The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:

\* Read Letter from Poor Law Commissioners dated 30<sup>th</sup> Ultimo calling for a Return of the number of Idiots and Lunatics in the Workhouse on the 31<sup>st</sup> December, 1868

The following Letters, from the Poor Law Commissioners and others, were read by the Clerk, and directions given to answer them respectively, to the following effect, (or Orders made on them respectively, as follows):

\* Read Letter from Poor Law Commissioners dated 4<sup>th</sup> instant in reference to the Order made by the Guardians on the 22<sup>nd</sup> Ultimo relative to the supply of Wine and other Stimulants for hospital use; The Comm<sup>rs</sup> state that it would be very objectionable that these articles should be ordered by the Medical Officer; and in variance with Article 16 of the General Regulations; they therefore request that the Guardians will enter into a Contract for the supply of these articles -

Ordered that advertisements be issued inviting Tenders for the above supplies -

Read Letter from Registrar General dated the 31<sup>st</sup> Ultimo acknowledging the receipt of Agricultural Returns.

Read the following extracts from the Report of the district National School Inspector relating to the Workhouse Schools -

#### Boys School

"The literary instruction is of moderate extent. -  
"of 34 boys in the school, only one had reached the 4<sup>th</sup>

"class, and 4 boys the 3<sup>rd</sup> class; The answering was  
 "however, fairly creditable, as far as the teaching  
 "extended; the boys exhibiting such increase  
 "proficiency in arithmetic and some other subjects  
 "as to warrant several promotions from the junior  
 "classes. — The boys seemed to be healthy,  
 "and their conduct was very good, spirited as well  
 "as orderly, — In point of discipline, the only  
 "irregularity requiring notice was the non-observance  
 "of the Time Table, at the hour of my arrival, so  
 "far as regards the slate work at desks.

### Girls School

"In this department also, the classification  
 "is rather low, only one of the girls having attained  
 "the Fourth Class; but the answering indicates pro-  
 "gress in arithmetic, which, for a long time, was a  
 "a weak point in the teaching, and in some other  
 "branches. More effective instruction in the  
 "meanings of words and phrases occurring in the  
 "reading lessons is desirable.

Ordered — That Stephen Doyle an adult pauper be sent  
 to Sir W Wyldes hospital. —

Ordered — That Anne Clifford be allowed one ounce of tobacco  
 weekly on the recommendation of the Medical Officer. —

Agreeable to advertisement the Board proceeded to con-  
 sider tenders for the supply of meat &c to the Workhouse till  
 the 25<sup>th</sup> March next — The tender of Mr Hugh Fitzgerald  
 of Clontarf was accepted at the following prices viz

Best mutton @ 5<sup>3</sup>/<sub>4</sub> £ lb

" Ox heads @ 1/8 each

" Sheep " @ 7 "

This proposition was negatived by the Board without a division.

The following Resolution and Amendment were placed in the hands of the Chairman and by him put from the Chair.

Proposed by W. Courtney Esq. seconded by Mr. Smith  
Resolved

That the vacancy occasioned by the resignation of Mr. Robt Manning as Relieving Officer be not filled up, it being considered that the three remaining Relieving Officers are sufficient to discharge the duties, and that their several districts be readjusted, and that the three Relieving Officers get £5 each additional to their salary.

Proposed by the Hon. W. P. Esq. seconded by Mr. West Esq.  
Resolved

That the present number of Relieving Officers for the Dist. of Union are not more than sufficient; and the Board of Guardians having declared their determination not to sanction any reduction, there is no use in proposing the matter any further.

For the Resolution 11 Votes

For the Amendment 27 ↗

The Chairman declares the Resolution lost and the Amendment carried.

The Guardians then proceed to the election of a RO in Room of Mr. Manning, previously to which the following resolution was proposed by Mr. Chapman seconded by Mr. Smith  
Resolved

That part of the Relieving Officers duty shall be to leave a weekly Return of the names and residences of the parties getting but less relief, and the amount they receive, at the Wicklow & New Letter Office every week.

Passed

The Chairman polled the Board for the several candidates who sought the appointment, with the following result —
