---

**Notices of Motion**

---

- 1 Notice of motion in the name of Cllr. S. Stokes (proposer), seconded by Cllr. L. Scott and supported by Cllrs. P. O'Brien and J. Mulhall (7th May 2025)

*'Wicklow County Council calls on the National Transport Authority to introduce regular clinics for public representatives, similar to those provided by Uisce Éireann. This is to discuss local transport issues'.*

- 2 Notice of motion in the name of Cllr. C. Winstanley (proposer), seconded by Cllr. D. Alvey (8th May 2025)

*‘That Wicklow County Council, in the interest of public safety and accessibility, creates a bye-law requiring all waste collection companies operating within the County to ensure that their employees, when collecting and emptying bins, replace the bins back to the location where they were found—typically against a wall or boundary—and in a manner that is safe and does not pose a hazard to visually impaired individuals or others with disabilities.*

*It is noted that bins left obstructing footpaths or placed haphazardly after collection can create significant dangers for people with visual impairments and other mobility challenges. By enacting such a bye-law, the Council would enhance safety and accessibility for all residents.*

*We understand that the Council would need to formally adopt a bye-law to enable it to require bin collection companies to comply with these safety measures. This proposal is inspired by a similar bye-law adopted by Dún Laoghaire-Rathdown County Council, and we request that Wicklow County Council consider implementing a comparable regulation’.*
