speak for me and I think there's plenty of decent Irish  
17 people she does not speak for. She's supporting a murderer of the highest degree.  
18 A murderer. And the sooner the better Netanyahu is brought into some country or  
19 other and brought before some court of some description, and that he may linger  
20 there for a long time.

21

22 There's other people beating around the bush here, talking about the Hamas issue. I  
23 don't know, I am no great historian but I know Hamas are only on the road a while,  
24 maybe 20 years. There are people being slaughtered. There were armed groups  
25 resisted Israeli occupation of Gaza for many years.

26 CATHAOIRLEACH: Councillor O'Neill, I am going to bring --

27 COUNCILLOR BEHAN: Six million Jews killed, Gerry.

28 COUNCILLOR O'NEILL: Sorry?

29 COUNCILLOR BEHAN: Six million in concentration camps.

30 CATHAOIRLEACH: Councillor O'Neill, I am going to bring you back in on the  
31 second motion, if that's okay. And I don't want to cut you off at all, but I am very  
32 conscious that there is another motion that you may want to contribute to.

33 COUNCILLOR O'NEILL: I would urge all this stuff to be put to one side --

34 COUNCILLOR BEHAN: If we have a proper history lesson, we will have to have

1 a proper history lesson, Cathaoirleach.

2 CATHAOIRLEACH: Councillor O'Neill, can I ask you to finish up there, please.

3 COUNCILLOR O'NEILL: There was always armed resistance to terrorism in the  
4 West Bank.

5 CATHAOIRLEACH: Thank you, Councillor O'Neill, for your contribution.

6 COUNCILLOR O'NEILL: There always was and always will be. So this is only  
7 pure codology. It is the biggest open prison in the world and we do have that. So I  
8 would urge, for God's sake, just stop and think --

9 CATHAOIRLEACH: Thank you, Councillor O'Neill.

10 COUNCILLOR O'NEILL: -- and support the motion here today.

11 CATHAOIRLEACH: Thank you, Councillor O'Neill. Okay. We have no other  
12 speakers indicating. We do have a proposed amendment. The amendment actually  
13 gets heard first. My colleague, Councillor O'Brien, I did indicate earlier on. The  
14 amendment gets heard first. If the amendment passes, then we don't actually take a  
15 vote on the motion. Just so that people are aware that that is how it works.

16

17 So we will take a vote on the proposed amendment proposed by Councillor Joe  
18 Behan, seconded by Councillor Irene Winters that this motion is referred to the  
19 various departments to be heard. Sorry?

20 COUNCILLOR DERMOT O'BRIEN: Sorry, Cathaoirleach, can you clarify that:  
21 All someone has to do is make an amendment to defeat a motion?

22 CATHAOIRLEACH: No. Sorry. The proposed amendment gets voted on first.  
23 So if that amendment passes, then it actually is succeeded and we don't end up taking  
24 a vote on the motion.

25 COUNCILLOR DERMOT O'BRIEN: So the motion succeeds if the amendment  
26 passes?

27 CATHAOIRLEACH: No, no, if the amendment passes, the amended motion  
28 passes.

29 COUNCILLOR DERMOT O'BRIEN: The motion plus --

30 CATHAOIRLEACH: Just for clarity: If Councillor Behan and Councillor  
31 Winters' proposed amendment, if you look at that like a separate motion, to take  
32 what your wording is here and send it to the various departments for their feedback,  
33 if that gets passed, then this motion hasn't passed because they're looking for a  
34 deferral of it. So a decision doesn't get taken on this motion until those feedback

1 and all comes back. So I suppose what I am trying to let people know is that if they  
2 support the deferral, we won't be taking a decision on this here today. Just so that  
3 everybody is very clear before we take a vote. Is everyone very clear?

4 SPEAKERS: Yes.

5 COUNCILLOR O'NEILL: Can we not have the motion first?

6 CATHAOIRLEACH: We can't. We have to have the amendment first,  
7 unfortunately, Councillor O'Neill.

8 COUNCILLOR O'NEILL: My god.

9 CATHAOIRLEACH: Do you want to go ahead, Helen?

10 MS PURCELL: The Standing Orders statute requires that the first amendment is  
11 taken first and it is only if that falls that you would then move on if you had a second  
12 amendment, and so on and so forth. So we are now voting on the original motion  
13 with the amendment from Councillor Joe Behan, seconded by Councillor Irene  
14 Winters that this motion be referred to Government, to the Department of the  
15 Taoiseach, Foreign Affairs, Enterprise and Employment, Environment and Local  
16 Government for their advice on the legality of the motion.

17

18 So if you are in favour of that referral, you're voting for; and if you're against that  
19 referral you're voting against.

20

21 Councillor Tommy Annesley.

22 COUNCILLOR ANNESLEY: Against.

23 MS PURCELL: Councillor Mark Barry.

24 COUNCILLOR BARRY: Against.

25 MS PURCELL: Councillor Joe Behan.

26 COUNCILLOR BEHAN: For.

27 MS PURCELL: Councillor Vincent Blake.

28 COUNCILLOR BLAKE: For.

29 MS PURCELL: Councillor Silvester Bourke.

30 COUNCILLOR BOURKE: For.

31 MS PURCELL: Councillor Melanie Corrigan.

32 COUNCILLOR CORRIGAN: For.

33 MS PURCELL: Councillor Avril Cronin.

34 COUNCILLOR CRONIN: For.

- 1 MS PURCELL: Councillor Shay Cullen.
- 2 COUNCILLOR CULLEN: For.
- 3 MS PURCELL: Councillor Erika Doyle is not present. Councillor Gail Dunne.
- 4 COUNCILLOR DUNNE: Against.
- 5 MS PURCELL: Councillor Anne Ferris.
- 6 COUNCILLOR FERRIS: Against.
- 7 MS PURCELL: Councillor Pat Fitzgerald.
- 8 COUNCILLOR FITZGERALD: For.
- 9 MS PURCELL: Councillor Aoife Flynn Kennedy.
- 10 CATHAOIRLEACH: Against.
- 11 MS PURCELL: Councillor Tom Fortune.
- 12 COUNCILLOR FORTUNE: Against.
- 13 MS PURCELL: Councillor Patsy Glennon.
- 14 COUNCILLOR GLENNON: For.
- 15 MS PURCELL: Councillor Mary Kavanagh.
- 16 COUNCILLOR KAVANAGH: Against.
- 17 MS PURCELL: Councillor Pat Kennedy.
- 18 COUNCILLOR KENNEDY: For.
- 19 MS PURCELL: Councillor Peir Leonard.
- 20 COUNCILLOR LEONARD: Against.
- 21 MS PURCELL: Councillor Derek Mitchell.
- 22 COUNCILLOR MITCHELL: For.
- 23 MS PURCELL: Councillor John Mullen.
- 24 COUNCILLOR MULLEN: Against.
- 25 MS PURCELL: Councillor Miriam Murphy.
- 26 COUNCILLOR MURPHY: For.
- 27 MS PURCELL: Councillor Dermot O'Brien.
- 28 COUNCILLOR DERMOT O'BRIEN: Against.
- 29 MS PURCELL: Councillor Paul O'Brien.
- 30 COUNCILLOR PAUL O'BRIEN: Against.
- 31 MS PURCELL: Councillor Rory O'Connor.
- 32 COUNCILLOR O'CONNOR: Against.
- 33 MS PURCELL: Councillor Gerry O'Neill.
- 34 COUNCILLOR O'NEILL: Against.

1 MS PURCELL: Councillor Mick Ryan.

2 COUNCILLOR RYAN: Against.

3 MS PURCELL: Councillor Lourda Scott.

4 COUNCILLOR SCOTT: Against.

5 MS PURCELL: Councillor John Snell.

6 COUNCILLOR SNELL: Against.

7 MS PURCELL: Councillor Stephen Stokes.

8 COUNCILLOR STOKES: For.

9 MS PURCELL: Councillor Edward Timmins.

10 COUNCILLOR TIMMINS: For.

11 MS PURCELL: Councillor Gerry Walsh not present. And Councillor Irene  
12 Winters.

13 COUNCILLOR WINTERS: For.

14 MS PURCELL: There are 14 for, 16 against, and two not present. So the  
15 amendment is defeated.

16 CATHAOIRLEACH: Thank you, members. We're now going to take a vote on  
17 the actual motion itself. So if you are voting for, you are in favour of the motion; if  
18 you are voting against, you're against the motion.

19 MR GLEESON: Sorry, Cathaoirleach, before we vote can I come in?

20 Cathaoirleach, it's Brian here.

21 CATHAOIRLEACH: Sorry, Brian. I was looking for the light, I couldn't see a  
22 light. I am so sorry, go ahead.

23 MR GLEESON: Just before you take the vote on that, just as Director of Finance  
24 with responsibility for procurement, there was a lot of information that Helen read  
25 out, so just to kind of summarise it so people are clear before they do take a vote on  
26 it.

27

28 Regardless of our personal feelings on what's happening in Gaza, we must comply  
29 with national and EU procurement laws. The Department of Enterprise, Trade &  
30 Employment has advised that neither Ireland nor the EU have restrictive measures in  
31 place in respect of Israel. As such, its motion is unenforceable as it would be in  
32 breach of procurement laws and it does expose the Council to possible legal action.

33

34 In relation to Russia, there's already existing EU regulations in place prohibiting

1 awards of contracts to Russian nationals. So that issue is already covered.

2 Thank you, Cathaoirleach

3 CATHAOIRLEACH: Thank you very much, Brian. Councillor Fortune, is this a  
4 point of clarity on this just before we take a vote?

5 COUNCILLOR FORTUNE: I am just interested, is what is being defined by the  
6 legal end of it something beyond procurement? Because in my understanding, and I  
7 can be corrected, is procurement not a system of purchase based on economic  
8 principles? In other words, you decide you are going to buy from one source rather  
9 than 50 sources because it's economically more viable and saves money. Is that not  
10 the fundamental basis of procurement?

11 CATHAOIRLEACH: Well...

12 COUNCILLOR FORTUNE: I am just thinking --

13 CATHAOIRLEACH: I don't know how I would respond to that, Councillor  
14 Fortune, because there's obviously a lot of legislation around it as well.

15 COUNCILLOR FORTUNE: Fair enough. I am just thinking, we are being quoted  
16 a legal opinion and, as Councillor Scott very correctly said, we are being hit with it  
17 at the meeting here today and supposed to be inspired to interpret it and make a  
18 decision. A lot of us are not barristers or solicitors, no more than most of the people  
19 I am sure at the top table. I just think it is not fair what we are doing right now.

20 CATHAOIRLEACH: Okay. Well I think the previous amendment to defer it was  
21 probably trying to look at that. Now we have to take a decision on the motion that's  
22 there in front of us. Brian, do you want to come in on clarity about that?

23 MR GLEESON: Yes, just like what Councillor Fortune said, obviously  
24 procurement, to give an example here: If the most economically advantageous  
25 tender was submitted by a company from Israel, it would have to be accepted under  
26 current EU and national procurement laws, otherwise you'd be in breach of those  
27 laws. You'd be discriminating against that particular company. Until such time as  
28 the agreement on government procurement by the World Trade Organization is  
29 changed, we're restricted and we have to comply with those particular procurement  
30 laws. Otherwise, we're in breach and then we're leaving ourselves open to legal  
31 action.

32

33 It is like any procurement competition. You have a set of criteria that you must  
34 adhere to. Can you not put into a criteria for procurement competition Israel is not

1 included.

2 CATHAOIRLEACH: Okay. Thank you. Thank you very much for that, Brian.

3 So just for members to know, like, motions are a call for action. If a motion passes

4 or is defeated it is afterwards that we look at how that call for action can be adhered

5 to or not adhered to. So from my own point of view that is where I am.

6 So we will take a vote on this. Helen.

7 MS PURCELL: So we're now voting on the original notice of motion number 2 as

8 submitted proposed by Councillor Dermot O'Brien and seconded by Councillor Mick

9 Ryan.

10 Councillor Tommy Annesley.

11 COUNCILLOR ANNESLEY: For.

12 MS PURCELL: Councillor Mark Barry.

13 COUNCILLOR BARRY: For.

14 MS PURCELL: Councillor Joe Behan.

15 COUNCILLOR BEHAN: Against.

16 MS PURCELL: Councillor Vincent Blake.

17 COUNCILLOR BLAKE: Against.

18 MS PURCELL: Councillor Silvester Bourke.

19 COUNCILLOR BOURKE: Against.

20 MS PURCELL: Councillor Melanie Corrigan.

21 COUNCILLOR CORRIGAN: Against.

22 MS PURCELL: Councillor Avril Cronin.

23 COUNCILLOR CRONIN: Against.

24 MS PURCELL: Councillor Shay Cullen.

25 COUNCILLOR CULLEN: Against.

26 MS PURCELL: Councillor Erika Doyle is not present. Councillor Gail Dunne.

27 COUNCILLOR DUNNE: For.

28 MS PURCELL: Councillor Anne Ferris.

29 COUNCILLOR FERRIS: For.

30 MS PURCELL: Councillor Pat Fitzgerald.

31 COUNCILLOR FITZGERALD: For.

32 MS PURCELL: Councillor Aoife Flynn-Kennedy.

33 CATHAOIRLEACH: For.

34 MS PURCELL: Councillor Tom Fortune.

- 1 COUNCILLOR FORTUNE: For.
- 2 MS PURCELL: Councillor Patsy Glennon.
- 3 COUNCILLOR GLENNON: Against.
- 4 MS PURCELL: Councillor Mary Kavanagh.
- 5 COUNCILLOR KAVANAGH: For.
- 6 MS PURCELL: Councillor Pat Kennedy.
- 7 COUNCILLOR KENNEDY: For.
- 8 MS PURCELL: Councillor Peir Leonard.
- 9 COUNCILLOR LEONARD: For.
- 10 MS PURCELL: Councillor Derek Mitchell.
- 11 COUNCILLOR MITCHELL: Against.
- 12 MS PURCELL: Councillor John Mullen.
- 13 COUNCILLOR MULLEN: For.
- 14 MS PURCELL: Councillor Miriam Murphy.
- 15 COUNCILLOR MURPHY: Against.
- 16 MS PURCELL: Councillor Dermot O'Brien.
- 17 COUNCILLOR DERMOT O'BRIEN: For.
- 18 MS PURCELL: Councillor Paul O'Brien.
- 19 COUNCILLOR PAUL O'BRIEN: For.
- 20 MS PURCELL: Councillor Rory O'Connor.
- 21 COUNCILLOR O'CONNOR: For.
- 22 MS PURCELL: Councillor Gerry O'Neill.
- 23 COUNCILLOR O'NEILL: For.
- 24 MS PURCELL: Councillor Mick Ryan.
- 25 COUNCILLOR RYAN: For.
- 26 MS PURCELL: Councillor Lourda Scott.
- 27 COUNCILLOR SCOTT: For.
- 28 MS PURCELL: Councillor John Snell.
- 29 COUNCILLOR SNELL: For.
- 30 MS PURCELL: Councillor Stephen Stokes.
- 31 COUNCILLOR STOKES: Against.
- 32 MS PURCELL: Councillor Edward Timmins.
- 33 COUNCILLOR TIMMINS: Against.
- 34 MS PURCELL: Councillor Gerry Walsh is not present. And Councillor Irene

1 Winters.

2 COUNCILLOR WINTERS: Against.

3 MS PURCELL: 18 in favour, 12 against and two not present. So the motion is  
4 passed.

5 CATHAOIRLEACH: Okay. Thank you, members. Members we are now going  
6 to move to motion number 6. This Notice of Motion is in the name of Councillor  
7 Tom Fortune as proposer and seconded by Councillor Lourda Scott.

8

9 Many, many people are struggling with the situation taking place in Palestine. We  
10 are constantly watching the sad videos of children, women and male civilians in  
11 Palestine suffering under the constant bombing by the IDF.

12

13 Their homes, possessions and their family members have been destroyed, maimed or  
14 murdered by the brutality of the IDF. Children are denied their education and dying  
15 from malnutrition. In less than five months over 100,000 people have been maimed  
16 or are dead. The majority of these are children and women. People are fully aware  
17 and disgusted at the atrocities that took place on October 7th, 2023. This was  
18 barbaric in every sense. All loss of lives are sad. People are shocked and saddened  
19 as they watch daily the suffering and of the conditions the Palestinian people are  
20 living through. A group of people (non-political) have come together; North  
21 Wicklow Against Genocide.

22

23 A number of meetings have taken place. Mean people from different perspectives,  
24 persuasions and political backgrounds have joined together in their disgust of what  
25 the IDF are doing. A request has been made that Wicklow County Council support  
26 the suffering people in Palestine in following manner. 1. Display the Palestine flag  
27 at all Council buildings; and 2. Seek across party political support to end the  
28 suffering of the Palestinian people by calling an immediate ceasefire and to end the  
29 genocide that is taking place in Gaza.

30

31 Again, as per the previous motion, I am going to ask Helen to respond to this. Then  
32 I am going to invite the proposer and seconder to comment. Then I am going to  
33 invite yourself, Anne and Paul, in on that amendment. So my apologies thinking  
34 that was a different stage. So, Helen, I will hand over to yourself

1 MS PURCELL: Requests to fly a flag are normally brought to the Protocol  
2 Committee for consideration in advance. For example, the pride flag flies for the  
3 month of June following the approval of Protocol Committee. It would be normal  
4 that a flag is flown for a defined period, e.g., one day or one month. If a decision is  
5 made to fly the Palestinian flag, it should be reviewed on a monthly basis by the  
6 Protocol Committee and should be until such time as another flag approved by  
7 protocol is to be flown. Thanks.

8 CATHAOIRLEACH: Okay. Councillor Fortune.

9 COUNCILLOR FORTUNE: Thanks, Cathaoirleach. Yes. You will recall,  
10 Cathaoirleach, at our meeting in April this particular motion is a matter of record  
11 already in the minutes of that meeting, and we said that it would have to come as a  
12 motion.

13

14 I listened very carefully to Councillor O'Brien's motion and discussion around it and  
15 really and truly I think my approach is that the time for discussions is over. I am  
16 asking with this motion, and I know some of the people in the group, in the genocide  
17 group felt my motion should have been stronger, but I felt I had to put it in a sense  
18 way to make sure we would discuss it deal with it. Because really what must  
19 happen, what must happen is that the genocide that's going on stops. That there's a  
20 permanent ceasefire put in place immediately. And that is what we as a group of  
21 people, I am suggesting, should be asking for. I mean, that is what we all are about.  
22 I mean, to see the problem that everyone has -- not the problem, the reality and the  
23 facts that everyone has, is that everything that is being happening is beamed into  
24 your front room. So you can see it. So there's no debate. There's no question. I  
25 mean, what did happen on the 7th of October was horrendous, but it is all part of  
26 some game that's going on with certain people. And then 30,000-plus people killed.  
27 Children. I mean, personally speaking, I just couldn't sit back and say that we  
28 shouldn't be doing something about that. It's got to stop. And what we've got to do  
29 as a local authority, there's already 14 other councils have passed the motion that I  
30 have put before ye, but also they've included in it the trading and everything else that  
31 goes with it. It's stronger than the one I have put forward. That's happened in 14  
32 councils. In Dublin, in Cork, in Sligo. So why the hell would we be spending so  
33 much time talking about it? It is just a no-brainer as far as I am concerned. And I  
34 would strongly ask every member here in the chamber to support what we put

1 forward. I have already raised the issue, obviously with Brian on the procurement  
2 and I hear what he says. I don't totally buy that, but I hear it. The Israeli  
3 Ambassador was on RTÉ in the last week and a half or so, basically threatening  
4 Ireland in a -- I think it was in an economic way. So it is okay for someone who is  
5 in our country as a guest to do that?

6 COUNCILLOR O'NEILL: Absolutely disgusting.

7 COUNCILLOR FORTUNE: That shouldn't happen. And we shouldn't tolerate it.  
8 And because of that, I am saying she should be questioned and called on, and if she  
9 doesn't withdraw what she is saying she should be asked to leave. You can't operate  
10 in an embassy in our country and start telling us and threatening us about should  
11 happen and what might happen if you behave in a certain way. At long last  
12 everybody is saying this has got to stop.

13

14 So really, Cathaoirleach, I would say, I would ask the members to absolutely endorse  
15 what I am saying and I know putting a flag out there doesn't kind of cure anything  
16 and I hear the comments about flags and other kinds of flags, but this is so unique.  
17 This isn't just an ordinary situation. I mean, people daily -- I mean there was seven  
18 support workers killed in the last seven days. I mean we have just got to say stop.  
19 And I am asking as a public representative to say this is genocide, it's murder, it  
20 should be stopped. There should be a ceasefire immediately, permanently put in  
21 place and a system put in place to do it. We should word it on all that basis and ask  
22 for that being done. At least then we're standing up and saying hang on, we're not  
23 accepting this any more. And to have Israeli government people, you know, coming  
24 on and trying to justify what they're doing, that is absolutely to me, it is just  
25 sickening. I just can't accept it.

26 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Scott, would  
27 you like to come in?

28 COUNCILLOR SCOTT: Thanks, Cathaoirleach. I think my colleague, Councillor  
29 Fortune, really said it all there. I just want to read in to the Council records the  
30 name of Rosa Kadir. I was handed this stone by our colleagues in the gallery who  
31 were outside and it just says, "Rosa Kadir was just a little one-year-old girl". I  
32 actually feel quite emotional reading that because it is a very similar name to one of  
33 my daughters.

34

1 Really this is what this is all about. Like, I have despair in my heart about what is  
2 going on in Gaza. To be honest with you, talking about raising a flag, it is all we  
3 can do, but like I feel so powerless thinking that that is the best we can do, to raise a  
4 flag, in terms of what is going on there at the moment. And because I have despair  
5 in my heart at what is going on in Gaza, it doesn't mean I can't also have despair in  
6 my heart for what happened during The Holocaust years ago, or that I can't have  
7 despair in my heart for what happened in the atrocities on October the 7th, or other  
8 atrocities that are occurring across the world that perhaps aren't so much in our  
9 consciousness.

10

11 So all I want to say is that I fully support the motion as I did at the meeting in April.  
12 I am glad to lend my name to second it. I would ask that we keep our discussions  
13 around this respectful, without shouting across each other in the chamber. There are  
14 bigger issues going on outside of this chamber. And I would just as well want to  
15 say that I do support the amendment brought forward which I think strengthens this  
16 motion by Councillor Ferris and Councillor O'Brien. Thank you, Cathaoirleach  
17 CATHAOIRLEACH: Thank you very much, Councillor Scott. Okay that brings  
18 me to the amendment and I will just read it out again for people. So this is the  
19 amendment to be added to this motion. Councillor Ferris will confirm that for me.

20

21 Wicklow County Council actively supports the Boycott, Divestment and Sanctions  
22 (BDS) Movement that targets business profiteering from the oppression of the  
23 Palestine people, and will exclude such business from Council procurement of goods  
24 and services.

25 I am now going to invite Councillor Ferris followed by Councillor O'Brien to speak  
26 and then I will open up to the floor.

27

28 COUNCILLOR FERRIS: Thank you, Cathaoirleach. Just, first of all, I want to  
29 say that I am totally in support of the motion that Councillor Fortune proposed and  
30 which was seconded by Councillor Scott. However, I submitted my amendment  
31 because I didn't think the motion went far enough. The North Wicklow Against  
32 Genocide group, they had included the part about BDS in their -- in what they were  
33 asking us as councillors to do. There's an awful lot that can be said about this.

34

1 I think that the important part is the Boycott, Divestment and Sanctions campaign,  
2 and I hear what Brian tells us about not being able to do that legally or whatever.  
3 And if it is a symbolic motion, you know, that, okay, we can't go any further on it, so  
4 be it. But I think what we should be saying is that we stand with the people in Gaza.  
5 We stand with Palestine. It is not good enough -- I know a couple of people  
6 mentioned about the Hamas attack on Israel on the 7th of October, but,  
7 Cathaoirleach, that was one day. Now I absolutely condemn it myself. But that  
8 happened on one day. What we are looking at now is genocide in Gaza for the past  
9 six months. Now that's a hell of a lot longer than one day.

10

11 Just on the item, on the motion itself in relation to the flag. I totally agree that the  
12 flag should be flown and perhaps it has to go to the Protocol Committee, but I would  
13 say that any flag, including the Palestinian flag, should not supersede the Irish flag in  
14 itself and, you know, it should be -- because that is, you know, our flag, and it should  
15 be slightly lower than the Irish flag. But, you know, the idea of -- sorry, I wanted  
16 the amendment to strengthen the motion by Councillor Fortune and Councillor Scott.  
17 I don't want it as a separate motion.

18 CATHAOIRLEACH: Yes, added on to it. Thank you for that clarification.

19 COUNCILLOR FERRIS: And I do hope that the members would support it. I  
20 would like, again, to commend Councillor Fortune. He tried to raise it last month.  
21 I was ready to jump in to support it, and a decision was taken that we couldn't take it  
22 because it wasn't in writing, hence my sending in to Helen the amendment in writing  
23 for today's meeting.

24

25 I mean, I know some people have supported the North Wicklow Against Genocide  
26 and I know other people, including myself, who have stood at protests in Bray about  
27 it and indeed in Dublin. You know, so I think a number of people, Councillor  
28 Walsh said, you know, we shouldn't be just going on about it, we should do it. And,  
29 you know, if we were to have accepted Councillor Behan's motion, you know, how  
30 long more would it be held up? And how many more people in Gaza would be  
31 killed before we got a response? So the action has to be taken now. Thank you,  
32 Cathaoirleach.

33 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Paul O'Brien.

34 COUNCILLOR PAUL O'BRIEN: Thank you, Cathaoirleach. Can I start by

1 commending Councillor Fortune and Councillor Scott for their proposal, and to offer  
2 my support to Councillor Ferris here on seconding her amendment.

3

4 Little did we know, Cathaoirleach, five years ago when we all stood for local politics  
5 that we would be sitting in a world that we are living in today where we have Putin  
6 and Netanyahu, war criminals, and the tragic deaths that are happening. And it has  
7 been mentioned a few times about it stone we were given outside. Mine says,  
8 "Hamsa Asher was just a little baby boy". I think that you would need to have a  
9 heart of stone not to have sympathy for those that were killed in October and those  
10 that have been murdered since then.

11

12 I am a proud European. I stand in solidarity with the EU, but not on this occasion.  
13 And because I live in a republic, I have that right; to condemn the atrocities that are  
14 happening in Gaza and speak out against President von der Leyen. The reason I do  
15 so is because I live in Ireland and not Russia and not Palestine.

16

17 So I want to commend the speakers that have gone before me. I wholeheartedly  
18 support them. But my heart does go out to those in Gaza and Israel and Ukraine. It  
19 is a sad situation we find ourselves in and as local politicians there's very little we  
20 can do about it but offer symbolism, because that is all we have in our power, and I  
21 will endorse Councillor Ferris's amendment and Councillor Fortune and Councillor  
22 Scott's. Because sometimes we have to stand up and be counted and tear up the rule  
23 book now and again to show our solidarity. Thank you again.

24 CATHAOIRLEACH: Thank you very much, Councillor. I am now going to invite  
25 Helen just to comment on the adding of that amendment to the original motion.

26 Helen.

27 MS PURCELL: I just want to clarify that Standing Orders under section 18  
28 Motions and Amendments, Part D, states: "Every amendment shall be relevant to  
29 the motion on which it is moved and shall be either (a) to leave out words; (b) to  
30 leave out words and insert or add others; and (c) to insert or add words. An  
31 amendment shall not be in order if it is equivalent to a direct negative or if it is not in  
32 fact an amendment of the motion it purports to amend."

33

34 Just to make that very clear as to what an amendment actually is.

1 Thank you.

2 CATHAOIRLEACH: Okay. I am going to open this up to the floor for discussion.  
3 Yes, I am going to bring him now a minute. I am going to open this up to the floor.  
4 We do have one -- when we do come to vote, it will be to voting on the amendment  
5 first and then on the motion, because that's the procedure. Just so people are aware.  
6 Okay. Councillor Behan.

7 COUNCILLOR BEHAN: Thanks, Cathaoirleach. I am going to propose another  
8 amendment and I am going to follow the instructions as given by the meeting's  
9 administrator. I am going to propose that most of the proposal is deleted and I am  
10 going to propose a new wording which I think is a more balanced wording given the  
11 entire situation at which we are all horrified.

12

13 So what I am proposing is that the first sentence of Councillor Fortune's motion  
14 which is that many, many people are struggling with the situation taking place in  
15 Palestine; that is correct, and I fully enforce that. I am proposing removing  
16 everything else, the remaining wording and adding the following instead, in  
17 replacement, "In the light of our common humanity and having witnessed from afar  
18 the horrific events in Israel and Gaza over the past six months, we, the members of  
19 Wicklow County Council condemn the murders of innocent Israeli and Palestinian  
20 human beings, whether by Hamas or the Israeli Defence Force. We join the  
21 worldwide calls for an immediate humanitarian ceasefire in Gaza and the immediate  
22 release of all hostages, and we strongly support the position of the Irish Government  
23 in favour of the establishment of two states living in peace, side-by-side."

24 COUNCILLOR O'NEILL: We are running away from it, Joe.

25 CATHAOIRLEACH: Thank you very much, Councillor Behan. Okay.

26 MS PURCELL: Can I come in there and say that in my opinion as meeting's  
27 administrator, that is new motion. That isn't an amendment to the motion. So it  
28 could be submitted as a motion, but it needs to be in accordance with Standing  
29 Orders and a month's notice has to be given so it would appear on the agenda for  
30 May. I don't accept that it is an amendment to the motion.

31 COUNCILLOR BEHAN: With respect, now, it is relevant to the wording of the  
32 motion and that's one of the points that is mentioned. It is relevant. What I am  
33 trying to do is ensure that we have a balanced proposal, that we can all agree to.

34 CATHAOIRLEACH: I am going to --

1 COUNCILLOR BEHAN: So I dispute that, with respect.

2 CATHAOIRLEACH: Okay. Councillor John Mullen.

3 COUNCILLOR MULLEN: Thanks, Cathaoirleach. And, again, I would like to  
4 thank Councillors Fortune, Scott, O'Brien and Ferris for their motions and amended  
5 motions for which I am supporting, even though I recognise the ultra vires nature of  
6 what we are asking in certain cases with the previous motion and with this one as  
7 well.

8  
9 However, just in relation to the some of the comments made and just for clarity and  
10 to have it on the record, the Irish Government has been quite strong on this matter.  
11 The South Africans have initiated a case to the International Court of Justice. Only  
12 five cases have been taken to the International Court of Justice on the Genocide  
13 Conventions since 1948 which just shows you how significant that measure is.  
14 Ireland has intervened in one of those cases which is obviously the illegal invasion of  
15 Ukraine by Russia and its dictator, and now it has signalled its intention to intervene  
16 again on behalf of or in support of the South African case that supports the  
17 enforcement of the Genocide Convention against --

18 CATHAOIRLEACH: Councillor O'Neill, please don't interrupt.

19 COUNCILLOR MULLEN: Councillor O'Neill, we live in a democracy. So if you  
20 can please listen for a change rather than talking.

21

22 I do respect Councillor Joe Behan's attempt to introduce a balanced motion, but I do  
23 disagree with him on a point of principle on this and I accept that he's acting in good  
24 faith and according to his conscience, as are every single member of this chamber,  
25 one or the other. Because I think people in both parties, all parties and none have  
26 different views and can you see that reflected in the vote. But there comes a time,  
27 six months of a conflict after horrific Hamas atrocity, that six months of conflict with  
28 30,000 people in a 14-kilometre area where over a million live, have been murdered  
29 and we have to say stop. And any way or method we can use to say stop should be  
30 used. The Irish Government is using its legal measures to do by joining the case. I  
31 understand and I accept the management point of view that we might be acting ultra  
32 vires, but I think we are stating how seriously we are taking the matter that we are  
33 proposing to act ultra vires in relation to the procurement policy of the Council,  
34 which is subject to European law.

1

2 But, again, I'd like to thank the Councillors for their motion, for their genuine  
3 attempt to try and convey the feelings of the people in Wicklow. I was in  
4 Baltinglass too yesterday, along with another Councillor on this matter, and I do  
5 accept that Joe Behan and other Councillors who are voting in a different matter  
6 have also sincere views on this and also do not defend what is happening in Gaza,  
7 but maybe see a different point of view. Thank you.

8 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Silvester  
9 Bourke.

10 COUNCILLOR BOURKE: Thank you, Cathaoirleach. If I had a chance I would  
11 second Joe Behan's motion there because I do feel that this is a bit of a faulty motion.  
12 It is not sending a message to Hamas that they have wronged society as well. And  
13 who is to say that if they had means, that they wouldn't have killed 30 or 50,000  
14 people on October 7th. So I would like to support the motion. I am totally against  
15 what the Israelis are doing, but we should get a bit of balance into it. You know, if  
16 the shoe was on the other foot, basically, I think we should definitely be giving some  
17 cognisance to the fact that both sides have wronged society here and that they are  
18 both at fault. But I will probably support the motion, because as John Mullen has  
19 said there, it has to stop now. Sanity must prevail. Both sides have to pull back  
20 and give the Gaza people a chance to -- the Palestinian people a chance to rebuild  
21 their lives because it is just horrendous.

22 CATHAOIRLEACH: Thank you. Councillor Edward Timmins.

23 COUNCILLOR TIMMINS: Just briefly, Chairman. Thanks for that. It is clearly  
24 a really, really sensitive subject and I think we all unanimously agree that what Israel  
25 is doing now is wrong and Netanyahu in particular who is driving this, is wrong. I  
26 would like to put an overall, kind of sit back and overall view of this and ask the  
27 people who are making these proposals to think about this.

28

29 Ten years ago in Syria, Assad's regime killed 200,000 of his own people. No one in  
30 here shouted stop. No one said anything, RTÉ gave it a little bit of coverage, but  
31 not wall to wall, night after night. He used chemical weapons on his own people.  
32 Syria isn't any further away than Israel. It's a couple of hundred miles north on the  
33 Mediterranean on the same landmass. And I just -- what's going on in Israel is  
34 dreadful and let's do everything we can to stop it. But ask ourselves why, why when

1 something happens in Israel or the West Bank or the Gaza Strip, when something  
2 happens there our antennas go up 20 times more than they do down below in Sudan  
3 and Darfur south of Egypt, or Syria, as I say, a neighbouring country that borders  
4 just north of Lebanon. Just ask ourselves that, why we don't give the same -- those  
5 lives, those Syrian lives are every bit as important as the Palestinian lives. 300,000  
6 were killed fully in the war and, as I said, chemical weapons. 200,000, 30,000, one  
7 life is too many. Whatever, 1200 that were killed on the 7th October is too many.  
8 30,000, roughly, we don't know, of that order certainly. 200,000 in Syria. We  
9 didn't bat an eyelid. No one said anything in here. No one shouted stop

10 CATHAOIRLEACH: Thank you, Councillor.

11 COUNCILLOR TIMMINS: Think, why is that? Is Israel different? Same lives.

12 CATHAOIRLEACH: Thank you, Councillor. We have four more speakers to  
13 speak. I will ask the speakers if everybody could keep it brief if they could.

14 There's a lot being said but there's also a number of votes that need to be taken I am  
15 conscious that the people in the chamber I am sure are interested to hear what those  
16 vote results would be.

17 Councillor Stephen Stokes.

18 COUNCILLOR STOKES: Go raibh maith agat, Cathaoirleach. I would be very  
19 close to Councillor Behan and Councillor Silvester Bourke on this. Myself and  
20 Councillor O'Connor brought a motion before this chamber a year after the Russian  
21 invasion of Ukraine. The wording was very kept simple. It thanked the people of  
22 Wicklow for hosting Ukrainian people and it called on Russia to withdraw from  
23 Ukraine. Even though my views are much, much stronger against Russia, I did that  
24 to try and bring as many people on board and I do appreciate Councillor Fortune's  
25 efforts to bridge that gap, and I will be supporting Councillor Fortune's motion. But  
26 I do want, you know, as other Councillors have outlined, I want this -- I want a  
27 ceasefire, a permanent ceasefire. But that goes both ways. Not just for, you know,  
28 Israel bombing Gaza; but Hamas are not some sort of nice people. They remind me  
29 of 1930s Germany because they have elections once, they get in and then that's the  
30 end of it. There's no more elections as far as they are concerned. You know,  
31 they're not nice people. And so, the people in Palestine are suffering every day from  
32 the bombing from Israel but also from a very bad government. I mean, look at their  
33 record on LGBTQ rights. It is not good. So, you know, they're getting caught from  
34 both angles, but I accept it's far worse, you know, from bombing that's happening

1 every day. And we have men, women and children who are totally innocent on both  
2 sides, that are being caught up in this and there's been some mention of this. There  
3 are hostages. There are UN reports saying that there is torture and sexual abuse still  
4 going on, Israelis in Palestine. So all hostages whether they are Israeli or  
5 Palestinian need to be released, and I feel very strongly about that. But first and  
6 foremost, we have to stop the bombs and we have to make sure that the Palestinian  
7 people have humanitarian aid and access because there too many innocent people  
8 being caught up in this. Thank you, Cathaoirleach.

9 CATHAOIRLEACH: Thank you very much, Councillor. Again, I will just remind  
10 people to try and keep their contributions as brief as possible, if they can.  
11 Councillor, Dermot O'Brien.

12 COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. I just want to share  
13 a couple of things. Two things. One around the challenge of balance. And  
14 balance is a difficult thing to put out there when you listen to the Secretary General  
15 of the Norwegian Refugee Council who describes that Gaza has world records that  
16 no one really wants to talk about because they're so morbid. World records in  
17 number of children killed. World record in number of women killed. World record  
18 in killed teachers, killed nurses, killed doctors, killed journalists. And this is 170  
19 UN staff have been murdered in the last six months. 170. Is it because their skin  
20 colour is different that it is okay for Palestinian origin UN staff to die? 30 Red  
21 Crescent staff. Do we know people who work in that field, and if we imagined one  
22 of them being killed. So that's why balance is quite difficult for me. And I would  
23 consider myself a humanitarian.

24

25 But I will draw, and never would I know or imagine that I would quote the Pope in  
26 Wicklow County Council, but this is what the Pope says: "This is not war. This is  
27 terrorism." So I will take his word. Thanks, Cathaoirleach.

28 CATHAOIRLEACH: Thank you very much, Councillor. Councillor John Snell.

29 COUNCILLOR SNELL: Yes. Thanks, Cathaoirleach. It is not often I am sort of  
30 shocked in the chambers here but, again, look it, this is democracy, we have to take  
31 on board everyone's viewpoint. But, you know, I go back to 7th of March 2022 in  
32 this chamber when we had a discussion around the Russian Ambassador. At the  
33 time I said I would support the expulsion of the Russian Ambassador in accordance  
34 with my colleagues in the chambers but I also wanted to attach, to expel the Israeli

1 Ambassador at that time. That was March 2022. Two years ago. Long before this  
2 current campaign of destruction. There was no appetite in the chamber for the  
3 support at the time.

4  
5 We then had a discussion on the 9th of May 2022. There was a motion, similar to  
6 the first motion here today. And at that I read out a couple of facts that was on the  
7 ground in the West Bank and in Gaza at the time where 80% of the population was  
8 under the poverty line, where there was 50,000 properties damaged, 331 educational  
9 facilities which was schools damaged, ten hospitals - at that time. None of the  
10 current circumstances was at play at that time. Again, no appetite to listen to what  
11 was being said in the chambers here.

12  
13 14th of November 2023, proposal for suspension of Standing Orders here by my  
14 colleague Councillor Gerry O'Neill, supported by myself and Councillor Dermot  
15 O'Brien. Twenty-four Councillors voted against having a discussion - a  
16 discussion - on what was happening in Gaza.

17  
18 Since October the 7th, and it has been mentioned by one or two members here in the  
19 chambers, 33,137 people killed, 75,886 injured, of which 13,800 are Palestinian  
20 children. That's on average a hundred children a day dying in Gaza, and we didn't  
21 see fit to discuss it in November. I was on East Coast Radio in November 2023 and  
22 I said basically what was happening and what was being played out in front of our  
23 eyes was that this was genocide. Nobody would believe it at the time. We now  
24 hear the word "famine" being used. Something that everyone in this chambers  
25 should be familiar with. Anyone who has any knowledge of our history will know  
26 that it's not something that you would wish on any country, and yet we have a  
27 chambers which is almost split down the middle. A debate about putting up a  
28 Palestinian flag. A debate about calling for the immediate ceasefire of a genocide.  
29 It's ludicrous what you're talking about. Ludicrous what you are talking about.  
30 The reality is, irrespective of your political parties, and I take no sort of talk from  
31 political parties saying that we took no interest in Syria or other places, your political  
32 parties was in government in this country for the last 15 years.

33 COUNCILLOR O'NEILL: Hear hear.

34 COUNCILLOR SNELL: What did you do? What did you do about Syria? What

1 did you do? Nothing. So don't put it back on the councillors here in this chambers.

2

3 The reality is that the Irish people will carry the Palestinian flag irrespective of what  
4 you do or what you say. And they continue to do it, because that's where the Irish  
5 people, our hearts and our desires are; behind the downtrodden. How anyone can  
6 justify the slaughter of a hundred children per day and sit here and say that we don't  
7 have the right to debate it unless we look at the other side. I'll always look at the  
8 other side as well. Since 1947 we have been looking at the other side to see what's  
9 happening. And it's disgraceful that we end up in a situation where we have to  
10 come here to take potshots at one another. Potshots that really will not have a shred  
11 of difference to people across Gaza today, tomorrow and the following day. Why  
12 don't you go to your ministers, go to your Taoiseach, your Tánaiste and tell them that  
13 you will resign from the party if they don't support the people of Gaza? Why don't  
14 you grow a backbone and say that we're only the small people, but we represent the  
15 people on the street who are saying enough is enough?

16 CATHAOIRLEACH: Thank you, Councillor.

17 COUNCILLOR SNELL: Cathaoirleach, when you see international charities  
18 having to pull out of Gaza because they are being targeted by a so-called civilised  
19 army, so-called civilised army who are slaughtering people who are trying to help  
20 the innocent on the ground and then they say that's a mistake. That's a mistake.  
21 And people here think that we should justify it. Well, I won't justify it. I will stand  
22 alongside the Palestinian people who are being slaughtered as we speak and waste  
23 time here talking nonsense, absolute nonsense. You didn't want to discuss it in  
24 March 2022, May 2022, November 2023, and it took the decent people who  
25 bombarded you with emails to bring something here to the chambers.

26 COUNCILLOR O'NEILL: Hear hear.

27 COUNCILLOR SNELL: That's the only here it is here. Thank you Cathaoirleach.

28 CATHAOIRLEACH: Thank you, Councillor. We have two final speakers and  
29 then we are going to take it to a vote. I will ask those two speakers if they could  
30 keep their contributions short. Councillor Tom Fortune.

31 COUNCILLOR FORTUNE: Thanks, Cathaoirleach. I just want to clarify a couple  
32 of things. That's all.

33

34 My input in April and currently before you, does take into account everything both

1 sides. It's black and white to me. Okay. The second point that I welcome  
2 Councillor Ferris's amendment. She says very clearly that she's not trying to change  
3 the amendment; she wants to add it on to it and it's the one amendment. So I  
4 welcome that. I think that strengthens it up the way it should be strengthened up. I  
5 will repeat what I said just quickly. Fourteen local authorities in this country have  
6 approved such a motion.

7 CATHAOIRLEACH: Thank you, Councillor. Councillor Patsy Glennon.

8 COUNCILLOR GLENNON: Thank you, Cathaoirleach. And I can see that this is  
9 a very emotive issue for lots of people. Firstly, I out-rightly condemn violence. I  
10 condemn what Hamas did and I condemn what the Israeli army have done on many  
11 occasions since.

12

13 I want to support Councillor Fortune's amendment but I have difficulty with us  
14 establishing that genocide has been committed when in fact the international court  
15 hasn't yet done that. I would ask him to insert the word either "alleged", "suspected"  
16 or "apparent" and then I would fully support his motion. But I condemn violence.  
17 I abhor it at every level. I had a very close friend and colleague killed in 1984 by  
18 so-called freedom fighters in this country and I find it difficult to take lectures on  
19 peace from people who supported those actions. So will say no more than that.  
20 Other than to ask my colleague, I could support it if the word "apparent" genocide  
21 was in it because that would be our own finding of it as distinct from the  
22 international court's findings.

23 CATHAOIRLEACH: Thank you very much, Councillor. Okay, colleagues, we're  
24 going to go to vote. Before we do I would like to make a comment myself.

25

26 Just for clarity: We're not operating under any party whip here. People are from  
27 different parties. So the accusations that certain parties are being told to vote certain  
28 ways is unfair. I have not been told as a Fine Gael councillor that I have to vote any  
29 way. I have been given the respect to make the decisions that I want to make  
30 personally. So I just want that noted.

31

32 I also want it noted that this is a very complex issue and I got into politics because I  
33 love my community and I found it quite difficult to understand everything, and I did  
34 take the opportunity to write to the Palestinian Ambassador to Ireland on these

1 motions having had the opportunity to visit her as well, and got her feedback on  
2 them and her support for them. And it is on that basis that I am supporting it.

3

4 So we have a motion that's been made by Councillor Tom fortune and Councillor  
5 Lourda Scott with an amendment or an addition from Councillor Anne Ferris and  
6 Councillor Paul O'Brien. Councillor Fortune, my understanding is that you are in  
7 agreement with that amendment being added to your original motion. So then we  
8 have the opportunity, if there is no dissent we can accept the motion as it stands with  
9 that addition. If there is any dissent, then we will go to a vote. So do we have any  
10 dissent?

11 COUNCILLOR BEHAN: Yes.

12 CATHAOIRLEACH: Sorry. Councillor Joe Behan.

13 COUNCILLOR BEHAN: I am still asking that my motion be put to the floor.

14 CATHAOIRLEACH: Okay. So you have dissent against it. Have you got a  
15 seconder for your motion?

16 COUNCILLOR BEHAN: I don't know.

17 COUNCILLOR BOURKE: I second it.

18 CATHAOIRLEACH: Silvester Bourke.

19 COUNCILLOR SNELL: It is not a motion. Cathaoirleach, it is not a motion. It is  
20 a new motion.

21 CATHAOIRLEACH: Just hold for one second there. Hold one second.

22 COUNCILLOR BEHAN: It is exactly in accordance with what the meeting's  
23 administrator laid out as the requirements for the amendments. You can delete  
24 some of what is said in the motion, you can add words. I have done both through  
25 the chair.

26 MS GALLAGHER: No, you're deleting paragraphs. You're deleting paragraphs.

27 COUNCILLOR BEHAN: I am speaking, please, if I could through the chair. I am  
28 following exactly the guidance that was given by the meeting's administrator.

29 CATHAOIRLEACH: Lorraine, do you want to come in there for a point of clarity?

30 MS PURCELL: I just want to clarify the order in which amendments go to the  
31 floor. The Standing Orders state: "Where an amendment on an original motion has  
32 been moved and seconded, no second or subsequent amendment should be moved  
33 until the first amendment shall have been disposed of, but notice any second or  
34 subsequent amendment shall first have been given." So what we are proposing now

1 is to take the original motion with the first amendment which is in accordance with  
2 Standing Orders and should be voted on first.

3 CATHAOIRLEACH: Then we will take that and then we will deal, Councillor  
4 Behan, with your query. What you are voting on now is the first amendment that  
5 was made, so the original motion with the additional wording that was added. So if  
6 you are voting for, you are voting in favour of the original motion with that  
7 additional couple of lines that was submitted by Anne Ferris; and if you are voting  
8 against, you are voting against that amendment. Okay. Let's take a vote.

9 MS PURCELL: Okay. This is notice of motion number 6 including amendment  
10 number 1 which was proposed by Councillor Ferris and seconded by Councillor Paul  
11 O'Brien.

12 Councillor Tommy Annesley.

13 COUNCILLOR ANNESLEY: For.

14 MS PURCELL: Councillor Mark Barry.

15 COUNCILLOR BARRY: For.

16 MS PURCELL: Councillor Joe Behan.

17 COUNCILLOR BEHAN: Against.

33 COUNCILLOR FITZGERALD: For.

34 MS PURCELL: Councillor Aoife Flynn-Kennedy.

- 31 COUNCILLOR SNELL: For.
- 32 MS PURCELL: Councillor Stephen Stokes.
- 33 COUNCILLOR STOKES: For.
- 34 MS PURCELL: Councillor Edward Timmins.

1 COUNCILLOR TIMMINS: Against.

2 MS PURCELL: Councillor Gerry Walsh is not present. And Councillor Irene  
3 Winters.

4 COUNCILLOR WINTERS: Against.

5 MS PURCELL: There are 23 in favour, seven against and two not present, so the  
6 motion is passed.

7 CATHAOIRLEACH: As that amendment has been passed, there will be no further  
8 votes taken. I want to thank everybody for their contribution and thank those in the  
9 gallery for listening to that debate.

10

11 Okay. We're moving to item number 1 on the Council Agenda, to confirm and sign  
12 the meetings of the Ordinary Meeting of Wicklow County Council held on Monday,  
13 4th March 2024. Can I have a proposer and a seconder. Proposed by Councillor  
14 John Snell. Seconded by Councillor Paul O'Brien. Are we all in agreement?

15 (Agreed.)

16 Thank you.

17

18 Item number 2 to consider the proposal of property measuring 0.331 hectares or  
19 thereabouts in the townland of Arklow, County Wicklow comprised in folio number  
20 WW2593L, being the property know as 24 Fernhill, Arklow, County Wicklow, by  
21 transfer order to Elizabeth Whyte (as LPR of Elizabeth Byrne deceased) the person  
22 entitled to the freehold interest in the property (as per the notice previously  
23 circulated.) Councillor Pat Fitzgerald.

24 COUNCILLOR FITZGERALD: Proposed.

25 CATHAOIRLEACH: And Councillor Pat Kennedy.

26 COUNCILLOR KENNEDY: Seconded.

27 CATHAOIRLEACH: Is that agreed by all? (Agreed.)

28 Okay.

29 Item number 3: To consider disposal of the property measuring 0.0905 hectares or  
30 thereabouts in the townland of Tomcoyle, Co. Wicklow, comprised in folio number  
31 WW2812 County Wicklow by Deed of Rectification to Martin Fitzgerald (as LPR to  
32 Theresa Fitzgerald) the entitled to it, being the property known as Tomcoyle,  
33 Tinahely, County Wicklow (as per the notice previously circulated). Councillor Pat  
34 Kennedy.

1 COUNCILLOR KENNEDY: For. I am proposing this.

2 CATHAOIRLEACH: Thank you. Councillor John Mullen.

3 COUNCILLOR MULLEN: Seconded, yes.

4 CATHAOIRLEACH: Are we all in agreement? (Agreed.)

5 Agreed, thank you.

6

7 Item number 4: To consider material contravention report as circulated in  
8 accordance with section 34(6) of the Planning and Development Act 2000 (as  
9 amended) in respect of PRR23/689 Cairn Homes Property Limited, lands within the  
10 townlands of Blessington Demesne, Newpaddocks and Santryhill, Blessington,  
11 County Wicklow. Just for clarity in terms of this item and vote on it, Helen, you  
12 might confirm, it is 24?

13 MS PURCELL: Yes. The legislation, the Planning and Development Act 2000  
14 states: "It shall be necessary for the passing of the resolution referred to in  
15 paragraph A that the number of members of the planning authority voting in favour  
16 of the resolution is not less than three-quarters of the total number of the members of  
17 the planning authority. So that is three-quarters of 32 is 24.

18 CATHAOIRLEACH: So 24 will be required to vote in favour of this for it to pass.  
19 Emer or Leonora, do you want to -- Leonora. Thank you.

20 MS EARLS: Thank you, Cathaoirleach. Members, the Chief Executive submitted  
21 her report requesting your approval of the proposal to grant permission subject to the  
22 conditions that were attached in the report for this proposed development. The  
23 proposal, if passed, would deliver 329 residential units, the northern end of the  
24 Blessington inner relief road and a town park. It is considered that the proposal is  
25 substantially in compliance with the County Development Plan, acceptable in terms  
26 of environmental and traffic safety, not prejudicial to public health and is in  
27 accordance with proper planning and sustainable development for the area. On this  
28 basis the proposal is being recommended to the members for your consideration.  
29 Thank you.

30 CATHAOIRLEACH: Thank you. Councillor Edward Timmins.

31 COUNCILLOR TIMMINS: Thanks, Chairman. I am happy to propose this  
32 material contravention. I believe it has the support of all the local members.

33

34 Just very briefly, there's a few very good reasons why we should support this. First

1 of all, it is bringing over 300 houses to Blessington which has a real shortage of  
2 houses at this point in time. This scheme also involves affordable houses and social  
3 houses. At the moment there's no affordable houses for sale in Blessington and this  
4 is the first step towards bringing affordable houses to a really rapidly growing town  
5 and a large number of people who are excluded from the housing list because they  
6 are above the limit for the threshold for social housing and they can't afford to buy  
7 the houses because they are quite expensive in Blessington. It does offer affordable  
8 houses, I think approximately 30, which would be a good start for people in  
9 Blessington.

10

11 Secondly, this development will facilitate the extension, or put in place the northern  
12 section of the ring road of Blessington and alleviate traffic in the town. This, again,  
13 is badly needed for a rapidly growing town. And the developers, in my understand  
14 is that they will be putting in this extension to the ring road.

15

16 And, thirdly, they will also be providing I think of the order of 27 acres in parkland  
17 for playing pitches and other facilities for the local population. Thanks.

18 CATHAOIRLEACH: Thank you very much. Councillor Patsy Glennon.

19 COUNCILLOR GLENNON: Yes, Cathaoirleach, I am seconding this motion. I  
20 am not going to repeat everything that Councillor Timmins has said, but it is vital  
21 that it gets the support of the chamber insofar as there is necessary infrastructure  
22 attached to it also, i.e., the completion of the northern end of the inner relief road and  
23 as Councillor Timmins has said, housing is badly needed in the Blessington area, of  
24 all descriptions. Thank you.

25 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Vincent  
26 Blake.

27 COUNCILLOR BLAKE: Just to say I support my colleagues in this particular  
28 project. As the councillors have said already, they are going to get houses, getting  
29 facilities for sports, pitches and so forth. So I would like to support the proposal.

30 CATHAOIRLEACH: Thank you, Councillor. Councillor Avril Cronin.

31 COUNCILLOR CRONIN: Thanks very much, Cathaoirleach. I also just want to  
32 express my support for this. We are in dire need for more houses in the West  
33 Wicklow area. This is going to provide a huge amount of housing in Blessington.  
34 Not only will it provide private housing as my colleague said, but it will also have

1 affordable and local authority housing which I think is really, really important.

2

3 We have been inundated with requests from sports clubs from the area looking for  
4 land. There's a huge amount of public amenity space needed in the area, so this will  
5 also provide this. And also the necessary infrastructure with the ring road really is  
6 essential for further development of Blessington. So I think this is a great  
7 development to happen in the area and I strongly support it. Thank you.

8 CATHAOIRLEACH: Thank you, Councillor. Councillor Gerry O'Neill.

9 COUNCILLOR O'NEILL: Yes, thanks, Cathaoirleach. Can I just say that I am  
10 disappointed, bitterly disappointed that this was not on our municipal district agenda  
11 whatsoever. There was no discussion in West Wicklow as regards this project.  
12 There's 329 proposed houses. This is an extra 329 on top of the 73 that Cairn  
13 Homes have already built. There's other issues. For Councillors here that wouldn't  
14 know the town, there's a northern end of the relief road to be completed which is  
15 about 700 yards or metres and there's the southern end. Now, if you are driving  
16 from Dublin you're asked now to use this new relief road, but when you go onto the  
17 relief road it's a dead end as such, because it goes onto the Naas Road, not the  
18 completion of the road which would be the Baltinglass side. So there's a lot of  
19 concern about the congestion that will happen in the town because really what I have  
20 been looking for here is both sides of the relief road completed, that you can bypass  
21 the town as such. But, however, with this in mind it's not going to happen, you  
22 know.

23

24 Then there are other issues there, and this is up to our planners here in Wicklow, you  
25 know. Incidentally, this is coming at the worst time, this material contravention,  
26 because we're in the process of putting our local area plan together. So, you know,  
27 this clashes with all that. But I think the planners have to really look at this and  
28 educate the Councillors as to exactly what is happening.

29

30 I have heard other Councillors saying there, there's 30 affordable houses there.  
31 There's no conditions at all at the moment bar the statutory 20% for social needs.  
32 But there's no agreements whatsoever. But I have talked to officials within the  
33 Council in the last couple of days and I talked to the developer and really, you know,  
34 what we have here in West Wicklow, you have it everywhere, being that the crash of

1 12 years ago, whatever, a lot of people lost out on their homes and they lost them  
2 through, you know, maybe they had the mortgage only a month or two before the big  
3 crash, and they ended up losing their homes. So I think where we have to be more  
4 active with affordable homes, is that the people who are caught there, they're outside  
5 the 42,000 for social housing but they're not -- they don't have a great enough income  
6 to get the mortgage. So there's a huge opening here for affordable homes and there's  
7 a huge need for them. I am fairly convinced that there will be affordable homes  
8 going into this new project. I am not going to vote against housing, so I am going to  
9 support this but I really would love to get a more hands on from the county council.  
10 I mean, there's 32 acres of land there on this site which will be a park area, but I  
11 mean we have a soccer club there locally, they have to go to another county to play  
12 their games. We need these open spaces for what we have in the area, our sports  
13 and recreation zone.

14

15 Really these things have to be seriously considered. It's no good in just putting  
16 houses in, houses and more houses in if you don't have the infrastructure. And we  
17 need infrastructure in Blessington. We need the roads and we need the playing  
18 areas. We need the schools. You know, there's proposals for the upgrading of the  
19 school, but we're going to make a disaster of Blessington if we don't move in the  
20 right direction.

21

22 I feel, you know, we all have to face elections now in a month's time or whatever, I  
23 don't know, but I would love to see the day coming that there would be more hands  
24 on with elective representatives in the area and that we can move forward together.  
25 So raibh maith agat.

26 CATHAOIRLEACH: Thank you very much, Councillor. Councillor John Mullen.

27 COUNCILLOR MULLEN: Thanks, Cathaoirleach, and as the last of the  
28 councillors in the Baltinglass Municipal District to speak on the matter, I want to  
29 commend the planners for putting together a material contravention. A material  
30 contravention of the development plan is quite a serious matter. It is not taken  
31 lightly. And as you know from the Planning Department in Wicklow County  
32 Council, there's an extra due diligence from their side on this. And, therefore, even  
33 though I think what we would like to say is the perfect shouldn't be the enemy of the  
34 good. And on this one, even though there's a lot of detail there, and I accept there

1 are social infrastructure and educational infrastructure requirements on top of the  
2 existing housing that's proposed here, the existing housing is badly, badly needed.  
3 And, you know, housing is the number one issue and has been since the last local  
4 elections. I support my colleagues. I thank the planners for doing this. I  
5 understand how seriously they take it, but housing is badly needed so I support it.

6 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Joe Behan.

7 COUNCILLOR BEHAN: Thanks, Cathaoirleach. Could I just ask, first of all,  
8 why is it a material contravention? What is the reason that is coming before us?  
9 But also just to ask that, you know, Gerry O'Neill has more intimate knowledge of  
10 Blessington than anybody else around this table and when he talks about the fact that  
11 we're not getting what the strategy or the policy of the Council was initially, which  
12 was to have an effective bypass of Blessington, we're getting a half a bypass. And  
13 as I understand it, the southern section is going to come out back onto the main street  
14 in Blessington, or probably more likely heading towards Naas, because it comes out  
15 at the Naas Road there. And part of the Kildare County Council administrative area  
16 is actually right in Blessington itself. And I am concerned that while this may work  
17 and, you know, as Councillor Mullen said it's to be welcomed as the first element, is  
18 there any sense of urgency at the top table as to how the second part of that particular  
19 road project is going to be delivered? I'd certainly be interested in an answer to that  
20 question.

21

22 The next question I have is in relation to the social and affordable 20%. Has that  
23 been already negotiated? It may be in the report, I just haven't read it. It's a very  
24 long report. Has it been negotiated and is it going to be a 10% and 10% split  
25 between social and affordable?

26

27 And the final point I would make is, a welcome but a guarded welcome on condition  
28 number 2 that the first occupation of any dwelling or residential unit shall be for  
29 individual purchasers rather than corporate concerns, corporate entities. And that is  
30 something that we as a Council actually adopted in our development plan in relation  
31 to apartments. It is already government policy and I am glad to see it reflected.  
32 But cost rental has been added in as an acceptable option in this condition. My  
33 understanding was the policy was sale or social housing to individual purchasers.  
34 Now if we get into a cost rental situation there, does that mean that Cairn Homes

1 could decide that they're going to hold on to a hundred of these units and offer them  
2 on a cost rental basis rather than allowing them to be for sale? Because everybody  
3 knows the group that is crying out for housing and being able to buy their own  
4 housing are the people who don't qualify for social housing and very often don't  
5 qualify for cost rental.

6

7 So I am just wondering why is that condition about cost rental put in? Can  
8 somebody explain how that is not going to militate against first-time buyers.

9

10 Having said all that, I will be supporting it. It is a high bar actually to get 24 and I  
11 think we barely have 27 here at the moment. So it is going to be important that  
12 people, I suppose, look at all the merits of it. But I would appreciate answers to the  
13 various queries I made. Thank you.

14 CATHAOIRLEACH: Thank you very much, Councillor Behan. Councillor  
15 Dermot O'Brien.

16 COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. Just quickly. First  
17 of all I appreciate the detail, the amount of detail that was in the report, because for  
18 someone who is not informed, I very much was looking forward to coming to this  
19 meeting and being guided by colleagues from the west and, in particular, colleagues  
20 who have proximity to this location, because I think the decision should primarily be  
21 coming from and guided by them. So I appreciate that as well. But the detail in the  
22 report and the conditions is also a high bar, I would say, and I think are critical in  
23 how they are enforced or, again, in what way we ensure that the  
24 conditions -- because there is some concerns that were in submissions. So I think  
25 the conditions are strong but there's a big challenge there in ensuring that they are  
26 complied with. But I look forward to -- hopefully there's a positive response to this.  
27 Thanks, Cathaoirleach.

28 CATHAOIRLEACH: Thank you, Councillor. And, finally, Councillor Lourda  
29 Scott.

30 COUNCILLOR SCOTT: Yes, thank, Cathaoirleach. Councillor O'Brien said I  
31 was coming here very much sort of waiting to hear from my colleagues in the west  
32 who obviously are very familiar with the details and the needs of their area. I  
33 suppose, just a few general comments. In terms of, I am aware that Cairn Homes  
34 have brought judicial review about the County Development Plan after it was passed

1 and I am just wondering is there any update on that, or is there any consequence, I  
2 suppose, of approving this material contravention on the outcome of that?

3

4 I suppose in relation to that as well, my mind goes to our -- you know, if we're  
5 passing this material contravention today, are we to expect similar and more material  
6 contraventions from developers who still want the large scale developments and that  
7 this is a way around the County Development Plan? These are just questions that  
8 come into my mind as I am living in a very different scenario towards my colleagues  
9 in Blessington, insofar as we have had a lot of development and a lot of houses being  
10 built and we are currently struggling with our infrastructure and particularly in  
11 secondary school places. So these are just questions. I would be interested to hear  
12 the Executive's response. Thank you.

13 CATHAOIRLEACH: No problem. Thank you, Councillor. Okay. We will get  
14 some responses to the queries raised and then we will take the vote. Leonora, can I  
15 hand over to yourself.

16 MS EARLS: Thank you, Cathaoirleach. Okay, Councillor O'Neill, a live planning  
17 application can't go before a municipal district for discussion, so that is why it  
18 wouldn't have been directly brought to the municipal district on that. The northern  
19 part of the road is part of this planning application. The southern part is being  
20 actively pursued with the landowners on that side and with Kildare County Council.  
21 So we would be hopeful to see movement on that as well and that would complete  
22 the road on both ends.

23

24 The Blessington local area plan. That is going through its process at the moment  
25 the. As part of that there will be discussions and workshops with the elected  
26 members on all matters as they relate to Blessington.

27

28 The affordable social housing. So we put in the condition and we don't make an  
29 agreement until such time a decision is actually made on a live planning application.  
30 So if the members decide to pass the proposal today and permission is granted,  
31 discussions would then commence with the Housing Department in relation to it.  
32 There are recreational facilities provided for within the application.

33

34 Councillor Behan, it is a material contravention because it materially contravenes the

1 core strategy and the implementation of it and around complex growth. The  
2 southern section, again, there's ongoing discussions with the landowners and Kildare  
3 County Council and ourselves.

4

5 The social and affordable is included as a condition. The cost rental, that condition  
6 has to be included because it forms part of the Act, but it is generally not what  
7 happens; they are sold to individuals.

8

9 Councillor Scott, the JR is a completely separate matter. So this material  
10 contravention application has to be considered on its own merits as it's before the  
11 members. With regard to any similar material contraventions, again each  
12 application will be considered on its own merits and it will be entirely a matter for  
13 the members whether or not they pass any future material contraventions if they were  
14 to come before you. Thank you.

15 CATHAOIRLEACH: I will let the Chief Executive in.

16 MS O'GORMAN: Thank you, Cathaoirleach. Just, I suppose, on the notion that  
17 we'll be inundated now with material contraventions. As one of the other members  
18 said, it's a very serious matter and a very high bar for the officials of the Council to  
19 bring a material contravention to you for, you know, your considered opinion and  
20 views on it. So it is not the case that every large scale planning application is going  
21 to come before you as a material contravention. Each one is assessed on its merits  
22 individually, having regard to the area plan that's in place, the development plan and  
23 the objectives of that local area and very specific to the area in question. So just to  
24 set that there for you, members. Thank you, Cathaoirleach.

25 CATHAOIRLEACH: Thank you very much, Chief Executive. We will go to a  
26 vote.

27 MS PURCELL: Just to read you out the wording of what it is that you are voting  
28 on. "Having considered the Chief Executive's report of the 2nd of April '24  
29 prepared in relation to the proposed large scale residential development of 329  
30 residential units and all other works at Blessington, County Wicklow, wherein the  
31 Chief Executive requested the members approve her recommendation to grant  
32 permission subject to conditions for the proposed development, and having regard to  
33 documentation and details relating to the proposed development and the appropriate  
34 assessment and environmental impact assessment carried out by the Chief Executive,

1 in accordance with section 34(6)(a)(iv) of the Planning and Development Act 2000,  
2 as amended, the members approve by resolution the Chief Executive's proposal to  
3 grant permission for the proposed development subject to the conditions set out in  
4 the Chief Executive's report."

5 Councillor Tommy Annesley.

6 COUNCILLOR ANNESLEY: For.

31 COUNCILLOR WINTERS: For.  
32 MS PURCELL: Councillor Fitzgerald is back. Councillor Fitzgerald, we're voting.  
33 COUNCILLOR FITZGERALD: For.  
34 MS PURCELL: Thank you. Twenty-nine in favour and four not present. Thank

1 you. Carried.

2 CATHAOIRLEACH: That's perfect. Thank you very much, members. Item  
3 number 5 to note the Wicklow County Council capital investment programme 2024  
4 to 2026. This is for noting and no vote will be taken on it. Brian, I'll hand over to  
5 yourself.

6 MR GLEESON: Thank you, Cathaoirleach. I will give a quick summary of it.  
7 The Local Government Act 2001 requires a report to be presented to the elected  
8 members indicating the programme of capital projects to be undertaken over the  
9 forthcoming three-year period. The Wicklow County Council Capital Investment  
10 Programme 2024-2026 details ongoing and potential future projects with their  
11 associated estimated costs for each of the three years. In addition, it identifies the  
12 potential sources of funding for these projects. This capital programme details a  
13 maximum potential investment of 649 million, funded by a combination of grant aid,  
14 519 million; development levies, 49 million; loans, 37 million; and other income 44  
15 million, which may include funding from disposal of assets, revenue budget  
16 provisions, capital account funds and private sector investment.

17

18 The capital plan is a three-year rolling programme and the status and viability of all  
19 potential projects is reviewed annually. It provides an indication of the investment  
20 Wicklow County Council would like to undertake over these three years. However,  
21 it is not a guarantee of the commencement or completion of these projects. The  
22 implementation of these proposed investment programmes depends on a number of  
23 factors, including continued Government approval of project, timely delivery of  
24 proposed grant aid, availability of cash flow, ability to secure and finance  
25 borrowings, staff resources to manage and deliver projects, contractor availability to  
26 deliver projects, and other external factors such as delays in planning consents or  
27 legal challenges.

28

29 The plan presented to the members here today is broken down by expenditure  
30 programme group. The vast majority, as you'd expect, is under housing and  
31 building which relates to 58%, 19% of the programme is for roads infrastructure and  
32 the balance is across the other programme -- other expenditure programmes.

33

34 So as the Cathaoirleach said, this is just for noting by the members not approval. So

1 if anyone has any questions, I am happy to take them. Thank you.

2 CATHAOIRLEACH: Thank you, Brian. I will open up to the floor. Councillor  
3 Dermot O'Brien.

4 COUNCILLOR DERMOT O'BRIEN: Just a small one, Cathaoirleach, and I am  
5 sure there's good reason, but I notice that the Bray Library wasn't included. Is that  
6 because of where it is on its journey towards getting funding? Because we saw the  
7 plans and we are very excited about that as a future project. But I was wondering is  
8 it because of where it is on its own journey of acquiring funds. Just clarity on that.  
9 Thank you.

10 CATHAOIRLEACH: Thank you. Is there are any other queries? Councillor Peir  
11 Leonard.

12 COUNCILLOR LEONARD: Yes. I would just like to ask, how is this Capital  
13 Investment Plan linked into the LECP plan? And, you know, sort of with Pobal's  
14 index of statistics on each town in the county and some are disadvantaged and, you  
15 know is it, I suppose, proofed, like, you know, to invest in the towns that are the  
16 disadvantaged ones and prioritise them?

17

18 And also just going forward, I think it would be a really useful exercise, I know we  
19 don't have a vote here on this today, but I think it would be really great if this could  
20 be brought to the municipal districts and, you know, do a workshop on it for  
21 planning ahead. Because it links in to everything. It links into the local area plan,  
22 the LECP and I think it would give members and public a greater understanding of  
23 how money is spent and how those decisions come about. Thanks.

24 CATHAOIRLEACH: Thank you, Councillor. Councillor Edward Timmins.

25 COUNCILLOR TIMMINS: Just briefly I brought it up here before, just the fire  
26 stations in the west, Baltinglass and Dunlavin. They have been on this list for four  
27 or five years now at this stage. If they could be brought to fruitions as soon as  
28 possible.

29

30 Also, the industrial development end as well in the west, if some movement could be  
31 made to move on those lands that are zoned. Council-owned lands. Thank you.

32 CATHAOIRLEACH: Okay. No other questions. Brian, can I hand back to you.

33 MR GLEESON: Okay. Under the libraries there is the Ballywaltrim library is  
34 included in there. You'll notice it is under the section for libraries there. There's an

1 amount of 4.5 million over the next three years.

2

3 Councillor Leonard, there wouldn't be a link in with the local -- sorry, was it the  
4 LECP?

5 COUNCILLOR LEONARD: LECP.

6 MR GLEESON: I suppose it depends on the individual government schemes and  
7 what projects would fit into that, you know, and I suppose that's the way it works.

8 But in relation to doing a presentation at the municipal districts, I have no problem  
9 going out and doing a presentation if that would be of benefit to the members.

10 COUNCILLOR LEONARD: Yes.

11 MR GLEESON: No problem. Councillor Timmins, in relation to the fire stations,  
12 yes, they are all included. Obviously the costs have gone up from our previous plan  
13 based on revised estimates that we have got. We are in discussion with the

14 department in relation to that matter. Obviously, the industrial development areas,  
15 they are included. While some mightn't have specific plans at the moment, the line  
16 is kept in the plan as opportunities arise so we can take advantage of it. Thank you.

17 CATHAOIRLEACH: Thank you very much, members. Thank you, Brian. Okay.  
18 Item number 6 is to consider and adopt the draft Wicklow County Council Annual  
19 Service Plan 2024 in accordance with section 50 of the Local Government Reform  
20 Act 2014. Helen, I will hand over to you.

21 MS PURCELL: Just before I start on the Annual Service Delivery Plan, for the  
22 record, I just want to correct myself in relation to the vote on item number 4, the  
23 material contravention. I said there were four not present and there were three not  
24 present. So it is as I said, 29 for, but it was three not present bring it to 32.

25

26 So the Annual Service Delivery Plan, the adoption of the plan is a reserve function  
27 under the Local Government Reform Act, and we will bring this before the members  
28 every year. The plan sets out the objectives and the performance standards for the  
29 Council's service delivery areas in 2024 having regard to the high level goals  
30 contained within the Corporate Plan and also the budget landscape as adopted in the  
31 Council's budget in November last year.

32 Appendix 1 sets out the annual performance indicators which are monitored by  
33 NOAC. We are currently working on those at the moment for 2023 and they will be  
34 submitted in April. And appendix 2 sets out the key baseline data targets for 2024

1 and 2023's output there as well. If there are any questions on it?

2 CATHAOIRLEACH: I open it up to the floor for questions. Do you need a  
3 proposer and a seconder for this? Yes. Councillor Rory O'Connor.

4 COUNCILLOR O'CONNOR: Yes, it's just a few things I noticed while reading. I  
5 know it is a bit late now since we are getting to the point where we are going to be  
6 doing it.

7

8 I think I did mention this when we briefly talked about it a while ago. I think as a  
9 Council we are missing an opportunity here within the objective for around  
10 organisational development and financial matters to get young people involved  
11 knowing about the Council as a career. Because if you talk to any young person  
12 now and you ask them what does the Council do, they would say fix roads and make  
13 houses and we all know it is a lot more than that. I think if we go to schools,  
14 primary schools and secondary schools, and we promote the wide range of things the  
15 Council do. That will pay off in the far future for us as a council, we would get all  
16 the talent across Wicklow coming to get jobs.

17

18 Just another comment about the information services. I think something important  
19 for that section which wasn't really included was a kind of just transition, when it  
20 comes to the digitalisation of our services. One example which I think we did very,  
21 very well, is E-Planning. If you see the Chief Executive's report it is very, very  
22 successful and lots of people are using it. But what we did is, we kept the option of  
23 the traditional way of doing planning and the E-Planning. And I think within that  
24 section it is very, very important that we say that whenever we do digitalisation  
25 within the Council that we don't leave anyone behind. Those are my two major  
26 points. Thank you.

27 CATHAOIRLEACH: Thank you very much. Councillor Joe Behan.

28 COUNCILLOR BEHAN: I fully echo what Councillor O'Connor said there about  
29 not leaving people behind and I think that was one of the wiser decisions that was  
30 made to keep the two, if you like, types of planning together, to enable people who  
31 still wanted to apply in the traditional manner that option.

32

33 I don't have a problem directly with the programme or voting for the delivery plan,  
34 but I want to focus for a minute on the word "delivery". I don't know what the

1 experience is of other municipal districts, but the story in Bray is that projects that  
2 were approved maybe two or three years ago, funding was put in place for them, they  
3 haven't been delivered. I think myself the reason is there aren't enough engineering  
4 staff resources to get these things done. And new Chief Executive, you've changed  
5 the make up, if you like, of departments but are you happy that projects that have  
6 been funded are being delivered on time and on budget or do you think there's room  
7 for improvement? Because I, for one, certainly there is a lot of room for  
8 improvement. And these plans are meaningless unless we actually do deliver the  
9 projects that people have supported. Thanks, Cathaoirleach

10 CATHAOIRLEACH: Thank you very much. Councillor Dermot O'Brien.

11 COUNCILLOR DERMOT O'BRIEN: Again, just a really quick one,  
12 Cathaoirleach. I like reading these documents because I think they set a standard,  
13 they give us the guiding lights for how we will make progress. I would love to have  
14 seen trauma informed in our service delivery plan. I know, I think it was 2021 when  
15 a motion was passed here about us becoming a trauma informed organisation. And  
16 even in some of the areas around healthy and safe working environments, it could be  
17 in there, but I just that that is an area that this Council should pursue because I think  
18 it adds another layer of how we operate and support the most vulnerable and leave no  
19 one behind, as has been said by both colleagues. Thank you.

20 CATHAOIRLEACH: Thank you very much. Okay, we have a number of  
21 questions there. So in terms of Rory O'Connor's questions around just transition  
22 from IT services, who wants to...

23 MS O'GORMAN: I suppose we are on that whole point, digital transformation  
24 piece and moving us forward in to a more e-literate community. But also bearing in  
25 mind that we have a very mixed ability in terms of the constituents that we try to  
26 reach, so the piece of running E-Planning in tandem with regular planning services is  
27 hugely, hugely important. We do aim to digitise more and more of our services as  
28 we go forward, obviously underpinned by good IT infrastructure and plain English  
29 and making all of our services accessible online. It is going to take some time. At  
30 this point we can take any of the actions and the feedback that you have and make  
31 them actionable through the Service Delivery Plan.

32

33 Councillor Behan, your comment about are we doing enough, or am I satisfied: I  
34 would have to say we have an exceptionally -- we have exceptionally strong, good

1 staff on the ground in each of our municipal districts. We are working within the  
2 resources that we have. We could certainly do with more, as in, more humans.  
3 And part of the restructuring that we are going through as an organisation is to try  
4 and focus work on where we have drawn down funds, by the central government or  
5 European funds or wherever it may be, and to make sure that money gets spent and  
6 work is done. There's always room for improvement. The ambition is to keep  
7 moving forward and keep working. But I would commend the staff we have on the  
8 ground. They do an exceptionally good job with the resources that they have. If I  
9 could have another hundred engineers, I would be really, really happy but that's not  
10 going to happen. That's reality. We have to do the best with what we have. We  
11 are putting together our programmes in a way that maximise the human resource that  
12 we have to get more work done on the ground. Thank you, Cathaoirleach

13 CATHAOIRLEACH: Thank you very much. Lorraine.

14 MS GALLAGHER: Just in relation to the recruitment piece, yes, Councillor  
15 O'Connor, I meet every new member of staff as they come in the door to find out,  
16 you know, what's the demographic. I like to see young people come in the door as  
17 well. We do advertise our campaigns on social media and other areas and we can  
18 participate in career days with schools, if that is something we can do, we certainly  
19 will do that. As just in relation to the other comments, as the Chief Executive said,  
20 we will be starting off with the new Council now, pleased God, in June or July. We  
21 will be reviewing our Corporate Plan and all of the areas that the likes of Councillor  
22 Dermot O'Brien has brought up in relation to trauma informed, et cetera, et cetera,  
23 we can incorporate at that stage. Thanks, Cathaoirleach.

24 CATHAOIRLEACH: Thank you very much. So I am looking for a proposer and a  
25 seconder. Proposed by Councillor Dermot O'Brien. Seconded by Councillor Paul  
26 O'Brien. Are we all in agreement? (Agreed.)

27 Thank you, members.

28

29 Item number 7 is to consider and adopt the Mid-East Homeless Action Plan  
30 2024-2026 in accordance with section 37(1) of the Housing (Miscellaneous  
31 Provisions) Act 2009, as amended. Copy attached. Michael, I will hand over to  
32 yourself.

33 MR NICHOLSON: Thank you, Cathaoirleach. This is the Mid-East Regional  
34 Homeless Action Plan, so it has already been adopted by your colleagues in Meath

1 and Kildare. It has been adopted or been recommended for adoption by the tree  
2 housing SPCs including our own. It replaces the existing plan and this will last until  
3 2026. It's a three-year plan.

4  
5 There was widespread consultation with all the adjoining housing authorities. As I  
6 mentioned earlier, the housing SPCs, the three counties, the Mid-East Region  
7 Homeless Consultative Forum who is on that forum, in case you're interested.  
8 Obviously the three director of services in the three local authorities. Officers from  
9 Kildare who are the lead, they are the lead authority, and HSE. And the Mid-East  
10 Regional Homeless Forum which is a much wider group, again has the three local  
11 authorities, HSE, Prison Services, Probation Services, Education and Training  
12 Board, a member of Kildare County Council, the Department of Social Protection,  
13 Regional Drugs Task Force, Tusla, Dublin Simon, Focus Ireland, Peter McVerry,  
14 Bray Area Partnership, Meath Women's Refuge, Tiglin and Teach Tearmainn. So  
15 we have widespread consultation across the forum and also across the management  
16 group.

17

18 Just some of the highlights. I am not going to give a long presentation. This is our  
19 action plan for the next three years. So in the political context, there's increased  
20 presentations of homelessness. We are still coming out of the Covid measures.  
21 There was a ban on the notice to quits and subsequent lifting in March 2023, that had  
22 been effect. The war in Ukraine was mentioned earlier. In particular, the effect on  
23 private emergency accommodation. There is less available for traditional  
24 homelessness because there is so much being used to accommodate refugees from  
25 the Ukraine. Family reunifications is putting pressure on placements. And of  
26 course the national homeless figures which is now 13,500 which won't have escaped  
27 the members either.

28

29 So what we are looking at really is housing first. Provisional housing for the most  
30 complex and long-term cases of homelessness. Often with regards to homelessness,  
31 and members you will know this more than I do, providing a home is only part of the  
32 problem. A lot of the presentations would have other services. So we need to  
33 provide wraparound services including mental health, addiction support, education,  
34 training and employment. It is not just providing a house. The main objective is to

1 help people live independently in their own home and integrate into their respective  
2 communities. We want to build homes, not houses.

3

4 National tender for the continuation of services is expected in the coming weeks.  
5 And the Housing First national office is now in place, and this region holds  
6 bimonthly meetings to monitor progress. We have a very good relationship with our  
7 colleagues in Meath and Kildare. We meet on a monthly basis and we make sure  
8 we are all singing off the same hymn sheet.

9

10 Key findings: The need to ensure sufficient provision of emergency  
11 accommodation. Continued implementation of the Housing First initiative.  
12 Increase in single adult presentations is an issue across the three regions. This is  
13 something we have to address. It's been there for a long time and it is something we  
14 need to tackle. Tenancy sustainable supports, and we have tenancy sustainable  
15 officers in the local authority. A requirement for increased outreach services, as I  
16 mentioned, because it is not just about providing a house.

17

18 Just some of the highlights in the last plan, because obviously when you adopt a new  
19 plan the question is asked, what did you do in the last plan. So a family hub is now  
20 in operation in Wicklow town. We have the tenancy sustainable services  
21 established. We have homeless HAP finally in operation. We have a 20-bed  
22 supported temporary accommodation facility provided in Bray, which includes  
23 cold-weather beds with Dublin Simon. We have exits from emergency  
24 accommodation ongoing. We have seven Covid-19 isolation units provided, 1,474  
25 active HAP tenancies and 298 homeless HAP tenancies in place.

26

27 I would like to recommend the plan for the adoption by the members and would  
28 appreciate your support. Thank you.

29 CATHAOIRLEACH: Thank you very much, Michael. I will open it up to the  
30 floor. Councillor John Snell.

31 COUNCILLOR SNELL: Thanks, Cathaoirleach. Just to thank Michael for -- he's  
32 gone in to a lot of detail in regards to this. This has been discussed, as he outlined, a  
33 number of times through the housing SPC. We have delved down through the facts  
34 and figures. I just want to put it on record that I want to thank the officials of the

1 housing section for the amount of work they have put in to this.

2

3 I am sure as all public representatives know, that throughout the county there was a  
4 lot of concern in regards to the lifting of the eviction ban on the 31st of March 2023.  
5 And thankfully Wicklow County Council really have put their shoulder to the wheel  
6 and engaged with the public in general to such a degree that between families and  
7 individuals, there was up to 300 people affected but were all accommodated by this  
8 local authority in one shape or another. None of them actually ended up in a  
9 homeless situation because of the early interaction.

10

11 I want to thank the members of the County Council who engaged with the citizens of  
12 the county by bringing them to the attention of the Council very early when they get  
13 their notice to quit. Long gone is the day when people would present themselves on  
14 the last day of their notice to quit, and I think it gives our staff ample opportunity to  
15 engage with them. And that's where the personal interaction between public  
16 representatives, the community and also the officials, has been to the forefront.

17

18 Homelessness is a very difficult situation, because it's very easy to put a roof over  
19 somebody's head in a lot of situations and unfortunately, you know, if you don't  
20 engage and look at the health and welfare of the individuals affected, and that's  
21 where the multiagency approach kicks in, whether it be money management,  
22 addiction issues, you know, there's loads and loads of -- domestic violence, you  
23 have all had experience of dealing with dreadful situations like this. But I think that  
24 Wicklow has led the path to a certain degree on this. You know, the support of the  
25 emergency accommodation has been to the forefront, private emergency  
26 accommodation, or the various hubs throughout the county. And, indeed, if there's  
27 any member there that is aware of a shortcoming in certain parts of the county, if  
28 they want to engage with the housing section. But we all know that it is very  
29 difficult. We are in a very lucky position in County Wicklow where we're providing  
30 an awful lot of houses, whether it be through the HAP, the RAS, or social, our  
31 commitment to our citizens has been very good. You will of course come across  
32 desperate situation from time to time and that is where it is important, rather than  
33 seeking out a cheap headline, it is more important to put the family first or the  
34 individual and make sure that their needs is met rather than your own ego.

So I wanted to encourage everybody to keep engaging with the Council and to support this. The SPC has endorsed it, as the Director has said. It's something that we would want to implement as quickly as possible. Thanks, Cathaoirleach

CATHAOIRLEACH: Thank you, Councillor. Councillor, you're proposing the adoption?

COUNCILLOR SNELL: I am.

CATHAOIRLEACH: Yes, perfect. Thank you. Councillor Dermot O'Brien.

COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. I am more than happy to second the proposal, and just two things to say.

Knowing that this was on the agenda today and having a read of the content, and there's lots of action plans in play and some of them come from up above, some of them are generated in the lived reality and there's always that tension between what we know, what we experience and what is right for our areas. And then I was thinking earlier on today, oh, the candidates were invited to come down and sign the protocol. And I wondered do candidates know the volume of work that is involved in this part of what it means to be an elected representative. As Councillor Snell said, there's very sensitive, vulnerable people behind every single story and for them to come to us, I think, is an honour but also a huge responsibility.

One other thing I would say, Cathaoirleach, for whoever might make up the SPC next time round, there's that added element there around youth homelessness and the youth homelessness strategy. I think that is another attempt to try and intervene as early as possible, because the longer someone experiences housing distress as a young person, the more it will affect their whole life. So I would urge whoever might sit in that SPC next time around to, again, amongst all the things find a slot for putting a value and importance on that one. But happy to second. Thanks, Cathaoirleach

CATHAOIRLEACH: That's great. Thank you very much. We have proposer and seconder. Is everybody in agreement? (Yes.)

Agreed. Thank you very much, members.

1 Members, I am going to propose two things. One is an extension of the meeting  
2 until half five. We have a packed agenda, I am not sure that will do it, but half five.  
3 Thank you very much, Councillor John Snell. Can I have a seconder? Councillor  
4 Rory O'Connor.

5 Are we in agreement? (Agreed.)

6

7 The second item I would like to propose is to move items 9, 10, 11 and 12 in  
8 advance of the Chief Executive's report. There are a number of items there that are  
9 required legally to be done and we are running out of meetings in this term. So if I  
10 can get a proposer and a seconder on that. Paul O'Brien and John Mullen. Is that  
11 agreed? (Agreed.)

12

13 Thank you very much, members.

14

15 So we are going to move to item number 9 and that is to note the Draft Wicklow  
16 County Council Annual Report 2023 in accordance with section 221 of the Local  
17 Government Act 2001 (as amended). Helen, I am going to hand over to you.

18

19 MS PURCELL: Very briefly to say this is the draft report that is before you in  
20 accordance with section 221 of the Local Government Act. The AFS is due to be  
21 listed as an agenda item for your consideration on the 13th of May and, as I say, the  
22 performance indicators will be submitted by the 19th of April, and that will be  
23 included as an appendix to the plan.

24

25 As we don't have a June meeting, the finalised Annual Report 2023 will be listed as  
26 an agenda item on the first meeting of the 1st July rather than the June meeting.

27 CATHAOIRLEACH: Anybody any queries in relation to that item? No. Okay.  
28 That's great.

29

30 The next item is item number 10 is the review of the Corporate Plan 2019-2024 and I  
31 know the directors are going to speak very, very briefly. I will hand over to Emer to  
32 start, yes.

33 MS O'GORMAN: Just very briefly, members, again, as part of good corporate  
34 governance we're obliged to review our Corporate Plan and our objectives and what

1 we have achieved during your five-year term. This is a backward look, I suppose, at  
2 the past five years of the term of this Council and the work that has been achieved by  
3 the executive and the members.

4  
5 So each of the directors is going to speak to their previous directorate. I know it is  
6 confusing, but just because they would have been responsible for the actions over the  
7 last five years. We're going to start with Michael and then move along accordingly.  
8 We'll try and be as brief as possible. I know it is getting late in the evening, folks, I  
9 appreciate your attention. Thank you.

10 MR NICHOLSON: Cathaoirleach thank you. The last five years have gone by  
11 very quick. In our directorate we launched three strategies: Wicklow Recreation  
12 Strategy, currently we have the Sports and Recreation Strategic Strategy and the  
13 Expenditure strategy. Covid-19 seems like a lifetime ago, but it actually wasn't that  
14 long ago. We set up a community call helpline in March 2020. We established a  
15 community response forum for the Ukrainian crisis in 2022. We formed the  
16 Disability Inclusive Steering Committee (DISC) and we re-established the social  
17 inclusion network, we're calling it Sing this year.

18  
19 Beyond the Trees Avondale, a tourist destination. We purchased buildings for  
20 community use in Carnew, Ashford and Kiltegan. We carried out sports and  
21 recreational audits in all the MDs. We unveiled the Ronnie Delany statue in Arklow  
22 in 2021. We have huge progress made in investing in the greenway. We launched  
23 the LECP plan. A new leader rural development programme has just been launched.  
24 We have secured leader funding of 6.3 million. We got a lot of funding under the  
25 large scale sport infrastructure fund for Wicklow Swimming Pool and Charlesland  
26 Athletics Track.

27  
28 Town and Village, we completed 24 projects, totalling 3.15 million. CLÁR  
29 funding, 16 projects, half a million. Outdoor recreation infrastructure scheme in the  
30 last five years, 5.2 million. Community Recognition Fund, 1.6 million for seven  
31 projects and just recently got more, 1.6 million for new projects. Pride of place we  
32 had great success, Kiltegan won, Hollywood won gold, Avoca silver, Greystones  
33 Tidy Towns, Century Gardens won silver and ReWild Wicklow won gold.

34

1 I won't go through all the local sport partnerships. You will all aware of the huge  
2 work being done in sports partnerships and also in health Ireland. And a huge  
3 amount of work done in the Arts office.

4  
5 In terms of libraries, we opened the new library in Wicklow and we opened the new  
6 library in Rathdrum, and we are currently working on a library in Aughrim and also  
7 improvements in Bray. And there's loads of staff, loads of awards won across the  
8 various Chamber of Commerce awards. We launched the new mobile library. We  
9 have done a lot of work in those in Greystones MD. I won't mention the cliff walk;  
10 we're still work on that. We have seen a significant improvement in the coastline  
11 from Greystones to Newcastle. South Beach Greystones is becoming a Blue Flag  
12 amenity. We installed the boardwalk in Greystones last year. We had a huge work  
13 done. We now have three dog parks in the county, including one Greystones as  
14 well. Kilcoole Mass Path completed. And we have a lot of work planned this year  
15 in Burnaby under the Community Recognition Fund. So that is just a whistle-stop  
16 tour of CCSD for the last five years. Thank you.

17 CATHAOIRLEACH: Thank you very much, Michael. That's great. We are  
18 going to hand over to Lorraine.

19 MS GALLAGHER: Thanks, Cathaoirleach. The directorate relevant was the  
20 enterprise and corporate services for the last five years. So the Economic  
21 Development Unit has a number of strands through it. Of course the LEO (the  
22 Local Enterprise Office), tourism, URDF, projects and place making, film, emerging  
23 opportunities most notably in the wind sector and then food in the emerging  
24 opportunities in the craft sector.

25  
26 So the goals, objectives and actions are all set out in the five year local economic  
27 community plan. And as Michael rightly mentioned, which has just been reviewed.  
28 A huge amount has been achieved and I would like to commend all of the team  
29 involved. So just in terms of Wicklow County Campus, over 2,500 third level  
30 students have graduated from the SETU Lifelong Learning Centre over the last five  
31 years. A master plan has been prepared which will perform how the campus will  
32 develop over the coming five years and extensive conservation works have been  
33 completed with the installations of biofuel heating system, et cetera.

34

1 I suppose the major development was the construction of the Claremont Screen Hub  
2 which was officially opened earlier this year and this project was led and overseen  
3 by Vibeke Delahunt, the Head of Enterprise. If you recall, we were all catapulted  
4 into the space of Covid-19 back in 2020. So not only did it slow down the works,  
5 but it also added an entire layer of complications. So I am delighted to see that  
6 project come to fruition.

7  
8 The LEO, the Local Enterprise Office, assisted in the creation of 225 net full-time  
9 jobs over the last five years, approved 173 grant applications, 730 trading online  
10 grants, up to €2,500 each. 8,845 participants took part in a business skills and IT  
11 skills training programme. 442 participants in Start Your Own Business  
12 programme. And over 3,620 clients availed of free business advice and mentoring.  
13 So the LEO is a machine in itself. A great productive team out there. Another first  
14 point of call for local businesses who are seeking assistance.

15  
16 Notable awards: Kate Dempsey, the Aqualicense, overall 2022 National Enterprise  
17 Award and the 2023 National Enterprise Award for innovation went to Tony O'Kane  
18 of WHC Labs and, of course, their recent accolade that we are all very proud,  
19 Wicklow County Council being nominated Council of the year at the LAMA  
20 Awards.

21  
22 Economic development generally, the Greystones Enterprise Centre has been  
23 constructed and we have taken that over and it will come to the market very, very  
24 shortly. Similar, Carnew. Skills Strategy has been developed for County Wicklow  
25 and a food and beverage strategy. Also, you will be familiar with the work of the  
26 Wicklow Naturally Tourism. It speaks for itself. You're all familiar with the work  
27 that Fred and his team does. The EcoTrail, the Wicklow Passport and of course the  
28 Glendalough partnership and the County Wicklow Tourism and Marketing Plan.

29  
30 Town regeneration: Town regeneration office is in place. URDF project complete.  
31 Arklow Historic Core Wicklow Town Library in Fitzwilliam Square, four town  
32 teams have been established and other projects are progressing.

33  
34 So just then touching on human resources. You know it is a core service, a core

1 function of the organisation and we are very, very proud of the staff and what they  
2 achieve. There are 421 new employees that have joined us and we have lost similar  
3 in retirement. I suppose, notably, will be the introduction of the whole blended  
4 working policy which was introduced in September 2022 and a total number of  
5 employees availing of blended working now is 223. That very much helps when we  
6 go out to our recruitment campaign in terms of being a place of choice to work.

7  
8 We progress the development of e-interviews on all recruitment interviews online  
9 through Microsoft Teams and I suppose the impetus to that was Covid-19. We're  
10 sitting in the Council Chamber, the members' room, the Wurzburg Room which was  
11 refurbished during Covid and we are very -- as I know you are, elected members,  
12 very, very proud of this civic space. And just to say that we now have a new  
13 communications team in place, customers services, care innovation hub and we have  
14 moved forward with the services we provide there. Thank you, Cathaoirleach.

15 CATHAOIRLEACH: Thank you very much, Cathaoirleach. Members, there's a  
16 lot of -- it's a little bit difficult to hear. There's a lot of chatting going on. Sorry, I  
17 hate to say it, but it is making it difficult up here to speak and just for people to be  
18 able to listen. Maybe the members could step outside that, would be great.

19 Leonora.

20 MS EARLS: Thank you, Cathaoirleach. Under goal 2 of Corporate Plan and  
21 Community, I am taking the transportation and emergency services and water. Civil  
22 Defence fall in under community and it is a hugely successful unit that we have there  
23 and they currently have a waiting list for members. They are really imbedded in the  
24 community. They were certainly to the fore when it came to Covid-19 response and  
25 were very involved in assisting in the Arklow Residential Centre and provided  
26 24-hours-a-day cover.

27

28 We also have a new -- they also purchased a new boat and sonar operations. They  
29 are hugely involved in supporting the search for missing people and have not only  
30 done that within County Wicklow but also have been outside the county assisting  
31 other Civil Defences in other counties.

32

33 They have purchased a number of new items of equipment over the last five years,  
34 including a new ambulance, new boat, a new sonar support vehicles. So it is a very

1 successful Civil Defence operation over the last five years.

2

3 We within Arklow have then done the upgrades of playgrounds. We have our  
4 community CCD that was introduced in 2019. The Arklow parade grounds and  
5 courthouse was completed during this period also. So that is the public realm of the  
6 Arklow parade grounds where it is a really liveable welcoming space there now.  
7 The courthouse is now a hub for businesses to use being run by ABEC.

8

9 The Roundabout Enhancement Scheme was also carried out and if you go into  
10 Arklow North, you are greeted by the very formidable lighthouses on the first  
11 roundabout there. That really enhances the area as you are coming into the town,  
12 very welcoming.

13

14 There's a hugely successful community effort each year. It started back in 2019 and  
15 it is between the elected members, Tidy Towns, the Town Team, and the staff of the  
16 Arklow Municipal District and this is where there is a huge litter pick done as part of  
17 National Spring Week, from Arklow out towards The Woodenbridge. And to  
18 complement that then there is also, you know, to join the communities of the  
19 meetings at Woodenbridge, the footpath was completed in 2020.

20

21 Under goal 3 which is infrastructure, so there was a large number of active travel  
22 projects completed during this period. Notably the Seafront Plaza in Bray; the  
23 Cullmullen Junction in Blessington, the Arklow North Cycling and Pedestrian  
24 Scheme. The new footpath that runs up to all the new housing developments in  
25 Ashford and the new footpath in Kilcoole, and the Savills Cross in Rathdrum.

26

27 A number of schools also availed of the Safe Route to School Programme. That is  
28 where we have created a really welcoming and safe space outside of the schools, in  
29 conjunction with the schools who made the application through the An Taisce  
30 programme. So the schools in Arklow and Greystones are the ones that have been  
31 completed to date and other ones are ongoing.

32

33 I mention there the URDF funding that was received for Arklow playground and the  
34 courthouse.

On the infrastructure point from roads, the N81, the Knockroe Bend Realignment Scheme was completed in December 2020 and was officially opened by our incoming Taoiseach, Simon Harris. The N11's parallel service road was completed in 2021 and I think you will all agree that this is a hugely successful scheme and has certainly improved the safety around Kilmac which was a very major concern because of the way the traffic was interacting with each other.

The speed limits. The elected members adopted speed limits last year. The first in the country to adopt 30K periodic speed limits in front of the schools. They're all operational now. You will see they are in place and that was welcomed by the schools and the principals.

Within the fire service, so we are progressing to get the new fire stations a Baltinglass and Dunlavin. We also took ownership of a new tender which has been located in the Bray station.

Thank you.

CATHAOIRLEACH: That is great. Thanks, Leonora. Joe.

MR LANE: Okay. That period is sort of kick-starting the local authority supply of houses for the number of years when that scheme had faltered. In general, in excess with that scheme we, the local authority has provided in excess of a thousand new units across a variety of supply, including the local authority own builds, PPE approved housing body acquisitions under part 5.

In addition, there was targeted housing provided across the TAP and older disability units. We have also started to recommence the affordable housing units with our own on Greenhill Road and a number have been published since.

Notwithstanding this larger supply of units well in excess of the national schemes and national targets, homelessness still remains a challenge and as detailed in the last strategy, this is the second homeless strategy in the period of the Corporate Plan. A number of actions there.

1 The whole supply is sufficient robust and has been required in the Corporate Plan to  
2 deal with a number of unforeseen challenges, including, that we didn't envisaged  
3 when we were doing the plan, including the notice to quits, the Ukrainian challenge  
4 and the Covid. In each of those, the housing function and the staff were able to deal  
5 with those within the resources of the challenges. Thank you.

6 CATHAOIRLEACH: Thank you, Joe. Brian.

7 MR GLEESON: Thank you, Cathaoirleach. I will just start off with finance  
8 achievements first. The annual revenue budget has increased by 64 million over the  
9 lifetime of the plan. It's gone up from 96 million up to 160 million. The revenue  
10 account deficit has reduced by 1.8 million from 2.4 million down to 600,000 and we  
11 hope to eliminate that over the next two years.

12

13 Commercial rates. The collection rate has increased from 85% up to 91%. In  
14 monetary terms that is 24.1 million versus 29.6 million. It represents an increase of  
15 5.5 in actual income collected.

16

17 Housing loans collection rate has also seen a significant increase from 76% up to  
18 90% and in monetary terms that equates to 1.3 million up to 2.5 million.

19

20 We have also seen the introduction of a new risk management system to deliver  
21 better decision-making, more efficient use of resources and strengthening of  
22 accountability. Risk registers are in place at corporate level and directorate level  
23 and are reviewed on a quarterly basis. The corporate risk register it also presented  
24 to the Audit Committee on a regular basis.

25

26 During this period we have also seen the introduction of commercial rates incentive  
27 scheme for new businesses moving into vacant premises. This scheme provides for  
28 a 50% rates reduction liability in year one and 25% reduction in year two.

29

30 I have also seen the provision of annual discretionary funding of over 1 million  
31 across the five municipal districts to support local public ground projects and local  
32 voluntary groups. The source of funding for this was our annual Local Property Tax  
33 allocation.

34

1 In relation to information system achievements, we have continued support  
2 maintenance and enhancements of the Council's ICC infrastructure, business  
3 applications and security environment. Basically our day-to-day work. Continued  
4 ICT support of the Council's blended working environment. As you know,  
5 temporary remote working facilities were put in place for Covid and subsequent to  
6 that, a Government policy was introduced to promote blended working across the  
7 public sector. As Lorraine mentioned earlier, Wicklow County Council introduced  
8 a blended working policy that allows staff to work up to two days a week from home  
9 and the necessary hardware and software security requirements to make this happen  
10 have been implemented.

11

12 We have also seen the enhancement of our services through the provision of new IT  
13 system, such as national E-Planning system, parking fine system and legal case  
14 management system. And we will also include upgrades of core systems throughout  
15 the period, such as housing and finance systems.

16

17 We have also seen the provision of enhanced data analysis software on the  
18 geographical information systems across the organisation to assist with spatial  
19 statistics, suitability modelling and terrain analysis for such things as transport  
20 studies and urban planning.

21

22 We have also developed online consultation hubs to support the creation of the  
23 County Development Plan and the local area plans, and Wicklow County Council  
24 has been nominated for a national award this week for this piece of work.

25

26 Creation of mobile applications has been brought in on phones and tablets to support  
27 the work of our outdoor workers. For example, with historical graveyard surveys,  
28 barn owl surveys, residential zone, land tax data collection, housing maintenance,  
29 road maintenance and environmental complaints.

30

31 Finally, the provision of broadband connection points, we have nine throughout the  
32 county and supporting the work of DEC and National Broadband Ireland on the  
33 rollout of broadband throughout the county. Thank you, Cathaoirleach.

34

CATHAOIRLEACH: That is great, Brian. Thank you.

1 Jackie.

2 MS CARROLL: I am going to report on the Planning Development and  
3 Environment Directorate. Goal PD 1 was to provide a professional planning and  
4 development management structure and processes. We certainly streamlined  
5 processes with the introduction of E-Planning as we discussed earlier. It has  
6 improved efficiencies and reduced the potential for invalid applications and,  
7 obviously, also as mentioned earlier as well, it goes towards digitalisation of all our  
8 processes. But we are keeping the manual system going at the same time. Over  
9 50% of all applications are submitted online now.

10

11 A huge body of work was undertaken on development management during the  
12 period. Over 5,000 planning applications were received and determined during the  
13 time, with grants of 4,284 which represents 85% of all applications.

14

15 Under forward planning the members adopted Wicklow County Development Plan  
16 2022. That represents the culmination of a significant body of consultation and  
17 work by the team and the members over the intervening years. Work obviously  
18 commenced also on the local area plans for Bray MD, Wicklow Town to Rathnew,  
19 Greystones to Delgany and Kilcoole, Arklow and environs and Blessington. And a  
20 key action of housing for all, the RZLT, Residential Zoned Land Tax, was  
21 introduced to activate vacant land for residential purposes.

22

23 Work continued on the implementation of the Derelict Sites Act and the Vacant Site  
24 Levy to tackle vacancy and dereliction in town centres.

25

26 Under heritage, built and natural, our goal was to conserve the natural, built and  
27 cultural heritage in County Wicklow. And just a great compliment to the heritage  
28 officer who drew down funding of 190,000 under the County Heritage Plan and  
29 Community Monument Funding of 420,000. So a significant body of work there  
30 also. And the Biodiversity Action Fund assisted with projects such as the county  
31 hedge row survey and the woodland monitoring project, which is the bat survey.

32

33 Under EV1 to EV8 there are climate action and environmental goals. As you know,  
34 Wicklow County Council is a key player leading on climate action at a local

1 community base level, and planning for the effects of climate change has become a  
2 key challenge. Wicklow certainly has been ahead of the game. The Climate  
3 Charter was signed by County Council in 2019 and significant progress is made in  
4 this area. We were the first Council to establish a climate and biodiversity action  
5 SPC. A large number of climate initiatives and projects were developed.  
6 Obviously, the climate action plan being the main one, but we also had the  
7 glyphosate policy, the tree management policy and the sustainable development  
8 goals map for County Wicklow.

9

10 The climate action plan was developed following intensive public consultation with  
11 all our stakeholders and obviously sent for adoption in 2024. 135 actions were  
12 identified for implementation and we have commenced 89 of these. The climate  
13 action team and the energy unit were finally fully resourced by the end of 2023 and a  
14 new post was sanctioned and filled for the biodiversity officer. The community  
15 climate action programme was launched with a fund of 646,000 available to  
16 Wicklow.

17

18 So also then under coastal erosion for climate change, the effects can be seen in the  
19 damage caused by erosion to our coast and the Council is working with the OPW and  
20 Irish Rail to advance projects to deal with the issue. They will be presenting at a  
21 future meeting to update the members on this.

22

23 As you know, we are mandated to achieve 51% reduction in energy related  
24 greenhouse emissions and a 50% improvement in energy efficiency by 2030. So the  
25 Mid-East Energy Unit was an innovative measure established to support the two  
26 local authorities of Kildare, Wicklow and Meath to meet the energy efficiency  
27 targets and the carbon emission targets. We have an exemplary leadership role in  
28 that respect.

29

30 Under waste management we had great success pursuing illegal dumpers through the  
31 courts and we have been sending a clear message out to the public that illegal  
32 dumping won't be tolerated.

33

34 Environment general, we continue to maintain our 35 burial grounds in the County

1 Council and successfully provided two Columbarium walls in Bray and the next one  
2 most recently in Arklow. We are liaising with the other districts now to discuss the  
3 potential for further Columbarium walls around the county. We are proud to retain  
4 our three Blue Flags over the last five years. We sadly lost Bray during the period  
5 but are hopeful to regain same in the coming years. We continued our exemplary  
6 role in leading on pollution control. We have the second-highest water quality  
7 status in the country and a consistently high standard of bathing water in the county.

8

9 The lab team carry out consistent monitoring licensing of waste water discharges and  
10 farm surveys and catchment investigations where quality is below standards, that  
11 work continued throughout the five years.

12

13 Harbours and ports: We delivered many projects in harbours and ports in Arklow  
14 and Wicklow, and we utilise Brexit funding to do so. One of the projects that  
15 received the most attention from the media was the refurbishment of the East Peer  
16 Lighthouse in Wicklow. We are currently working on the fishers' huts in Arklow.  
17 They are going to be advertised shortly by the way. Wicklow harbour dredging, a  
18 draft licence was issued to carry out bed levelling in Wicklow port and this will  
19 ensure appropriate depths are available for shipping over the next two years. And a  
20 review of CCTV and access control in the harbours was undertaken.

21

22 Under the environmental major projects, Arklow Flood Relief Scheme, significant  
23 progress was made on the project with the planning application CPO approved  
24 during the period by An Bord Pleanála. And 2023 ended with the appointment of  
25 IESA Limited to progress to detailed design and tender stage.

26

27 So as the members can see, it has been a very product five years with many  
28 important milestones being reached and projects delivered. Just to pay tribute to  
29 Breege who is absence today and all the staff on the decorate for the work they have  
30 carried out. We have delivered above and beyond our directives and just to thank  
31 the members for your continued support.

32 CATHAOIRLEACH: Thank you very much, Jackie. And to all the directors and  
33 the Chief Executive on behalf of the members here, just a thank you from us for all  
34 for the work you have done over the last five years. I know from having worked in

1 the local authority system previously, it is not a nine to five job and I know when  
2 you're out and about yourselves you are always looking at opportunities to increase  
3 stuff in the county here, and it is very much appreciated. I think the feedback that  
4 we have heard here today shows the volume of work that has been done under this  
5 term.

6 Thank you also for your cooperation and engagement with the members over this  
7 term and for listening to our many queries and helping us learn our role as well and  
8 finding information. It is very much appreciated.

9

10 So I am going to open this up to the floor. Councillor Gail Dunne.

11 COUNCILLOR DUNNE: Thank you, Cathaoirleach. It is just when you hear it  
12 there you realise the amount of work that the Directorate services do and their staff.  
13 So it is very welcome and thanks for all your help over the last five years and all the  
14 queries that you have answered.

15

16 Could I just maybe make a suggestion that maybe each one of the directors' reports is  
17 sent out to the members? Because it is very interesting and it could be used in the  
18 next eight weeks. Thank you.

19 CATHAOIRLEACH: For what, Gail? Absolutely.

20 COUNCILLOR DUNNE: For knowledge.

21 MS PURCELL: Just to clarify, that was actually circulated and it went out with the  
22 agenda.

23 CATHAOIRLEACH: That little information could be handy in the next eight  
24 weeks as well, Gail.

25 COUNCILLOR DUNNE: Must have missed that.

26 CATHAOIRLEACH: Thank you very much, members. Councillor Miriam  
27 Murphy.

28 COUNCILLOR MURPHY: I would like to thank all the directors, but I especially  
29 would like to thank the Director Michael Nicholson who has actually just brought, I  
30 suppose, the disability world in to the chamber. I know we're a long time slogging  
31 at and fighting, or whatever. We have a good relationship, Michael and myself, and  
32 I have got lots of money out of him. But I just think to bring the awareness of the  
33 disability issues to all of the members, to all our constituency and to see the strategy,  
34 the tool kit being printed was a very proud day for myself personally, but also for the

1 people of Wicklow who face barriers every day and to know that all of the four -- I  
2 don't know how many Councillors we have, is now aware of what is faced, and I  
3 really appreciate the work done by the staff and by everyone here today. So I really  
4 appreciate that. Thank you.

5 CATHAOIRLEACH: Well said, Councillor. Thank you. Okay. We are going  
6 to -- no, we're not. Sorry. Councillor Edward Timmins.

7 COUNCILLOR TIMMINS: Just briefly, I would just like to acknowledge Breege's  
8 work as Director of Services in covering the Baltinglass Municipal District. I also  
9 see she's out of action now for a couple of weeks, until 22nd April. I just wish her a  
10 speedy recovery. Also, it has been brought to our attention as well, she rang us  
11 around, very kindly, that she is retiring in a couple of months' time or maybe sooner.  
12 I would just like to wish her all the best on behalf of the Baltinglass Municipal  
13 District and, I presume, every councillor here. Thank you.

14 CATHAOIRLEACH: Thank you very much. We will have an opportunity closer  
15 to the time to acknowledge that. But thank you, Councillor.

16

17 Okay. Item number 11 is to receive a presentation, a briefing in advance of the  
18 non-statutory public consultation on the emerging preferred route corridor for the  
19 Wicklow to Greystones Greenway. We have our own Patrick O'Connor and then  
20 Chris Fay is going to come up afterwards. Patrick, I will hand over to you.

21 MR O'CONNOR: Yes, no problem. Today we are going to deliver a briefing in  
22 advance of the non-statutory public consultation for the emerging preferred route  
23 corridors for the Wicklow to Greystones Greenway. The presentation will be  
24 delivered by Chris Fay who is an associate director with AtkinsRéalis who are the  
25 appointed consultants for this project and AtkinsRéalis were appointed to this phase  
26 of the project in January 2023. I will hand over to Chris now.

27 MR FAY: Thanks very much, Paddy. And thank you all for facilitating me in  
28 delivering this update on the Wicklow to Greystones Greenway.

29

30 The greenway is a national greenway and it will be over 20 kilometres long,  
31 extending from Greystones in the north down to Wicklow in the south.

32

33 And I suppose just in terms of what I am going to go over today, I will give you a  
34 quick overview of the project. I will go through the auctioneering process that we

1 have gone through in identifying the emerging preferred route corridors; I will  
2 outline what those corridors are; I will give some information on the public  
3 consultation process that we are about to embark on, I think it is going live  
4 tomorrow; and then I will just outline a couple of next steps that will follow on after  
5 that for this year and beyond.

6

7 So on the right-hand side there is the study area for the proposed greenway. As I  
8 mentioned, it extends from Greystones all the way down to Wicklow, it comes to  
9 Kilcoole, Newcastle and Rathnew. That study area there, it is quite defined by the  
10 east coast on the east, obviously, and the regional road network on the west. We are  
11 looking at options within that entire study area which is quite a large and extensive  
12 study area.

13

14 In terms of where we are on the project. So we are working in line with TII's  
15 Project Appraisal Guidelines, that is Transport Infrastructure Ireland Project  
16 Appraisal Guidelines. There are seven phases within that. AtkinsRéalis are  
17 engaged to deliver through to phase two, option selection; phase three design and  
18 environmental evaluation; and phase four, statutory processes. The previous phases  
19 have been undertaken by Wicklow County Council and the subsequent phases will  
20 be under a further contract when that time comes.

21

22 An outline there are of some of the key deliverables. I won't go through every one  
23 of them, but for phase two which is the phase that we are in now, the key  
24 deliverables that we will deliver to Transport Infrastructure Ireland in order to get  
25 approval through phase two and into phase three, will be the constraints report, the  
26 option selection report. So we're at stage one of that and that is the public  
27 consultation number 2 that we are embarking on tomorrow. There will be the full  
28 options selection, which will go beyond the route corridors and on to identify an  
29 actual route options within those corridors. And then just a business case and  
30 gateway reports where you have to deliver to get that approval from TII.

31

32 The auctioneering process. So in working with TII's Project Appraisal Guidance  
33 and best practice there's kind of five steps to go through. We're at the third step  
34 there. The first step is identify study area. The second step is the route corridors

1 within that study area, to try and focus on more specific routes through there. The  
2 third is to select the preferred route corridor. As I said, that's the stage we're at now.  
3 Fourth is to develop options and evaluate them within those route corridors that we  
4 have identified as our preferred. And the fifth then is ultimately to select the  
5 emerging preferred route corridor.

6

7 So for Wicklow to Greystones we have identified three route corridors and we have  
8 divided them up in to three different sections then in a linear point of view. So the  
9 three route corridors that we have assessed are a coastal one, and these route  
10 corridors, they're 600 meter buffers, so in themselves cover a wide area. So the first  
11 one is a route corridor 600 metres wide along the coast. The second is an inland  
12 field boundary route corridor. And then the third is along the regional road network  
13 on the western side. And as I say, we have broken that in to three kind of distinct  
14 segments for ease of assessment and that's from Greystones to Kilcoole, Kilcoole to  
15 Five Mile Point and then from Five Mile Point down to Wicklow, down to Wicklow  
16 Town.

17

18 Just to note there, obviously a project that's intrinsically linked to particularly the  
19 coastal route option would be the east coast rail infrastructure protection projects  
20 being delivered by Irish Rail. Obviously it is enhanced coastal protection between  
21 Wicklow and Greystones. We have been working quite closely with the project  
22 team on that. There's been ongoing and continues to be ongoing information and  
23 discussions with Irish Rail, Wicklow and both of the design teams. So all that  
24 decision-making to date has been with that information, kind of, forthcoming  
25 between us all.

26

27 The route corridor assessment, not to go into too much detail here. But again it is in  
28 line with TII's project appraisal guidelines. The key criteria are obviously going to  
29 be environmental issues, economic issues and constraints and then engineering issues  
30 and constraints. We have also included there, just to tie it in with the National  
31 Greenway Strategy, the five Ss. You know scenic, see and do, sustainability, that  
32 the route is segregated and shared use. That has all been in the melting pot, so to  
33 speak, in assessing our route corridors.

34

1 So the emerging preferred route corridor then, and we have gone through our  
2 assessment, I suppose initially we identified it being as the coastal route corridor. A  
3 lot of that is to do with, you know, fulfilling those five Ss in the National Greenway  
4 Strategy and strategic aligning with that, and with, you know, Wicklow County  
5 Council's own policies. And I suppose from other aspects, from agronomy and  
6 archaeology, it had benefits from that point of view as well. That route is not  
7 without its challenges, particularly environmental challenges. It is one of the  
8 reasons why we have identified such a large and wide study area and three distinct  
9 corridors within that. And also the ECRIPP project in itself, it poses opportunities  
10 but also has challenges as well. So for that purpose and to ensure that, you know,  
11 once we go through the next stage of assessment that we're not going backwards, we  
12 have decided to bring through both the inland field boundary option along with the  
13 coastal, kind of, railway line option forward to the next stage of assessment. And as  
14 I say, that just allows us to develop numerous options within both of those. If  
15 there's any challenges that we find we're not able to overcome, we have got  
16 flexibility there to avail of other options more inland.

17

18 That's just a few extracts from of the emerging preferred route corridor. I will give  
19 you some information on where you can avail of them over the next four-week  
20 period.

21

22 So as I mentioned the public consultation process, so we're about to kick off  
23 tomorrow on the 9th April. That is going to run for a four-week period until 7th of  
24 May. That is kind of online. And there's maps in there. There's leaflets. There's  
25 frequently asked questions. A lot of material there that will help the general public  
26 try to understand, and landowners and other stakeholders and yourselves,  
27 information there that will help you understand the project and the decisions being  
28 made to date.

29

30 It is not only online. We have also got a couple of in-person events coming up. So  
31 there's one Thursday-week in Greystones Library on the 18th, and that will run from  
32 4pm to 8pm. The following Thursday there's also another information evening on  
33 the 25th in Wicklow Library, again it will run from 4 to 8pm.

34

1 Letters have gone out last week to registered landowners who own land within the  
2 emerging preferred route. I suppose one of the key things of the public consultation  
3 period is, it'll allow us to identify any landowners that we haven't been able to pick  
4 up within those letters. So there's an online questionnaire which allows any  
5 landowners that we haven't been able to -- you know that may be unregistered that  
6 they can provide information there and that will be on the project website which is  
7 [www.wicklowgreenways.ie](http://www.wicklowgreenways.ie).

8  
9 Then in terms of submissions, they have to be in by the 7th of May and there are  
10 three ways that the public and elected representatives and stakeholders can make  
11 their submissions. They can make it by post to the address that follows there. They  
12 can also email in to [wicklowgreenway@wicklowcoco.ie](mailto:wicklowgreenway@wicklowcoco.ie). Also we have the  
13 consultation portal and there will be a section up on that from tomorrow that will  
14 allow anyone to make an online submission that way.

15  
16 Next steps. So after this stage one, public consultation, we will collate and gather  
17 all the submission that is have been received. We will prepare a summary report of  
18 that and we will take on board anything that we feel is justified to update our  
19 assessment with and our option for selection report. We will produce that and we  
20 will forward that obviously to Transport Infrastructure Ireland and they will give us  
21 approval to proceed to our stage two assessment, which will be to identify route  
22 options within those two route corridors that we have identified.

23  
24 And we will go through that process, developing options and evaluating them against  
25 criteria as outlined in the Transport Appraisal Framework and then we will have  
26 another further public consultation, I have a diagram on the next page that gives a  
27 timeline for this. And we will do the same process again, taking on board  
28 comments and identifying our emerging preferred route. We will do all our project  
29 appraisals and our final documents to be sent to TII for approval of that emerging  
30 preferred route.

31  
32 That will move us into phase three where we will do our design and do our  
33 environmental evaluation and that will be all in preparation to prepare and, I  
34 suppose, submit our planning application in the phase four statutory process which

1 will more than likely be to An Bord Pleanála

2

3 Just to close out there the project programme. So ideally, by the middle of quarter  
4 two, which will be May/June we will have summarised and undertaken our summary  
5 report, taken on board any feedback and comments we have got from that and move  
6 into the detailed route options assessment process. That will bring us up to the start  
7 of quarter four around September/October time and at that stage we will start  
8 engaging with affected landowners and that consultation process that I mentioned  
9 there on the emerging preferred route. Hopefully all through next year, 2025, we  
10 will undertake our design, close out our kind of targeted ecological surveys and any  
11 other environmental surveys we need to undertake and really towards the end of next  
12 year, undertake our assessment and documentation for potential EIA which will be  
13 submitted to An Bord Pleanála, all going well, early in 2026.

14

15 So that's kind of the indicative programme. Obviously there's always challenges  
16 that crop up that can hinder that timeframe. So that is what we are aiming for at the  
17 moment.

18

19 Just to point out that the slides I've just gone through there, Paddy will be able to  
20 make them available to anybody who requests them.

21

22 So I hope in a gives a good update and, yes, I suppose if there's any questions I can  
23 do my best to answer them. I will leave it there. Thanks.

24

25 CATHAOIRLEACH: Okay. That's brilliant. Thank you very much, Chris. I  
26 will get you to stay there, if that is okay. Patrick, you might circulate the slides to  
27 everybody just to make it easier. Chris, we normally take a couple of speakers at  
28 the time. They will raise a few questions, and then you get an opportunity to  
29 respond back to them. So I am not sure if you have a pen and paper, or a very good  
30 memory, but you might want -- you may not need it. I am pre-empting that you  
31 might need it. You mightn't need it.

32 Okay, Councillor Paul O'Brien.

33 COUNCILLOR PAUL O'BRIEN: Thank you, Cathaoirleach, and thank you to  
34 Chris and Patrick for that presentation. It is something that a lot of us have been

1 waiting for. You won't need a pen here because mine is more an observation more  
2 so than a question. But can I just say that I want to welcome this, because we have  
3 spoke about Covid there a few minutes ago and what it really brought home in  
4 Wicklow was that we had such a great amenity in the Murrough. My family  
5 actually hail from the Murrough so I have a very special connection to it. My only  
6 worry is that no matter who sits here after the 7th of June, is that we are not coming  
7 back to face another presentation where the route has to be moved. So I am  
8 delighted to hear that you are liaising with Wicklow County Council and Irish Rail in  
9 terms of protecting the Murrough, because it is something that a few of us have been  
10 harbouring on here for a number of months and years. So look, just bear in mind  
11 there will be a public consultation, and you're going to get some of the naysayers  
12 saying protect the environment, which is very important, but unless we act soon there  
13 won't be an environment to protect down there. The latest storms have wreaked  
14 havoc. I got sent a picture over the weekend of another seat that has been washed  
15 away and is lying on the beach, and to me it like a headstone saying 'Here once lay  
16 the Murrough'. So I wish you well in your endeavours. Just keep us in the loop  
17 because it is up to us then to go back to our constituents and sell it. I am delighted  
18 to support you in any way I can. So thank you very much.

19 CATHAOIRLEACH: Thank you, Councillor. Councillor Tom Fortune.

20 COUNCILLOR FORTUNE: Thanks, Cathaoirleach. Thanks for the presentation.  
21 I have got a different tact to Councillor O'Brien on this. I am quite shocked actually  
22 to hear what I have heard today, because I have certainly been very, very involved in  
23 my area, Kilcoole-Greystones, kind of for a long number of years with all kind of  
24 challenges and issues. And I don't mean this in a bad way now so don't take it the  
25 wrong way but what I am hearing from the presentation is an awful lot of project  
26 speak.

27

28 And to try and put that in context, the OPW, the Uplands, Wicklow County Council  
29 and Irish Rail, they're the four -- I am thinking along the coast, along Kilcoole, from  
30 Greystones, that area there, that experiences flooding threats whenever we get bad  
31 weather. So one question would be: What timeline is on this? Because I don't see  
32 this happening. I see what you have outlined, what you are going do with phases,  
33 and it reminds me of the phases that were set out for the N11 many years ago, and,  
34 you know, it was going to take forever as well. So I would like to understand what

1 the timeline on this is.

2

3 There isn't -- I think to be ploughing ahead with this without consulting the public,  
4 because there was a public meeting held some time ago and it was inconclusive.

5 And I am intrigued with the sketches you have, because obviously you're not -- as I  
6 understand it, you're not actually addressing coastal erosion; you're looking at a  
7 greenway project. And the coast along there is under threat. I am sure Irish Rail  
8 would have concerns. So, therefore, to me, if you are going to put a greenway in  
9 there you're going to have to come inland, and that has, I am not sure, maybe it has  
10 got easier challenges from Wicklow Town upwards a little bit, but from Greystones  
11 down to, say, Five Mile Point, the Breaches, and that area, I would think that is one  
12 massive engineering challenge, and I would imagine the cost associated with it is  
13 pretty much off the scale.

14

15 So I suppose the corollary of what I am going on about is: How real is what we are  
16 talking about? What is the timeline on it? And have we any idea at all what the  
17 cost of this is going to be?

18 CATHAOIRLEACH: Thank you very much, Councillor. Councillor Dermot  
19 O'Brien.

20 COUNCILLOR DERMOT O'BRIEN: Thanks, Cathaoirleach. I haven't heard the  
21 word "optioneering" before, though I imagine that is what the electorate are going to  
22 be doing for the next eight weeks.

23

24 One question around the public consultation, like, because it is an area I am very  
25 interested in. I am just wondering, what is the invitation -- and maybe it is 'Wait  
26 and see, Dermot, because it is going live tomorrow'. But, yes, I am fascinated about  
27 what is the invitation to the public in terms of the consultation?

28

29 I know in our work in Comhairle na nÓg we have a principle around the -- we have  
30 space, voice, influence and audience. So we think about -- the invitation matters.  
31 Because is it just to have a look and state a view or can people get a sense of how  
32 their contribution might impact on something? Because that world, you could have  
33 a thousand people saying that's amazing and one person having a really insightful  
34 critique of it that could transform the piece of work or the direction that it is going.

1 So just a little about the public consultation. That is all, Cathaoirleach.

2 CATHAOIRLEACH: Thank you very much. Chris, I might give you a chance to  
3 respond to some of them.

4 MR FAY: Thanks. Yes, just Councillor Fortune's question. Yes, I mean, like, the  
5 project on any route along the coast will be intrinsically linked with the ECRIPP  
6 project. So we are developing an option there. We need to know what exactly they  
7 are going to be proposing there. If it ends up that we can't develop a route along  
8 there, be it, you know, because of space constraints or other constraints, we will look  
9 at going inland. And we are -- I mean, the corridor along the coast, it is not just  
10 between the rail line and the coast; it is the landward side of the rail line as well.  
11 So, you know, by including that it allows us to not only be, you know, adjacent the  
12 coast, but when we do get opportunities, maybe when there's a bit more space, when  
13 the coastal erosion is a bit further out we have got space to get in there. But  
14 regardless, you know, the coastal erosion for any route that will be on the coast, you  
15 know, it will be intrinsically linked to ECRIPP and will depend on ECRIPP  
16 providing that coastal erosion protection.

17

18 And, timeline. So yes, I mean the timeline that we're working to is aligned with  
19 what I have outlined, but, you know, there is ongoing discussions with Irish Rail.  
20 And in terms of the progress they are making I think they are looking to submit an  
21 application by the end of the year, so it would appear they're ahead of us in terms of  
22 making an application. So that's kind of, you know, more favourable to us, that we  
23 will know exactly what they're going to propose.

24

25 I hope that answers your question.

26

27 In terms of Councillor O'Brien there, the invitation. What is the invitation? We're  
28 looking at route corridors. So, for the general public, it is getting their views not  
29 only on the greenway and maybe what they might envisage for the greenway, but  
30 also, you know, collating any local knowledge on any particular area that maybe we  
31 wouldn't be able to deduce from our desktop and our onsite investigations. And  
32 also, look, it's to engage with the landowners as well and to kind of get in front of  
33 them and speak with them. You know, I suppose we've outlined route corridors, so  
34 there's nothing set in stone in terms of impact, but the earlier we engage with them

1 the better, so that we do understand what their needs are, and we can have them in  
2 the back of our mind as we go forward and identify route options.

3 CATHAOIRLEACH: Okay. Thank you. Councillor Lourda Scott.

4 COUNCILLOR SCOTT: Thanks, Cathaoirleach, and thanks for the presentation. I  
5 think the results of public consultation would be really interesting to read on this  
6 because I know the idea of this greenway has been knocking around for quite a few  
7 years and people have been kind of talking about it in the ether, and certainly I have  
8 been hearing people's opinions about it without having any concrete routes or  
9 anything in front of them obviously. And I suppose one question that keeps coming  
10 up to me from people that I talk to is: What is the underlying purpose of the  
11 greenway or where did this idea generate from to start with? Was there a call from  
12 some of the communities, you know, at one of the ends of the routes or was it  
13 coming from the Council? I would just be interested to hear. I presume its primary  
14 purpose is tourism.

15

16 And that kind of links me on to as well, I am wondering, is there any plans in either  
17 of the routes to link in with our towns and villages? Particularly, I am based in  
18 Greystones, so one of the things that gets brought up to me quite a lot is ease of  
19 access and lack of ease of access at the moment of being able to easily move between  
20 Greystones, Kilcoole and Newcastle in particular. So when you're on the greenway  
21 will you be able to access those villages? Is there going to be a way of, you know,  
22 connecting, transporting, leaving the car at home between those villages?

23

24 The other sort of comment or question that I have - and I hope my colleague,  
25 Councillor O'Brien, doesn't consider me an environmental naysayer when I say this,  
26 but - certainly at the northern end of the route, again certain environmental concerns  
27 or I suppose considerations is one of the first things that always gets brought up to  
28 me when they hear about the greenway, and I suppose the photo montages of the big  
29 wide cement path running sort of in a pristine way along our coast is very  
30 far -- maybe that is very far from what will ultimately be delivered but also it is very  
31 far from what is there at the moment. And while I hear the concerns around erosion,  
32 we have an issue up in the northern end of the coast as well but not as dramatic as the  
33 Murrough, and I understand that, you know, I have to question how does building a  
34 sort of tarmac path or cement path or whatever, work in line with our coastal

1 environment?

2

3 So the consideration of that sort of, minding the environment, whilst also bringing  
4 many more visitors to it would be something very much to the fore of my mind, and  
5 particularly I am sure you are already aware of the sensitive natures up around our  
6 little conservation piece up around Kilcoole and Newcastle as well.

7

8 And on that point, I was wondering should there not be more sort of investigations  
9 into the environmental piece earlier on? And I understand you have to somehow  
10 figure out your preferred routes but it does just seem that the environmental piece is  
11 tacked on very near the end. So what if you find something of particular importance  
12 there or that would sort of affect the ultimate delivery? That is just a query I would  
13 have as well.

14

15 But yes, other than those sort of general questions I think the public consultation is  
16 really important. And I always say it here when public consultation comes up. I  
17 think people can be public consulted out. So trying to get engagement and get  
18 people involved, I know it is starting tomorrow up with us but I think that would be  
19 really critical and I really hope that people do get involved.

20

21 The other thing again, chatting to people recently, is there's a bit of an irony at the  
22 moment that we're talking about this new tourist route when our own Bray to  
23 Greystones path is closed and it is a real sore point for people in my district. So I  
24 don't know if that will affect the comments that come in on this. Thank you.

25 CATHAOIRLEACH: Thank you, Councillor. Councillor Peir Leonard.

26 COUNCILLOR LEONARD: Thanks, and thanks for your presentation. I know  
27 this is probably not -- well, it is connected to it. But I imagine the greenway is so  
28 that people can walk beside the seashore and see the beautiful coastal line of  
29 Wicklow, but I have huge concerns over the investment into something that, what I  
30 can see happening before my eyes, is the land falling into the sea and the coast  
31 disappearing before our eyes at a rate that is unprecedented in my life, from Clogga  
32 Strand up to the Murrough. And I don't know if we are capturing this at the  
33 moment. Because I think by the time this ever gets the go ahead the whole coast  
34 will be protected with rock armour to protect it. There will be nothing nice to look

1 at at all. So I have huge concerns over it. And I just think that, you know, if we are  
2 going to wait another five years, or those of us who are sitting here in the next five  
3 years, I think that we won't have a coastline left and I think we really need to -- as a  
4 Council, I think our priorities need to lie with the beaches and the coast that we have  
5 there and be putting and investing our money into preserving them, and pushing Irish  
6 Rail and the OPW to put the detached barriers rather than revetments against the  
7 coastal, or else we won't have anything nice to look at all. We won't have any  
8 beaches to access. And I just think that it is not being taken seriously enough and I  
9 think that we really need to put the pressure on. It's gone beyond a joke at the  
10 moment.

11

12 We have lost all access to Clogga beach over the last few days. There's ten feet of  
13 drops from the access down onto it. The Murrough, we have all seen pictures of the  
14 Murrough. I think we need to be capturing that. I think we need to get drone  
15 footage and surveys out in realtime throughout the year and capturing it, and  
16 measuring it. And I don't know whether that is something that is happening at the  
17 moment but I think until that starts happening greenways are great but we are not  
18 going to have any coast left. Thanks.

19 CATHAOIRLEACH: Thank you. Members, I am just reminding everyone it is  
20 17:14 now, and we are ending the meeting at 17:30. I have to end discussions at  
21 17:25 because there's a number of items of correspondence that I have to share. So  
22 what I would ask is if people want to raise a matter that they try and be brief. If we  
23 can't respond, Chris, if we could get a response, Patrick, back out to all members on  
24 any issues raised, and then an opportunity for members to email in additional queries  
25 if they don't get an opportunity to speak would be great as well.

26

27 Then just in relation to the sea report, I am not sure we're going to get an opportunity  
28 to hear that is well. So if members want to email any queries in relation to the sea  
29 report, if I could ask, Chief Executive, that the same practice is that the response is  
30 issued to everybody.

31

32 So, Councillor John Snell.

33 COUNCILLOR SNELL: Thanks, Cathaoirleach. Yes, look it, this is something  
34 that has been discussed for many, many years. Indeed, I know there was a

1 subcommittee set up in Wicklow, likewise in Kilcoole and Greystones, which  
2 Councillor Fortune chaired, down that way; through Wicklow Town team money  
3 was sought for a consultancy report. And I suppose people automatically roll their  
4 eyes when they hear about consultancy report, but nothing can happen nowadays  
5 without a comprehensive report being done, and I suppose it is just part of the  
6 process.

7  
8 I just feel that we have missed a few hurdles to get to this stage, and I know it is in  
9 its infancy, but this should have been before each municipal district that is affected  
10 by this. So it should have been in the municipal district of Greystones, which takes  
11 in Kilcoole and Newcastle, and it should have been in front of the Wicklow MD  
12 because obviously it affects us as well because it comes right down in to Wicklow  
13 Town up along Broad Lough, the Murrough.

14  
15 I just think that to bring it here, and we have -- Chris, thanks for your presentation.  
16 You've gone into a lot of detail about nothing to be fair. Like, we have identified  
17 really nothing. Personally we're going to talk to landowners probably in September.  
18 The reality is that landowners should be the first to be talked to. I do agree that you  
19 have to have two alternatives inland and the coast, but the reality is that the natural  
20 ravine that people would have used all down through the centuries is the coastline,  
21 the outer, near the beach. And that is what they will continue to use. Even with  
22 coastal erosion, people still walk the Murrough, they still navigate around where the  
23 coastline is damaged.

24  
25 And the reality is that, you know, nobody has mentioned Silver Strand or Brittas Bay  
26 where it has been affected by coastal erosion, as well as Arklow and Wicklow, to a  
27 lesser extent down to Greystones, but the truth is that there's no detail in this at all.  
28 It's like we're just justifying that we're looking at it. But I can guarantee you in five,  
29 ten years' time there'll be people in here, and it won't be use but there will be people  
30 here who will be looking at it in that time as well.

31  
32 Unless the train service is moved inland, and then what they will do is what  
33 happened all over Ireland where they hand over the old rail service for a pathway  
34 from Wicklow Town to Greystones, other than that it is not going to happen.

1

2 I do believe that we need to have closer collaboration, not just with elected members  
3 but also the public. Four hours public display in Wicklow library for groups or  
4 individuals is not sufficient. I know you're putting it out there on public display  
5 from tomorrow or whatever, but the reality is, I am sure there's walking groups,  
6 there's environmentalist groups that need to have an opportunity to have a look at  
7 this, and work closely with you on it. Like, we're talking about a special area of  
8 conservation all the way from Wicklow to Newcastle and beyond, and we're coming  
9 up with alternatives; let's draw a line on the map on the outer line to the beach or the  
10 inner line.

11

12 And as Councillor Fortune has outlined, I know from the area in regards to where  
13 he's talking about, further up than Newcastle, going inland will cause bigger  
14 problems than even the coastal erosion protection works that need to happen. And  
15 they need to happen in conjunction with what you are providing here. There's no  
16 figure in regards to how much would it cost to bring this to fruition. We have been  
17 told MEPs, TDs, they're all going to get money to save the Murrough for God knows  
18 how long. It hasn't materialised. We were told it would cost a significant amount  
19 of money, then it was tens of millions, then hundreds of millions. All the time it's  
20 loads of talk about nothing and nothing is happening.

21

22 I wish you well with it. I would say that you need to come back down and work  
23 with the municipal districts because there's no way I can go back to the public and  
24 say we had a recommendation in the chambers, and 'What, happened John?' 'I  
25 couldn't tell you.' Because it was just, we've identified issues that might arise. We  
26 didn't hear what the issues are. We know what the issues are. I know what they  
27 are. But it wasn't discussed here.

28

29 So look it, I am not coming down on you, Chris. I thank you for coming in here. I  
30 know it is at an early stage but unfortunately, it's not been sold to me unfortunately.

31 CATHAOIRLEACH: Thank you, Councillor. Councillor Mary Kavanagh.

32 COUNCILLOR KAVANAGH: Thanks for the presentation. I was on the  
33 greenway committee since its conception, probably about six years ago, and one of  
34 the reasons I went onto it was because I believed that we wouldn't be able to build a

1 greenway without saving the Murrough because there wouldn't be any point in  
2 investing that kind of money in it. And I have to say I am really, really disappointed  
3 at the pace of progress on this whole thing. The seat that has fallen onto the beach  
4 was actually the very first project that I as a newly co-opted Councillor eight years  
5 ago requested as part of the discretionary funding. I asked for two seats up the  
6 Murrough. I went up with the engineer and I picked out the two locations. One the  
7 near side of the monkey pole and the other one was the far side of the monkey pole,  
8 because I believe people needed to be able to rest when they went up the Murrough.  
9 Even I didn't think eight years ago that I would see the seat fall into the sea. That  
10 shows you the progress of coastal erosion. Those seats were placed very, very far  
11 back. There was no way at the time anybody could have seen that coming.

12

13 The bottom line is that the ECRIPP project is taking far too long. A ten-year  
14 project. Ten years in coastal erosion is beyond comprehension. It's unimaginable  
15 how much erosion can take place over a ten-year period. The way things are going  
16 you can't actually see the greenway progressing as a coastal route unless somebody  
17 can do something to try and save the land from the sea. And it can be done, it has  
18 been done, it's been done in the USA. It's been done -- we have a young local man  
19 who works in the USA, and that's part of his job. It's also been done very  
20 successfully all over the Netherlands, which had an awful lot more land under water.  
21 There are ways to reclaim land from the sea. But nobody seems to be thinking  
22 along those lines. It is just kind of put up defences, defences, but eventually the sea  
23 will find a way through those.

24

25 I agree with Councillor Scott; if we ever get to having a greenway the surface has to  
26 be eco friendly. Not tarmac. Not cement. It has to be something like hard core.  
27 Something that is in keeping with the special area of conservation.

28

29 There is the little tern issue. It is a very rare little bird. That needs to be looked at.

30

31 That's really all I want to say on it. I just think that it is a lot of talk about something  
32 that has taken too long to date and to be honest with you, anybody who gets  
33 re-elected here, I don't even know if there'll be any movement on it within the next  
34 term of the Council. Thank you.

1 CATHAOIRLEACH: Thank you, Councillor. Councillor Derek Mitchell.

2 COUNCILLOR MITCHELL: Thank you, Cathaoirleach. Just briefly. I mean I  
3 also would be concerned about the time of this has taken and the amount of public  
4 consultation we have had in the past. I mean people are going to think, oh, yet more  
5 consultation and we haven't actually got anything to show them, I don't think. I  
6 would probably walk this about once a year, and the attraction for me about doing  
7 that is the walk beside the sea, and I think that to move it inland would significantly  
8 reduce the attractiveness of it, and I also think there would be many extra problems  
9 found. It does sound simple to move it in but when you actually look at bringing it  
10 in you will find all sorts of people don't want it next to their houses and a whole load  
11 of other things like that. Thank you.

12 CATHAOIRLEACH: Thank you very much. Councillor Cronin, I know you  
13 yours is related to the report. Councillor Stokes is your item related to this item of  
14 the CE report? This, okay. Do you just want to come in quickly there?

15 COUNCILLOR STOKES: Yes. I just wanted to make the point that I hope that  
16 with the greenway that it happens sooner rather than later but I'd like to see a surface  
17 that is cycle friendly if possible. That's it.

18 CATHAOIRLEACH: That is great. Thank you, Councillor Stokes,

19

20 Chris, I am not going to ask you to respond to those items because we don't have the  
21 time but, Patrick, perhaps if the items raised could be responded back to all of the  
22 Councillors as opposed to the ones that raised them.

23

24 Councillor Cronin, do you want to come in there quickly?

25 COUNCILLOR CRONIN: Yes, thanks very much. I just want to express my  
26 frustration, and I know it is a frustration of a number of my colleagues here today,  
27 and it is not the first day it happened. Last week -- or last month I came in to ask  
28 questions on the CE report and again I was told I will get an email back. I never got  
29 any replies. Now today -- or the Chief Executive's report is the only way we have to  
30 get replies from the Council and again we're not getting to it today. There seems to  
31 be no timekeeping happening at these meetings and it really is very, very frustrating.  
32 We are all trying to do our jobs as Councillors but it really is becoming impossible to  
33 get any feedback from Councillors or have our say on anything.

34

1 A number of us here do stick to time. We don't go on rants or we don't do anything  
2 like that. We just want to ask the question. But unfortunately it is getting  
3 increasingly difficult to get any replies or to even have our say at Council meetings,  
4 and I just want that noted. Thank you.

5 CATHAOIRLEACH: Councillor Edward Timmins.

6 COUNCILLOR TIMMINS: Chairman, yes, I would just like to add to that.  
7 Several members here today have way exceeded the three minutes. Five, six  
8 minutes, you know. I think we have to rein that in. It's not fair on the other  
9 members and it is not fair we're not getting to the Chief Executive's report.

10 CATHAOIRLEACH: Okay, members, I take on board what you say. Obviously  
11 today was an exceptional meeting with two very difficult items to be discussed. I  
12 have tried my utmost to keep to the agenda and to keep to times, but when people are  
13 passionately expressing themselves about very serious issues it is quite challenging  
14 to cut across them. On a number of occasions I did ask members to be as brief as  
15 they could. What I will ask is if the Chief Executive and the staff here could look  
16 back at any issue sent in and not responded to, if that could be followed up that  
17 would be much appreciated.

18

19 Okay, Helen, you have a number of items under correspondence.

20 MS PURCELL: Just very briefly. Just to note circular LGO4/2024 regarding  
21 arrangements for elected members training has been circulated to you all.

22

23 Also LGPO3/2024 which relates to the eligibility of grades of local authority  
24 employment holders who can contest elections, and there's quite a turnaround in  
25 relation to that. The basic salary on the latest date for receipt of nominations can  
26 now not exceed the maximum basic salary from the posted clerical officer but that  
27 now excludes overtime, call out, incident payments and/or allowances. So that  
28 circular is there and again has been sent out to all of the members.

29

30 In relation to the nomination papers for the local elections, Lorraine Gallagher, as  
31 you know, is our returning officer and the nomination papers will be sent out to the  
32 existing elected members this week and you can make appointments to come in  
33 during the nomination period to myself. I manage the diary for Lorraine. The  
34 polling day has been signed now. The polling day order has been signed. So the

1 Local European and Referendum will be held on Friday the 7th of June. And in that  
2 regard, the closing date for receipt of postal and special votes is Saturday the 12th of  
3 May, and the closing date for receipt of voter register applications is Monday the  
4 20th of May. And again, we have sent that detail out to you in email, and you can  
5 get your F1 forms from us if you want when are you out canvassing. Thank you  
6 very much.

7 CATHAOIRLEACH: Thank you, Helen.

8

9 Does anybody have any queries relating to those items? No. Okay.

10

11 Members, that concludes the meeting. For those who are part of the Protocol  
12 Committee, if you could stay behind for the protocol meeting. Thank you.
